Explanation of Responses:

1. The date of the transaction represents the date on which the financial performance criteria for a previously granted performance stock unit award were determined to have been satisfied.

2. Represents the number of underlying shares of common stock determined to have been earned on a previously granted performance stock unit award based upon the satisfaction of certain financial performance criteria for the three-year period ending October 2, 2026 of such award. Also includes dividend equivalents accrued on such award since the date of grant calculated based upon the number of underlying shares of common stock earned. These shares remain subject to a time-based vesting restriction, and will vest on October 1, 2027, subject to the terms and conditions of the award.
