Aramark (NYSE: ARMK), the award-winning food and beverage partner of eight Major League Baseball teams, spent the off-season reviewing consumer insights and exploring local food trends, to identify the foods and flavors fans are craving. From tasty taco trios, to reimagined franks and sandwiches, and even more vegan and vegetarian options, Aramark is offering elevated ballpark menus that are sure to be a hit with fans.

“Food has become a major player in the fan experience and that increased role is a motivating factor for us to continue to enhance our menu offerings each season,” said Carl Mittleman, President of Aramark’s Sports and Entertainment division. “Ballpark food has come a long way. In addition to doing the classics well, we’re focusing on driving quality, increasing healthy options, making it convenient and providing personalization for our guests.”

Here are some of the new menu items Aramark is introducing for the 2018 season. Photos can be downloaded here:

**Taco Trio Takeover**

The only thing better than one taco is three! This season, Aramark will serve signature taco trios at each of its partner ballparks.
