David Freireich 215-238-4078 freireich-david@aramark.com The Work XP report discusses what makes a great place to work and what organizations are doing to compete for these employees. The report also provides insights about the different types of employee demographics—what is different and similar and what they are seeking in jobs and workplace environments.

"As the dining services provider for leading corporations and businesses in the U.S. and around the world, we are acutely aware of the ever-changing landscape of the workplace and workforce," said Quenten Wentworth, President, Business Dining and Healthcare, Aramark. "Work XP is a beneficial resource for listening, learning and understanding the world of work and what tomorrow may hold. Through these insights, we can begin to form the basis of our future offerings."
