NEW YORK--(BUSINESS WIRE)--Apr. 10, 2020-- “NYC Healthcare Heroes,” a city-wide philanthropic program to support NYC healthcare professionals on the front lines, is launching next week, providing up to 500,000 packages of shelf-stable food, household cleaning and personal care products, as well as over-the-counter medicine to staff at hospitals across the five boroughs through June. The Debra and Leon Black Family and Aramark (NYSE: ARMK), the world’s largest U.S.-based provider of food, facilities and uniforms, teamed up to launch the program, in partnership with the Mayor’s Fund to Advance New York City, Robin Hood, New York City’s largest poverty fighting organization, and the American Red Cross. To donate, visit bit.ly/NYCHHealthcareHeroes.

The Black Family has committed \$20 million, including an initial \$10 million donation and plans to match additional donations up to \$10 million, bringing the total possible raise to at least \$30 million. Donations of all sizes are encouraged to help support this initiative. With the Black Family’s matching commitment, just \$30 covers the cost of a package for a valued healthcare professional.

The packages will be provided to the more than 100,000 New York City healthcare professionals and volunteers heading home to their families at the end of their shifts, with deliveries staggered to accommodate all staffing schedules. Select items in the first bag include shelf-stable milk, energy drinks, pasta, tuna fish, peanut butter, ramen noodles, soups, macaroni and cheese, nutrition bars, disinfectant, hand lotion, toilet paper, toothpaste, sanitizers, vitamins and Tylenol. The program is adaptable and includes a mechanism to gather feedback, ensuring it meets the needs of hospital staff on an ongoing basis. The distribution is being planned in accordance with PPE and social distancing standards.

Robin Hood is managing receipt of matching 501(c)(3) donations. All donations made through this program are tax deductible to the extent permitted by law. To donate, visit bit.ly/NYCHHealthcareHeroes. For information on how to donate via Wire transfer, Stock transfer or ACH payment, please contact Lisa Careccia at careccia@robinhood.org. Given social distancing constraints, checks are not a preferred method for donations.
