Aramark Board of Directors Approves Spin-Off of Vestis™

September 6, 2023 at 7:30 AM EDT

Separation expected to be completed on September 30, 2023

Vestis to begin trading on the NYSE on October 2, 2023 under ticker “VSTS”

PHILADELPHIA--BUSINESS WIRE--Sep. 6, 2023-- Aramark (NYSE: ARMK), a global leader in food, facilities management, and uniforms, today announced that its Board of Directors approved the previously announced tax-free spin-off transaction of its uniforms and workplace supplies business, which will be named Vestis. The spin-off is expected to be completed on September 30, 2023, and will be effected through a pro rata distribution of the common stock of Vestis Corporation (“Vestis”).

Holders of Aramark common stock will be entitled to receive one share of Vestis common stock for every two shares of Aramark common stock held as of the close of business on September 20, 2023, the record date for the distribution. No stockholder action is necessary to receive shares in the distribution of Vestis common stock. Stockholders who hold Aramark common stock on the record date will receive a book-entry account statement reflecting their ownership of Vestis common stock or their brokerage account will be credited with Vestis shares. Because September 30, 2023, is a Saturday and not a business day, the shares are expected to be credited to “street name” stockholders through the Depository Trust Corporation (DTC) on the first trading day thereafter, October 2, 2023.

Additional details about the distribution are described in the information statement included as part of the registration statement on Form 10 filed with the U.S. Securities and Exchange Commission (the “SEC”), including amendments thereto (the “Form 10”), available on the SEC’s website at www.sec.gov. The information statement will be mailed to Aramark stockholders prior to the distribution date. The spin-off remains subject to the satisfaction or waiver of certain conditions described in the information statement including, but not limited to, the effectiveness of the Form 10.

Aramark Chief Executive Officer John Zillmer said, “This approval is an important milestone in establishing two distinct companies, both with a clear strategy for long-term value creation. Aramark will continue to operate as a global leader in food and facilities services and Vestis will provide exceptional uniform and workplace supplies solutions under CEO Kim Scott.”

Aramark expects that a "when-issued" public trading market for Vestis common stock will commence on the New York Stock Exchange ("NYSE") on or about September 27, 2023, and will continue up to and including the final trading day before the distribution date on Friday, September 29, 2023, under ticker symbol “VSTS”. Aramark also anticipates that "regular-way" trading of Vestis common stock will begin on October 2, 2023, under the ticker symbol “VSTS.” After completion of the distribution, Aramark will continue to trade in the regular way on the NYSE under the ticker symbol “ARMK.”

Beginning on or about September 27, 2023, and continuing up to and including the distribution date, it is expected that there will be two ways to trade Aramark common stock on the NYSE: with or without the distribution of Vestis common stock. Aramark stockholders who sell their shares of Aramark common stock in the “regular way” market after the record date and up to and including the distribution date will be selling their right to receive shares of Vestis in connection with the separation. Aramark stockholders who sell their shares of Aramark common stock in the “ex-distribution” market, under ticker symbol “ARMK WI,” beginning on or about September 27, 2023, and continuing until and including the distribution date will not be selling their right to receive shares of Vestis common stock in connection with the separation. Investors are encouraged to consult with their financial advisors regarding the specific implications of buying or selling shares of Aramark common stock on or before the distribution date.

Analyst Day

As previously announced, Vestis will host an analyst day on Wednesday, September 13, 2023, to share further details on its strategic framework for the next phase of value creation. The event will be streamed live via webcast on the Aramark Investor Relations website beginning at 9:00 a.m. Eastern Time.
