

## Aramark Chefs Awarded Distinguished ProChef Certification From The Culinary Institute of America

July 20, 2016

### Nearly 30 chefs prove their talent and abilities by completing ProChef certification

PHILADELPHIA, July 20, 2016 /PRNewswire/ -- [Aramark](#), a global leader in food, facilities management and uniforms, and The Culinary Institute of America (CIA), the world's premier culinary college, are pleased to announce the graduation of 29 chefs from the prestigious [ProChef® Certification program](#). These Aramark chefs serve colleges, universities and preparatory schools, as well as stadiums, arenas, convention centers and entertainment venues across the United States and Canada, and join the more than 200 Aramark chefs who have already received their ProChef certification.

"These chefs are dedicated to honing their craft. The CIA's ProChef Certification gives them a way to benchmark their accomplishments," says Certified Master Chef Brad Barnes, director of CIA Consulting and Industry Programs. "We applaud Aramark for continuing its commitment to chefs, food, and our profession."

The CIA ProChef Certification is a three tiered, comprehensive professional development and culinary proficiency program which measures core culinary, managerial and financial acumen, including a chef's skill in flavor development, proper cooking methods, dish profile authenticity, plating, use of ingredients and sanitation.

"Aramark is honored to partner with The Culinary Institute of America and we congratulate our chefs on this outstanding achievement," said Harrauld Kroeker, Chief Operating Officer at Aramark. "Our chefs are relentless in their pursuit of culinary perfection and continuing education, and we thank them for their continued dedication to delivering exceptional dining and guest experiences, to enrich and nourish the lives of our clients and consumers."

The ProChef Certification program was created by the CIA to provide hands-on skill validation, recognize professional achievement and give knowledge and credentials to advance chefs' careers. Certification from the CIA provides the ultimate stamp of approval in the culinary world.
