## Special Note About Forward-Looking Statements

This report contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These statements reflect our current expectations as to future events based on certain assumptions and include any statement that does not directly relate to any historical or current fact. These statements include, but are not limited to, statements related to our expectations regarding the performance of our business, our financial results, our operations, our liquidity and capital resources, the conditions in our industry and our growth strategy. In some cases, forward-looking statements can be identified by words such as "outlook," "aim," "anticipate," "have confidence," "estimate," "expect," "will be," "will continue," "will likely result," "project," "intend," "plan," "believe," "see," "look to" and other words and terms of similar meaning or the negative versions of such words. These forward-looking statements are subject to risks and uncertainties that may change at any time, and actual results or outcomes may differ materially from those that we expected.

Some of the factors that we believe could affect or continue to affect our results include without limitation: unfavorable economic conditions; natural disasters, global calamities, climate change, pandemics, including the COVID-19 pandemic, energy shortages, sports strikes and other adverse incidents; geopolitical events including, but not limited to, the ongoing conflict between Russia and Ukraine and its effects on global supply chains, inflation, volatility and disruption of global financial markets; the failure to retain current clients, renew existing client contracts and obtain new client contracts; a determination by clients to reduce their outsourcing or use of preferred vendors; competition in our industries; increased operating costs and obstacles to cost recovery due to the pricing and cancellation terms of our food and support services contracts; currency risks and other risks associated with international operations, including compliance with a broad range of laws and regulations, including the United States Foreign Corrupt Practices Act; risks associated with suppliers from whom our products are sourced; disruptions to our relationship with our distribution partners; the contract intensive nature of our business, which may lead to client disputes; our expansion strategy and our ability to successfully integrate the businesses we acquire and costs and timing related thereto; continued or further unionization of our workforce; liability resulting from our participation in multiemployer defined benefit pension plans; the inability to hire and retain key or sufficient qualified personnel or increases in labor costs; laws and governmental regulations including those relating to food and beverages, the environment, wage and hour and government contracting; liability associated with noncompliance with applicable law or other governmental regulations; new interpretations of or changes in the enforcement of the government regulatory framework; increases or changes in income tax rates or tax-related laws; potential liabilities, increased costs, reputational harm, and other adverse effects based on our commitments and stakeholder expectations relating to environmental, social and governance considerations; the failure to maintain food safety throughout our supply chain, food-borne illness concerns and claims of illness or injury; a cybersecurity incident or other disruptions in the availability of our computer systems or privacy breaches; our leverage; variable rate indebtedness that subjects us to interest rate risk; the inability to generate sufficient cash to service all of our indebtedness; debt agreements that limit our flexibility in operating our business; risks associated with the impact, timing or terms of the proposed spin-off of Aramark Uniform Services (our Uniform segment) as an independent publicly traded company to our stockholders (the "proposed spin-off"); risks associated with the expected benefits and costs of the proposed spin-off, including the risk that the expected benefits of the proposed spin-off will not be realized within the expected time frame, in full or at all, and the risk that conditions to the proposed spin-off will not be satisfied and/or that the proposed spin-off will not be completed within the expected time frame, on the expected terms or at all; the expected qualification of the proposed spin-off as a tax-free transaction for United States federal income tax purposes, including whether or not an Internal Revenue Service ruling will be obtained; the risk that any consents or approvals required in connection with the proposed spin-off will not be received or obtained within the expected time frame, on the expected terms or at all; risks associated with expected financing transactions undertaken in connection with the proposed spin-off and risks associated with indebtedness incurred in connection with the proposed spin-off; the risk of increased costs from lost synergies, costs of restructuring transactions and other costs incurred in connection with the proposed spin-off; retention of existing management team members as a result of the proposed spin-off; reaction of customers, our employees and other parties to the proposed spin-off; and the impact of the proposed spin-off on our business and the risk that the proposed spin-off may be more difficult, time-consuming or costly than expected, including the impact on our resources, systems, procedures and controls, diversion of management's attention and the impact on relationships with customers, suppliers, employees and other business counterparties; and other factors set forth under the headings "Part I, Item 1A Risk Factors," "Part I, Item 3 Legal Proceedings" and "Part II, Item 7 Management's Discussion and Analysis of Financial Condition and Results of Operations" and other sections of our Annual Report on Form 10-K, filed with the Securities and Exchange Commission (the "SEC") on November 22, 2022 as such factors may be updated from time to time in our other periodic filings with the SEC, which are accessible on the SEC's website at [www.sec.gov](http://www.sec.gov) and which may be obtained by contacting Aramark's investor relations department via its website at [www.aramark.com](http://www.aramark.com). These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included herein and in our other filings with the SEC. As a result of these risks and uncertainties, readers are cautioned not to place undue reliance on any forward-looking statements included herein or that may be made elsewhere from time to time by, or on behalf of, us. Forward-looking statements speak only as of the date made. We undertake no obligation to publicly update or review any forward-

looking statement, whether as a result of new information, future developments, changes in our expectations, or otherwise, except as required by law.

**Aramark's Intention to Spin-off Uniform Segment**

On May 10, 2022, the Company announced its intention to spin-off its Uniform segment into an independent publicly traded company to Aramark's stockholders. The proposed spin-off is intended to be a tax-free transaction to Aramark and its stockholders for United States federal income tax purposes. The proposed spin-off is expected to be completed near the end of fiscal 2023, subject to certain customary conditions, including final approval of the Aramark Board of Directors, receipt of a favorable opinion and Internal Revenue Service ruling with respect to the tax-free nature of the transaction, the effectiveness of a registration statement on Form 10 to be filed with the SEC and the receipt of other regulatory approvals.

**New Accounting Standards Updates***Adopted Standards (from most to least recent date of issuance)*

In December 2022, the Financial Accounting Standards Board ("FASB") issued an accounting standards update ("ASU") which defers the sunset date of Topic 848, *Reference Rate Reform*, to December 31, 2024 from December 31, 2022 and is effective for the Company upon issuance of the ASU. In January 2021, the FASB issued an ASU, which clarified certain optional expedients and exceptions for contract modifications and hedge accounting that may apply to derivatives that are affected by the discontinuance of the London Interbank Offer Rate ("LIBOR") and the reference rate reform standard. In March 2020, the FASB issued an ASU which provided optional expedients that may be applied to assist with the discontinuance of LIBOR. The expedients allowed companies to ease the potential accounting burden when modifying contracts and hedging relationships that use LIBOR as a reference rate, if certain criteria are met. During fiscal 2020, the Company applied the optional expedient to assert probability of forecasted hedged transactions occurring on its interest rate swap derivative contracts regardless of any expected contract modifications related to reference rate reform. During the third quarter of fiscal 2023, the Company applied the optional expedient related to assessment of effectiveness, whereas the Company elected to continue the method of assessing effectiveness as documented in the original hedge documentation and elected to apply the optional expedient so that the reference rate on the hypothetical derivative matches the reference rate on the hedging instrument. The Company may apply the optional expedients of this standard through December 31, 2024. The adoption of this guidance did not have a material impact on the condensed consolidated financial statements.

In November 2021, the FASB issued an ASU which requires an entity to provide certain annual disclosures when they have received government assistance. The guidance was effective for the Company in the first quarter of fiscal 2023. The adoption of this guidance did not have a material impact on the condensed consolidated financial statements.

*Standards Not Yet Adopted (from most to least recent date of issuance)*

In September 2022, the FASB issued an ASU to enhance the transparency of supplier finance programs, which may be referred to as reverse factoring, payables finance or structured payables arrangements. The guidance will require that a buyer in a supplier finance program disclose the program's nature, activity and potential magnitude. The guidance is effective for the

Company in the first quarter of fiscal 2024 and early adoption is permitted. The adoption of this guidance is not expected to have a material impact on the condensed consolidated financial statements.

In October 2021, the FASB issued an ASU which required that an entity (acquirer) recognize and measure contract assets and contract liabilities acquired in a business combination in accordance with Accounting Standards Codification 606, *Revenue from Contracts with Customers* ("ASC 606") as if it had originated the contracts. The guidance is effective for the Company in the first quarter of fiscal 2024 and early adoption is permitted. The adoption of this guidance is not expected to have a material impact on the condensed consolidated financial statements.

Other new accounting pronouncements recently issued or newly effective were not applicable to the Company, did not have a material impact on the condensed consolidated financial statements or are not expected to have a material impact on the condensed consolidated financial statements.

#### Currency Translation

Beginning in fiscal 2018, Argentina was determined to have a highly inflationary economy. As a result, the Company remeasures the financial statements of Argentina's operations in accordance with the accounting guidance for highly inflationary economies. The impact of the Argentina remeasurement was a foreign currency transaction loss of \$2.8 million and \$6.7 million during the three and nine month periods ended June 30, 2023, respectively. The impact of the Argentina remeasurement was a foreign currency transaction loss of \$1.2 million and \$2.2 million during the three and nine month periods ended July 1, 2022, respectively. The impact of foreign currency transaction gains and losses exclusive of Argentina's operations included in the Company's operating results during the three and nine month periods of both fiscal 2023 and 2022 were immaterial to the condensed consolidated financial statements.

#### Current Assets

The Company insures portions of its risk in general liability, automobile liability, workers' compensation liability and property liability through a wholly owned captive insurance subsidiary (the "Captive"), to enhance its risk financing strategies. The Captive is subject to regulations within its domicile of Bermuda, including regulations established by the Bermuda Monetary Authority (the "BMA") relating to levels of liquidity and solvency as such concepts are defined by the BMA. The Captive was in compliance with these regulations as of June 30, 2023. These regulations may have the effect of limiting the Company's ability to access certain cash and cash equivalents held by the Captive for uses other than for the payment of its general liability, automobile liability, workers' compensation liability, property liability and related Captive costs. As of June 30, 2023 and September 30, 2022, cash and cash equivalents at the Captive were \$24.4 million and \$23.1 million, respectively. During fiscal 2022, the Captive began investing a portion of its cash and cash equivalents in United States Treasury securities to improve returns on the Captive's assets. The amount of this investment as of June 30, 2023 and September 30, 2022 was \$109.8 million and \$78.2 million, respectively, and recorded in "Prepayments and other current assets" on the Condensed Consolidated Balance Sheets.

#### Property and Equipment and Operating Lease Right-of-use Assets

During the first half of fiscal 2023, the Company completed a strategic review of certain administrative locations, taking into account facility capacity and current utilization, among other factors. Based on this review, the Company vacated or otherwise reduced its usage at certain of these locations, resulting in an analysis of the recoverability of the assets associated with the locations. As a result, for the nine months ended June 30, 2023, the Company recorded an impairment charge of \$26.7 million within its FSS United States and Uniform segments, which is included in "Cost of services provided (exclusive of depreciation and amortization)" on the Condensed Consolidated Statements of Income. For the nine months ended June 30, 2023, the non-cash impairment charges within the FSS United States segment consisted of operating lease right-of-use assets of \$8.6 million and property and equipment of \$10.4 million. For the nine months ended June 30, 2023, the non-cash impairment charges within the Uniform segment consisted of operating lease right-of-use assets of \$7.1 million and other costs of \$0.6 million.

#### Other Assets

Other assets consist primarily of costs to obtain or fulfill contracts, including employee sales commissions and rental merchandise in-service, long-term receivables, investments in 50% or less owned entities and computer software costs.

For investments in 50% or less owned entities accounted for under the equity method of accounting, the carrying amount as of June 30, 2023 and September 30, 2022 was \$98.0 million and \$224.5 million, respectively. On April 6, 2023, the Company sold its 50% ownership interest in AIM Services Co., Ltd., a leading Japanese food services company, to Mitsui & Co., Ltd. for \$535.0 million in cash in a taxable transaction resulting in a pre-tax gain on sale of this equity investment of \$377.1 million (\$275.9 million net of tax) during the three and nine months ended June 30, 2023. The pre-tax gain is included in "Gain on Sale of Equity Investments, net" on the Condensed Consolidated Statements of Income.

values related to those investments. The carrying amount of equity investments without readily determinable fair values as of June 30, 2023 and September 30, 2022 was \$85.2 million and \$180.5 million, respectively. On May 16, 2023, the Company sold a portion of its ownership interest in an equity investment for \$98.2 million in cash in a taxable transaction resulting in a pre-tax loss on sale of this equity investment of \$1.1 million (\$2.2 million net of tax) during the three and nine months ended June 30, 2023. ### Other Current and Noncurrent Liabilities

The Company is self-insured for obligations related to certain risks that are retained under the Company's casualty program, which includes general liability, automobile liability and workers' compensation liability, as well as for property liability and employee healthcare benefit programs. Reserves for retained costs associated with the casualty program are estimated through actuarial methods, with the assistance of third-party actuaries, using loss development assumptions based on the Company's claims history.

### Impact of COVID-19

The Coronavirus Aid, Relief and Economic Security Act ("CARES Act") provided for deferred payment of the employer portion of social security taxes through the end of calendar 2020, with 50% of the deferred amount due December 31, 2021 and the remaining 50% of the amount due December 31, 2022. ### **Senior Secured Credit Agreement**

On April 17, 2023, the Company repaid \$468.0 million of the United States dollar denominated term loans due 2025 ("U.S. Term B-3 Loans due 2025"), and ¥8,409.0 million (\$63.0 million) of yen denominated term loans due 2026.

On May 31, 2023, the Company repaid \$100.0 million of U.S. Term B-3 Loans due 2025.

On June 22, 2023, Aramark Services, Inc. ("ASI"), an indirect wholly owned subsidiary of the Company, and certain of its subsidiaries entered into Amendment No. 12 to the Credit Agreement, dated March 28, 2017, which provides for, among other things, the extension of the maturity date applicable to all of the U.S. Term B-3 Loans due 2025 through the establishment of new United States dollar denominated term loans due 2030 ("U.S. Term B-6 Loans due 2030") in an amount equal to approximately \$1.1 billion. The new U.S. Term B-6 Loans due 2030 were funded in full on June 22, 2023 and were applied by the Company to refinance the remaining U.S. Term B-3 Loans due 2025.

The new U.S. Term B-6 Loans due 2030 bear interest rate equal to either (a) a forward-looking term rate based on the Secured Overnight Financing Rate ("SOFR") for the applicable interest period, plus a credit spread adjustment of (i) 0.11448% for borrowings with interest periods of one month, (ii) 0.26161% for borrowings with interest periods of three months and (iii) 0.42826% for borrowings with interest periods of six months ("Adjusted Term SOFR") or (b) a base rate determined by

reference to the highest of (1) the prime rate of the administrative agent, (2) the federal funds rate plus 0.50% and (3) the Adjusted Term SOFR plus 1.00% plus an applicable margin set initially at 2.50% for borrowings based on Adjusted Term SOFR and 1.50% for borrowings based on the base rate. The U.S. Term B-6 Loans due 2030 require the payment of installments in a quarterly principal amount of \$2,750,000 from September 30, 2023 through March 31, 2030, and \$1,025,750,000 at maturity. The U.S. Term B-6 Loans due 2030 are subject to substantially similar terms currently relating to guarantees, collateral, mandatory prepayments and covenants that are applicable to the Company's other U.S. Term B Loans outstanding under the Credit Agreement.

The Company capitalized \$8.0 million of costs associated with the issuance of the U.S. Term B-6 Loans due 2030, which are amortized using the effective interest method over the term of the loans and presented on the Condensed Consolidated Balance Sheet as a direct deduction from the carrying value of the loans. The Company also incurred an original issue discount of \$11.0 million upon the issuance of the U.S. Term B-6 Loans due 2030. The discount is included as an adjustment to the carrying value of the loans and is amortized using the effective interest method over the term of loans in accordance with the accounting literature.

In conjunction with Amendment No. 12 to the Credit Agreement and the borrowing repayments, the Company recorded a \$2.5 million non-cash loss for the write-off of unamortized deferred debt issuance costs to "Interest and Other Financing Costs, net" on the Condensed Consolidated Statements of Income during the three and nine months ended June 30, 2023.

On June 29, 2023, ASI entered into Amendment No. 13 to the Credit Agreement, dated March 28, 2017, which provides for a transition of the underlying interest rate applicable to all term loans outstanding and revolving credit commitments and loans available and/or outstanding, in each case, under the Credit Agreement, from a LIBOR-based rate to a forward-looking term rate based on SOFR. All borrowings based on SOFR under the Credit Agreement are subject to a credit spread adjustment of (i) 0.11448% for borrowings with interest periods of one month, (ii) 0.26161% for borrowings with interest periods of three months and (iii) 0.42826% for borrowings with interest periods of six months but the associated interest rate margins applicable to all such borrowings remain unchanged. Amendment No. 13 was entered into in preparation for the general cessation of LIBOR-based borrowings in the leverage lending industry as of June 30, 2023.

***Receivables Facility***

On July 19, 2023, the Company increased the purchase limit available under the Receivables Facility from \$500.0 million to \$600.0 million and extended the scheduled maturity date of the Receivables Facility from June 2024 to July 2026. All other terms and conditions of the agreement remained unchanged.

**NOTE 5. DERIVATIVE INSTRUMENTS:**

The Company enters into contractual derivative arrangements to manage changes in market conditions related to interest on debt obligations and exposure to fluctuating gasoline and diesel fuel prices. Derivative instruments utilized during the period include interest rate swap agreements and gasoline and diesel fuel agreements. All derivative instruments are recognized as either assets or liabilities on the balance sheet at fair value at the end of each quarter. The counterparties to the Company's contractual derivative agreements are all major international financial institutions. The Company is exposed to credit loss in the event of nonperformance by these counterparties. The Company continually monitors its positions and the credit ratings of its counterparties and does not anticipate nonperformance by the counterparties. For designated hedging relationships, the Company formally documents the hedging relationship and its risk management objective and strategy for undertaking the hedge, the hedging instrument, the hedged item, the nature of the risk being hedged and how the hedging instrument's effectiveness in offsetting the hedged risk will be assessed prospectively and retrospectively for designated hedges. The Company also formally assesses, both at the hedge's inception and on an ongoing basis, whether the derivatives that are used in hedging transactions are highly effective in offsetting cash flows of hedged items.

***Cash Flow Hedges***

The Company has \$2.2 billion notional amount of outstanding interest rate swap agreements as of June 30, 2023, which fix the rate on a like amount of variable rate borrowings through December of fiscal 2028. During the first quarter of fiscal 2023, \$1.2 billion notional amount of previously forward starting interest rate swap agreements to hedge the cash flow risk of variability in interest payments on variable rate borrowings became effective. During the third quarter of fiscal 2023, the Company entered into \$150.0 million notional amount of interest rate swap agreements to hedge the cash flow risk of variability in interest payments on variable rate borrowings. In addition, interest rate swaps with notional amounts of \$1.6 billion matured during the nine months ended June 30, 2023.

During the third quarter of fiscal 2023, the Company entered into bilateral agreements with its swap counterparties to transition all of its interest rate swap agreements to use SOFR as the reference rate in anticipation of the discontinuance of LIBOR. There were no changes to interest rate swap parties, notional amounts or settlement dates as a result of these amendments. As of June 30, 2023, all of the Company's interest rate swap agreements were indexed to SOFR.

## NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

Changes in the fair value of a derivative that is designated as and meets all the required criteria for a cash flow hedge are recorded in accumulated other comprehensive loss and reclassified into earnings as the underlying hedged item affects earnings. Amounts reported in accumulated other comprehensive loss related to derivatives will be reclassified to interest expense as interest payments are made on the Company's variable-rate debt. As of June 30, 2023 and September 30, 2022, \$103.8 million and \$114.7 million, respectively, of unrealized net of tax gains related to the interest rate swaps were included in "Accumulated other comprehensive loss" on the Condensed Consolidated Balance Sheets.

**NOTE 6. REVENUE RECOGNITION:**

The Company generates revenue through sales of food, facility and uniform services to customers based on written contracts at the locations it serves. Within the FSS United States and FSS International segments, the Company provides food and beverage services, including catering and retail services, and facilities services, including plant operations and maintenance, custodial, housekeeping, landscaping and other services. Within the Uniform segment, the Company provides a full service uniform solution, including delivery, cleaning and maintenance. In accordance with ASC 606, the Company accounts for a customer contract when both parties have approved the arrangement and are committed to perform their respective obligations, each party's rights can be identified, payment terms can be identified, the contract has commercial substance and it is probable the Company will collect substantially all of the consideration to which it is entitled. Revenue is recognized upon the transfer of control of the promised product or service to customers in an amount that reflects the consideration the Company expects to receive in exchange for those goods and services.

**Performance Obligations**

The Company recognizes revenue when its performance obligation is satisfied. Each contract generally has one performance obligation, which is satisfied over time. The Company primarily accounts for its performance obligations under the series guidance, using the as-invoiced practical expedient when applicable. The Company applies the right to invoice practical expedient to record revenue as the services are provided, given the nature of the services provided and the frequency of billing under the customer contracts. Under this practical expedient, the Company recognizes revenue in an amount that corresponds directly with the value to the customer of the Company's performance completed to date and for which the Company has the right to invoice the customer. Certain arrangements include performance obligations which include variable consideration (primarily per transaction fees). For these arrangements, the Company does not need to estimate the variable consideration for the contract and allocate to the entire performance obligation; therefore, the variable fees are recognized in the period they are earned.

### Contract Balances

Deferred income is recognized in "Accrued expenses and other current liabilities" and "Deferred Income Taxes and Other Noncurrent Liabilities" on the Condensed Consolidated Balance Sheets when the Company has received consideration, or has the right to receive consideration, in advance of the transfer of the performance obligation of the contract to the customer, primarily prepaid meal plans. The consideration received remains a liability until the goods or services have been provided to the customer. The Company classifies deferred income as current if the deferred income is expected to be recognized in the next 12 months or as noncurrent if the deferred income is expected to be recognized in excess of the next 12 months. If the Company cannot render its performance obligation according to contract terms after receiving the consideration in advance, amounts may be contractually required to be refunded to the customer.

During the nine months ended June 30, 2023, deferred income increased related to customer prepayments and decreased related to income recognized during the period as a result of satisfying the performance obligation or return of funds related to non-performance. For the nine months ended June 30, 2023, the Company recognized \$279.4 million of revenue that was included in deferred income at the beginning of the period. Deferred income balances are summarized in the following table (in millions):

	June 30, 2023	September 30, 2022
Deferred income	\$ 142.2	\$ 324.5

### NOTE 7. INCOME TAXES:

As of each reporting date, the Company considers existing evidence, both positive and negative, that could impact the need for valuation allowances against deferred tax assets. During the nine months ended June 30, 2023, the Company recorded a benefit to the "Provision for Income Taxes" to the Condensed Consolidated Statements of Income of \$3.8 million for the reversal of a valuation allowance at a foreign subsidiary driven by the Company's ability to utilize the deferred tax assets based on future taxable income expected due to the acquisition of a business. During the nine months ended July 1, 2022, the Company recorded a benefit to the "Provision for Income Taxes" to the Condensed Consolidated Statements of Income of \$8.5 million for the reversal of a valuation allowance at a foreign subsidiary driven by the Company's ability to utilize the deferred tax assets based on future taxable income expected due to the acquisition of a business.

### NOTE 8. STOCKHOLDERS' EQUITY:

On August 1, 2023, the Company's Board of Directors approved an \$0.11 dividend per share of common stock, payable on August 29, 2023, to stockholders of record on the close of business on August 16, 2023.

PSUs <sup>(1)(2)</sup>	0.5	\$ 48.88
	<u>2.7</u>	

<sup>(1)</sup> The Company's annual grants for fiscal 2023 were awarded in November 2022 and will vest based upon continued employment over four years. All TBOs remain exercisable for 10 years from the date of grant.

<sup>(2)</sup> During the first quarter of fiscal 2023, the Company granted PSUs subject to the level of achievement of adjusted revenue growth, cumulative adjusted earnings per share, return on invested capital and relative total shareholder return for the cumulative performance period over three years and the participant's continued employment with the Company over four years. The Company is accounting for a portion of the award as a performance-based award, with the grant-date fair value based on the fair value of the Company's common stock. The Company is accounting for the remainder of the award as a market-based award valued utilizing the Monte Carlo Simulation pricing model, which calculates multiple potential outcomes for an award and establishes fair value based on the most likely outcome.

### NOTE 10. EARNINGS PER SHARE:

Basic earnings per share is computed using the weighted average number of common shares outstanding during the periods presented. Diluted earnings per share is computed using the weighted average number of common shares outstanding adjusted to include the potentially dilutive effect of stock awards.

In addition, PSUs related to 0.9 million and 1.0 million shares were outstanding for the three months ended June 30, 2023 and July 1, 2022, respectively, but were not included in the computation of diluted earnings per common share, as the performance targets were not yet met.

In addition, PSUs related to 0.9 million and 1.0 million shares were outstanding for the nine months ended June 30, 2023 and July 1, 2022, respectively, but were not included in the computation of diluted earnings per common share, as the performance targets were not yet met.

### NOTE 11. COMMITMENTS AND CONTINGENCIES:

Certain of the Company's lease arrangements, primarily vehicle leases, with terms of one to 12 years, contain provisions related to residual value guarantees. The maximum potential liability to the Company under such arrangements was approximately \$27.8 million at June 30, 2023 if the terminal fair value of vehicles coming off lease was zero. Consistent with past experience, management does not expect any significant payments will be required pursuant to these arrangements. No amounts have been accrued for guarantee arrangements at June 30, 2023.

From time to time, the Company and its subsidiaries are a party to various legal actions, proceedings and investigations involving claims incidental to the conduct of their business, including actions by clients, consumers, employees, government entities and third parties, including under federal, state, international, national, provincial and local employment laws, wage and hour laws, discrimination laws, immigration laws, human health and safety laws, import and export controls and customs laws, environmental laws, false claims or whistleblower statutes, minority, women and disadvantaged business enterprise statutes, tax codes, antitrust and competition laws, consumer protection statutes, procurement regulations, intellectual property laws, food safety and sanitation laws, cost and accounting principles, the Foreign Corrupt Practices Act, the U.K. Bribery Act, other anti-corruption laws, lobbying laws, motor carrier safety laws, data privacy and security laws and alcohol licensing and service laws, or alleging negligence and/or breaches of contractual and other obligations. Based on information currently available, advice of counsel, available insurance coverage, established reserves and other resources, the Company does not believe that any such actions are likely to be, individually or in the aggregate, material to its business, financial condition, results of operations or cash flows. However, in the event of unexpected further developments, it is possible that the ultimate resolution of these matters, or other similar matters, if unfavorable, may be materially adverse to the Company's business, financial condition, results of operations or cash flows.

### NOTE 12. BUSINESS SEGMENTS:

The Company reports its operating results in three reportable segments: FSS United States, FSS International and Uniform. Corporate includes general expenses not specifically allocated to an individual segment and share-based compensation expense (see Note 9). In the Company's food and support services segments, approximately 73% of the global revenue is related to food services and 27% is related to facilities services. During the nine months ended June 30, 2023 and July 1, 2022, the Company received proceeds of \$19.8 million and \$9.0 million, respectively, relating to the recovery of the Company's investment

## NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

**NOTE 13. FAIR VALUE OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES:**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Assets and liabilities recorded at fair value are classified based upon the level of judgment associated with the inputs used to measure their fair value. The hierarchical levels related to the subjectivity of the valuation inputs are defined as follows:

- Level 1—inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets
- Level 2—inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument
- Level 3—inputs to the valuation methodology are unobservable and significant to the fair value measurement

**Recurring Fair Value Measurements**

The Company's financial instruments consist primarily of cash and cash equivalents, accounts receivable, accounts payable, borrowings and derivatives. Management believes that the carrying value of cash and cash equivalents, accounts receivable and accounts payable are representative of their respective fair values. In conjunction with the fair value measurement of the derivative instruments, the Company made an accounting policy election to measure the credit risk of its derivative instruments that are subject to master netting agreements on a net basis by counterparty portfolio, as the gross values would not be materially different. The fair value of the Company's debt at June 30, 2023 and September 30, 2022 was \$7,600.8 million and \$7,153.4 million, respectively. The carrying value of the Company's debt at June 30, 2023 and September 30, 2022 was \$7,646.4 million and \$7,410.9 million, respectively. The fair values were computed using market quotes, if available, or based on discounted cash flows using market interest rates as of the end of the respective periods. The inputs utilized in estimating the fair value of the Company's debt have been classified as Level 2 in the fair value hierarchy levels.

As part of the Union Supply acquisition completed in fiscal 2022, the Company recorded a contingent consideration obligation based on the fair value of the expected payments with a separate amount that will be accounted for as compensation expense to be recognized on the Condensed Consolidated Statements of Income over the earnout period. The Company performed a fair value assessment of the contingent consideration obligation based on the terms and conditions of the Union Supply purchase agreement, using internal models. The inputs utilized in estimating the fair value of the contingent consideration have been classified as Level 3 in the fair value hierarchy levels and are subject to risk and uncertainty. The calculation of fair value is dependent on several subjective factors including future earnings and profitability. If assumptions or estimates vary from what was expected, the fair value of the contingent consideration liability may materially change. During the first half of fiscal 2023, due to lower performance than expected mainly from inflationary cost pressures, the Company adjusted the contingent consideration liability to the fair value of the future expected payment, resulting in income of \$29.7 million, which is comprised of the adjusted contingent consideration liability recorded as part of the acquisition and reversal of a portion of compensation expense previously recognized on the Condensed Consolidated Statements of Income since the acquisition. The income is included in "Cost of services provided (exclusive of depreciation and amortization)" on the Condensed Consolidated Statements of Income for the nine months ended June 30, 2023. The contingent consideration liability at June 30, 2023 and September 30, 2022 was \$21.8 million and \$45.8 million, respectively.

As part of the Next Level acquisition completed in fiscal 2021, the Company recorded a contingent consideration obligation based on the fair value of the expected payments. The Company performed a fair value assessment of the contingent consideration obligation based on the terms and conditions of the Next Level purchase agreement, as amended, using internal models. The inputs utilized in estimating the fair value of the contingent consideration have been classified as Level 3 in the fair value hierarchy levels and are subject to risk and uncertainty. The calculation of fair value is dependent on several subjective factors including future earnings and profitability. If assumptions or estimates vary from what was expected, the fair value of the contingent consideration liability may materially change. During the first half of fiscal 2023, due to continued lower performance than expected mainly from inflationary cost pressures and the reduced probability of prospective business opportunities, the Company adjusted the contingent consideration liability to the fair value of the future expected payment, resulting in income of \$48.4 million, which is included in "Cost of services provided (exclusive of depreciation and amortization)" on the Condensed Consolidated Statements of Income for the nine months ended June 30, 2023. The fair value of the contingent consideration liability at June 30, 2023 and September 30, 2022 was zero and \$48.4 million, respectively.

**Item 2.****MANAGEMENT'S DISCUSSION AND ANALYSIS  
OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS**

*The following discussion and analysis of Aramark's (the "Company," "we," "our" and "us") financial condition and results of operations for the three and nine months ended June 30, 2023 and July 1, 2022 should be read in conjunction with our audited consolidated financial statements and the notes to those statements for the fiscal year ended September 30, 2022 included in our Annual Report on Form 10-K, filed with the Securities and Exchange Commission (the "SEC") on November 22, 2022.*

*Our discussion contains forward-looking statements, such as our plans, objectives, opinions, expectations, anticipations, intentions and beliefs, that are based upon our current expectations but that involve risks and uncertainties. Actual results and the timing of events could differ materially from those anticipated in those forward-looking statements as a result of a number of factors, including those described under the heading "Special Note About Forward-Looking Statements" and elsewhere in this Quarterly Report on Form 10-Q. In the following discussion and analysis of financial condition and results of operations, certain financial measures may be considered "non-GAAP financial measures" under SEC rules. These rules require supplemental explanation and reconciliation, which is provided elsewhere in this Quarterly Report on Form 10-Q.*

**Overview**

We are a leading global provider of food, facilities and uniform services to education, healthcare, business & industry and sports, leisure & corrections clients. Our core market is the United States, which is supplemented by an additional 18-country footprint. Through our established brand, broad geographic presence and employees, we anchor our business in our partnerships with thousands of clients. Through these partnerships, we serve millions of consumers including students, patients, employees, sports fans and guests worldwide. We operate our business in three reportable segments: Food and Support Services United States ("FSS United States"), Food and Support Services International ("FSS International") and Uniform and Career Apparel ("Uniform").

Our FSS United States reportable segment operations focus on serving clients in five principal sectors: Business & Industry, Education, Healthcare, Sports, Leisure & Corrections and Facilities & Other. Our FSS International reportable segment provides a similar range of services as those provided to our FSS United States clients. Administrative expenses not allocated to our three reportable segments are presented separately as corporate expenses.

**Business Update**

Continued volatility of global economies and financial markets caused by global events and other factors, including the ongoing conflict between Russia and Ukraine, has caused inflation in product, energy and labor costs, has increased market interest rates and has driven significant changes in foreign currencies. However, we are seeing moderation in inflation starting to appear in some markets around the world, including the United States. We continue to evaluate and react to the effects of global economic disruptions, including inflationary pressures on product and energy costs, greater labor challenges and the financial condition of our clients in certain businesses. We expect these challenges to continue throughout the remainder of fiscal 2023, and we regularly evaluate and take appropriate actions to mitigate risk in these areas. This includes addressing inflation and global supply chain disruption through management of operating costs, including supply chain initiatives and pricing pass-throughs.

**Aramark's Intention to Spin-off Uniform Segment**

On May 10, 2022, we announced our intention to spin-off our Uniform segment into an independent publicly traded company to our stockholders. The proposed spin-off is intended to be a tax-free transaction to us and our stockholders for United States federal income tax purposes. The proposed spin-off is expected to be completed near the end of fiscal 2023, subject to certain customary conditions, including final approval of our Board of Directors, receipt of a favorable opinion and Internal Revenue Service ruling with respect to the tax-free nature of the transaction, the effectiveness of a registration statement on Form 10 to be filed with the SEC and the receipt of other regulatory approvals.

**Seasonality**

Our revenue and operating results have varied, and we expect them to continue to vary, from quarter to quarter as a result of different factors. Historically, within our FSS United States segment, there has been a lower level of activity during our first and second fiscal quarters in operations that provide services to sports and leisure clients. This lower level of activity, historically, has been partially offset during our first and second fiscal quarters by the increased activity levels in our educational operations. Conversely, historically there has been a significant increase in the provision of services to sports and leisure clients during our third and fourth fiscal quarters, which is partially offset by the effect of summer recess at colleges, universities and schools in our educational operations. For cash flows, historically there has been cash usage during our first fiscal quarter due to lower activity within our sports and leisure clients as well as payments related to employee incentives.

Conversely, historically there has been cash inflows during our fourth fiscal quarter due to an inflow of customer prepayments particularly within our Higher Education business in anticipation of the fall semester and higher activity within our sports and leisure clients.

### Foreign Currency Fluctuations

The impact from foreign currency translation assumes constant foreign currency exchange rates based on the rates in effect for the prior year period being used in translation for the comparable current year period. We believe that providing the impact of fluctuations in foreign currency rates on certain financial results can facilitate analysis of period-to-period comparisons of business performance.

### Fiscal Year

Our fiscal year is the fifty-two or fifty-three week period which ends on the Friday nearest September 30th. The fiscal years ending September 29, 2023 and September 30, 2022 are both fifty-two week periods.

## Consolidated Overview

Revenue increased by approximately 15.1% and 16.9% during the three and nine month periods of fiscal 2023 compared to the prior year periods, respectively. The increase during these periods was primarily attributable to growth in base business, including pricing pass-throughs, and net new business. In addition, the acquisition of Union Supply, which occurred on June 2, 2022, during the third quarter of fiscal 2022, contributed higher revenues of \$47.2 million and \$186.5 million during the three and nine month periods of fiscal 2023, respectively, as compared to the prior fiscal year.

The following table presents the cost of services provided (exclusive of depreciation and amortization) by segment and as a percent of revenue for the three and nine months ended June 30, 2023 and July 1, 2022 (in millions).

Cost of services provided (exclusive of depreciation and amortization)	Three Months Ended				Nine Months Ended

(1) The nine months ended June 30, 2023 were impacted by \$25.8 million of severance charges (see Note 2 to the condensed consolidated financial statements).

The following table presents the percentages attributable to the components in cost of services provided (exclusive of depreciation and amortization) for the three and nine months ended June 30, 2023 and July 1, 2022.

Cost of services provided (exclusive of depreciation and amortization) components	Three Months Ended		Nine Months Ended	
	June 30, 2023	July 1, 2022	June 30, 2023	July 1, 2022
Food and support service costs <sup>(2)</sup>	28.3 %	26.8 %	28.9 %	26.0 %
Personnel costs <sup>(3)</sup>	45.7 %	47.5 %	46.3 %	48.4 %

	<u>100.0 %</u>	<u>100.0 %</u>	<u>100.0 %</u>	<u>100.0 %</u>

(2) Food and support service costs represented a higher proportion of total cost of services provided (exclusive of depreciation and amortization) during the three and nine months ended June 30, 2023 compared to the prior year periods mainly from product cost inflation and volume increases due to revenue growth.

(3) Personnel costs decreased as a percentage of total cost of services provided (exclusive of depreciation and amortization) during the three and nine months ended June 30, 2023 compared to the prior year periods due to food and support service costs increasing at a higher proportion as compared to personnel costs.

(4) Other direct costs represented a lower proportion of total cost of services provided (exclusive of depreciation and amortization) during the nine months ended June 30, 2023 driven by food and support service costs increasing at a higher proportion as compared to other direct costs. In addition, the nine months ended June 30, 2023 were impacted by \$73.9 million of non-cash income from the reduction of contingent consideration liabilities related to acquisition earn outs (see Note 13 to the condensed consolidated financial statements), net of impairment charges of operating lease right of use assets, property and equipment and other costs related to certain real estate properties of \$26.7 million, respectively (see Note 1 to the condensed consolidated financial statements).

Operating income increased by \$55.5 million and \$154.9 million during the three and nine month periods of fiscal 2023 compared to the prior year periods, respectively, driven by base business growth, including volume recovery from COVID-19, and effective cost management. The increase in operating income during the nine month period of fiscal 2023 also benefited from non-cash income from the reduction of the contingent consideration liabilities related to acquisition earn outs, net of expense (\$73.9 million) (see Note 13 to the condensed consolidated financial statements), from higher income related to favorable loss experience under our general liability, automotive liability and workers' compensation liability programs when compared to the nine month period of fiscal 2022 (\$17.1 million) and from a higher gain relating to the recovery of our investment (possessory interest) at one of the National Park Service sites (\$10.8 million).

These increases in operating income during the three and nine month periods of fiscal 2023 more than offset the prior year labor related tax credits provided from governmental assistance programs (\$2.3 million and \$35.5 million), higher personnel and other expenses related to our intention to spin-off the Uniform segment (\$6.1 million and \$16.5 million) and increased inflationary costs in product, energy and labor. Additionally, the increase in operating income during the nine month period of fiscal 2023 more than offset severance charges (\$36.3 million) (see Note 2 to the condensed consolidated financial statements) and impairment charges of operating lease right-of-use assets and property and equipment and other costs related to certain real estate properties (\$26.7 million) (see Note 1 to the condensed consolidated financial statements).

During the three and nine months ended June 30, 2023, we recognized a \$377.1 million gain on the sale of our 50% ownership interest in AIM Services Co., Ltd., which is included in "Gain on Sale of Equity Investments, net" on the Condensed Consolidated Statements of Income. This gain was partially offset by a \$1.1 million loss on the sale of a portion of our ownership interest in an equity investment (see Note 1 to the condensed consolidated financial statements).

Interest and Other Financing Costs, net, increased 23.4% and 19.7% during the three and nine month periods of fiscal 2023 compared to the prior year periods, respectively. The increase during the three and nine month periods of fiscal 2023 was

primarily due to higher interest rates related to our senior secured term loan facilities and interest from increased borrowings under the Receivables Facility and revolving credit facility.

The provision for income taxes for the three and nine month periods of fiscal 2023 was recorded at an effective tax rate of 27.4% and 26.0%, respectively. The provision for income taxes for the three and nine month periods of fiscal 2022 was recorded at an effective tax rate of 28.3% and 23.9%, respectively. During the three and nine months ended June 30, 2023, we recorded an income tax provision of \$101.2 million related to the sale of our 50% ownership interest in AIM Services Co., Ltd. During the nine month period ended June 30, 2023, we recorded an income tax benefit of \$3.8 million for the reversal of a valuation allowance against deferred tax assets within a foreign subsidiary due to an acquisition of a business. During the nine month period ended July 1, 2022, we recorded an income tax benefit of \$8.5 million for the reversal of a valuation allowance against deferred tax assets within a foreign subsidiary due to an acquisition of a business (see Note 7 to the condensed consolidated financial statements).

## Segment Results

### FSS United States Segment

The FSS United States reportable segment consists of five sectors which have similar economic characteristics and comprise a single operating segment. The five sectors of the FSS United States reportable segment are Business & Industry, Education, Healthcare, Sports, Leisure & Corrections and Facilities & Other.

Revenue for each of these sectors are summarized as follows (in millions):

	Three Months Ended		Change %	Nine Months Ended		Change %
	June 30, 2023	July 1, 2022		June 30, 2023	July 1, 2022

Historically, the Healthcare, Education and Facilities & Other sectors generally have high-single digit operating income margins. The Business & Industry and Sports, Leisure & Corrections sectors generally have mid-single digit operating income margins. During the COVID-19 pandemic and in following periods, operating income margins from the sectors within the FSS United States reportable segment have differed and continue to differ from our otherwise historical patterns, particularly in the Business & Industry sector.

FSS United States segment revenue increased by approximately 16.5% and 19.5% during the three and nine month periods of fiscal 2023 compared to the prior year periods, respectively. The increase during the three and nine month periods of fiscal 2023 was primarily attributable to base business growth, including pricing pass-throughs, and net new business growth. The Sports, Leisure & Corrections sector increased due to higher per capita customer spending in stadiums and arenas and the acquisition of Union Supply, which contributed higher revenues of \$47.2 million and \$186.5 million during the three and nine month periods of fiscal 2023, respectively, as compared to the prior year periods. The Business & Industry sector increased due to client personnel continuing to return to office locations along with pricing pass-throughs.

Operating income increased by \$39.4 million and \$177.5 million during the three and nine month periods of fiscal 2023 compared to the prior year periods, respectively. The increase was primarily attributable to base business growth, including volume recovery from COVID-19, and effective cost management. The increases were partially offset by increased inflationary product costs.

The increase in operating income during the nine month period of fiscal 2023 also benefited from non-cash income from the reduction of the contingent consideration liabilities related to acquisition earn outs, net of expense (\$73.9 million) (see Note 13 to the condensed consolidated financial statements), from higher income related to favorable loss experience under our general liability, automotive liability and workers' compensation liability programs when compared to the nine month period of fiscal 2022 (\$17.1 million) and a higher gain related to the recovery of our investment (possessory interest) at one of the National Park Service sites (\$10.8 million). The increase in operating income during the nine month period of fiscal 2023 was partially offset by non-cash charges for the impairment of operating lease right-of-use assets and property and equipment related to certain real estate properties (\$19.0 million) (see Note 1 to the condensed consolidated financial statements) and non-cash charges related to information technology assets (\$6.1 million).

**FSS International Segment**

FSS International segment revenue increased by approximately 18.9% and 18.6% during the three and nine month periods of fiscal 2023 compared to the prior year periods, respectively. The increase during the three and nine month periods of fiscal 2023 was primarily attributable to base business growth, including pricing pass-throughs, and net new business growth. The growth in revenue for the three and nine month periods of fiscal 2023 was partially offset by the negative impact of foreign currency translation (1.5% and 7.6%).

Operating income increased by \$4.9 million and decreased by \$21.3 million during the three and nine month periods of fiscal 2023 compared to the prior year periods, respectively. The increase during the three month period of fiscal 2023 was mainly attributable to the growth in base and net new business and lower personnel costs from headcount reductions taken during the second quarter of fiscal 2023 and late fiscal 2022, which more than offset the higher currency transaction losses from Argentina hyperinflation (\$1.6 million) (see Note 1 to the condensed consolidated financial statements), the prior year labor related tax credits provided from governmental assistance programs (\$2.3 million) and the decline in profit related to our sale of our 50% ownership interest in AIM Services Co., Ltd. The decrease in operating income during the nine month period of fiscal 2023 was mainly attributable to the prior year labor related tax credits provided from governmental assistance programs (\$35.5 million), severance charges (\$25.8 million) (see Note 2 to the condensed consolidated financial statements), higher currency transaction losses from Argentina hyperinflation (\$4.5 million) (see Note 1 to the condensed consolidated financial statements), non-cash charges for the impairment of certain assets related to a business held-for-sale (\$5.2 million), inflationary costs in product and labor and the decline in profit related to our sale of our 50% ownership interest in AIM Services Co., Ltd., which more than offset growth in base and net new business and lower personnel costs from headcount reductions taken during the second quarter of fiscal 2023 and late fiscal 2022.

**Uniform Segment**

Uniform segment revenue increased by approximately 4.2% and 5.1% during the three and nine month periods of fiscal 2023 compared to the prior year periods, respectively, primarily due to base business growth and improved pricing.

Operating income increased by \$6.3 million and decreased by \$6.2 million during the three and nine month periods of fiscal 2023 compared to the prior year periods, respectively. The increase in operating income during the three month period of fiscal 2023 was primarily attributable to base business growth and lower personnel costs from headcount reductions taken during the second quarter of fiscal 2023, which was partially offset by higher personnel and other expenses related to our intention to spin-off the Uniform segment (\$4.1 million). The decrease in operating income during the nine month period of fiscal 2023 was primarily attributable to higher personnel and other expenses related to our intention to spin-off the Uniform segment (\$11.1 million), charges for the impairment of operating lease right-of-use assets and other costs related to certain real estate properties (\$7.7 million) (see Note 1 to the condensed consolidated financial statements), severance charges (\$6.6 million) (see Note 2 to the condensed consolidated financial statements) and increased inflationary costs in product, energy and labor, which more than offset base business growth, the gain from the sale of land (\$6.8 million) and lower personnel costs from headcount reductions taken during the second quarter of fiscal 2023.

**Corporate**

Corporate expenses, those administrative expenses not allocated to the business segments, decreased by \$4.9 million during both the three and nine month periods of fiscal 2023 compared to the prior year periods. The decrease during the three and nine month periods of fiscal 2023 was attributable to lower share-based compensation expense (\$3.4 million and \$6.2 million) compared to the prior year periods (see Note 9 to the condensed consolidated financial statements), which more than offset higher expenses related to our intention to spin-off the Uniform segment (\$2.0 million and \$5.4 million). Both periods were affected by lower employee incentive expenses.

**Liquidity and Capital Resources****Overview**

As of June 30, 2023, we had \$402.4 million of cash and cash equivalents, \$109.8 million of marketable securities and approximately \$618.3 million of availability under our senior secured revolving credit facility. A significant portion of our cash and cash equivalents are held in mature, liquid geographies where we have operations. As of June 30, 2023, there were approximately \$823.8 million of outstanding foreign currency borrowings.

We believe that our cash and cash equivalents, marketable securities and availability under our revolving credit facility will be adequate to meet anticipated cash requirements for the foreseeable future to fund working capital, capital spending, debt service obligations, refinancings, dividends and other cash needs. We have no significant debt maturities due until 2025. We also have flexibility to optimize working capital and defer certain capital expenditures as appropriate without a material impact to the business. We believe that our assumptions used to estimate our liquidity and working capital requirements are reasonable. For

additional information regarding the risks associated with our liquidity and capital resources, see Part I, Item 1A, "Risk Factors" in our Annual Report on Form 10-K filed with the SEC on November 22, 2022.

On June 22, 2023, Aramark Services, Inc. ("ASI"), an indirect wholly owned subsidiary, and certain of its subsidiaries entered into Amendment No. 12 to the Credit Agreement, dated March 28, 2017, which provides for, among other things, the extension of the maturity date applicable to all of the United States dollar denominated term loans due 2025 ("U.S. Term B-3 Loans due 2025") through the establishment of new United States dollar denominated term loans due 2030 ("U.S. Term B-6 Loans due 2030") in an amount equal to \$1.1 billion. The new U.S. Term B-6 Loans due 2030 were funded in full on June 22, 2023 and were applied by us to refinance the remaining U.S. Term B-3 Loans due 2025.

On June 29, 2023, ASI entered into Amendment No. 13 to the Credit Agreement, dated March 28, 2017, which provides for a transition of the underlying interest rate applicable to all term loans outstanding and revolving credit commitments and loans available and/or outstanding, in each case, under the Credit Agreement, from London Interbank Offer Rate ("LIBOR") to a forward-looking term rate based on Secured Overnight Financing Rate ("SOFR"). All borrowings based on SOFR under the Credit Agreement are subject to a credit spread adjustment of (i) 0.11448% for borrowings with interest periods of one month, (ii) 0.26161% for borrowings with interest periods of three months and (iii) 0.42826% for borrowings with interest periods of six months but the associated interest rate margins applicable to all such borrowings remain unchanged. Amendment No. 13 was entered into in preparation for the general cessation of LIBOR-based borrowings in the leverage lending industry as of June 30, 2023.

On July 19, 2023, we increased the purchase limit available under the Receivables Facility from \$500.0 million to \$600.0 million and extended the scheduled maturity date of the Receivables Facility from June 2024 to July 2026. All other terms and conditions of the agreement remained unchanged.

The table below summarizes our cash activity (in millions):

	Nine Months Ended	
	June 30, 2023	July 1, 2022
Net cash used in operating activities	\$ (270.1)	\$ (142.0)
Net cash provided by (used in) investing activities	281.9	(641.4)
Net cash provided by financing activities	47.9	703.5

Reference to the Condensed Consolidated Statements of Cash Flows will facilitate understanding of the discussion that follows.

#### ***Cash Flows Used in Operating Activities***

Cash used in operating activities was \$270.1 million during the nine month period of fiscal 2023, compared to \$142.0 million for the nine month period of fiscal 2022. The change was driven from higher use of cash from the change in operating assets and liabilities, which more than offset the impact of having higher net income in the nine month period of fiscal 2023 compared to the nine month period of fiscal 2022, as discussed in "Results of Operations" above. The \$107.8 million change in operating assets and liabilities compared to the prior year period was primarily due to:

- Accounts payable by \$299.5 million, resulting in a use of cash during the nine month period of fiscal 2023 compared to a source of cash during the nine month period of fiscal 2022 from the timing of disbursements.

These changes in operating assets and liabilities more than offset:

- Receivables by \$136.9 million, resulting in a lower use of cash during the nine month period of fiscal 2023 compared to the nine month period of fiscal 2022 as the prior year had a higher use of cash from operations returning following the lifting of COVID-19 restrictions. Both periods were impacted by base and new business growth and timing of collections; and
- Accrued expenses by \$77.5 million, resulting in a lower use of cash during the nine month period of fiscal 2023 compared to the nine month period of fiscal 2022 primarily due to higher income taxes payable from higher Income Before Income Taxes, current period severance charges (see Note 2 to the condensed consolidated financial statements) and timing of other payments.

The nine month period of fiscal 2022 included \$53.7 million of proceeds associated with labor related tax credits from the foreign jurisdictions in which we operate as a form of relief from COVID-19. During the nine month periods of fiscal 2023 and fiscal 2022, we received proceeds of \$15.3 million and \$1.9 million, respectively, related to favorable loss experience in older insurance years under our general liability, automobile liability and workers' compensation liability programs. The higher use of cash during the nine month period of fiscal 2023 compared to the nine month period of fiscal 2022 in "Payments made to clients on contracts" was driven primarily by contract renewals and new business. The "Changes in other assets" caption was

favorably impacted compared to the prior year period mainly from the change in rental merchandise in-service from operations returning in the prior year when COVID-19 restrictions were lifted. The "Other operating activities" caption in both periods reflect adjustments to net income in the current year and prior year periods related to non-cash gains and losses and adjustments to non-operating cash transactions.

#### ***Cash Flows Provided by (Used in) Investing Activities***

During the nine month period of fiscal 2023, cash provided by investing activities was primarily impacted by proceeds from the sale of equity investments (\$633.2 million) (see Note 1 to the condensed consolidated financial statements) and proceeds from the maturity of United States Treasury securities related to our captive insurance subsidiary (\$40.0 million), offset by purchases of property and equipment and other (\$311.2 million), purchase of United States Treasury securities related to our captive insurance subsidiary (\$70.0 million) and acquisitions of certain businesses (\$49.5 million).

During the nine month period of fiscal 2022, cash used in investing activities was primarily impacted by acquisitions of certain businesses, including Union Supply, (\$342.6 million), purchases of property and equipment and other (\$260.1 million) and acquisition of certain equity investments (\$64.0 million).

The "Other investing activities" caption includes \$19.8 million and \$9.0 million of proceeds received during the nine month period of fiscal 2023 and fiscal 2022, respectively, relating to the recovery of our investment (possessory interest) at one of the National Park Service sites within our Sports, Leisure & Corrections sector.

#### ***Cash Flows Provided by Financing Activities***

During the nine month period of fiscal 2023, cash provided by financing activities was primarily impacted by the issuance of new U.S. Term B-6 Loans due 2030 (\$1,089.0 million), borrowings under the revolving credit facility (\$397.2 million) and borrowings under the Receivables Facility (\$395.1 million), offset by repayments of U.S. Term B-3 Loans due 2025 (\$1,664.8 million) and yen denominated term loans due 2026 (\$63.0 million) (see Note 4 to the condensed consolidated financial statements).

During the nine month period of fiscal 2022, cash provided by financing activities was primarily impacted by borrowings under the Receivables Facility (\$500.0 million) and borrowing under the revolving credit facility (\$289.5 million).

The "Other financing activities" caption also reflects a use of cash during the nine month periods of fiscal 2023 and fiscal 2022 primarily related to taxes paid by us when we withhold shares upon an employee's exercise or vesting of equity awards to cover income taxes. The nine month period of fiscal 2023 also includes the payment of debt issuance costs on the U.S. Term B-6 Loans due 2030 (\$8.0 million).

#### ***Covenant Compliance***

The Credit Agreement contains a number of covenants that, among other things, restrict, subject to certain exceptions, our ability and the ability of our subsidiaries to: incur additional indebtedness; issue preferred stock or provide guarantees; create liens on assets; engage in mergers or consolidations; sell assets; pay dividends; make distributions or repurchase our capital stock; make investments, loans or advances; repay or repurchase any subordinated debt, except as scheduled or at maturity; create restrictions on the payment of dividends or other amounts to us from our restricted subsidiaries; make certain acquisitions; engage in certain transactions with affiliates; amend material agreements governing our subordinated debt (or any indebtedness that refinances our subordinated debt); and fundamentally change our business. The indentures governing our senior notes contain similar provisions. As of June 30, 2023, we were in compliance with these covenants.

As stated above, the Credit Agreement and the indentures governing our senior notes contain provisions that restrict our ability to pay dividends and repurchase stock (collectively, "Restricted Payments"). In addition to customary exceptions, the Credit Agreement and indentures permit Restricted Payments in the aggregate up to an amount that increases quarterly by 50% of our Consolidated Net Income, as such term is defined in these debt agreements, subject to being in compliance with the interest coverage ratio described below.

Under the Credit Agreement, we are required to satisfy and maintain specified financial ratios and other financial condition tests and covenants. The indentures governing our senior notes also require us to comply with certain financial ratios in order to take certain actions. Our continued ability to meet those financial ratios, tests and covenants can be affected by events beyond our control, and there can be no assurance that we will meet those ratios, tests and covenants.

These financial ratios, tests and covenants involve the calculation of certain measures that we refer to in this discussion as "Covenant Adjusted EBITDA." Covenant Adjusted EBITDA is not a measurement of financial performance under U.S. GAAP. Covenant Adjusted EBITDA is defined as net income of ASI and its restricted subsidiaries plus interest and other financing costs, net, provision for income taxes and depreciation and amortization, further adjusted to give effect to adjustments required in calculating covenant ratios and compliance under our Credit Agreement and the indentures governing our senior notes.

Our presentation of these measures has limitations as an analytical tool and should not be considered in isolation or as a substitute for analysis of our results as reported under U.S. GAAP. You should not consider these measures as alternatives to net income or operating income determined in accordance with U.S. GAAP. Covenant Adjusted EBITDA, as presented by us, may not be comparable to other similarly titled measures of other companies because not all companies use identical calculations.

The following is a reconciliation of net income attributable to ASI stockholders, which is a U.S. GAAP measure of ASI's operating results, to Covenant Adjusted EBITDA as defined in our debt agreements. The terms and related calculations are defined in the Credit Agreement and the indentures governing our senior notes. Covenant Adjusted EBITDA is a measure of ASI and its restricted subsidiaries only and does not include the results of Aramark.

Our covenant requirement and actual ratio for the twelve months ended June 30, 2023 are as follows:

	Covenant Requirement	Actual Ratio
Consolidated Secured Debt Ratio <sup>(1)</sup>	≤ 5.125x	2.45x
Interest Coverage Ratio (Fixed Charge Coverage Ratio) <sup>(2)</sup>	≥ 2.000x	3.69x

- (1) The Credit Agreement requires ASI to maintain a maximum Consolidated Secured Debt Ratio, defined as consolidated total indebtedness secured by a lien to Covenant Adjusted EBITDA, not to exceed 5.125x. Consolidated total indebtedness secured by a lien is defined in the Credit Agreement as total indebtedness consisting of debt for borrowed money, finance leases, debt in respect of sales-leaseback transactions, disqualified and preferred stock and advances under the Receivables Facility secured by a lien reduced by the amount of cash and cash equivalents on the consolidated balance sheet that is free and clear of any lien. Non-compliance with the maximum Consolidated Secured Debt Ratio could result in the requirement to immediately repay all amounts outstanding under the Credit Agreement, which, if ASI's lenders under our Credit Agreement (other than the lenders in respect of ASI's U.S. Term B Loans, which lenders do not benefit from the maximum Consolidated Debt Ratio covenant) failed to waive any such default, would also constitute a default under the indentures governing our senior notes.
- (2) Our Credit Agreement establishes an incurrence-based minimum Interest Coverage Ratio, defined as Covenant Adjusted EBITDA to consolidated interest expense, the achievement of which is a condition for us to incur additional indebtedness and to make certain restricted payments. If we do not maintain this minimum Interest Coverage Ratio calculated on a pro forma basis for any such additional indebtedness or restricted payments, we could be prohibited from being able to (1) incur additional indebtedness, other than the incremental capacity provided for under our Credit Agreement and pursuant to specified exceptions, and (2) make certain restricted payments, other than pursuant to certain exceptions. However, any failure to maintain the minimum Interest Coverage Ratio would not result in a default or an event of default under either the Credit Agreement or the indentures governing the senior notes. The minimum Interest Coverage Ratio is at least 2.000x for the term of the Credit Agreement. Consolidated interest expense is defined in our Credit Agreement as consolidated interest expense excluding interest income, adjusted for acquisitions and dispositions, further adjusted for certain non-cash or nonrecurring interest expense. The indentures governing our senior notes include a similar requirement which is referred to as a Fixed Charge Coverage Ratio.

We and our subsidiaries and affiliates may from time to time, in our sole discretion, purchase, repay, redeem or retire any of our outstanding debt securities (including any publicly issued debt securities), in privately negotiated or open market transactions, by tender offer or otherwise, or extend or refinance any of our outstanding indebtedness.

### **Supplemental Consolidating Information**

Pursuant to Regulation S-X Rule 13-01, which simplifies certain disclosure requirements for guarantors and issuers of guaranteed securities, we are no longer required to provide condensed consolidating financial statements for Aramark and its subsidiaries, including the guarantors and non-guarantors under our Credit Agreement and the indentures governing our senior notes. ASI, the borrower under our Credit Agreement and the indentures governing our senior notes, and its restricted subsidiaries together comprise substantially all of our assets, liabilities and operations, and there are no material differences between the consolidating information related to Aramark and Aramark Intermediate Holdco Corporation, the direct parent of ASI and a guarantor under our Credit Agreement, on the one hand, and ASI and its restricted subsidiaries on a standalone basis, on the other hand.

### **Other**

Our business activities do not include the use of unconsolidated special purpose entities and there are no significant business transactions that have not been reflected in the accompanying condensed consolidated financial statements. We insure portions of our risk in general liability, automobile liability, workers' compensation liability and property liability through a wholly owned captive insurance subsidiary (the "Captive") to enhance our risk financing strategies. The Captive is subject to the regulations within its domicile of Bermuda, including regulations established by the Bermuda Monetary Authority (the "BMA") relating to levels of liquidity and solvency as such concepts are defined by the BMA. The Captive was in compliance with these regulations as of June 30, 2023. These regulations may have the effect of limiting our ability to access certain cash and cash equivalents held by the Captive for uses other than for the payment of our general liability, automobile liability, workers' compensation liability, property liability and related Captive costs. As of June 30, 2023 and September 30, 2022, cash and cash equivalents at the Captive were \$24.4 million and \$23.1 million, respectively. During fiscal 2022, the Captive began investing a

portion of its cash and cash equivalents in United States Treasury securities to improve returns on the Captive's assets. The amount of this investment as of June 30, 2023 and September 30, 2022 was \$109.8 million and \$78.2 million, respectively, and recorded in "Prepayments and other current assets" on the Condensed Consolidated Balance Sheets.

### **Critical Accounting Policies and Estimates**

Our significant accounting policies are described in the notes to the audited consolidated financial statements included in our Annual Report on Form 10-K, filed with the SEC on November 22, 2022. For a more complete discussion of the critical accounting policies and estimates that we have identified in the preparation of our condensed consolidated financial statements, please refer to our Management's Discussion and Analysis of Financial Condition and Results of Operations included in our Annual Report on Form 10-K, filed with the SEC on November 22, 2022.

In preparing our financial statements, management is required to make estimates and assumptions that, among other things, affect the reported amounts of assets, liabilities, revenue and expenses. These estimates and assumptions are most significant where they involve levels of subjectivity and judgment necessary to account for highly uncertain matters or matters susceptible to change, and where they can have a material impact on our financial condition and operating performance. If actual results were to differ materially from the estimates made, the reported results could be materially affected.

Critical accounting estimates and the related assumptions are evaluated periodically as conditions warrant, and changes to such estimates are recorded as new information or changed conditions require.

### **New Accounting Standard Updates**

See Note 1 to the condensed consolidated financial statements for a full description of recent accounting standard updates, including the expected dates of adoption.

### **Item 3. Quantitative and Qualitative Disclosure About Market Risk**

We are exposed to the impact of interest rate changes and manage this exposure through the use of variable-rate and fixed-rate debt and by utilizing interest rate swaps. We do not enter into contracts for trading purposes and do not use leveraged instruments. The market risk associated with debt obligations as of June 30, 2023 has not materially changed from September 30, 2022 (see Part II, Item 7A "Quantitative and Qualitative Disclosure About Market Risk" in our Annual Report on Form 10-K for the fiscal year ended September 30, 2022 filed with the SEC on November 22, 2022). However, we completed several debt related transactions during the third quarter of fiscal 2023. First, we repaid \$568.0 million of U.S. Term B-3 Loans due 2025, and ¥8,409.0 million (\$63.0 million) of yen denominated term loans due 2026. Next, we entered into Amendment No. 12 to the Credit Agreement, which provides for, among other things, the extension of the maturity date applicable to all of the U.S. Term B-3 Loans due 2025 through the establishment of new U.S. Term B-6 Loans due 2030 in an amount equal to \$1.1 billion. The new U.S. Term B-6 Loans due 2030 were funded in full and were applied by us to refinance the remaining U.S. Term B-3 Loans due 2025. Then, we entered into Amendment No. 13 to the Credit Agreement, which provides for a transition of the underlying interest rate applicable to all term loans outstanding and revolving credit commitments and loans available and/or outstanding, in each case, under the Credit Agreement, from London Interbank Offer Rate ("LIBOR") to a forward-looking term rate based on Secured Overnight Financing Rate ("SOFR"). Lastly, we entered into bilateral agreements with our swap counterparties to transition all of our interest rate swap agreements to SOFR as the reference rate in anticipation of the discontinuance of LIBOR. See Note 4 to the condensed consolidated financial statements related to the changes in our debt levels. See Note 5 to the condensed consolidated financial statements for a discussion of our derivative instruments and Note 13 for the disclosure of the fair value and related carrying value of our debt obligations as of June 30, 2023.

### **Item 4. Controls and Procedures**

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, evaluated the effectiveness of our disclosure controls and procedures (as that term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) as of the end of the period covered by this report. Based on that evaluation, management, with the participation of our Chief Executive Officer and Chief Financial Officer, concluded that our disclosure controls and procedures, as of the end of the period covered by this report, are functioning effectively to provide reasonable assurance that the information required to be disclosed by us in reports filed under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and is accumulated and communicated to our management, including our principal executive and principal financial officers, to allow timely decisions regarding required disclosures. A controls system, no matter how well designed and operated, cannot provide absolute assurance that the objectives of the controls system are met, and no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within a company have been detected. No change in our internal control over financial reporting

occurred during our third quarter of fiscal 2023 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

## PART II

### Item 1. Legal Proceedings

From time to time, we and our subsidiaries are party to various legal actions, proceedings and investigations involving claims incidental to the conduct of our business, including those brought by clients, consumers, employees, government entities and third parties under, among others, federal, state, international, national, provincial and local employment laws, wage and hour laws, discrimination laws, immigration laws, human health and safety laws, import and export controls and customs laws, environmental laws, false claims or whistleblower statutes, minority, women and disadvantaged business enterprise statutes, tax codes, antitrust and competition laws, consumer protection statutes, procurement regulations, intellectual property laws, food safety and sanitation laws, cost and accounting principles, the Foreign Corrupt Practices Act, the U.K. Bribery Act, other anti-corruption laws, lobbying laws, motor carrier safety laws, data privacy and security laws and alcohol licensing and service laws, or alleging negligence and/or breaches of contractual and other obligations. Based on information currently available, advice of counsel, available insurance coverage, established reserves and other resources, we do not believe that any such actions, proceedings or investigations are likely to be, individually or in the aggregate, material to our business, financial condition, results of operations or cash flows. However, in the event of unexpected further developments, it is possible that the ultimate resolution of these matters, or other similar matters, if unfavorable, may be materially adverse to our business, financial condition, results of operations or cash flows.

Our business is subject to various federal, state and local laws and regulations governing, among other things, the generation, handling, storage, transportation, treatment and disposal of water wastes and other substances. We engage in informal settlement discussions with federal, state, local and foreign authorities regarding allegations of violations of environmental laws in connection with our operations or businesses conducted by our predecessors or companies that we have acquired, the aggregate amount of which and related remediation costs we do not believe should have a material adverse effect on our financial condition or results of operations as of June 30, 2023.

### Item 1A. Risk Factors

There have been no material changes to the risk factors disclosed in Part I, Item 1A, "Risk Factors" in our Annual Report on Form 10-K for the fiscal year ended September 30, 2022 filed with the SEC on November 22, 2022.

### Item 2. Unregistered Sales of Equity Securities, Use of Proceeds, and Issuer Purchases of Equity Securities

None.

### Item 3. Defaults Upon Senior Securities

None.

### Item 4. Mine Safety Disclosures

None.

### Item 5. Other Information

During the three months ended June 30, 2023, none of our directors or officers (as defined in Rule 16a-1(f) of the Securities Exchange Act of 1934, as amended), adopted, terminated or modified a Rule 10b5-1 trading arrangement or non-Rule 10b5-1 trading arrangement (as such terms are defined in Item 408 of Regulation S-K of the Securities Act of 1933, as amended).

**AMENDMENT NO. 13** (this "Amendment"), dated as of June 29, 2023, among ARAMARK Services, Inc., a Delaware corporation (the "Company" or the "U.S. Borrower"), ARAMARK INTERMEDIATE HOLDCO CORPORATION, a Delaware corporation ("Holdings") and JPMORGAN CHASE BANK, N.A., as administrative agent for the Lenders and collateral agent for the Secured Parties (in such capacities, the "Agent") to the Credit Agreement, dated as of March 28, 2017 (as amended, supplemented, amended and restated or otherwise modified from time to time prior to the Amendment No. 13 Effective Date (as defined below), the "Existing Credit Agreement"), among the Borrowers, Holdings, the Subsidiary Guarantors (as defined therein) from time to time party thereto, the Agent and the other parties thereto from time to time. The Existing Credit Agreement as amended hereby is referred to as the "Amended Credit Agreement." Capitalized terms used and not otherwise defined herein shall have the meanings assigned to them in the Amended Credit Agreement.

WHEREAS, certain loans, commitments and/or other extensions of credit (the "Loans") under the Existing Credit Agreement denominated in Dollars (the "Affected Currency") incur or are permitted to incur interest, fees or other amounts based on the London Interbank Offered Rate as administered by the ICE Benchmark Administration ("LIBOR") in accordance with the terms of the Existing Credit Agreement;

WHEREAS, the supervisor for the administrator of LIBOR has made a public statement identifying a specific date after which LIBOR shall no longer be made available, the Agent and the Company have determined in accordance with Section 2.14(f) of the Existing Credit Agreement that LIBOR for the Affected Currency should be replaced with the Adjusted Term SOFR Rate for all purposes under the Existing Credit Agreement and any Loan Document (the "Benchmark Replacement");

WHEREAS, the amendments and modifications set forth in this Agreement constitute Benchmark Replacement Conforming Changes for purposes of the Existing Credit Agreement, and, subject to the conditions set forth herein, such changes will become effective on the Amendment No. 13 Effective Date (as defined below).

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. **Amendment.** In accordance with Section 2.14(f) of the Existing Credit Agreement, (x) the Existing Credit Agreement is, effective as of the Amendment No. 13 Effective Date, hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages attached as Exhibit A hereto and (y) the Existing Credit Agreement shall be amended to replace Exhibits E and G with the exhibits attached as Exhibit B hereto.

Section 2. **Representations and Warranties.** Each of the U.S. Borrower and Holdings represents and warrants to the Agent and each Lender that:

(a) The execution and delivery of this Amendment is within each of Holdings' and the Borrower's corporate powers and has been duly authorized by all necessary corporate and, if required, stockholder action of Holdings and the Borrower. This Amendment has been duly executed and delivered by each of the U.S. Borrower and Holdings and is a legal, valid and binding obligation of each such Person, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency or similar laws affecting creditors' rights generally and to general principles of equity. This Amendment (a) does not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (A) such as have been obtained or made and are in full force and effect and (B) for filings and registrations necessary to perfect Liens created pursuant to the Loan Documents, (b) will not violate any Requirement of Law applicable to any Loan Party or any of the Restricted Subsidiaries, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon any Loan Party or any of the Restricted Subsidiaries or their respective assets, or (other than as contemplated by this Amendment) give rise to a right thereunder to require any payment to be made by any Loan Party or any of the Restricted Subsidiaries, and (d) will not result in the creation or imposition

of any Lien on any asset of any Loan Party or any of the Restricted Subsidiaries, except Liens created pursuant to the Loan Documents, except, in the case of each of clauses (a) through (d) above, to the extent that any such violation, default or right, or any failure to obtain such consent or approval or to take any such action, would not reasonably be expected to result in a Material Adverse Effect.

(b) After giving effect to this Amendment, the representations and warranties set forth in Article III of the Amended Credit Agreement or in any other Loan Document are true and correct in all material respects (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date); provided that any representation or warranty that is qualified as to materiality or “Material Adverse Effect” shall be true and correct in all respects.

(c) After giving effect to this Amendment, no Default or Event of Default has occurred and is continuing.

Section 3. **Effectiveness.** The Amendment shall become effective on the date (the “Amendment No. 13 Effective Date”) that each of the following conditions has been satisfied: (i) the Agent (or its counsel) shall have received from the U.S. Borrower and Holdings a counterpart of this Amendment signed on behalf of such party and (ii) the Agent has not received, on or prior to 5:00 p.m. on the fifth (5th) Business Day after the Agent has posted this Amendment to all Lenders and the Borrowers (such time, the “Objection Deadline”), written notice of objection to this Agreement from Lenders comprising the Required Class Lenders of each Facility providing for Loans in the Affected Currency.

Section 4. **Counterparts.** This Amendment may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which when taken together shall constitute a single instrument. Delivery of an executed counterpart of a signature page of this Amendment by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Amendment. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Amendment and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Agent to accept electronic signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Agent has agreed to accept any Electronic Signature, the Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the U.S. Borrower or Holdings without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart.

Section 5. **Applicable Law; Jurisdiction.** **THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.** Each of the U.S. Borrower and Holdings hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of any U.S. Federal or New York State court sitting in the Borough of Manhattan, New York, New York in any action or proceeding arising out of or relating to this Amendment, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 6. **Waiver of Jury Trial.** EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AMENDMENT (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AMENDMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 12.

Section 7. **Headings.** The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

Section 8. **Effect of Amendment.** Except as expressly set forth herein, (i) this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders, the Agent or the Issuing Banks, in each case under the Existing Credit Agreement or any other Loan Document, and (ii) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Existing Credit Agreement or any other provision of either such agreement or any other Loan Document. If the Agent and all the Revolving Lenders under the applicable Revolving Facility consent to making Eurocurrency Rate Loans in such requested currency, the Agent shall so notify the U.S. Borrower and such currency shall thereupon be deemed for all purposes to be an Available Currency hereunder under such Revolving Facility for purposes of any Eurocurrency Rate Revolving Loans; and if the Agent and an Issuing Bank consent to the issuance of Letters of Credit in such requested currency, the Agent shall so notify the U.S. Borrower and such currency shall thereupon be deemed for all purposes to be an Available Currency hereunder for purposes of any Letter of Credit issuances by such Issuing Bank. If the Agent shall fail to obtain consent to any request for an additional currency under this Section 1.09, the Agent shall promptly so notify the U.S. Borrower.

SECTION 1.10      Limited Condition Acquisitions. As it relates to any action being taken solely in connection with a Limited Condition Acquisition, for purposes of:

- (i) determining compliance with any provision of this Agreement (other than determining whether an Event of Default has occurred under Section 6.10) which requires the calculation of any financial ratio or financial test,
- (ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to EBITDA or Total Assets) or
- (iii) testing whether a Default or Event of Default has occurred and, with respect to any New Term Loan to finance such Limited Condition Acquisition, testing whether any representation or warranty in any Loan Document is correct as of such date,

in each case, at the option of the U.S. Borrower (the U.S. Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder, any such Default or Event of Default exists and any such representation or warranty is correct shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "LCT Test Date"), and if, after giving pro forma effect to the Limited Condition Acquisition (and the other transactions to be entered into in connection therewith, including any incurrence of Indebtedness and the use of proceeds thereof, as if they had occurred on the first day of the most recently ended Test Period prior to the LCT Test Date), the U.S. Borrower or the applicable Restricted Subsidiary would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with or if no such Default or Event of Default shall exist on such LCT Test Date or such representation or warranty is correct as of such LCT Test Date then such condition shall be deemed satisfied on the date of consummation of such LCT Test Date for purposes of clause (iii) above; provided that if financial statements for one or more subsequent fiscal periods shall have become available, the U.S. Borrower may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date. For the avoidance of doubt, if the U.S. Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or Total Assets of the Borrower or the Person subject to such Limited Condition Acquisition, at or prior to the consummation of the relevant transaction or any Default or Event of Default has occurred and is continuing or any such representation or warranty in any Loan Document is not correct on the date of such Limited Condition Acquisition, such baskets, tests or ratios or requirement will not be deemed to have failed to have been complied with as a result of such circumstance; however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the U.S. Borrower has made an LCT Election for any Limited Condition Acquisition, then in connection with any calculation of any ratio, test or basket availability with respect to any transaction permitted hereunder (each, a "Subsequent Transaction") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a pro forma basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

#### SECTION 1.12

#### Interest Rates; ~~LIBOR~~ Benchmark Notification.

The interest rate on a Loan denominated in Dollars, ~~any LIBOR Quoted Currency, any other Available Currency~~ or an Alternative Currency may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform.

~~Regulators have signaled the need to use alternative benchmark reference rates for some of these interest rate benchmarks and, as a result, such interest rate benchmarks may cease to comply with applicable laws and regulations, may be permanently discontinued, and/or the basis on which they are calculated may change. The London interbank offered rate (“LIBOR”) is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. On March 5, 2021, the U.K. Financial Conduct Authority (the “FCA”) announced that: (a) immediately after December 31, 2021, publication of all seven euro LIBOR settings, all seven Swiss Franc LIBOR settings, the spot next, 1-week, 2-month and 12-month Japanese Yen LIBOR settings, the overnight, 1-week, 2-month and 12-month British Pound Sterling LIBOR settings, and the 1-week and 2-month U.S. Dollar LIBOR settings will permanently cease; immediately after June 30, 2023, publication of the overnight and 12-month U.S. Dollar LIBOR settings will permanently cease; immediately after December 31, 2021, the 1-month, 3-month and 6-month Japanese Yen LIBOR settings and the 1-month, 3-month and 6-month British Pound Sterling LIBOR settings will cease to be provided or, subject to consultation by the FCA, be provided on a changed methodology (or “synthetic”) basis and no longer be representative of the underlying market and economic reality they are intended to measure and that representativeness will not be restored; and immediately after June 30, 2023, the 1-month, 3-month and 6-month U.S. Dollar LIBOR settings will cease to be provided or, subject to the FCA’s consideration of the case, be provided on a synthetic basis and no longer be representative of the underlying market and economic reality they are intended to measure and that representativeness will not be restored. There is no assurance that dates announced by the FCA will not change or that the administrator of LIBOR and/or regulators will not take further action that could impact the availability, composition, or characteristics of LIBOR or the currencies and/or tenors for which LIBOR is published. Each party to this agreement should consult its own advisors to stay informed of any such developments. Public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of LIBOR. Upon the occurrence of a Benchmark Transition Event or an Early Opt-In Election, Section 2.14(f)(i) provides a mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the applicable Borrowers, pursuant to Section 2.14(f)(iii), of any change to the reference rate upon which the interest rate on Eurocurrency Rate Loans or BA Rate Loans, as applicable, is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to LIBOR, any other rates in the definition of “Eurocurrency Rate” or any rates in the definition of “BA Rate” any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.14(f)(i), whether upon the occurrence~~

~~of a Benchmark Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.14(f)(ii)),~~ including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the ~~Eurocurrency Rate or BA Rate, as applicable,~~existing interest rate being replaced or have the same volume or liquidity as did ~~the London interbank offered rate (or the euro interbank offered rate or Canadian Dollar Offered Rate, as applicable)~~any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to any Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to any Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

~~SECTION 1.13 Interest Rates applicable to the U.S. Term B-6 Loans. The interest rate on the U.S. Term B-6 Loans may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate applicable to the U.S. Term B-6 Loans, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability.~~

If and to the extent that such Lender shall not have so made such Ratable Portion available to the Agent, such Lender and the applicable Borrower severally agree to repay to the Agent forthwith on demand such corresponding amount together with interest thereon for each day from the date such amount is made available to the applicable Borrower until the date such amount is repaid to the Agent at (i) in the case of a Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the Interbank Rate for the first Business Day and thereafter at the interest rate applicable at the time to the Loans comprising such Borrowing. If such Lender shall repay to the Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement. If the applicable Borrower shall repay to the Agent such corresponding amount,

such payment shall not relieve such Lender of any obligation it may have hereunder to such Borrower.

(e) The failure of any Lender to make on the date specified any Loan or any payment required by it (such Lender, during the period of such failure, being a “Non-Funding Lender”), including any payment in respect of its participation in Letters of Credit, shall not relieve any other Lender of its obligations to make such Loan or payment on such date but no such other Lender shall be responsible for the failure of any Non-Funding Lender to make a Loan or payment required under this Agreement.

Subject to the terms and conditions set forth herein, any Borrower may request (and the applicable Issuing Bank shall issue) the issuance of standby Letters of Credit under any Revolving Facility with respect to which it is a Borrower at any time and from time to time from and after the Closing Date to but excluding the Revolving Credit Termination Date for the latest maturing Revolving Commitments under such Revolving Facility for the account of such Borrower or any Restricted Subsidiary, in a form reasonably acceptable to the Agent and the relevant Issuing Bank, as the case may be. Any Letter of Credit issued under any Revolving Facility may be denominated in any Available Currency selected by the applicable Borrower. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by such Borrower to, or entered into by such Borrower with, an Issuing Bank, relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Notwithstanding anything herein to the contrary, no Issuing Bank shall have any obligation hereunder to issue, renew, amend or extend any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement. Notwithstanding anything to the contrary provided in this Agreement, (i) each Existing Letter of Credit shall be deemed issued under this Agreement from and after the Closing Date and (ii) each Letter of Credit that is outstanding on the Amendment No. 11 Effective Date issued by a Revolving Lender with a 2021 Tranche Revolving Commitment on the Amendment No. 11 Effective Date shall be deemed issued under the 2021 Tranche Revolving Facility upon the effectiveness of Amendment No. 11.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the requesting Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Bank) to the applicable Issuing Bank and the Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying (A) the date of issuance, amendment, renewal or extension (which shall be a Business Day), (B) the date on which such Letter of Credit is to expire (which shall comply with Section 2.04(c)), (C) the amount of such Letter of Credit, (D) the currency in which such Letter of Credit is to be denominated (which shall comply with Section 2.04(a)), (E) the Revolving Facility under which such Letter of Credit is to be issued, (F) the name and address of the beneficiary thereof and (G) such other information as shall be necessary to issue, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the requesting Borrower shall also submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall not be issued,

amended, renewed or extended if (and upon issuance, amendment, renewal or extension of each Letter of Credit the requesting Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (I) unless otherwise agreed by the applicable Issuing Bank in its sole discretion, (x) the aggregate undrawn Dollar Equivalent amount of all outstanding Letters of Credit issued by such Issuing Bank at such time plus (y) the aggregate amount of all LC Disbursements made by such Issuing Bank that have not yet been reimbursed by or on behalf of the Borrower at such time would exceed its Letter of Credit Commitment, (II) the Revolving Outstandings under the applicable Revolving Facility would exceed the Revolving Commitments under such Revolving Facility, (III) the Revolving Available Credit under the applicable Revolving Facility would be less than zero or (IV) the Revolving LC Exposure under all Revolving Facilities would exceed \$250.0 million; it being understood that, for purposes of determining compliance with the foregoing clauses (I) through (IV), the Agent shall calculate the Dollar Equivalent with respect to any Letter of Credit requested to be denominated in any Alternative Currency on the date on which the requesting Borrower delivers a notice requesting such Letter of Credit and on each Determination Date, in each case in accordance with Section 1.03. Upon the issuance of any Letter of Credit or increase in the amount of a Letter of Credit, the U.S. Borrower shall promptly notify the Agent thereof. Additionally, no Issuing Bank shall be required to issue, amend, extend or renew any Letter of Credit (x) issued pursuant to any Revolving Facility if any Revolving Lender under such Revolving Facility is then a Defaulting Lender, unless such Issuing Bank shall be satisfied that the related exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders and/or cash collateral shall be provided by the Borrower in accordance with Section 2.20 and participating interests in any such newly issued Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.20 (and Defaulting Lenders shall not participate therein), or (y) if the expiration date of such Letter of Credit is after the Scheduled Termination Date for such Revolving Facility unless the U.S. Borrower has entered into arrangements satisfactory to the Agent and the applicable Issuing Bank to eliminate the potential for such Issuing Bank to have uncovered exposure with respect to such Letter of Credit following such Scheduled Termination Date. Each Issuing Bank will also furnish to the Agent an activity report with respect to the Letters of Credit issued by it no later than five Business Days following the end of each calendar quarter and on any other date reasonably requested by the Agent.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit or, in the case of any renewal or extension thereof, one year after such renewal or extension; provided that, if the requesting Borrower and the applicable Issuing Bank so agree, any Letter of Credit may provide for the automatic renewal of such Letter of Credit for successive one year terms (subject to clause (ii)) and (ii) the date that is five Business Days prior to the Scheduled Termination Date for the Revolving Facility under which such Letter of Credit is issued.

(d) Participations.

(i) By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) pursuant to any Revolving Facility and without any further action on the part of the applicable Issuing Bank issuing such Letter of Credit or the Revolving Lenders under such Revolving Facility, each Issuing Bank hereby grants to each Revolving Lender under such Revolving Facility, and each such Revolving Lender hereby acquires from each Issuing Bank, a participation in each such Letter of Credit equal to such Lender's Ratable Portion of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Agent, for the account of the applicable Issuing Bank, such Revolving Lender's Ratable Portion of each Revolving LC Disbursement made by such Issuing Bank with respect to any Letter of Credit issued pursuant to any Revolving Facility under which

such Lender holds a Revolving Commitment and not reimbursed by a Borrower on the date due as provided in Section 2.04(e) or of any reimbursement payment required to be refunded to such Borrower. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.04(d) in respect of Letters of Credit issued pursuant to the Revolving Facility under which such Lender holds Revolving Commitments is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement.

(i) If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit issued by it, the applicable Borrower shall reimburse such LC Disbursement by paying to the applicable Issuing Bank an amount equal to such LC Disbursement in Dollars based on the Dollar Equivalent amount thereof not later than the Business Day immediately following the day that such Borrower receives notice that an LC Disbursement has been made; provided that, so long as no Default is continuing of which the Agent has been notified and subject to the availability of unused Revolving Commitments under the Revolving Facility, the Borrowers, each Issuing Bank, the Agent and the Lenders hereby agree that in the event an Issuing Bank makes any LC Disbursement under a Letter of Credit issued pursuant to a Revolving Facility and the applicable Borrower shall not have reimbursed such amount when due pursuant to this Section 2.04(e)(i), such unreimbursed LC Disbursement and all obligations of such Borrower relating thereto shall be satisfied when due and payable by the borrowing of one or more Revolving Loans denominated in Dollars that are Base Rate Loans in an amount equal to the Dollar Equivalent of such unreimbursed LC Disbursement which the Borrowers hereby acknowledge are requested and the Revolving Lenders hereby agree to fund; provided, further, that prior to any such Revolving Loans being made, the Agent may, but shall not be required to, confirm with the U.S. Borrower that the conditions set forth in Section 4.02 are met, and if the U.S. Borrower does not confirm that such condition shall be met then the Agent shall be under no obligation to cause such Revolving Loans to be made.

(ii) If a Borrower fails to make any payment due under Section 2.04(e)(i) with respect to a Letter of Credit when due, the Agent shall notify each Revolving Lender under the applicable Revolving Facility of the applicable Revolving LC Disbursement, the payment then due from such Borrower in respect thereof and such Lender's Ratable Portion thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Agent its Ratable Portion of the payment then due from such Borrower in Dollars, in the same manner as provided in Section 2.02 with respect to Loans made by such Lender (and Section 2.02 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Agent shall promptly pay to the Issuing Bank that has made the Revolving LC Disbursement the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Agent of any payment from a Borrower pursuant to this paragraph, the Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and the applicable Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of Base Rate Revolving Loans as contemplated above) shall not constitute a Loan and shall not relieve the applicable Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. Each Borrower's obligations to reimburse LC Disbursements as provided in Section 2.04(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all

circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit (except as otherwise provided below), or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.04, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder; provided that the foregoing shall not be construed to excuse an Issuing Bank from liability to any Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by each Borrower to the extent permitted by applicable law) suffered by any Borrower that are caused by such Issuing Bank's gross negligence or willful misconduct (as finally determined by a court of competent jurisdiction). Neither the Agent, the Lenders, the Issuing Banks, nor any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse an Issuing Bank from liability to any Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by each Borrower to the extent permitted by applicable law) suffered by any Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. In the absence of gross negligence or willful misconduct on the part of an Issuing Bank such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. An Issuing Bank shall, promptly following its receipt thereof, subject to the terms of the applicable Letter of Credit, examine all documents purporting to represent a demand for payment under a Letter of Credit. An Issuing Bank shall promptly notify the Agent and the Agent shall notify the U.S. Borrower by telephone of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve any Borrower of its obligation to reimburse the Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date Borrower (or any other account party) reimburses such LC Disbursement, at the rate per annum then applicable to Base Rate Revolving Loans under the applicable Revolving Facility; provided that, if a Borrower fails to reimburse (or cause another account party to reimburse) such LC Disbursement when due pursuant to Section 2.04(e), then Section 2.11(c) shall apply from such due date until such reimbursement is made. Interest accrued pursuant to this paragraph shall be for the account of

the Issuing Bank making such LC Disbursement except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.04(e)(ii) to reimburse an Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement of Issuing Banks; Limitation on Obligations of Issuing Banks to Act in Such Capacities.

(i) An Issuing Bank may be replaced at any time by written agreement among the U.S. Borrower, the Agent, the replaced Issuing Bank and the successor Issuing Bank. The Agent shall notify the Revolving Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, each Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.10. From and after the effective date of any such replacement, (1) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (2) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit or to amend or extend any previously issued Letters of Credit.

(ii) Notwithstanding anything in this Agreement to the contrary, each Issuing Bank shall have the right, by notice to the Borrower, to decline to act as an Issuing Bank for any New Revolving Facility established following the Closing Date with a Scheduled Termination Date after the Scheduled Termination Date for the Revolving Facilities in effect on the Closing Date. In the event any Issuing Bank declines to act in such capacity, the Borrower may, with the consent of the replacement Issuing Bank, as applicable, appoint a financial institution reasonably satisfactory to the Agent to act in such capacity for such New Revolving Facility.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the U.S. Borrower receives notice from the Agent or the Required Revolving Lenders demanding the deposit of cash collateral pursuant to this paragraph or if a Borrower is required to cash collateralize Letters of Credit pursuant to Section 2.09(d), each Borrower shall deposit in one or more accounts which shall be established at such time by the Agent, in the name of the Agent and for the benefit of the Revolving Lenders, the Issuing Banks, an amount in cash in the currency in which the applicable Revolving LC Exposure is denominated equal to the Revolving LC Exposure as of such date plus any accrued and unpaid fees thereon; provided that the obligation to deposit such cash collateral shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default described in Section 7.01(f) or (g) with respect to the U.S. Borrower. Each such deposit shall be held by the Agent as collateral for the payment and performance of the obligations of the Borrowers under this Agreement with respect to such LC Exposure and shall be invested in short term cash equivalents selected by the Agent in its sole discretion (it being understood that the Agent shall in no event be liable for the selection of such cash equivalents or for investment losses with respect thereto, including losses incurred as a result of the liquidation of such cash equivalents prior to stated maturity). The Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made with the Agent's consent and at the Borrowers' risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Agent to reimburse each Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of Borrowers for the LC Exposure, as

applicable, at such time. If any Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower promptly and in any event within three Business Days after all Events of Default have been cured or waived. If any Borrower is required to provide an amount of cash collateral hereunder, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower as and to the extent that, after giving effect to such return, no Default shall have occurred and be continuing.

(k) Assignment. The parties acknowledge and agree that (a) the entity acting as Issuing Bank, in its capacity as such, may, without the consent of any party hereto, assign to an Affiliate all right, title and interest of (the "Affiliate Assigned Rights") in, to and under any and all obligations of the Borrowers under Section 2.04(e) to reimburse the Issuing Bank for Revolving LC Disbursements (the "Reimbursement Obligations"), (b) in respect of all such Reimbursement Obligations constituting Affiliate Assigned Rights, for all purposes of this Agreement such Affiliate shall be deemed the "Issuing Bank," (c) the obligations of the Revolving Lenders and Borrowers to the Issuing Bank shall, in the case of the Affiliate Assigned Rights, inure to the benefit of the Affiliate acquiring or having acquired such Affiliate Assigned Rights and be enforceable by such Affiliate and/or by the Issuing Bank on behalf of such Affiliate and (d) all payments made by Borrowers and/or any Revolving Lender to such Affiliate acquiring or having acquired such Affiliate Assigned Rights shall discharge all such obligations otherwise owing to the Issuing Bank that has assigned such Affiliate Assigned Rights, to the extent so paid. The foregoing shall not otherwise affect the rights and obligations of the entities acting as Issuing Banks hereunder.

(l) Applicability of ISP and UCP. Unless otherwise expressly agreed by the Issuing Bank and the applicable Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit.

SECTION 1.05 Termination and Reduction of Commitments. The U.S. Borrower may, upon at least three Business Days' prior notice to the Agent, terminate in whole or reduce in part the unused portions of the Revolving Commitments under any Revolving Facility; provided, however, that (i) each partial reduction shall be in an aggregate amount of not less than the Minimum Currency Threshold and (ii) any such reduction shall apply to proportionately and permanently reduce the Revolving Commitment of each of the Lenders under such Revolving Facility except that, notwithstanding the foregoing, in connection with the establishment on any date of any Replacement Revolving Commitments pursuant to Section 2.19, the Revolving Commitments of any one or more Lenders providing any such Replacement Revolving Commitments on such date may be reduced in whole or in part on such date on a non-pro rata basis with the other Lenders under the applicable Revolving Facility; provided, further, that after giving effect to any such reduction and to the repayment of any Revolving Loans actually made on such date, the Revolving Outstandings of any Revolving Lender under such Revolving Facility does not exceed the Revolving Commitment thereof). To the extent not previously utilized, all Term Commitments in effect on the Closing Date shall terminate at 5:00 p.m. (New York City time) on the Closing Date.

SECTION 1.06 Repayment of Loans.

#### SECTION 1.07 Evidence of Debt.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period (if any) applicable to each Loan hereunder, (ii) the amount of any principal, interest and fees due and payable or to become

due and payable from each Borrower to each Lender hereunder and (iii) the amount of any sum received by the Agent hereunder for the account of the Lenders and each Lender's share thereof.

(c) The entries made in the accounts maintained pursuant to paragraph (a) or (b) of this Section 2.07 shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of any Borrower to repay its Obligations in accordance with the terms of this Agreement.

(d) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the applicable Borrower shall reasonably promptly prepare, execute and deliver to such Lender a Revolving Credit Note or Term Loan Note payable to such Lender and its registered assigns and in substantially the form of Exhibit F-1 or Exhibit F-2 hereto, as applicable, with appropriate insertions and deletions.

#### SECTION 1.08      Optional Prepayment of Loans.

(a) Revolving Loans. Each Borrower may upon prior notice to the Agent not later than (x) 1:00 p.m. (London time) in the case of Loans denominated in Euro or Sterling or (y) 11:00 a.m. (New York City time) in the case of Loans denominated in any other currency, in each case (i) at least three Business Days prior to the date of prepayment, in the case of any prepayment of Eurocurrency Rate Loans, Term Benchmark Loans or BA Rate Loans, (ii) at least five (5) Business Days prior to the date of prepayment, in the case of any prepayment of SONIA Rate Loans and (iii) on the date of prepayment in the case of Base Rate Loans and Canadian Base Rate Loans, prepay without premium or penalty the outstanding principal amount of any or all of its Revolving Loans under any Revolving Facility, in whole or in part at any time in the currencies in which such Loans are denominated; provided, however, that if any prepayment of any Eurocurrency Rate Loan, BA Rate Loan, Term Benchmark Loan or SONIA Rate Loan is made by a Borrower other than on the last day of an Interest Period for such Loan, such Borrower shall also pay all interest and fees accrued to the date of such prepayment on the principal amount prepaid and any amount owing pursuant to Section 2.14(e); provided, further, that each partial prepayment shall be in an aggregate principal amount not less than the applicable Minimum Currency Threshold. Upon the giving of any notice of prepayment, the principal amount of Revolving Loans specified therein to be prepaid shall become due and payable on the date specified therein for such prepayment (except that any notice of prepayment in connection with the refinancing of all or any portion of the Facilities may be contingent upon the consummation of such refinancing).

(b) Term Loans. Any Borrower may, upon prior notice to the Agent not later than (x) 1:00 p.m. (London time) in the case of Loans denominated in Euro, Sterling or Yen or (y) 11:00 a.m. (New York City time) in the case of Loans denominated in any other currency, in each case (i) at least three Business Days prior to the date of prepayment, in the case of any prepayment of Eurocurrency Rate Loans, Term Benchmark Loan or BA Rate Loans and (ii) on the date of prepayment, in the case of any prepayment of Base Rate Loans, prepay without premium or penalty (except as set forth in clause (c) below) its Term Loans under any Term Loan Facility in the currency in which such Term Loans are denominated, in whole or in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided, however, that if any prepayment of any Eurocurrency Rate Loan, Term Benchmark Loan or BA Rate Loan is made by a Borrower other than on the last day of an Interest Period for such Loan, such Borrower shall also pay any amounts owing pursuant to Section 2.14(e); provided, further, that each partial prepayment shall be in an aggregate amount not less than the Minimum Currency Threshold and that any such partial prepayment shall be applied to reduce the remaining installments of the outstanding principal amount of the Term Loans under the applicable Term Loan Facility as directed by the U.S. Borrower. Upon the giving of any notice

of prepayment, the principal amount of the Term Loans specified therein to be prepaid shall become due and payable on the date specified therein for such prepayment (except that any notice of prepayment in connection with the refinancing of all or any portion of the Facilities may be contingent upon the consummation of such refinancing).

(c) Prepayment Premiums.

(iii) In the event that, within 6 months of the Incremental Amendment No. 8 Effective Date, (x) the U.S. Borrower makes any prepayment of U.S. Term B-4 Loans in connection with any Repricing Transaction, or (y) effects any amendment of this Agreement resulting in a Repricing Transaction, the U.S. Borrower shall pay to the Agent, for the account of each U.S. Term B-4 Lender (including any Lender that is required to assign its Loans pursuant to Section 9.02(e) in connection therewith but not its assignee), (I) in the case of clause (x), a prepayment premium of 1% of the amount of such Lender's U.S. Term B-4 Loans being repaid in connection with such Repricing Transaction and (II) in the case of clause (y), a payment equal to 1% of the aggregate amount of such Lender's U.S. Term B-4 Loans that are subject to such Repricing Transaction and outstanding immediately prior to such amendment.

(iv) In the event that, within 6 months of the Amendment No. 11 Effective Date, the U.S. Borrower (x) makes any prepayment of U.S. Term B-5 Loans in connection with any Repricing Transaction, or (y) effects any amendment of this Agreement resulting in a Repricing Transaction, the U.S. Borrower shall pay to the Agent, for the account of each U.S. Term B-5 Lender (including any Lender that is required to assign its Loans pursuant to Section 9.02(e) in connection therewith but not its assignee), (I) in the case of clause (x), a prepayment premium of 1% of the amount of such Lender's U.S. Term B-5 Loans being repaid in connection with such Repricing Transaction and (II) in the case of clause (y), a payment equal to 1% of the aggregate amount of such Lender's U.S. Term B-5 Loans that are subject to such Repricing Transaction and outstanding immediately prior to such amendment.

(v) In the event that, within 6 months of the Amendment No. 12 Effective Date, the U.S. Borrower (x) makes any prepayment of U.S. Term B-6 Loans in connection with any Repricing Transaction, or (y) effects any amendment of this Agreement resulting in a Repricing Transaction, the U.S. Borrower shall pay to the Agent, for the account of each U.S. Term B-6 Lender (including any Lender that is required to assign its Loans pursuant to Section 9.02(e) in connection therewith but not its assignee), (I) in the case of clause (x), a prepayment premium of 1% of the amount of such Lender's U.S. Term B-6 Loans being repaid in connection with such Repricing Transaction and (II) in the case of clause (y), a payment equal to 1% of the aggregate amount of such Lender's U.S. Term B-6 Loans that are subject to such Repricing Transaction and outstanding immediately prior to such amendment.

(d) In addition to any prepayment of Term Loans pursuant to Section 2.08(b), any Borrower may at any time prepay Term Loans of any Class of any Lender at such price or prices as may be mutually agreed by the Borrower and such Lender (which, for avoidance of doubt, may be a prepayment at a discount to par), pursuant to individually negotiated transactions with any Lender or offers to prepay that are open to all Lenders of Term Loans of any Class selected by such Borrower so long as (i) at the time of, and after giving effect to, any such prepayment pursuant to this Section 2.08(d), no Event of Default has occurred and is continuing, (ii) no proceeds of Revolving Loans are utilized to fund any such prepayment and (iii) such Borrower and each Lender whose Term Loans are to be prepaid pursuant to this Section 2.08(d) execute and deliver to the Agent an instrument identifying the amount of Term Loans of each Class of each such Lender to be so prepaid, the date of such prepayment and the prepayment price therefor. The principal amount of any Term Loans of any Class prepaid pursuant to this paragraph (d) shall reduce remaining scheduled amortization for such Class of Term Loans on a pro rata basis.

(e) Notwithstanding anything in this Agreement to the contrary, in the event that on any date, an outstanding Term Loan of a Lender would otherwise be prepaid pursuant to Section 2.08(b), 2.08(d) or 2.09 from the proceeds of any new Term Loans to be established on such date, then, if agreed to by the Borrower and such Lender in writing delivered to the Agent, such outstanding Term Loan of such Lender may be converted on a “cashless roll” basis into a new Term Loan being established on such date.

#### SECTION 1.09      Mandatory Prepayment of Loans.

(a) Subject to clause (d) below, no later than three Business Days after the earlier of (i) ninety (90) days after the end of each fiscal year of the U.S. Borrower, commencing with the fiscal year ending on or around September 30, 2017 (or, (w) solely with respect to the U.S. Term B-3 Loans, commencing with the fiscal year ending on or around September 30, 2018, (x) solely with respect to the U.S. Term B-4 Loans, commencing with the fiscal year ending on or around September 30, 2020, (y) solely with respect to the U.S. Term B-5 Loans, commencing with the fiscal year ending on or around September 30, 2021, and (z) solely with respect to the U.S. Term B-6 Loans, commencing with the fiscal year ending on or around September 30, 2024), and (ii) the date on which the financial statements with respect to such fiscal year are delivered pursuant to Section 5.01(a) (the “Excess Cash Flow Application Date”), the U.S. Borrower shall prepay (or cause the other Borrowers to prepay) outstanding Term Loans in an aggregate principal amount equal to the ECF Percentage for the Excess Cash Flow Period then ended; provided that no such prepayment shall be required for any Excess Cash Flow Period to the extent Excess Cash Flow for such Excess Cash Flow Period was less than \$10,000,000; provided, further, that the amount of such prepayment shall be further reduced (without duplication of any amount that has reduced the amount of Loans required to be prepaid pursuant to this clause (a) in any other year) by an amount equal to the amount of Loans prepaid pursuant to Section 2.08 during the time period commencing at the beginning of the Excess Cash Flow Period with respect to which such prepayment is required and ending on the day preceding the Excess Cash Flow Application Date (other than a prepayment of Revolving Loans except to the extent accompanied by a corresponding reduction in the amount of the Revolving Commitments and, in the case of a prepayment of Term Loans pursuant to Section 2.08(d), limited to the amount of cash expended), other than prepayments funded with the proceeds of the incurrence of long-term Indebtedness (other than under any revolving credit facility).

(b) Subject to clause (d) below, on each occasion that a Prepayment Event occurs, the U.S. Borrower shall (or shall cause the other Borrowers to) within five Business Days after the occurrence of such Prepayment Event (or, in the case of Deferred Net Cash Proceeds, within five Business Days after the last day of the Reinvestment Period relating to such Prepayment Event), prepay, in accordance with clause (c) below, a principal amount of Term

Loans (or, at the election of the U.S. Borrower in connection with a Debt Incurrence Prepayment Event, reduce an amount of Revolving Commitments) equal to 100% of the Net Cash Proceeds from such Prepayment Event; provided that no prepayment shall be required as a result of any Asset Sale Prepayment Event until the aggregate amount of Net Cash Proceeds from all Asset Sale Prepayment Events following the Closing Date that have not previously been applied to prepay Loans in accordance with this Section 2.09 exceeds \$100.0 million and then only the excess over \$100.0 million shall be required to be applied to prepay Loans; provided further that with respect to the Net Cash Proceeds of an Asset Sale Prepayment Event or Casualty Event, the U.S. Borrower may use a portion of such Net Cash Proceeds to prepay or repurchase other Indebtedness (other than Loans) secured on a pari passu basis with the Obligations (and, in the case of any revolving Indebtedness, to correspondingly reduce commitments) to the extent the U.S. Borrower is required to prepay such other Indebtedness as a result of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Cash Proceeds multiplied by (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the sum of the outstanding principal amount of such other Indebtedness and the outstanding principal amount of Term Loans.

(c) The U.S. Borrower shall deliver to the Agent, at the time of each prepayment required under Section 2.09(a) or (b), (i) a certificate signed by a Financial Officer of the U.S. Borrower setting forth in reasonable detail the calculation of the amount of such prepayment and (ii) to the extent practicable, at least three (3) Business Days prior written notice of such prepayment. Amounts required to be applied to the prepayment of Term Loans in accordance with clauses (a) and (b) above shall be applied pro rata to prepay Term Loans under the Term Loan Facilities (based on the Dollar Equivalent amount of Term Loans outstanding under each Term Facility on the date of prepayment) and shall be applied to scheduled amortization of such Term Loans as directed by the U.S. Borrower; provided that notwithstanding the foregoing, the U.S. Borrower may elect in its sole discretion to apply the Net Cash Proceeds from any Debt Incurrence Prepayment Event to prepay any Class of Term Loans (or to reduce any Class of Revolving Commitments) selected by the U.S. Borrower. Each notice of prepayment shall specify the prepayment date, the Type of each Loan being prepaid and the principal amount of each Loan (or portion thereof) to be prepaid. Prepayments shall be accompanied by accrued interest as required by Section 2.11. All prepayments of Borrowings under this Section 2.09 shall be subject to Section 2.14 (and, in the case of a Repricing Transaction, Section 2.08(c)), but shall otherwise be without premium or penalty.

(d) If at any time the Agent notifies the U.S. Borrower that the aggregate Dollar Equivalent of Revolving Outstandings under any Revolving Facility exceeds the aggregate Revolving Commitments under such Revolving Facility at such time, each Borrower under such Revolving Facility shall forthwith prepay on a pro rata basis with any other Borrower under such Revolving Facility an amount of Revolving Loans made to such Borrower under such Revolving Facility then outstanding in an aggregate amount with respect to the Borrower(s) under such Revolving Facility equal to such excess; provided, however, that, to the extent such excess results solely by reason of a change in exchange rates, no Borrower shall be required to make such prepayment unless the amount of such excess causes the Revolving Outstandings under such Revolving Facility to exceed 105% of the Revolving Commitments under such Revolving Facility. If any such excess remains after prepayment in full of the aggregate outstanding Revolving Loans under the applicable Revolving Facility, each applicable Borrower shall provide cash collateral on a pro rata basis with any other Borrower under such Revolving Facility for the Letters of Credit issued for the account of such Borrower under such Revolving Facility in the manner set forth in Section 2.04(j) in an aggregate amount with respect to the Borrower(s) under such Revolving Facility equal to such excess.

(e) Notwithstanding any other provisions of this Section 2.09, (A) to the extent that any of or all the Net Cash Proceeds of any Asset Sale Prepayment Event by a Foreign

Subsidiary giving rise to a prepayment pursuant to Section 2.09(b) (a “Foreign Prepayment Event”) or Excess Cash Flow are prohibited or delayed by any Requirement of Law from being repatriated to a Borrower with respect to Term Loans in an aggregate principal amount equal to the ECF Percentage for the Excess Cash Flow Period then ended, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.09, as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to a Borrower (the Borrowers hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to Section 2.09 and (B) to the extent that and for so long as a Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have a material adverse tax consequence to the U.S. Borrower and its Subsidiaries (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.09, and such amounts may be retained by the applicable Foreign Subsidiary; provided that when such Borrower determines in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event or Excess Cash Flow would no longer have a material adverse tax consequence to the U.S. Borrower and its Subsidiaries (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, such Net Cash Proceeds or Excess Cash Flow shall be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.09.

#### SECTION 1.10      Fees.

(a)      Commitment Fees. The U.S. Borrower, agrees to pay, in Dollars in immediately available funds, (i) to each Revolving Lender a commitment fee (a “Commitment Fee”) on the Dollar Equivalent of the actual daily amount by which the Revolving Commitment of such Revolving Lender under the applicable Revolving Facility exceeds such Revolving Lender’s (A) outstanding principal amount of Revolving Loans under such Revolving Facility and (B) LC Exposure under such Revolving Facility, in each case, from the date hereof through the Revolving Credit Termination Date for such Revolving Facility at the Applicable Rate, payable in arrears (x) for the preceding calendar quarter, no later than the tenth Business Day of each calendar quarter, commencing on the first such Business Day following the Closing Date and (y) on the Revolving Credit Termination Date for such Revolving Facility.

(b)      Letter of Credit Fees. Each Borrower agrees to pay, in immediately available funds, the following amounts denominated in Dollars with respect to Letters of Credit issued by any Issuing Bank at the request of such Borrower:

Credit and (B) on the Revolving Credit Termination Date for the Revolving Facility under which such Letter of Credit was issued;

(ii) to the Agent for the ratable benefit of the Revolving Lenders under any Revolving Facility under which a Letter of Credit was issued, a fee (a "Revolving LC Fee") accruing at a rate per annum equal to the Applicable Rate for each Letter of Credit calculated on the Dollar Equivalent of the maximum undrawn face amount of such Letter of Credit, payable in arrears (A) no later than the tenth Business Day of each calendar quarter, commencing on the first such Business Day following the issuance of such Letter of Credit and (B) on the Revolving Credit Termination Date for the Revolving Facility under which such Letter of Credit was issued; and

(iii) to each Issuing Bank with respect to any Letter of Credit issued by it, with respect to the issuance, amendment or transfer of each Letter of Credit and each drawing made thereunder, documentary and processing charges in accordance with such Issuing Bank's standard schedule for such charges in effect at the time of issuance, amendment, transfer or drawing, as the case may be.

(c) Additional Fees. The U.S. Borrower shall pay to the Agent additional fees as have been separately agreed between the U.S. Borrower and the Agent.

(b) Interest Payments. (i) Interest accrued on each Base Rate Loan or Canadian Base Rate Loan shall be payable in arrears (A) for the preceding calendar quarter, no later than the fourth Business Day of each calendar quarter, commencing on the first such day following the making of such Base Rate Loan or Canadian Base Rate Loan, (B) in the case of Base Rate Loans that are Term Loans, upon the payment or prepayment thereof in full or in part and (C) if not previously paid in full, at maturity (whether by acceleration or otherwise) of such Base Rate Loan or Canadian Base Rate Loan, (ii) interest accrued on each Eurocurrency Rate Loan, each Term Benchmark Loan, and each BA Rate Loan shall be payable in arrears (A) on the last day of each Interest Period applicable to such Loan and, if such Interest Period has a duration of more than three months, on each date during such Interest Period occurring every three months from the first day of such Interest Period, (B) upon the payment or prepayment thereof in full or in part and (C) if not previously paid in full, at maturity (whether by acceleration or otherwise) of such Eurocurrency Rate Loan, Term Benchmark Loan or BA Rate Loan, as the case may be, (iii) interest accrued on each SONIA Rate Loan shall be payable in arrears (A) on the last day of SONIA Interest Period applicable to such Loan, (B) upon the payment or prepayment thereof in full or in part and (C) if not previously paid in full, at maturity (whether by acceleration or otherwise) of such SONIA Rate Loan and (iv) interest accrued on the amount of all other Obligations shall be payable on demand from and after the time such Obligation becomes due and payable (whether by acceleration or otherwise). (d) Criminal Interest Rate/Interest Act (Canada).

(i) For purposes of the Interest Act (Canada), whenever any interest is calculated on the basis of a period of time other than a year of 365 or 366 days, as applicable, the

annual rate of interest to which each rate of interest utilized pursuant to such calculation is equivalent to such rate so utilized multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days used in such calculation. The principle of deemed reinvestment of interest will not apply to any interest calculation under the Loan Documents, and the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

(ii) If any provision of this Agreement or any of the other Loan Documents would obligate the Canadian Borrower to make any payment of interest or other amount payable to any Lender under any Loan Documents in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by that Lender of interest at a criminal rate (as construed under the Criminal Code (Canada)), then notwithstanding that provision, that amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or result in a receipt by that Lender of interest at a criminal rate, the adjustment to be effected, to the extent necessary, (A) first, by reducing the amount or rate of interest required to be paid to the affected Lender under this Section 2.11 and (B) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to the affected Lender which would constitute interest for purposes of Section 347 of the Criminal Code (Canada).

(iii) Notwithstanding clause (d)(ii), and after giving effect to all adjustments contemplated thereby, if any Lender shall have received an amount in excess of the maximum permitted by the Criminal Code (Canada), then the Canadian Borrower shall be entitled, by notice in writing to the affected Lender, to obtain reimbursement from that Lender in an amount equal to the excess, and pending reimbursement, the amount of the excess shall be deemed to be an amount payable by that Lender to the Canadian Borrower.

(iv) Any amount or rate of interest referred to in this Section 2.11(d) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term of the Agreement on the assumption that any charges, fees or expenses that fall within the meaning of interest (as defined in the Criminal Code (Canada)) shall be prorated over that period of time and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Agent shall be conclusive for the purposes of that determination.

#### SECTION 1.12      Conversion/Continuation Options.

(a) (i) Each Borrower may elect (x) at any time on any Business Day to convert Base Rate Loans ~~(other than U.S. Term B-6 Loans) or any portion thereof to Eurocurrency Rate Loans, (y) at any time on any Business Day to convert U.S. Term B-6 Loans that are Base Rate Loans or~~ any portion thereof to Term Benchmark Loans or ~~(z) at the end of any Eurocurrency Interest Period applicable to any Loan that is denominated in Dollars or~~ at the end of any Term Benchmark Interest Period applicable to a Term Benchmark Loan, to convert such Loan into a Base Rate Loan, (ii) the U.S. Borrower or the Canadian Borrower may elect (x) at any time on any Business Day to convert Canadian Base Rate Loans to BA Rate Loans or (y) at the end of any BA Interest Period, to convert BA Rate Loans to Canadian Base Rate Loans, (iii) each applicable Borrower may elect at the end of any applicable Interest Period, to continue Eurocurrency Rate Loans, Term Benchmark Loans, BA Rate Loans or SONIA Rate Loans or any portion thereof for an additional Interest Period; provided, however, that in the case of clauses (i) and (ii) above the aggregate amount of the Eurocurrency Rate Loans, Term Benchmark Loans, BA Rate Loans or SONIA Rate Loans, as the case may be, for each Interest Period shall not be less than the Minimum Currency Threshold. Each conversion or continuation shall be allocated among the Loans of each Lender in accordance with such Lender's Ratable Portion. Each such election shall be in substantially the form of

Exhibit G and shall be made by giving the Agent prior written notice by 12:00 noon (New York City time) at least three Business Days in advance (or, in the case of any SONIA Rate Loans, 1:00 p.m. (London time) at least five Business Days in advance) specifying (A) the amount and type of Loan being converted or continued, (B) in the case of a conversion to or a continuation of Eurocurrency Rate Loans, Term Benchmark Loan or BA Rate Loans, the applicable Interest Period and (C) in the case of a conversion, the date of such conversion.

(b) The Agent shall promptly notify each applicable Lender of its receipt of an Interest Election Request and of the options selected therein. Notwithstanding the foregoing, (i) Loans denominated in any currency other than Dollars may not be converted to Base Rate Loans, (ii) Loans denominated in any currency other than Canadian Dollars may not be converted to Canadian Base Rate Loans or BA Rate Loans, (iii) Loans denominated in Canadian Dollars may not be converted into Eurocurrency Rate Loans, (iv) no (A) conversion in whole or in part of Base Rate Loans to Eurocurrency Rate Loans or Term Benchmark Loans or Canadian Base Rate Loans to BA Rate Loans, (B) continuation in whole or in part of ~~Eurocurrency Rate Loans denominated in Dollars~~, Term Benchmark Loans or BA Rate Loans upon the expiration of any applicable Interest Period or (C) continuation of any Eurocurrency Rate Loan denominated in any currency other than Dollars for a Eurocurrency Interest Period of other than one month's duration, in each case, shall be permitted at any time at which (I) an Event of Default shall have occurred and be continuing and the Agent or the Required Lenders shall have determined not to permit such continuation or conversion or (II) the continuation of, or conversion into, a Eurocurrency Rate Loan, Term Benchmark Loan or BA Rate Loans would violate any provision of Section 2.14(b) and (v) no continuation or conversion of SONIA Rate Loans shall be permitted that would violate any provision of Section 2.14(b). If, within the time period required under the terms of this Section 2.12, the Agent does not receive an Interest Election Request from the applicable Borrower containing a permitted election to continue any Eurocurrency Rate Loans, Term Benchmark Loan, BA Rate Loans or SONIA Rate Loans for an additional Interest Period or to convert any such Loans, then, upon the expiration of the applicable Interest Period, Loans denominated in Dollars shall be automatically converted into Base Rate Loans, Loans denominated in Canadian Dollars shall be automatically converted into Canadian Base Rate Loans and Loans denominated in any currency other than Dollars or Canadian Dollars shall be automatically continued as Eurocurrency Rate Loans or SONIA Rate Loans, as applicable, with a Eurocurrency Interest Period or SONIA Interest Period, as applicable, of one month. Each Interest Election Request shall be irrevocable.

#### SECTION 1.13      Payments and Computations.

(a) Each Borrower shall make each payment hereunder (including fees and expenses) not later than (x) 1:00 p.m. (London time) in the case of Loans denominated in Euro, Sterling or Yen or (y) 1:00 p.m. (New York City time) in the case of Loans denominated in any other currency, in each case on the day when due, in the currency specified herein (or, if no such currency is specified, in Dollars), except as specified in the following sentence, to the Agent at the Agent's Office for payments in such currency in immediately available funds without setoff or counterclaim. The Agent shall promptly thereafter cause to be distributed immediately available funds relating to the payment of principal, interest or fees to the Applicable Lending Offices of the applicable Lenders for such payments ratably in accordance with the amount of such principal, interest or fees due and owing to such Lenders on such date; provided, however, that (x) amounts payable pursuant to Section 2.14 or Section 2.15 shall be paid only to the affected Issuing Bank, Lender or Lenders and (y) amounts payable to the Issuing Banks in accordance with Section 2.10 shall be paid directly to such Issuing Banks. Payments received by the Agent after (x) 1:00 p.m. (London time) in the case of Loans denominated in Euro, Sterling or Yen or (y) 1:00 p.m. (New York City time) in the case of Loans denominated in any other currency, shall, at the option of the Agent, be deemed to be received on the next Business Day.

(b) All computations of interest and of fees shall be made by the Agent on the basis of a year of 360 days (other than computations of interest (i) for Base Rate Loans calculated by reference to the Prime Rate, Canadian Base Rate Loans and Loans denominated in Sterling which shall be made by the Agent on the basis of a year of 365 or 366 days, as the case may be, and (ii) for BA Rate Loans which shall be made by the Agent on the basis of a year of 365 days), in each case, for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest and fees are payable. Each determination by the Agent of a rate of interest hereunder shall be conclusive and binding for all purposes, absent manifest error.

(c) Except as otherwise provided herein, each payment by a Borrower with respect to any Loan or Letter of Credit and each reimbursement of reimbursable expenses or indemnified liabilities shall be made in the currency in which such Loan was made, such Letter of Credit issued or such expense or liability was incurred.

(d) Whenever any payment hereunder shall be stated to be due on a day other than a Business Day, the due date for such payment shall be extended to the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or fees, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of any Eurocurrency Rate Loan or Term Benchmark Loan to be made in the next calendar month, such payment shall be made on the immediately preceding Business Day. All repayments of any Revolving Loans or Term Loans that are denominated in Dollars or Canadian Dollars shall be applied as follows: first, to repay such Loans outstanding as Base Rate Loans or Canadian Base Rate Loans, as applicable, and second, to repay such Loans outstanding as ~~Eurocurrency Rate Loans~~, Term Benchmark Loans or BA Rate Loans, with those ~~Eurocurrency Rate Loans~~, Term Benchmark Loans or BA Rate Loans having earlier expiring Interest Periods being repaid prior to those having later expiring Interest Periods.

(e) Unless the Agent shall have received notice from any Borrower to the Lenders prior to the date on which any payment is due hereunder that such Borrower will not make such payment in full, the Agent may assume that such Borrower has made such payment in full to the Agent on such date and the Agent may, in reliance upon such assumption, cause to be distributed to each applicable Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that such Borrower shall not have made such payment in full to the Agent, each applicable Lender shall repay to the Agent forthwith on demand such amount distributed to such Lender together with interest thereon (at the Interbank Rate for the first Business Day, and, thereafter, at the rate applicable to Base Rate Loans) for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Agent.

#### SECTION 1.14 Increased Costs; Change of Law, Etc.

(a) Determination of Interest Rate. Each of the (i) Eurocurrency Rate for each Eurocurrency Interest Period for Eurocurrency Rate Loans, (ii) the BA Rate for each BA Interest Period for BA Rate Loans, (iii) the SONIA Rate on any date, and (iv) the Adjusted Term SOFR Rate for each Term Benchmark Interest Period for Term Benchmark Loans shall be determined by the Agent pursuant to the procedures set forth in the definition of "Eurocurrency Rate" (and as may be further set forth in the definitions of "EURIBOR Rate" or "TIBOR Rate," if applicable), "BA Rate", "SONIA Rate," or "Adjusted Term SOFR Rate" as applicable.

(b) Interest Rate Unascertainable, Inadequate or Unfair. In the event that (i) the Agent determines that adequate and fair means do not exist for ascertaining the applicable interest rates by reference to which the Eurocurrency Rate, Adjusted Term SOFR Rate, the BA

Rate or the SONIA Rate then being determined is to be fixed; provided that no Benchmark Transition Event shall have occurred at such time or (ii) the Required Class Lenders of the affected Facility notify the Agent that the Eurocurrency Rate, Adjusted Term SOFR Rate, the BA Rate or the SONIA Rate for any Interest Period will not adequately reflect the cost to the Lenders of making or maintaining such Loans in the applicable currency for such Interest Period, the Agent shall forthwith so notify the U.S. Borrower and the Lenders, whereupon (w) each affected ~~Eurocurrency Rate Loan denominated in Dollars or~~ Term Benchmark Loan shall automatically, on the last day of the current Interest Period for such Loan, convert into a Base Rate Loan and the obligations of the Lenders to make ~~Eurocurrency Rate Loans denominated in Dollars or~~ Term Benchmark Loans or to convert Base Rate Loans into ~~Eurocurrency Rate Loans or~~ Term Benchmark Loans shall be suspended until the Agent shall notify the U.S. Borrower that the Required Class Lenders under the affected Facility have determined that the circumstances causing such suspension no longer exist, (x) each BA Rate Loan shall automatically, on the last day of the current Interest Period for such Loan, convert into a Canadian Base Rate Loan and the obligations of the Revolving Lenders to make BA Rate Loans or to convert Canadian Base Rate Loans into BA Rate Loans shall be suspended until the Agent shall notify the U.S. Borrower that the Required Class Lenders under the affected Facility have determined that the circumstances causing such suspension no longer exist, (y) each SONIA Rate Loan shall either be repaid or converted into a ~~Eurocurrency Rate~~ **Term Benchmark** Loan ~~denominated in Dollars~~ with a one month Interest Period at the earlier of the end of such SONIA Interest Period and the date on which any determination or notice is made pursuant to this Section 2.14(b) and no further Borrowings of Sterling Loans shall be permitted and any further requests for SONIA Rate Loans shall be ineffective and (z) each Eurocurrency Rate Loan ~~that is denominated in a currency other than Dollars~~, the affected Eurocurrency Rate Loans shall be made or continued, as the case may be, as Eurocurrency Rate Loans with an Interest Period of one month and the amount of interest payable in respect of any such Eurocurrency Rate Loan shall be determined in accordance with the following provisions:

(i) if the Agent so requires, within five days of such notification the Agent and the applicable Borrower, as applicable, shall enter into negotiations with a view to agreeing on a substitute basis for determining the rate of interest (a “Substitute Interest Rate”) which may be applicable to affected Eurocurrency Rate Loans of such Borrower in the future and any such Substitute Interest Rate that is agreed shall take effect in accordance with its terms and be binding on each party hereto; provided that the Agent may not agree on any such Substitute Interest Rate without the prior consent of the Required Class Lenders under the affected Facility;

(ii) if no Substitute Interest Rate is agreed pursuant to clause (i) above, any affected Eurocurrency Rate Loan shall bear interest during the subsequent Interest Period at the rate per annum otherwise applicable to Eurocurrency Rate Loans under such Facility, except that in the place of the Eurocurrency Rate, in respect of Eurocurrency Rate Loans denominated in any currency other than Dollars, the Agent shall use the cost to the applicable Lender (as conclusively certified by such Lender in a certificate to the Agent and the applicable Borrower and expressed as a rate per annum) and containing a general description of the source selected of funding such Loan from whatever source it shall reasonably select; and

(iii) if the Agent has required a Borrower to enter into negotiations pursuant to clause (i) above, the Agent may (acting on the instructions of the Required Class Lenders under the affected Facility) declare that no further Eurocurrency Rate Loans in the applicable currency shall be converted, continued or made unless a Substitute Interest Rate has been agreed by the applicable Borrower and the Agent within 30 days of the Agent having so required negotiations.

(c) Increased Costs.

(i) If any Change in Law shall:

(A) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or Issuing Bank (except any such reserve requirement reflected in the Eurocurrency Rate);

(B) impose on any Lender (including any Issuing Bank) or the London interbank market any other condition affecting this Agreement or Eurocurrency Rate Loans, Term Benchmark Loans, BA Rate Loans or SONIA Rate Loans made by such Lender; or

(C) subject any Lender (including any Issuing Bank) to any Taxes (other than Indemnified Taxes indemnifiable under Section 2.15 or Excluded Taxes) on its Loans, Letters of Credit, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan or the cost to an Issuing Bank of issuing or maintaining Letters of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then, following delivery of the certificate contemplated by paragraph (iii) of this clause (c), the applicable Borrower will pay to such Lender or Issuing Bank in accordance with clause (iii) below such additional amount or amounts as will compensate such Lender or Issuing Bank for such additional costs incurred or reduction suffered, as reasonably determined by such Lender or Issuing Bank (which determination shall be made in good faith (and not on an arbitrary or capricious basis)) and in a manner consistent with similarly situated borrowers of such Lender or Issuing Bank as applicable, under agreements having provisions similar to this Section 2.14.

(ii) If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender or Letters of Credit issued by such Issuing Bank to a level below that which such Person or such Person's holding company could have achieved but for such Change in Law (taking into consideration such Person's policies and the policies of such Person's holding company with respect to capital adequacy and liquidity), then from time to time following delivery of the certificate contemplated by paragraph (iii) of this clause (c) of this Section 2.14 the applicable Borrower will pay to such Lender or Issuing Bank in accordance with clause (iii) below such additional amount or amounts as will compensate such Person or such Person's holding company for any such reduction suffered, as reasonably determined by such Lender or Issuing Bank (which determination shall be made in good faith (and not on an arbitrary or capricious basis)) and in a manner consistent with similarly situated borrowers of such Lender or Issuing Bank, as applicable, under agreements having provisions similar to this Section 2.14.

(iii) A certificate of a Lender or Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company as specified in paragraph (i) or (ii) of this clause (c) and setting forth in reasonable detail the manner in which such amount or amounts were determined shall be delivered to the applicable Borrower and shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender or Issuing Bank the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(iv) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this clause (c) shall not constitute a waiver of such Person's right to demand such compensation; provided that no Borrower shall be required to compensate a Lender or Issuing Bank pursuant to this clause (c) for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank notifies such Borrower of the Change in Law giving rise to such increased costs or reductions and of such Person's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(d) Illegality. Notwithstanding any other provision of this Agreement, if any Lender determines that the introduction of, or any change in or in the interpretation of, any law, treaty or governmental rule, regulation or order after the date of this Agreement shall make it unlawful, or any central bank or other Governmental Authority shall assert that it is unlawful, for such Lender or its Applicable Lending Office to make Eurocurrency Rate Loans in an applicable currency, Term Benchmark Loans, BA Rate Loans or SONIA Rate Loans or to continue to fund or maintain Eurocurrency Rate Loans in an applicable currency, Term Benchmark Loans, BA Rate Loans or SONIA Rate Loans, then, on notice thereof and demand therefor by such Lender to the U.S. Borrower through the Agent, (i) the obligation of such Lender to make or to continue Eurocurrency Rate Loans in an applicable currency, Term Benchmark Loans, BA Rate Loans or SONIA Rate Loans and to convert Base Rate Loans into Eurocurrency Rate Loans, Term Benchmark Loans or BA Rate Loans shall be suspended, and each such Lender shall make a Base Rate Loan or Canadian Base Rate Loan, as applicable, as part of any requested Borrowing of Eurocurrency Rate Loans, Term Benchmark Loans or BA Rate Loans, (ii) if any affected Loans are then outstanding that are denominated in Dollars or Canadian Dollars as ~~Eurocurrency Rate Loans~~, Term Benchmark Loans or BA Rate Loans, the applicable Borrower shall immediately convert each such Loan into Base Rate Loans or Canadian Base Rate Loans, as applicable and (iii) in the case of any affected Loans that are not denominated in Dollars or Canadian Dollars, such Loans shall bear interest at an alternate rate determined by the Agent to adequately reflect such Lender's cost of capital. If, at any time after a Lender gives notice under this clause (d), such Lender determines that it may lawfully make Eurocurrency Rate Loans in an applicable currency, Term Benchmark Loans, BA Rate Loans or SONIA Rate Loans, such Lender shall promptly give notice of that determination to the U.S. Borrower and the Agent, and the Agent shall promptly transmit the notice to each other Lender. Each Borrower's right to request, and such Lender's obligation, if any, to make Eurocurrency Rate Loans in an applicable currency, Term Benchmark Loans, BA Rate Loans or SONIA Rate Loans, as applicable, shall thereupon be restored.

(e) Breakage Costs.

(i) In the case of any Loans denominated in any currency other than Sterling, in addition to all amounts required to be paid by the Borrowers pursuant to Section 2.11, each Borrower shall compensate each Lender that has made a Loan to such Borrower, upon written request in accordance with this paragraph (e), for all losses, expenses and liabilities (including any loss or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain such Lender's Eurocurrency Rate Loans, Term Benchmark Loans or BA Rate Loans to such Borrower but excluding any loss of the Applicable Rate on the relevant Loans) that such Lender may sustain (i) if for any reason (other than by reason of such Lender being a Non-Funding Lender) a proposed Borrowing, conversion into or continuation of Eurocurrency Rate Loans, Term Benchmark Loans or BA Rate Loans does not occur on a date specified therefor in a Borrowing Request or an Interest Election Request given by a Borrower or in a telephonic request by it for borrowing or conversion or continuation or a successive Interest Period does not commence after notice therefor is given pursuant to Section 2.12, (ii) if for any reason any Eurocurrency Rate Loan, Term Benchmark

Loans or BA Rate Loan is repaid or prepaid (including pursuant to Section 2.09) on a date that is not the last day of the applicable Interest Period, (iii) as a consequence of a required conversion of a Eurocurrency Rate Loan, Term Benchmark Loans or BA Rate Loan to a Base Rate Loan or Canadian Base Rate Loans, as applicable, as a result of any of the events indicated in clause (d) above or (iv) as a result of any assignment of any Eurocurrency Rate Loans, Term Benchmark Loans or BA Rate Loans pursuant to a request by the applicable Borrower pursuant to Section 2.17. In the case of a Eurocurrency Rate Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Eurocurrency Rate that would have been applicable to such Loan for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. For the purpose of calculating amounts payable to a Lender under this subsection, each Lender shall be deemed to have actually funded its relevant BA Rate Loan through the purchase of a deposit bearing interest at the BA Rate in an amount equal to the amount of that BA Rate Loan and having a maturity comparable to the relevant BA Interest Period; provided that each Lender may fund each of its BA Rate Loans in any manner it sees fit, and the foregoing assumption shall be utilized only for the calculation of amounts payable under this subsection. The applicable Borrower shall pay the applicable Lender the amount shown as due on any certificate delivered to such Borrower and setting forth any amount or amounts that such Lender is entitled to receive pursuant to this clause (e) and the basis therefor within ten (10) days after receipt thereof; provided such certificate sets forth in reasonable detail the manner in which such amount or amounts was determined.

(ii) In the case of any Loans denominated in Sterling, in addition to all amounts required to be paid by the Borrowers pursuant to Section 2.11, each Borrower shall compensate each Lender that has made a Loan to such Borrower, upon written request in accordance with this paragraph (e), for all losses, expenses and liabilities that such Lender may sustain (i) if for any reason (other than by reason of such Lender being a Non-Funding Lender) a proposed Borrowing, conversion into or continuation of SONIA Rate Loans does not occur on a date specified therefor in a Borrowing Request or an Interest Election Request given by a Borrower or in a telephonic request by it for borrowing or conversion or continuation, (ii) if for any reason any SONIA Rate Loan is repaid or prepaid (including pursuant to Section 2.09) on a date prior to the interest payment date set forth in Section 2.11(b), (iii) as a consequence of a required conversion of SONIA Rate Loans, as applicable, as a result of any of the events indicated in clause (d) above or (iv) as a result of any assignment of any SONIA Rate Loans pursuant to a request by the applicable Borrower pursuant to Section 2.17. The applicable Borrower shall pay the applicable Lender the amount shown as due on any certificate delivered to such Borrower and setting forth any amount or amounts that such Lender is entitled to receive pursuant to this clause (e)(i) and the basis therefor within ten (10) days after receipt thereof; provided such certificate sets forth in reasonable detail the manner in which such amount or amounts was determined.

(f) Alternate Rate of Interest.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the applicable Borrowers may amend this Agreement to replace the Eurocurrency Rate ~~or~~, BA Rate or, in the case of a Benchmark Transition Event only, the Term SOFR Rate, as applicable, with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on

the fifth (5<sup>th</sup>) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrowers, so long as the Administrative Agent has not received, by such time, written notice of objection to such proposed amendment from Lenders comprising the Required Class Lenders of each Facility providing for Loans in the applicable currency; ~~provided that, solely with respect to any Dollar-denominated Loans or Commitments, with respect to any proposed amendment containing any SOFR-Based Rate, the applicable Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein.~~ Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Class Lenders of each Facility providing for Loans in the applicable currency have delivered to the Administrative Agent written notice that such Required Class Lenders accept such amendment. No replacement of Eurocurrency Rate or BA Rate, as applicable, with a Benchmark Replacement will occur prior to the applicable Benchmark Transition Start Date.

(ii) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iii) The Administrative Agent will promptly notify the applicable Borrowers and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.14.

(iv) Upon the applicable Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, (i) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurocurrency Rate Borrowing, Term Benchmark Borrowing or BA Rate Borrowing, as applicable, shall be ineffective and (ii) (x) if any Borrowing Request requests a ~~Eurocurrency Rate~~ Term Benchmark Revolving Borrowing, such Borrowing shall be made as a Base Rate Borrowing and (y) if any Borrowing Request requests a BA Rate Revolving Borrowing, such Borrowing shall be made as a Canadian Base Rate Borrowing.

(v) Notwithstanding anything to the contrary contained in this Agreement, (i) this Section 2.14(f) and each of the other Reference Rate Replacement Amendments shall become effective on the Reference Rate Replacement Amendments Effective Date and (ii) if an interest rate based on the Term SOFR Rate becomes a replacement rate for LIBOR pursuant to this Section 2.14(f), the provisions, if any, relating to a successor benchmark for such interest rate shall also apply to the U.S. Term B-6 Loans (provided that the Benchmark Replacement Adjustment applicable to U.S. Term B-6 Loans shall not be less than the Term SOFR Adjustment as in effect on the Amendment No. 12 Effective Date).

#### SECTION 1.15 Taxes.

(a) Any and all payments by or on account of any obligation of any Borrower or any other Loan Party under any Loan Document shall be made free and clear of and without

deduction or withholding for or on account of any Taxes unless a deduction or withholding is required by law; provided that if any applicable withholding agent shall be required by law to deduct or withhold any Taxes from any such payment, then (i) to the extent such Tax is an Indemnified Tax, the sum payable by such Borrower or other Loan Party shall be increased as necessary so that after all such required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 2.15) by the applicable withholding agent, the Lender (or, in the case of a payment received by the Agent for its account, the Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall make such required deductions or withholdings and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable law. If at any time a Borrower or a Loan Party is required by applicable law to make any deduction or withholding from any sum payable under any Loan Document, such Borrower or such Loan Party shall promptly notify the relevant Agent or Lender upon becoming aware of the same.

(b) This Section 2.15(b) applies solely in respect of a Loan to any U.K. Borrower.

(i) The relevant U.K. Borrower is not required to make an increased payment to a Lender in respect of any payment of interest on any Loan to the relevant U.K. Borrower under Section 2.15(a) (or an indemnity payment under Section 2.15(e)) for any deduction or withholding for or on account of any Indemnified Taxes where that Tax is imposed by the United Kingdom if on the date on which the payment falls due:

(A) the payment could have been made to the relevant Lender without a deduction or withholding for or on account of Indemnified Taxes if it was a U.K. Qualifying Lender, but on that date that Lender is not or has ceased to be a U.K. Qualifying Lender other than as a result of any Change in Law (including any change in any Treaty or in any published practice or concession of any relevant taxing authority) after the date it became a Lender under this Agreement; or

(B) (1) the relevant Lender is a U.K. Qualifying Lender solely under subclause (i)(B) of the definition of “U.K. Qualifying Lender”; and (2) an officer of HMRC has given (and not revoked) a Direction under section 931 of the ITA 2007 (as that provision has effect on the date on which the relevant Lender became a party to this Agreement) which relates to that payment and that Lender has received from that Borrower a certified copy of that Direction; and (3) the payment could have been made to the Lender without any deduction or withholding for or on account of Taxes in the absence of that Direction; or

(C) the relevant Lender is a U.K. Qualifying Lender solely under subclause (i)(B) of the definition of “U.K. Qualifying Lender” and it has not, other than by reason of any change after the date of this Agreement in (or in the interpretation, administration or application of) any law, or any published practice or concession of any relevant Governmental Authority, given a U.K. Tax Confirmation to a Borrower; or

(D) the relevant Lender is a Treaty Lender and the relevant Borrower making the payment is able to demonstrate that the payment could have been made to that Lender without the deduction or withholding for or on account of any Taxes had that Lender complied with its obligations under clauses (iii), (iv) and (v) below.

(i) Each Lender in respect of a Loan to the relevant U.K. Borrower on the day on which this Agreement is entered into, who is a U.K. Qualifying Lender solely under

subparagraph (i)(B) of the definition of “U.K. Qualifying Lender,” gives a U.K. Tax Confirmation to the relevant U.K. Borrower by entering into this Agreement. A Lender in respect of a Loan to the relevant U.K. Borrower who is a Qualifying Lender under sub-paragraph (i)(B) of the definition of “U.K. Qualifying Lender” must promptly notify the Agent of any change to its status that may affect any confirmation made by it. A Lender in respect of a Loan to the relevant U.K. Borrower who has given and not revoked a U.K. Tax Confirmation as at the Closing Date shall be deemed to have given a U.K. Tax Confirmation.

(ii) Each Lender in respect of a Loan made to the relevant U.K. Borrower that is a Treaty Lender and does not hold or does not wish to use a passport under the HMRC DT Treaty Passport scheme undertakes to use reasonable endeavors to process as soon as practicable the appropriate HMRC Form DT-Company to enable interest on the Loan made by it to the relevant U.K. Borrower under this Agreement to be paid to it without any deduction or withholding for or on account of any Indemnified Taxes imposed by the United Kingdom and, if appropriate, to seek, at the relevant U.K. Borrower’s expense, a refund of any such tax previously withheld (and in respect of which additional amounts have been paid by the relevant U.K. Borrower pursuant to this Section 2.15) from interest payments made to that Treaty Lender.

(iii)

(A) Subject to Section 2.15(b)(iv)(B) below, a Lender and each U.K. Borrower which makes a payment to which that Lender is entitled shall co-operate promptly in completing any procedural formalities necessary for that U.K. Borrower to obtain authorization to make that payment without a U.K. Tax Deduction.

(B) (1) A Lender which becomes a Party on the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall confirm its scheme reference number and its jurisdiction of tax residence opposite its name in Schedule I.

(2) A Lender that is not a party to this Agreement on the date on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall confirm its scheme reference number and its jurisdiction of tax residence in the Assignment and Assumption, which it executes, or otherwise in writing to the Agent or the relevant U.K. Borrower on becoming a party to this Agreement,

and, having done so, that Lender shall be under no obligation pursuant to Section 2.15(b)(iv)(A).

(iv) If a Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with paragraph (iv) above and (i) the relevant U.K. Borrower making a payment to that Lender has not made a Borrower DTTP Filing in respect of that Lender; or (ii) the relevant U.K. Borrower making a payment to that Lender has made a Borrower DTTP Filing in respect of that Lender but (A) that Borrower DTTP Filing has been rejected by HMRC; or (B) HMRC has not given the Borrower authority to make payments to that Lender without a U.K. Tax Deduction within 60 days of the date of the Borrower DTTP Filing, and in each case the relevant U.K. Borrower has notified that Lender in writing, that Lender and the relevant U.K. Borrower shall co-operate in completing any additional procedural formalities necessary for the relevant U.K. Borrower to make that payment without a U.K. Tax Deduction.

(v) If a Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (iv) above, the relevant U.K.

Borrower shall not make a Borrower DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment(s) or its participation in any Loan unless the Lender otherwise agrees.

(vi) The relevant U.K. Borrower shall, promptly on making a Borrower DTTP Filing, deliver a copy of that Borrower DTTP Filing to the Agent for delivery to the relevant Lender.

(c) This Section 2.15(c) applies solely in respect of a Loan to an Irish Borrower.

(i) No Irish Borrower is required to make any increased payment to a Lender in respect of any payment of interest on any Loan to such Irish Borrower under Section 2.15 (a) (or an indemnity payment under Section 2.15(e)) for any deduction or withholding for or on account of Indemnified Taxes imposed by Ireland if on a date on which the payment falls due:

(A) the payment could have been made to the Lender without a deduction or withholding for or on account of Indemnified Taxes if it was an Irish Qualifying Lender, but on that date that Lender is not or has ceased to be an Irish Qualifying Lender other than as a result of any Change in Law (including any change in any Treaty to which Ireland is a party or in any published practice or concession of any relevant taxing authority) that occurred after the Closing Date; or

(B) the relevant Lender is an Irish Qualifying Lender by reason of paragraph (e) of that definition and the Borrower making the payment is able to demonstrate that the payment could have been made to that Lender without the deduction or withholding for or on account of any Taxes had that Lender complied with its obligations under clause (g) below.

(i) Each Lender in respect of a Loan to an Irish Borrower on the day on which this Agreement is entered into, gives an Irish Tax Confirmation by entering into this Agreement. Any Lender in respect of a Loan to an Irish Borrower who is an Irish Qualifying Lender must promptly notify the Agent of any change to its status that may affect the Irish Tax Confirmation made by it.

(d) The Borrowers and the other Loan Parties shall pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Agent timely reimburse it for the payment of, any Other Taxes.

(e) Each Borrower and each other Loan Party shall severally, and not jointly, indemnify the Agent and each Lender, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) payable or paid by such Agent or Lender or required to be withheld or deducted from a payment to such Agent or Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the applicable Borrower by a Lender, or by the Agent on its own behalf or on behalf of any Lender, shall be conclusive absent manifest error.

(f) As soon as practicable after any payment of any Taxes by a Borrower or other Loan Party to a Governmental Authority pursuant to this Section 2.15, such Borrower or other Loan Party shall deliver to the Agent the original or a certified copy of a receipt issued by

such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.

(g)

(i) Each Lender that is legally entitled to an exemption from or reduction of withholding tax with respect to any payments made under any Loan Document shall deliver to the applicable Borrower and the Agent, at the time or times reasonably requested by the applicable Borrower or the Agent, such properly completed and executed documentation reasonably requested by such Borrower or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the applicable Borrower or the Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by a Borrower or the Agent as will enable such Borrower or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.15(g)(ii)(A), (ii)(B), and (ii)(D) below or, in respect of Canadian withholding Taxes, CRA Forms NR301, NR302, or NR303, as applicable, and any successor forms thereto) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the applicable Borrower and the Agent in writing of its legal inability to do so.

(ii) Without limiting the generality of Section 2.15(g)(i) above, with respect to any Loan to the U.S. Borrower:

(A) Each Lender that is a United States Person agrees to complete and deliver to the U.S. Borrower and the Agent, on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the U.S. Borrower or the Agent), two duly completed and executed copies of IRS Form W-9 (or successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax.

(B) Each Non-U.S. Lender, shall deliver to the U.S. Borrower and the Agent two duly completed and executed copies of whichever of the following is applicable:

(I) In the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party, IRS Form W-8BEN-E (or any successor thereto) establishing an exemption from, or reduction of, U.S. federal withholding tax pursuant to such treaty;

(II) IRS Form W-8ECI (or any successor thereto);

(III) In the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, a certificate substantially in the form of Exhibit J-1 to the effect that such Non-U.S. Lender is not a "bank" as defined in Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of the U.S. Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that the interest payments in respect of such Loans are not effectively connected with such Non-U.S. Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate"); or

(IV) To the extent a Non-U.S. Lender is not the beneficial owner, duly signed, properly completed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS

Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct and indirect partner;

(C) Each Non-U.S. Lender shall deliver to the U.S. Borrower and the Agent (in such number of copies as shall be requested by the recipient) such other duly completed and executed forms or certificates prescribed by applicable law as a basis for claiming exemption from, or reduction in, U.S. federal withholding Tax, together with such supplementary documentation as may be prescribed by applicable law to permit the U.S. Borrower or the Agent to determine the withholding or deduction required to be made; and

(D) Each Lender shall deliver to the U.S. Borrower and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the U.S. Borrower or the Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the U.S. Borrower or the Agent as may be necessary for the Borrower and the Agent to comply with their obligations under FATCA and to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Notwithstanding anything to the contrary in this Section 2.15(g), no Lender shall be required to provide any documentation that such Lender is not legally eligible to provide.

(iv) Each Lender hereby authorizes the Agent to deliver to the Borrowers and other Loan Parties and to any successor Agent any documentation provided by such Lender to the Agent pursuant to this Section 2.15(g).

(h) If the Agent or a Lender determines, in its sole discretion exercised in good faith, that it has received and retained a refund of any Indemnified Taxes as to which it has been indemnified by a Borrower or other Loan Party or with respect to which such Borrower or such Loan Party has paid additional amounts pursuant to this Section 2.15, it shall pay over such refund to such Borrower or such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower or such Loan Party under this Section 2.15 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Agent or such Lender as is determined by the Agent or such Lender in its sole discretion exercised in good faith, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Borrower or such Loan Party, upon the request of the Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Borrower or such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Agent or such Lender in the event the Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.15(h), in no event will any Agent or Lender be required to pay any amount to any Borrower other Loan Party pursuant to this Section 2.15 the payment of which would place such Agent or Lender in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had

never been paid. This Section 2.15(h) shall not be construed to require the Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Borrower or any other Loan Party or any other Person.

(i) Any amount payable under this Agreement or any other Loan Document by any party is exclusive of any VAT or any other Tax of a similar nature which might be chargeable in connection with that amount. If any such Tax is chargeable, the applicable Borrower or applicable other Loan Party must pay to the Agent or Lender (as applicable) (in addition to and at the same time as paying that amount) an amount equal to the amount of that Tax against the delivery of a valid VAT invoice (where applicable).

(j) Where this Agreement or any other Loan Document requires any party to reimburse the Agent or any Lender (as the case may be) for any costs or expenses, that party must also at the same time pay and indemnify the Agent or Lender (as the case may be) against all VAT or any other Tax of a similar nature incurred by the Agent or Lender (as the case may be) in respect of those costs or expenses but only to the extent that the Agent or Lender (as the case may be) (acting reasonably) determines that it is not entitled to credit or repayment from the relevant tax authority in respect of the Tax.

(k) For the avoidance of doubt, for purposes of this Section 2.15, the term “Lender” includes any Issuing Bank.

#### SECTION 1.16      Allocation of Proceeds; Sharing of Setoffs.

(a) All proceeds of any Collateral received by the Agent after an Event of Default has occurred and is continuing and all or any portion of the Loans shall have been accelerated hereunder pursuant to Section 7.02, shall upon election by the Agent or at the direction of the Required Lenders be applied, first, to, ratably, pay any fees, indemnities, or expense reimbursements then due to the Agent from any Borrower (other than in connection with Secured Hedging Obligations or Secured Cash Management Obligations), second, ratably, to pay any expense reimbursements then due to the Issuing Bank or Lenders from the Borrowers (other than in connection with Secured Hedging Obligations or Secured Cash Management Obligations), third, to pay Commitments Fees, interest due and payable in respect of the Loans and LC Fees, ratably, fourth, to pay principal on the Loans and unpaid LC Disbursements and any amounts owing with respect to Secured Hedging Obligations or Secured Cash Management Obligations, and to cash collateralize Letters of Credit in an amount equal to the outstanding face amount thereof (it being understood that, if any Letter of Credit shall expire undrawn, any cash collateral held for the undrawn portion of such Letter of Credit shall be applied to the other Secured Obligations in the order specified in clauses first through fifth of this sentence), ratably, fifth, to the payment of any other Secured Obligation due to the Agent or any Lender, and sixth, to the applicable Loan Party or as the U.S. Borrower shall direct. Notwithstanding the foregoing, (i) the Agent shall not be required to pay any amount pursuant to this Section 2.16(a) to any holder of Secured Hedging Obligations or Secured Cash Management Obligations unless the holder thereof or the U.S. Borrower has provided notice to the Agent thereof prior to the date of the applicable payment pursuant to this Section 2.16(a) and (ii) no amount received on the account of any Collateral of any Loan Party shall be applied to the payment of any Secured Obligations in respect of Excluded Swap Obligations of such Loan Party.

(b) If, following any Event of Default under Section 7.01(a) (but only to the extent that prior to the waiver of such Event of Default an Event of Default under Section 7.01(f) (with respect to the U.S. Borrower) or an acceleration of the Loans pursuant to Section 7.02 occurs), Section 7.01(f) (with respect to the U.S. Borrower) or any acceleration of the Loans pursuant to Section 7.02, any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any fees, principal of or interest on any of its Loans

resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest and fees thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders at such time outstanding to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest and fees on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, (ii) the provisions of this paragraph shall not be construed to apply to any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement (including, without limitation, Section 2.08(d)) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant) and (iii) in the event that any Lender would be required to purchase any participations in Domestic Obligations as a result of the receipt by such Lender of any amount from any Foreign Borrower, such Lender shall not be required to purchase any participations in any such Domestic Obligations. Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of setoff, consolidation and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(c) If any Lender shall fail to make any payment required to be made by it pursuant to this Agreement, then the Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Agent for the account of such Lender to satisfy such obligations of such Lender until all such unsatisfied obligations are fully paid.

#### SECTION 1.17      Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.14, or if a Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or 2.15, as applicable, in the future and (ii) would not subject such Lender (or its parent companies) to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The U.S. Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.14, or if a Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, or if any Lender becomes a Non-Funding Lender, then such Borrower may, at its sole expense and effort, upon notice to such Lender and the Agent, replace such Lender by requiring such Lender to assign and delegate (and such Lender shall be obligated to assign and delegate), without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) such Borrower shall have received the prior written consent of the Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and any participations in Letters of Credit funded by such Lender, if any, accrued interest thereon, accrued fees and all other amounts due and payable to it hereunder,

from the assignee (to the extent of such outstanding principal or participation) or such Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or payments required to be made pursuant to Section 2.15, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the applicable Borrower to require such assignment and delegation cease to apply.

SECTION 1.18            [Reserved].

SECTION 1.19            Incremental Facilities.

(a) Any Borrower may by written notice to the Agent elect to request the establishment of one or more (x) additional tranches of term loans of any class in Dollars, Euros, Sterling, Yen, Canadian Dollars or any other currency reasonably acceptable to the Agent or new Commitments to increase any existing Class of Term Loans (the commitments described in this clause (x), the “New Term Commitments”), (y) increases in Revolving Commitments under one or more of the then existing Revolving Facilities or new revolving commitments under a new revolving facility (a “New Revolving Facility”) (any such commitments described in this clause (y), the “New Revolving Commitments” and, together with the New Term Commitments, the “New Commitments”) in a Dollar Equivalent amount at any time not to exceed (other than in the case of any New Commitments with respect to Refinancing Term Loans and/or Replacement Revolving Commitments) the Maximum Incremental Amount at such time and not less than the Dollar Equivalent of \$25.0 million individually (or such lesser amount which shall be approved by the Agent or such lesser amount that shall constitute the entire remaining availability hereunder). Each such notice shall specify the date (each, an “Increased Amount Date”) on which the applicable Borrower proposes that the New Commitments shall be effective, which shall be a date not less than five Business Days after the date on which such notice is delivered to Agent (or such shorter period as may be agreed by the Agent); provided that any Lender offered or approached to provide all or a portion of the New Commitments may elect or decline, in its sole discretion, to provide a New Commitment. Such New Commitments shall become effective, as of such Increased Amount Date; provided that (i) subject to Section 1.10, no Default or Event of Default shall exist on such Increased Amount Date before or after giving effect to such New Commitments, as applicable; (ii) subject to Section 1.10, both before and after giving effect to the making of any New Term Loans or New Revolving Loans, each of the conditions set forth in Section 4.02 shall be satisfied; (iii) subject to Section 1.10, the U.S. Borrower and the Restricted Subsidiaries shall be in pro forma compliance with Section 6.10 as of the last day of the most recently ended fiscal quarter prior to such Increased Amount Date and as in effect on such Increased Amount Date after giving effect to such New Commitments and any Investment to be consummated in connection therewith; (iv) the New Commitments shall be effected pursuant to one or more supplements to this Agreement executed and delivered by the Loan Parties, the New Lenders and the Agent; and (v) any such supplement shall provide that each New Lender shall automatically become party to the Loss Sharing Agreement pursuant to such supplement. The Canadian Term A-2 Loans, the Canadian Term A-3 Loans, the Euro Term A-1 Loans, the Euro Term A-2 Loans, the Yen Term C-2 Loans and any other New Term Loans (other than any New Term Loans which are designated as an increase in the amount of any previously established Class of Term Loans) made on an Increased Amount Date shall be designated a separate series (a “Series”) of New Term Loans for all purposes of this Agreement. In connection with the obtaining of any New Commitments pursuant to this Section 2.19(a), the U.S. Borrower shall, or shall cause the other applicable Loan Parties to, make such amendments to the Collateral Documents and take such other customary actions, if any, as the Agent may reasonably request in order to preserve and protect the Liens on the Collateral securing the Obligations (either prior to or within 30 days (or such longer period as to which the Agent may consent) following the Increased Amount Date for such New Commitments).

(b) On any Increased Amount Date on which New Revolving Commitments are effected under any existing Revolving Facility (but not any New Revolving Facility being established on such date), subject to the satisfaction of the foregoing terms and conditions, (a) each of the Lenders with Revolving Commitments under the applicable Revolving Facility shall assign to each Lender with a New Revolving Commitment (each, a “New Revolving Lender”) and each of the New Revolving Lenders shall purchase from each of the Lenders with Revolving Commitments under the applicable Revolving Facility, at the principal amount thereof, such interests in the Revolving Loans outstanding under the applicable Revolving Facility on such Increased Amount Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by existing Lenders with Revolving Loans under the applicable Revolving Facility and New Revolving Lenders ratably in accordance with their Ratable Portions after giving effect to the addition of such New Revolving Commitments to such Revolving Facility, (b) each such New Revolving Commitment shall be deemed for all purposes a Revolving Commitment under the applicable Revolving Facility and each Loan made thereunder (a “New Revolving Loan”) shall be deemed, for all purposes, a Revolving Loan under the applicable Revolving Facility and (c) each New Revolving Lender with a New Revolving Commitment under an existing Revolving Facility shall become a Lender under the applicable Revolving Facility with respect to the New Revolving Commitment and all matters relating thereto. On any Increased Amount Date on which New Revolving Commitments are effected under any New Revolving Facility, subject to the satisfaction of the foregoing terms and conditions, the Agent and the Borrowers shall enter into an amendment to this Agreement to incorporate the terms of such New Revolving Facility hereunder on substantially the same terms as were applicable to the existing Revolving Facilities (except with respect to the rate of interest and the Scheduled Termination Date applicable to such New Revolving Facility and except as otherwise reasonably acceptable to the Agent).

(c) On any Increased Amount Date on which any New Term Commitments of any Class are effective, subject to the satisfaction of the foregoing terms and conditions, (i) each Lender with a New Term Commitment (each, a “New Term Loan Lender”) of any Class shall make a Loan to the applicable Borrower (a “New Term Loan”) in the requested currency in an amount equal to its New Term Commitment of such Class, and (ii) each New Term Loan Lender of any Class shall become a Lender hereunder with respect to the New Term Commitment of such Class and the New Term Loans of such Class made pursuant thereto.

(d) The terms and provisions of the New Term Loans and New Term Commitments shall be, except as otherwise set forth herein or in the applicable supplement relating thereto, identical to the existing Term Loans; provided that (i) the final maturity date of the New Term Loans shall be no earlier than (x) in the case of Refinancing Term Loans, the Term Loans or Revolving Commitments refinanced therewith, (y) in the case of New Term A Loans, the U.S. Term A Loan Maturity Date and (z) in the case of any other New Term Loans, the U.S. Term B-6 Loan Maturity Date, and, in the case of all New Term Loans, the mandatory prepayment provisions applicable to the New Term Loans shall not require that any mandatory prepayment pursuant to Section 2.09 apply to such New Term Loans on a greater basis than ratable basis then outstanding Term Loans, (ii) the currency, optional prepayment provisions, rate of interest and the amortization schedule applicable to any New Term Loans of each Series shall be determined by the applicable Borrower and the applicable new Lenders and shall be set forth in the applicable supplement relating thereto; provided that (A) the Weighted Average Life to Maturity of any New Term Loans will be no shorter than (x) in the case of Refinancing Term Loans, the Weighted Average Life to Maturity of the Term Loans refinanced or Revolving Commitments replaced thereby, (y) in the case of New Term A Loans, the then remaining Weighted Average Life to Maturity of the Canadian Term A-3 Loans, the Euro Term A-2 Loans or the Yen Term C-2 Loans and (z) in the case of any other New Term Loans, the then remaining Weighted Average Life to Maturity of the U.S. Term B-6 Loans, (B) if the Effective Yield of any New Term Loans (other than Refinancing Term Loans) denominated in Dollars established on

any Increased Amount Date occurring on or prior to the twelve (12) month anniversary of the Closing Date exceeds the Effective Yield of the U.S. Term B Loans by more than 50 basis points, the Applicable Rates for the U.S. Term B Loans shall be increased to the extent necessary so that, after giving effect to such increase, the Effective Yield of the U.S. Term B Loans is equal to the Effective Yield of such New Term Loans minus 50 basis points, (C) if the Effective Yield of any New Term Loans (other than Refinancing Term Loans) denominated in Dollars established on any Increased Amount Date occurring on or prior to the twelve (12) month anniversary of the Incremental Amendment No. 2 Effective Date exceeds the Effective Yield of the U.S. Term B-3 Loans by more than 50 basis points, the Applicable Rates for the U.S. Term B-3 Loans shall be increased to the extent necessary so that, after giving effect to such increase, the Effective Yield of the U.S. Term B-3 Loans is equal to the Effective Yield of such New Term Loans minus 50 basis points, and (D) if the Effective Yield of any New Term Loans (other than Refinancing Term Loans or New Term A Loans) denominated in Dollars established on any Increased Amount Date occurring on or prior to the twelve (12) month anniversary of the Amendment No. 12 Effective Date exceeds the Effective Yield of the U.S. Term B-6 Loans by more than 50 basis points, the Applicable Rates for the U.S. Term B-6 Loans shall be increased to the extent necessary so that, after giving effect to such increase, the Effective Yield of the U.S. Term B-6 Loans is equal to the Effective Yield of such New Term Loans minus 50 basis points, (iii) New Term Loans shall not be guaranteed by any Subsidiary of the U.S. Borrower that is not a Loan Party and shall be secured on a pari passu basis with the other Obligations pursuant to the Collateral Documents and (iv) all other terms applicable to the New Term Loans of each Series that differ from the existing Term Loans shall be reasonably acceptable to the Agent (as evidenced by its execution of the applicable supplement relating thereto). The terms and provisions of the New Revolving Loans and New Revolving Commitments forming an increase in any then existing Revolving Facility shall be identical to the Revolving Loans and the Revolving Commitments under such Revolving Facility; provided that, with respect to any New Revolving Facility, (i) the Scheduled Termination Date with respect thereto shall be set forth in the applicable supplement and shall be no earlier than the Scheduled Termination Date of any then outstanding Revolving Facility in effect at such time, (ii) the rate of interest and fees applicable thereto shall be determined by the applicable Borrower and the applicable new Lenders and shall be set forth in the applicable supplement relating thereto, (iii) such New Revolving Facility shall not be guaranteed by any Subsidiary of the U.S. Borrower that is not a Loan Party and shall be secured on a pari passu basis with the other Obligations pursuant to the Collateral Documents and (iv) all other terms applicable thereto that differ from the existing Revolving Loans and Revolving Commitments under the existing Revolving Facilities (including but not limited to any currency available under or any Borrower of such New Revolving Facility) shall be reasonably acceptable to the Agent (as evidenced by the execution of the applicable supplement relating thereto).

(e) (i) Any Borrower may at any time and from time to time request that all or a portion of the Term Loans under any Term Loan Facility of such Borrower (an "Existing Class") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans and/or amended to lower the Effective Yield thereof (any such Term Loans which have been so converted and/or extended, "Extended Term Loans") and to provide for other terms consistent with this Section 2.19(e). In order to establish any Extended Term Loans, the applicable Borrower shall provide a notice to the Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Class) (an "Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall be identical to the Term Loans of the Existing Class from which they are to be converted except (w) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization of principal of the Term Loans of such Existing Class, (x) (A) the interest rate and fee provisions with respect to the Extended Term Loans may be different from those applicable to the Term Loans of such Existing Class (and Extended Term Loans may

provide for prepayment protection that is different from those applicable to such Existing Class) and/or (B) additional fees may be payable to the Lenders providing such Extended Term Loans in addition to or in lieu of any increased margins contemplated by the preceding clause (A), (y) the supplement providing for such Extended Term Loans may provide for other terms applicable to such Extended Term Loans so long as either (A) such additional terms do not apply until all Term Loans and Commitments outstanding immediately prior to the establishment of such Extended Term Loans have been repaid, terminated or returned as applicable, (B) such additional terms are less favorable to the holders of the Extended Term Loans than the corresponding Existing Class or (C) such additional terms have been approved by the Required Lenders and (z) the mandatory prepayment rights of the Extended Term Loans and such Existing Class may be different so long as the proportion (if any) of the proceeds thereof to which such Extended Term Loans are entitled is no greater on a proportionate basis than the portion of such proceeds to which the Existing Class is entitled to receive.

(ii) The Borrowers shall provide the applicable Extension Request at least five (5) Business Days prior to the date on which Lenders under the Existing Class are requested to respond (or such shorter period as may be agreed by the Agent). Any Lender (an “Extending Lender”) wishing to have all or a portion of its Term Loans of the Existing Class subject to such Extension Request converted into Extended Term Loans shall notify the Agent (an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans of the Existing Class which it has elected to convert into Extended Term Loans. In the event that the aggregate amount of Term Loans of the Existing Class subject to Extension Elections exceeds the amount of Extended Term Loans requested pursuant to the Extension Request, Term Loans subject to Extension Elections shall be converted to Extended Term Loans on a pro rata basis based on the amount of Term Loans included in each such Extension Election (subject to such rounding as the Agent deems expedient). For the avoidance of doubt, each Lender agrees that any Term Loan that is converted to an Extended Term Loan (and the Extending Lender providing such Extended Term Loan) shall continue to be subject to the Loss Sharing Agreement to the same extent as the Term Loan from which such Extended Term Loan was converted. Any Extended Term Loans shall be established on the date set forth in the applicable supplement entered into by the applicable Borrower and the Agent pursuant to this Section 2.19(e) (it being understood that by providing an Extension Election, an Extending Lender will agree to be bound thereby).

(f) Each supplement pursuant to this Section 2.19 may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Agent and the Joint Lead Arrangers, to effect the provision of this Section 2.19.

(g) The provisions of this Section 2.19 shall override any provisions of Section 9.02 to the contrary and, for the avoidance of doubt Section 2.09(b).

SECTION 1.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Commitment Fees shall cease to accrue on the unfunded portion of the Revolving Commitments of such Defaulting Lender pursuant to Section 2.10(a);

(b) the Revolving Commitments and Revolving Outstandings of such Defaulting Lender shall not be included in determining whether the Required Lenders (or other requisite percentage of any Lenders pursuant to Article VII or Section 9.02) have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided that this clause (b) shall not apply to the vote of a Defaulting

Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender affected thereby;

(c) if any Letters of Credit or LC Disbursements are outstanding under a Revolving Facility under which such Defaulting Lender is a Revolving Lender, then

(i) all or any part of the participation of such Lender in Letters of Credit and Revolving LC Disbursements shall be reallocated among the non-Defaulting Lenders under such Revolving Facility in accordance with their respective Ratable Portions but only to the extent (x) the sum of all non-Defaulting Lenders' Revolving Outstandings under such Revolving Facility plus such Defaulting Lender's Ratable Portion of the Letters of Credit and LC Disbursements does not exceed the total of all non-Defaulting Lenders' Revolving Commitments under such Revolving Facility and (y) the conditions set forth in Section 4.02(b) would be satisfied at such time (determined as if such reallocation constituted the issuance of a new Letter of Credit at such time);

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the applicable Borrower shall within one Business Day following notice by the Agent cash collateralize such Defaulting Lender's Ratable Portion of the Letters of Credit and LC Disbursements under such Revolving Facility (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.04(j) for so long as such Letters of Credit or LC Disbursements are outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.10(b)(ii) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.10(a) and Section 2.10(b)(ii) shall be adjusted in accordance with such non-Defaulting Lenders' Ratable Portions; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of any applicable Issuing Bank or any other Lender hereunder, all letter of credit fees payable under Section 2.10(b)(ii) with respect to such Defaulting Lender's Revolving LC Exposure shall be payable to the Issuing Bank that has issued the Letters of Credit accounting for such LC Exposure until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(c), and participation obligations with respect to any newly made LC Exposure related to any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.20(c)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) any Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, no Issuing Bank shall be required to issue, amend or increase any Letter of Credit, unless such Issuing Bank shall have

entered into arrangements with the Borrowers or such Lender, satisfactory to such Issuing Bank to defease any risk to it in respect of such Lender hereunder.

In the event that the Agent, the Borrower and each Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the participation obligations in respect of LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Commitment and on such date such Lender shall purchase at par such of the Revolving Loans of the other Revolving Lenders as the Agent shall determine may be necessary in order for such Revolving Lender to hold such Revolving Loans in accordance with its Ratable Portion.

### **ARTICLE III**

#### **REPRESENTATIONS AND WARRANTIES**

Each Loan Party represents and warrants to the Lenders that:

SECTION 1.01      Organization; Powers. Except as would not individually or in the aggregate reasonably be expected to result in a Material Adverse Effect, each of the Loan Parties and each of the Restricted Subsidiaries (a) is duly organized or incorporated and validly existing under the laws of the jurisdiction of its organization or incorporation, as the case may be, and (b) has all requisite power and authority to own its property and assets and to carry on its business as now conducted and is qualified to do business in, and is in good standing (to the extent such concepts exist in the applicable jurisdictions) in every jurisdiction where such qualification is required.

SECTION 1.02      Authorization; Enforceability. The Refinancing Transactions are within each applicable Loan Party's and Foreign Borrower's corporate powers and have been duly authorized by all necessary corporate and, if required, stockholder action of such Loan Party. Each Loan Document to which each Loan Party is a party has been duly executed and delivered by such Loan Party and is a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency or similar laws affecting creditors' rights generally and to general principles of equity.

SECTION 1.03      Governmental Approvals; No Conflicts. The Refinancing Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (A) such as have been obtained or made and are in full force and effect and (B) for filings and registrations necessary to perfect Liens created pursuant to the Loan Documents, (b) will not violate any Requirement of Law applicable to any Loan Party or any of the Restricted Subsidiaries, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon any Loan Party or any of the Restricted Subsidiaries or their respective assets, or (except for the Refinancing Transactions) give rise to a right thereunder to require any payment to be made by any Loan Party or any of the Restricted Subsidiaries, and (d) will not result in the creation or imposition of any Lien on any asset of any Loan Party or any of the Restricted Subsidiaries, except Liens created pursuant to the Loan Documents; except, in the case of each of clauses (a) through (d) above, to the extent that any such violation, default or right, or any failure to obtain such consent or approval or to take any such action, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 1.04      Financial Condition; No Material Adverse Change.

(a)      The U.S. Borrower has heretofore furnished to the Lenders the consolidated balance sheet and statements of earnings, shareholders' equity and cash flows of

Aramark, the indirect parent company of the U.S. Borrower, (i) as of and for the fiscal years ended September 30, 2016, each reported on by KPMG LLP, an independent registered public accounting firm and (ii) as of and for the fiscal quarter ended December 31, 2016. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the U.S. Borrower and its consolidated subsidiaries as of such dates and for such periods in accordance with GAAP.

(b) No event, change or condition has occurred that has had, or would reasonably be expected to have, a Material Adverse Effect, since September 30, 2016.

#### SECTION 1.05      Properties.

(a) As of the Closing Date, Schedule 1.01(b) sets forth the address of each parcel of real property (or each set of parcels that collectively comprise one operating property) that is owned by each Loan Party with an aggregate fair market value (as determined by the U.S. Borrower in good faith) in excess of \$15.0 million or that the U.S. Borrower has otherwise agreed shall initially be a Mortgaged Property. Schedule 3.05(a) identifies the principal place of business and chief executive office of each Loan Party as of the Closing Date.

(b) Each of the U.S. Borrower and each of the Restricted Subsidiaries has good and insurable fee simple title to, or valid leasehold interests in, or easements or other limited property interests in, all its real properties (including all Mortgaged Properties) and has good and marketable title to its personal property and assets, in each case, except for defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their intended purposes and except where the failure to have such title would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. All such properties and assets are free and clear of Liens, other than Permitted Liens.

(c) Each of the U.S. Borrower and each of the Restricted Subsidiaries has complied with all obligations under all leases to which it is a party, except where the failure to comply would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and all such leases are in full force and effect, except leases in respect of which the failure to be in full force and effect would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Each of the U.S. Borrower and each of the Restricted Subsidiaries enjoys peaceful and undisturbed possession under all such leases, other than leases in respect of which the failure to enjoy peaceful and undisturbed possession would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(d) As of the Closing Date, neither Holdings nor the U.S. Borrower has received any notice of, or has any knowledge of, any pending or contemplated condemnation proceeding affecting any of the Mortgaged Properties or any sale or disposition thereof in lieu of condemnation.

(e) To the U.S. Borrower's knowledge, as of the Closing Date, none of the U.S. Borrower or any Restricted Subsidiary is obligated under any right of first refusal, option or other contractual right to sell, assign or otherwise dispose of any Mortgaged Property or any interest therein.

(f) To the U.S. Borrower's knowledge, each of the U.S. Borrower and the Restricted Subsidiaries owns or possesses, or is licensed to use, all patents, trademarks, service marks, trade names and copyrights and all licenses and rights with respect to the foregoing, necessary for the present conduct of its business, without any conflict with the rights of others, and free from any burdensome restrictions on the present conduct of its business, except where

such failure to own, possess or hold pursuant to a license or such conflicts and restrictions would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or except as set forth on Schedule 3.05(f).

SECTION 1.06      Litigation and Environmental Matters.

(a) Other than the Disclosed Matters, there are no actions, suits or proceedings by or before any Governmental Authority pending against or, to the knowledge of the U.S. Borrower, threatened against the Loan Parties or any of their Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) on the Closing Date, that involve any Loan Documents or the Refinancing Transactions.

(b) Except for the Disclosed Matters and any other matters that, individually or in the aggregate, together with the Disclosed Matters, would not reasonably be expected to result in a Material Adverse Effect (i) no Loan Party nor any of its Subsidiaries has received written notice of any claim with respect to any Environmental Liability and (ii) no Loan Party nor any of its Subsidiaries (1) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law or (2) is subject to any Environmental Liability.

(c) Since the date of this Agreement, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has resulted in, or would reasonably be expected to result in, a Material Adverse Effect.

SECTION 1.07      Compliance with Laws and Agreements; Licenses and Permits.

(a) Each Loan Party and each Restricted Subsidiary is in compliance with all Requirements of Law applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(b) Each Loan Party and the Restricted Subsidiaries have obtained and hold in full force and effect, all franchises, licenses, leases, permits, certificates, authorizations, qualifications, easements, rights of way and other rights and approvals which are necessary or advisable for the operation of their businesses as presently conducted and as proposed to be conducted, except where the failure to have so obtained or hold or to be in force, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. No Loan Party or any of the Restricted Subsidiaries is in violation of the terms of any such franchise, license, lease, permit, certificate, authorization, qualification, easement, right of way, right or approval, except where any such violation, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 1.08      Investment Company Status. No Loan Party is an “investment company” as defined in, or is required to be registered under, the Investment Company Act of 1940.

SECTION 1.09      Taxes. The Loan Parties and the Subsidiaries have timely filed or caused to be filed all Tax returns and reports required to have been filed and have paid or caused to be paid all Taxes required to have been paid by them (whether or not shown on a tax return), except (a) Taxes that are being contested in good faith by appropriate proceedings and for which such Loan Party or such Subsidiary, as applicable, has set aside on its books adequate reserves in accordance with GAAP or (b) to the extent that the failure to do so, individually or in

the aggregate, would not reasonably be expected to result in a Material Adverse Effect. All amounts have been withheld by each of the Loan Parties and the Subsidiaries from their respective employees for all periods in compliance with the tax, social security and unemployment withholding provisions of the applicable law and such withholdings have been timely paid to the respective Governmental Authorities, except to the extent that the failure to withhold and pay would not reasonably be expected to, individually or in the aggregate, result in a Material Adverse Effect. No Borrower is either Tax resident or maintains a permanent establishment in any jurisdiction other than its jurisdiction of incorporation or, in case of the German Borrower, the jurisdiction of its establishment. For the avoidance of doubt, in relation to the incorporation of the Existing U.K. Borrower and the Additional U.K. Borrower, England and Wales has the same meaning as United Kingdom.

SECTION 1.10      Deduction of Tax. Without prejudice to the operation of Section 2.15, provided the Lenders in respect of any Loans to any U.K. Borrower or to any Irish Borrower are U.K. Qualifying Lenders and Irish Qualifying Lenders, respectively, and subject to the completion by any such Lenders of any procedural formalities in respect of such Loans, none of the Existing U.K. Borrower, the Additional U.K. Borrower or the Irish Borrowers is required to make any deduction for or on account of Tax from any payment it may make under this Agreement. The German Borrower is not required to make any deduction or withholding for or on account of Tax from any payment it may make under this Agreement.

SECTION 1.11      No Filing or Stamp Taxes. It is not necessary under the laws of any jurisdiction in which any Borrower is resident for Tax purposes that this Agreement be filed, recorded or enrolled with any court or other authority in that jurisdiction or that any stamp, registration or similar tax be paid on or in relation to this Agreement or the transactions contemplated by this Agreement.

SECTION 1.12      ERISA. No ERISA Event has occurred in the five year period prior to the date on which this representation is made or deemed made and is continuing or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, would reasonably be expected to result in a Material Adverse Effect. Except as would not reasonably be expected to have a Material Adverse Effect, the present value of all accumulated benefit obligations under all Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plans, in the aggregate.

SECTION 1.13      Disclosure.

(a) All written information (other than the Projections, the pro forma financial statements and estimates and information of a general economic nature) concerning Holdings, the U.S. Borrower, the Restricted Subsidiaries, the Refinancing Transactions and any other transactions contemplated hereby included in the Information Memorandum or otherwise prepared by or on behalf of the foregoing or their representatives and made available to the Lenders or the Agent in writing in connection with the Refinancing Transactions on or before the Closing Date (the “Information”), when taken as a whole, as of the date such Information was furnished to the Agent or such Lenders, as the case may be, did not contain any untrue statement of a material fact as of any such date or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements were made.

(b) The Projections, pro forma financial statements and estimates and information of a general economic nature prepared by or on behalf of the U.S. Borrower or any of its representatives and that have been made available to any Lenders or the Agent in writing in

connection with the Refinancing Transactions on or before the Closing Date (the “Other Information”) (i) have been prepared in good faith based upon assumptions believed by the U.S. Borrower to be reasonable as of the date thereof (it being understood that actual results may vary materially from the Other Information), and (ii) as of the Closing Date, have not been modified in any material respect by the U.S. Borrower.

SECTION 1.14      Material Agreements. Neither any Loan Party nor any Restricted Subsidiary is in default in any material respect in the performance, observance or fulfillment of any of its obligations contained in (i) any material agreement to which it is a party or (ii) any agreement or instrument to which it is a party evidencing or governing Indebtedness, except where any such default would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

SECTION 1.15      Solvency.

(a) Immediately after the consummation of the Refinancing Transactions on the Closing Date, (i) the fair value of the assets of the Loan Parties on a consolidated basis, at a fair valuation, will exceed the debts and liabilities, direct, subordinated, contingent or otherwise, of the Loan Parties on a consolidated basis; (ii) the present fair saleable value of the property of the Loan Parties on a consolidated basis will be greater than the amount that will be required to pay the probable liability of the Loan Parties on a consolidated basis, on their debts and other liabilities, direct, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured; (iii) the Loan Parties on a consolidated basis will be able to pay their debts and liabilities, direct, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured; and (iv) the Loan Parties on a consolidated basis will not have unreasonably small capital with which to conduct the businesses in which they are engaged as such businesses are now conducted and are proposed to be conducted following the Closing Date.

(b) The Loan Parties do not intend to incur debts beyond their ability to pay such debts as they mature, taking into account the timing and amounts of cash to be received by the Loan Parties and the timing and amounts of cash to be payable by the Loan Parties on or in respect of their Indebtedness.

SECTION 1.16      Insurance. Schedule 9 to the Perfection Certificate delivered on the Closing Date sets forth a true, complete and correct description of all commercial insurance maintained by or on behalf of the Loan Parties and the Restricted Subsidiaries as of the Closing Date. As of the Closing Date, all such insurance is in full force and effect and all premiums in respect of such insurance have been duly paid. The U.S. Borrower believes that the insurance maintained by or on behalf of the U.S. Borrower and the Restricted Subsidiaries is adequate and is in accordance with normal industry practice.

SECTION 1.17      Capitalization and Subsidiaries. As of the Closing Date, Schedule 3.17 sets forth (a) a correct and complete list of the name and relationship to the U.S. Borrower of each and all of the U.S. Borrower’s Subsidiaries, (b) a true and complete listing of each class of each of the U.S. Borrower’s authorized Equity Interests, of which all of such issued shares are validly issued, outstanding, fully paid and non-assessable, and owned beneficially and of record by the Persons identified on Schedule 3.17, and (c) the type of entity of the U.S. Borrower and each of its Domestic Subsidiaries. All of the issued and outstanding Equity Interests of the Restricted Subsidiaries owned by any Loan Party have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and non-assessable free and clear of all Liens (other than Liens created under the Loan Documents).

SECTION 1.18      Security Interest in Collateral. The provisions of the Collateral Documents create legal and valid Liens on all the Collateral in favor of the Agent, for the benefit of the Secured Parties; and upon the proper filing of UCC financing statements required pursuant to paragraph (k) of Section 4.01 and any Mortgages with respect to Mortgaged Properties and with regard to Collateral that is perfected by control, upon delivery of possession or control, which shall be delivered to the extent required by the Collateral Documents, such Liens constitute perfected and continuing Liens on the Collateral, securing the Secured Obligations, enforceable against the applicable Loan Party and all third parties, and having priority over all other Liens on the Collateral except Permitted Liens but only to the extent that such Liens are required to be perfected by the terms of the Loan Documents (including Section 5.11(c)).

SECTION 1.19      Labor Disputes. Except as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect, there are no strikes, lockouts or slowdowns against any Loan Party currently occurring or, to the knowledge of the U.S. Borrower, threatened. Except (i) as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect or (ii) as set forth on Schedule 3.19, the consummation of the Transactions will not give rise to a right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which Holdings, the U.S. Borrower or any of the Restricted Subsidiaries (or any predecessor) is a party or by which Holdings, the U.S. Borrower or any of the Restricted Subsidiaries (or any predecessor) is bound.

SECTION 1.20      Federal Reserve Regulations.

(a)      None of the Collateral is Margin Stock.

(b)      None of Holdings, the U.S. Borrower and the Restricted Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock.

(c)      No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, (i) to purchase or carry Margin Stock or to extend credit to others for the purpose of purchasing or carrying Margin Stock or to refund indebtedness originally incurred for such purpose, or (ii) for any purpose that entails a violation of, or that is inconsistent with, the provisions of Regulation T, U or X.

SECTION 1.21      Anti-Corruption and Sanctions Laws.

(a)      The U.S. Borrower and each of its Subsidiaries have implemented and maintain in effect policies and procedures reasonably designed to promote compliance by the U.S. Borrower, its Subsidiaries and their respective directors, officers and employees while acting on behalf of the U.S. Borrower or its Subsidiaries with applicable Anti-Corruption Laws and applicable Sanctions. The U.S. Borrower, its Subsidiaries and to the knowledge of the U.S. Borrower, their respective directors, officers and employees, are in compliance with applicable (i) Anti-Corruption Laws, except where the failure to do so would not reasonably be expected to result in a Material Adverse Effect and (ii) Sanctions in all material respects and are not knowingly engaged in any activity that would reasonably be expected to result in any such Person being designated as a Sanctioned Person. None of (a) the U.S. Borrower or any Subsidiary or (b) to the knowledge of the U.S. Borrower, any director, officer, employee or agent of the U.S. Borrower or any Subsidiary that will act in any capacity in connection with or benefit from the credit facilities established hereby, is a Sanctioned Person.

(b) The representations contained in Section 3.21 (*Anti-Corruption and Sanctions Laws*) above are only given by any German Relevant Person to the extent that, by agreeing to it, compliance with it, exercising it, having such obligation or right, or otherwise, it would not be placed in violation of any law applicable to it relating to foreign trades (*Außenwirtschaft*) (including without limitation EU Regulation (EC) 2271/96 and section 7 foreign trade rules (*AWV*) (*Außenwirtschaftsverordnung*) in conjunction with section 4 and section 19 paragraph 3 no. 1 a) of the German Foreign Trade Act (*Außenwirtschaftsgesetz, AWG*)) and Section 3.21 (*Anti-Corruption and Sanctions Laws*) shall be so limited and shall not apply to that extent.

(c) In relation to each Restricted Lender, the representations contained in Section 3.21 (*Anti-Corruption and Sanctions Laws*) above shall only apply for the benefit of that Restricted Lender to the extent that such benefit would not result in (i) any violation of, conflict with or liability under EU Regulation (EC) 2271/96 or (ii) a violation or conflict with section 7 foreign trade rules (*AWV*) (*Außenwirtschaftsverordnung*) (in connection with section 4 and section 19 paragraph 3 no. 1 a) of the German Foreign Trade Act (*Außenwirtschaftsgesetz, AWG*)) or a similar anti-boycott statute by such Restricted Lender. In connection with any amendment, waiver, determination or direction relating to any part of Section 3.21 (*Anti-Corruption and Sanctions Laws*) of which a Restricted Lender does not have the benefit, the Commitments of that Restricted Lender will be excluded for the purpose of determining whether any applicable quorum has been obtained or whether the determination or direction such applicable quorum has been made.

(ii) no Default shall have occurred and be continuing.

Subject to Section 1.10, the acceptance by a Borrower of the proceeds of each Loan requested in any Borrowing Request, and the issuance of each Letter of Credit requested hereunder at the request of any Borrower, shall be deemed to constitute a representation and warranty by such Borrower as to the matters specified in clause (b) above on the date of the making of such Loan or the issuance of such Letter of Credit (except that no opinion need be expressed as to the Agent's or the Required Lenders' satisfaction with any document, instrument or other matter).

## ARTICLE V

Until the Discharge of Obligations, each Loan Party covenants and agrees, jointly and severally with all of the Loan Parties, with the Lenders that:

SECTION 1.01 Financial Statements and Other Information. The U.S. Borrower will furnish to the Agent (which will promptly furnish such information to the Lenders in accordance with its customary practice):

(b) within forty-five (45) days after the end of each of the first three fiscal quarters of each fiscal year of the U.S. Borrower commencing with the fiscal quarter ending March 31, 2017, its consolidated balance sheet and related statements of earnings and cash flows as of the end of and for such fiscal quarter and the then elapsed portion of the fiscal year, setting forth in each case in comparative form the figures for the corresponding period or periods of (or, in the case of the balance sheet, as of the end of) the previous fiscal year, all certified by one of its Financial Officers as presenting fairly, in all material respects, the financial position and results of operations of the U.S. Borrower and its consolidated Subsidiaries on a consolidated basis in accordance with GAAP, subject to normal year-end audit adjustments;

(d) concurrently with any delivery of consolidated financial statements under clause (a) or (b) above, the related unaudited consolidating financial information reflecting the adjustments necessary to eliminate the accounts of Unrestricted Subsidiaries (if any) from such consolidated financial statements;

(e) [Reserved];

(f) as soon as practicable upon the reasonable request of the Agent, deliver an updated Perfection Certificate (or, to the extent such request relates to specified information contained in the Perfection Certificate, such information) reflecting all changes since the date of the information most recently received pursuant to this clause (f) or Section 5.11;

(g) promptly after the same become publicly available, copies of all periodic and other reports, proxy statements and other materials publicly filed by the U.S. Borrower or any

Restricted Subsidiary with the SEC, or with any other securities exchange, or, after an initial public offering of shares of Capital Stock of the U.S. Borrower, distributed by the U.S. Borrower to its shareholders generally, as the case may be;

(h) promptly following the Agent's request therefor, all documentation and other information that the Agent reasonably requests on its behalf or on behalf of any Lender in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering or terrorist financing rules and regulations, including the USA PATRIOT Act; and

(i) as promptly as reasonably practicable from time to time following the Agent's request therefor, such other information regarding the operations, business affairs and financial condition of Holdings, the U.S. Borrower or any Restricted Subsidiary, or compliance with the terms of any Loan Document, as the Agent may reasonably request (on behalf of itself or any Lender).

Notwithstanding the foregoing, the obligations in clauses (a) and (b) of this Section 5.01 may be satisfied with respect to financial information of the U.S. Borrower and its Subsidiaries by furnishing (A) the applicable financial statements of Holdings (or any direct or indirect parent of Holdings) or (B) the U.S. Borrower's or Holdings' (or any direct or indirect parent thereof), as applicable, Form 10-K or 10-Q, as applicable, filed with the SEC; provided that, with respect to each of clauses (A) and (B), (i) to the extent such information relates to Holdings (or a parent thereof), such information is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to Holdings (or such parent), on the one hand, and the information relating to the U.S. Borrower and its Subsidiaries on a standalone basis, on the other hand and (ii) to the extent such information is in lieu of information required to be provided under clause (a) of this Section 5.01, such materials are accompanied by a report and opinion of KPMG LLP or other independent public accountants of recognized national standing and reasonably acceptable to the Agent, which report and opinion shall be prepared in accordance with generally accepted auditing standards and shall not be subject to any "going concern" or like qualification or exception or any qualification or exception as to the scope of such audit (other than a "going concern" attributable solely to an upcoming maturity under this Agreement).

The U.S. Borrower represents and warrants that it, its controlling Person and any Subsidiary, in each case, if any, either (i) has no registered or publicly traded securities outstanding, or (ii) files its financial statements (or those of its controlling Person together with consolidating information with respect to the U.S. Borrower) with the SEC and/or makes its financial statements (or those of its controlling Person together with consolidating information with respect to the U.S. Borrower) available to potential holders of its 144A securities, and, accordingly, the U.S. Borrower hereby (i) authorizes the Agent to make the financial statements to be provided under Section 5.01(a) and (b) above, along with the Loan Documents, available to Public-Siders and (ii) agrees that at the time such financial statements are provided hereunder, they shall already have been made available to holders of its securities. The Borrower will not request that any other material be posted to Public-Siders without expressly representing and warranting to the Agent in writing that such materials do not constitute material non-public information within the meaning of the federal securities laws or that the U.S. Borrower and each of its controlling Persons has no outstanding publicly traded securities, including 144A securities. Notwithstanding anything herein to the contrary, in no event shall the U.S. Borrower request that the Agent make available to Public-Siders budgets or any certificates, reports or calculations with respect to the Borrower's compliance with the covenants contained herein.

Documents required to be delivered pursuant to clause (a), (b), (d) or (f) of this Section 5.01 may be delivered electronically and if so delivered, shall be deemed to have been delivered on the date (i) on which the U.S. Borrower posts such documents, or provides a link thereto on the U.S. Borrower's website on the Internet at the website address listed on Schedule

9.01; (ii) on which such documents are posted on the U.S. Borrower's behalf on IntraLinks™ or a substantially similar electronic platform, if any, to which each Lender and the Agent have access (whether a commercial, third-party website or whether sponsored by the Agent); or (iii) on which such documents are filed for public availability on the SEC's Electronic Data Gathering and Retrieval System; provided that the U.S. Borrower shall notify (which may be by facsimile or electronic mail) the Agent of the posting of any such documents and provide to the Agent by electronic mail electronic versions (*i.e.*, soft copies) of such documents.

SECTION 1.02      Notices of Material Events. The U.S. Borrower will furnish to the Agent written notice of the following promptly after any Responsible Officer of Holdings or the U.S. Borrower obtains knowledge thereof:

- (a) the occurrence of any Event of Default or Default;
- (b) the filing or commencement of any action, suit or proceeding, whether at law or in equity or by or before any Governmental Authority or in arbitration, against Holdings, the U.S. Borrower or any of the Restricted Subsidiaries as to which an adverse determination is reasonably probable and which, if adversely determined, would reasonably be expected to have a Material Adverse Effect; and
- (n) the occurrence of any ERISA Event that, together with all other ERISA Events that have occurred and are continuing, would reasonably be expected to have a Material Adverse Effect.

Each notice delivered under this Section 5.02 shall be accompanied by a statement of a Responsible Officer of the U.S. Borrower setting forth the details of the event or development requiring such notice and any action taken or proposed to be taken with respect thereto.

SECTION 1.03      Existence; Conduct of Business. Each Loan Party will, and will cause each Restricted Subsidiary to, do or cause to be done all things reasonably necessary to preserve, renew and keep in full force and effect its legal existence and the rights, qualifications, licenses, permits, franchises, governmental authorizations, intellectual property rights, licenses and permits (except as such would otherwise reasonably expire, be abandoned or permitted to lapse in the ordinary course of business), necessary in the normal conduct of its business, and maintain all requisite authority to conduct its business in each jurisdiction in which its business is conducted, except (i) other than with respect to Holdings' or any Borrower's existence, to the extent such failure to do so would not reasonably be expected to have a Material Adverse Effect or (ii) pursuant to a transaction permitted by Section 6.03.

SECTION 1.04      Payment of Taxes. Each Loan Party will, and will cause each Subsidiary to, pay or discharge all material Tax liabilities, before the same shall become delinquent or in default, except where (a) the validity or amount thereof is being contested in good faith by appropriate proceedings, (b) such Loan Party or such Subsidiary has set aside on its books adequate reserves with respect thereto in accordance with GAAP and (c) the failure to make payment pending such contest, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 1.05      Maintenance of Properties. Each Loan Party will, and will cause each Restricted Subsidiary to (a) at all times maintain and preserve all material property necessary to the normal conduct of its business in good repair, working order and condition, ordinary wear and tear excepted and casualty or condemnation excepted and (b) make, or cause to be made, all needful and proper repairs, renewals, additions, improvements and replacements thereto as necessary in accordance with prudent industry practice in order that the business carried on in connection therewith, if any, may be properly conducted at all times, except, in

each case, where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 1.06      Books and Records; Inspection Rights. The U.S. Borrower shall, and shall cause its Restricted Subsidiaries, to permit representatives and independent contractors of the Agent and each Lender to visit and inspect any of its properties, to examine its corporate, financial and operating records, and make abstracts therefrom, and to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants, all at the reasonable expense of the U.S. Borrower and at such reasonable times during normal business hours and as often as may be reasonably desired, upon reasonable advance notice to the U.S. Borrower (it being understood that, in the case of any such meetings or advice from such independent accountants, the U.S. Borrower shall be deemed to have satisfied its obligations under this Section 5.06 to the extent that it has used commercially reasonable efforts to cause its independent accountants to participate in any such meeting); provided that, excluding any such visits, meetings and inspections during the continuation of an Event of Default, only the Agent on behalf of the Lenders may exercise rights of the Agent and the Lenders under this Section 5.06 and the Agent shall not exercise such rights more often than two (2) times during any calendar year absent the existence of an Event of Default and only one (1) such time shall be at the U.S. Borrower's expense; provided, further, that when an Event of Default exists, the Agent or any Lender (or any of their respective representatives or independent contractors) may do any of the foregoing at the expense of the U.S. Borrower at any time during normal business hours and upon reasonable advance notice. The Agent and the Lenders shall give the U.S. Borrower the opportunity to participate in any discussions with the U.S. Borrower's independent public accountants.

SECTION 1.07      Maintenance of Ratings. Holdings and the U.S. Borrower shall use their commercially reasonable efforts to cause the credit facilities provided for herein to be continuously rated by S&P and Moody's and to maintain a corporate family rating of the U.S. Borrower from each of S&P and Moody's.

SECTION 1.08      Compliance with Laws. Each Loan Party will, and will cause each Subsidiary to, comply in all material respects with all Requirements of Law applicable to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 1.09      Use of Proceeds.

(a)      The proceeds of the Loans and other extensions of credit under this Agreement will be used only for the purposes specified in the introductory statement to this Agreement or, in the case of the Canadian Term A-1 Loans funded on the Incremental Amendment No. 3 Effective Date, the U.S. Term B-2 Loans funded on the Amendment No. 5 Effective Date, the U.S. Term B-3 Loans funded on the Amendment No. 6 Effective Date, each of the Canadian Term A-2 Loans, Euro Term A-1 Loans and Yen Term C-1 Loans funded on the Amendment No. 7 Effective Date, the U.S. Term B-4 Loans funded on the Incremental Amendment No. 8 Effective Date, each of the U.S. Term B-5 Loans, Canadian Term A-3 Loans, Euro Term A-2 Loans and Yen Term C-2 Loans funded on the Amendment No. 11 Effective Date and the U.S. Term B-6 Loans funded on the Amendment No. 12 Effective Date, in the introductory statement to Incremental Amendment No. 3, Amendment No. 5, Amendment No. 6, Amendment No. 7, Incremental Amendment No. 8, Amendment No. 11, and Amendment No. 12, respectively. No part of the proceeds of any Loan or other extension of credit hereunder will be used, whether directly or indirectly, for any purpose that would entail a violation of Regulation T, U or X.

(b) The Borrowers will not, and will not permit any of their Subsidiaries to, request any Borrowing or Letter of Credit, and the Borrowers shall not use, and shall procure that their Subsidiaries and their respective directors, officers, employees and agents of the Borrowers and their Subsidiaries shall not use the proceeds of any Borrowing or Letter of Credit for the purpose of (A) offering, paying, promising to pay or authorizing of the payment or giving of money, or anything else of value, to any Person in violation of any applicable Anti-Corruption Law, (B) funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, except to the extent permitted for a Person required to comply with Sanctions or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

(c) The undertaking contained in Section 5.09 (*Use of Proceeds*) above is only given by any German Relevant Person to the extent that, by agreeing to it, compliance with it, exercising it, having such obligation or right, or otherwise, it would not be placed in violation of any law applicable to it relating to foreign trades (*Außenwirtschaft*) (including without limitation EU Regulation (EC) 2271/96 and section 7 foreign trade rules (*AWV*) (*Außenwirtschaftsverordnung*) in conjunction with section 4 and section 19 paragraph 3 no. 1 a) of the German Foreign Trade Act (*Außenwirtschaftsgesetz, AWG*)) and Section 5.09 (*Use of Proceeds*) shall be so limited and shall not apply to that extent.

(d) In relation to each Restricted Lender, the undertaking contained in Section 3.21 (*Anti-Corruption and Sanctions Laws*) above shall only apply for the benefit of that Restricted Lender to the extent that such benefit would not result in (i) any violation of, conflict with or liability under EU Regulation (EC) 2271/96 or (ii) a violation or conflict with section 7 foreign trade rules (*AWV*) (*Außenwirtschaftsverordnung*) (in connection with section 4 and section 19 paragraph 3 no. 1 a) of the German Foreign Trade Act (*Außenwirtschaftsgesetz, AWG*)) or a similar anti-boycott statute by such Restricted Lender. In connection with any amendment, waiver, determination or direction relating to any part of Section 5.09 (*Use of Proceeds*) of which a Restricted Lender does not have the benefit, the Commitments of that Restricted Lender will be excluded for the purpose of determining whether any applicable quorum has been obtained or whether the determination or direction such applicable quorum has been made.

#### SECTION 1.10      Insurance.

(a) Each Loan Party will, and will cause each Restricted Subsidiary to, maintain, with financially sound and reputable insurance companies (i) insurance in such amounts and against such risks, as are customarily maintained by similarly situated companies engaged in the same or similar businesses operating in the same or similar locations (after giving effect to any self-insurance reasonable and customary for similarly situated companies) and (ii) all insurance required pursuant to the Collateral Documents (and shall use commercially reasonable efforts to cause the Agent to be listed as a loss payee on property and casualty policies covering loss or damage to Collateral and as an additional insured on commercial general liability policies). The U.S. Borrower will furnish to the Agent, upon request, information in reasonable detail as to the insurance so maintained.

(b) With respect to each Mortgaged Property, if at any time the area in which any improvements are located on any Mortgaged Property is designated a special "flood hazard area" in any Flood Insurance Rate Map published by the Federal Emergency Management Agency (or any successor agency), (i) maintain flood insurance in such total amount as the Agent may from time to time reasonably require and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws and which shall otherwise be in form and substance reasonably satisfactory to the Agent and comply with the Flood Insurance Laws and (ii) deliver to the Agent evidence of such compliance in form and

substance reasonably acceptable to the Agent including, without limitation, evidence of annual renewals of such insurance.

SECTION 1.11      Additional Collateral; Further Assurances.

(a) The U.S. Borrower shall cause (i) each of its Domestic Subsidiaries (other than any Excluded Subsidiary) which becomes a Domestic Subsidiary after the Closing Date (other than any Subsidiary created pursuant to and solely for the purpose of Section 6.06(r)) and (ii) any such Domestic Subsidiary that was an Excluded Subsidiary but, as of the end of the most recently ended fiscal quarter of the U.S. Borrower has ceased to qualify as an Immaterial Subsidiary (other than any Subsidiary which ceases to qualify as an Excluded Subsidiary pursuant to the Disposition permitted in Section 6.06(r)), to become a Loan Party as promptly thereafter as reasonably practicable (and in any event within 30 days of the date such Subsidiary becomes a Domestic Subsidiary or ceases to be an Excluded Subsidiary (or such longer time period as may be reasonably agreed to by the Agent)) by executing a Joinder Agreement in substantially the form set forth as Exhibit D hereto (the "Joinder Agreement"). Upon execution and delivery thereof, each such Person (i) shall automatically become a Loan Guarantor hereunder and thereupon shall have all of the rights, benefits, duties, and obligations in such capacity under the Loan Documents and (ii) will simultaneously therewith or as soon as practicable thereafter (and in any event within 30 days of the date such Subsidiary becomes a Domestic Subsidiary or ceases to be an Excluded Subsidiary (or such longer time period as may be reasonably agreed to by the Agent)) grant Liens to the Agent, for the benefit of the Agent and the other Secured Parties to the extent required by the terms of the Collateral Documents, in any property (subject to the limitations with respect to Equity Interests set forth in paragraph (b) of this Section 5.11 and the Security Agreement, the limitations with respect to real property set forth in paragraph (f) of this Section 5.11 and any other limitations set forth in the Security Agreement) of such Loan Party (other than Excluded Assets), on such terms as may be required pursuant to the terms of the Collateral Documents or otherwise constitute Excluded Assets.

(b) The U.S. Borrower and each Domestic Subsidiary that is a Loan Party will cause (i) 100% of the issued and outstanding Equity Interests of each of its Domestic Subsidiaries, other than (x) any FSHCO, (y) any Receivables Subsidiary and (z) any Subsidiary created pursuant to and solely for the purpose of Section 6.06(r), and (ii) (A) 65% of the issued and outstanding Equity Interests entitled to vote (within the meaning of Treas. Reg. Section 1.956-2(c)(2)) and (B) 100% of the issued and outstanding Equity Interests not entitled to vote (within the meaning of Treas. Reg. Section 1.956-2(c)(2)) in each case of clause (A) and (B) above, of each Foreign Subsidiary and FSHCO owned directly by the U.S. Borrower or any Subsidiary Guarantor to be subject at all times to a first priority perfected Lien in favor of the Agent pursuant to the terms and conditions of the Loan Documents or other security documents as the Agent shall reasonably request; provided, however, that (x) this clause (b) shall not require any Loan Party to grant a security interest in the Equity Interests of any Unrestricted Subsidiary and (y) no pledge of any Equity Interests shall be required to the extent such Equity Interests are excluded from the Collateral pursuant to the terms of the Security Agreement.

(c) Without limiting the foregoing, each Loan Party (other than any Foreign Borrower) will, and will cause each Loan Party (other than any Foreign Borrower) to, execute and deliver, or cause to be executed and delivered, to the Agent such documents, agreements and instruments, and will take or cause to be taken such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust and other documents and such other actions or deliveries of the type required by Article IV, as applicable), which are required by law and which the Agent may, from time to time, reasonably request to carry out the terms and conditions of this Agreement and the other Loan Documents and to ensure perfection and priority of the Liens created or intended to be created by the Collateral Documents (subject to the limitations with respect to Equity Interests set forth in paragraph (b) of this Section 5.11,

the limitations with respect to real property set forth in paragraph (f) of this Section 5.11 and any other limitations set forth in the Security Agreement), all at the expense of the Loan Parties.

(d) Subject to the limitations set forth or referred to in this Section 5.11, if any material assets (including any real property or improvements thereto or any interest therein) are acquired by the U.S. Borrower or any Subsidiary that is a Loan Party after the Closing Date (other than (i) Excluded Assets and (ii) assets constituting Collateral under the Security Agreement that become subject to the Lien in favor of the Agent upon acquisition thereof), the U.S. Borrower will notify the Agent and the Lenders thereof, and the U.S. Borrower will cause such assets to be subjected to a Lien securing the Secured Obligations and will take, and cause the Loan Parties that are Subsidiaries to take, such actions (including, with respect to real property, the deliverables listed on Schedule 5.12) as shall be necessary or reasonably requested by the Agent to grant and perfect such Liens (in each case, to the extent required under clauses (a), (b) and (c) above, clause (f) below, Section 5.12 and by the Security Agreement), including actions described in clause (c) of this Section 5.11, all at the expense of the Loan Parties.

(e) If, at any time and from time to time after the Closing Date, Domestic Subsidiaries that are Excluded Subsidiaries solely because they are Immaterial Subsidiaries comprise in the aggregate more than 5% of Total Assets as of the end of the most recently ended fiscal quarter of the U.S. Borrower or more than 5% of EBITDA of the U.S. Borrower for the most recently ended Test Period, then the U.S. Borrower shall, not later than 45 days after the date by which financial statements for such quarter are required to be delivered pursuant to this Agreement, cause one or more such Domestic Subsidiaries to become additional Loan Parties (notwithstanding that such Domestic Subsidiaries are, individually, Immaterial Subsidiaries) such that the foregoing condition ceases to be true.

(f) Notwithstanding anything to the contrary in this Section 5.11, real property required to be mortgaged under this Section 5.11 shall be limited to real property located in the United States of America owned in fee by a Loan Party having a fair market value at the time of the acquisition thereof of \$15.0 million or more and that does not otherwise constitute an Excluded Asset (as defined in the Security Agreement) (provided that the cost of perfecting such Lien is not unreasonable in relation to the benefits to the Lenders of the security afforded thereby in the Agent's reasonable judgment after consultation with the U.S. Borrower).

(g) Notwithstanding the foregoing provisions of this definition or anything in this Agreement or any other Loan Document to the contrary, (a) the foregoing provisions of this Section 5.11 (or other provision of the Loan Documents) shall not require the creation or perfection of pledges of or security interests in, or the obtaining of title insurance, legal opinions or other deliverables with respect to, particular assets of the Loan Parties, or the provision of guarantees by any Subsidiary, if, and for so long as and to the extent that the Agents and the U.S. Borrower reasonably agree in writing that the cost of creating or perfecting such pledges or security interests in such assets, or obtaining such title insurance, legal opinions or other deliverables in respect of such assets, or providing such guarantees (taking into account any material adverse Tax consequences to Holdings and its Subsidiaries (including the imposition of withholding or other material Taxes)), shall be excessive in view of the benefits to be obtained by the Lenders therefrom, (b) in no event shall control agreements or other control or similar arrangements be required with respect to deposit accounts, securities accounts or commodities accounts, (c) no perfection actions shall be required with respect to vehicles and other assets subject to certificates of title (other than the filing of UCC financing statements), (d) no perfection actions shall be required with respect to commercial tort claims with a value less than \$10.0 million and no perfection actions shall be required with respect to promissory notes evidencing debt for borrowed money in a principal amount of less than \$10.0 million (other than the filing of UCC financing statements), (e) no actions in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction shall be required to be taken to create any security

interests in assets located or titled outside of the United States (including any Equity Interests of Foreign Subsidiaries and any foreign intellectual property) or to perfect or make enforceable any security interests in any such assets (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction), (f) no actions shall be required to perfect a security interest in letter of credit rights (other than the filing of UCC financing statements) and (g) in no event shall the Collateral include any Excluded Assets. The Agent may grant extensions of time or waivers for the creation and perfection of security interests in or the obtaining of title insurance, legal opinions or other deliverables with respect to particular assets or the provision of any guarantee by any Subsidiary where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by this Agreement or the other Loan Documents.

SECTION 1.12      Post-Closing Requirements. Except as otherwise agreed by the Agent in its sole discretion, the U.S. Borrower shall, and shall cause each of the other Loan Parties to, deliver each of the documents, instruments and agreements and take each of the actions set forth on Schedule 5.12, if any, within the time periods set forth therein (or such longer time periods as determined by the Agent in its sole discretion).

## ARTICLE VI

### NEGATIVE COVENANTS

Until the Discharge of Obligations, the Loan Parties covenant and agree, jointly and severally, with the Lenders that:

SECTION 1.01      Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) The U.S. Borrower will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, “incur” and collectively, an “incurrence”), with respect to any Indebtedness (including Acquired Indebtedness), and the U.S. Borrower will not issue any shares of Disqualified Stock and will not permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock; provided that so long as no Event of Default has occurred and is continuing the U.S. Borrower may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any Restricted Subsidiary may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock or issue shares of Preferred Stock, if the U.S. Borrower’s Interest Coverage Ratio for the U.S. Borrower’s most recently ended Test Period would have been at least 2.00 to 1.00, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of the proceeds therefrom had occurred at the beginning of such Test Period; provided, further, that any incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock by any Restricted Subsidiary that is not a Subsidiary Guarantor pursuant to this clause (a) shall be subject to the limitations set forth in Section 6.01(g).

(b) The limitations set forth in clause (a) of this Section 6.01 shall not apply to any of the following items:

(vii) Indebtedness incurred by the U.S. Borrower or any Restricted Subsidiary constituting reimbursement obligations with respect to letters of credit or surety bonds issued in the ordinary course of business, including letters of credit in respect of workers' compensation claims, or other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims; provided that, upon the drawing of such letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within thirty (30) days following such drawing or incurrence;

(viii) Indebtedness arising from agreements of the U.S. Borrower or a Restricted Subsidiary providing for indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition of any business, assets or a Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition; provided that (A) such Indebtedness is not reflected on the balance sheet of the U.S. Borrower or any Restricted Subsidiary (contingent obligations referred to in a footnote to financial statements and not otherwise

reflected on the balance sheet shall not be deemed to be reflected on such balance sheet for purposes of this clause (A)) and (B) the maximum assumable liability in respect of all such Indebtedness (other than for those indemnification obligations that are not customarily subject to a cap) shall at no time exceed the gross proceeds including noncash proceeds (the fair market value of such noncash proceeds being measured at the time received and without giving effect to any subsequent changes in value) actually received by the U.S. Borrower and the Restricted Subsidiaries in connection with such disposition;

(ix) Indebtedness of the U.S. Borrower to a Restricted Subsidiary; provided that any such Indebtedness owing to a Restricted Subsidiary that is not a Subsidiary Guarantor is subordinated in right of payment to the Obligations; provided, further, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the U.S. Borrower or another Restricted Subsidiary) shall be deemed, in each case, to be an incurrence of such Indebtedness;

(xi) subject to compliance with Section 6.07, shares of Preferred Stock of a Restricted Subsidiary issued to the U.S. Borrower or another Restricted Subsidiary; provided that any subsequent issuance or transfer of Capital Stock or any other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of any such Preferred Stock (except to the U.S. Borrower or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of such shares of Preferred Stock not permitted by this clause (xi);

(h) Judgments. There is entered against any Loan Party or any Restricted Subsidiary a final judgment or order for the payment of money in an aggregate amount exceeding \$100.0 million (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage, it being understood for purposes of this Agreement that the issuance of reservation of rights letter will not be considered a denial of coverage) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) ERISA. (i) An ERISA Event occurs with respect to a Plan or Multiemployer Plan which has resulted or could reasonably be expected to result in liability of any Loan Party under Title IV of ERISA in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect, or (ii) any Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect; or

**SECTION 1.02 Remedies upon Event of Default.** If any Event of Default occurs and is continuing, the Agent, at the request of the Required Lenders, shall take any or all of the following actions (it being understood that during any period during which an Event of Default under Section 6.10 exists solely with respect to the Revolving Facilities and the Term Loans included in the definition of “Required Financial Covenant Lenders”, the Agent at the request of the Required Financial Covenant Lenders, shall take any of the actions described below solely as they relate to the Revolving Facilities and the Term Loans included in clause (b) of the definition of “Required Financial Covenant Lenders”):

- (a) declare the commitment of each Lender to make Loans and any obligation of the Issuing Banks to issue, amend or renew Letters of Credit to be terminated, whereupon such commitments and obligation shall be terminated;
- (b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers and require all outstanding Letters of Credit to be cash collateralized in accordance with Section 2.04(j); and
- (c) exercise on behalf of itself, the Issuing Banks and the Lenders all rights and remedies available to it, the Issuing Banks and the Lenders under the Loan Documents or applicable law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the U.S. Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the Issuing Banks to issue, amend or renew Letters of Credit shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Agent, the Issuing Banks or any Lender.

In connection with any acceleration of the Obligations as contemplated above, the Designated Obligations shall, automatically and with no further action required by the Agent, any Loan Party or any Lender, be converted into the Dollar Equivalent, determined as of the date of such acceleration (or, in the case of any LC Disbursements following the date of such acceleration, as of the date of drawing under the applicable Letter of Credit) and from and after such date all amounts accruing and owed to the Lenders in respect of such Designated Obligations shall accrue and be payable in Dollars at the rate otherwise applicable hereunder.

## **ARTICLE VIII**

### **THE AGENT**

Each of the Lenders hereby irrevocably appoints the Agent (together with its Affiliates and branches) as its agent and authorizes the Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

The bank serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally

engage in any kind of business with the Loan Parties or any Subsidiary of a Loan Party or other Affiliate thereof as if it were not the Agent hereunder.

The Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders and Issuing Banks (including in its capacities as a holder of Secured Hedging Obligations and Secured Cash Management, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Agent for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Agent, shall be entitled to the benefits of all provisions of this Article VIII and Article IX (as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto.

The Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02), and (c) except as expressly set forth in the Loan Documents, the Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any of its Subsidiaries that is communicated to or obtained by the bank serving as Agent or any of its Affiliates in any capacity. The Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final and nonappealable judgment. The Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Agent by the U.S. Borrower or a Lender, and the Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the value or sufficiency of the Collateral or the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Agent.

The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Agent may consult with legal counsel (who may be counsel for the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Agent. The Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply

to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

Each of the Lenders, the Issuing Banks and the Loan Parties agree, that the Agent may, but shall not be obligated to, make the Approved Electronic Communications available to the Lenders and the Issuing Banks by posting such Approved Electronic Communications on IntraLinks™ or a substantially similar electronic platform chosen by the Agent to be its electronic transmission system (the “Approved Electronic Platform”).

Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Agent from time to time (including, as of the Closing Date, a dual firewall and a User ID/Password Authorization System) and the Approved Electronic Platform is secured through a single-user-per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders and the Issuing Banks and the Loan Parties acknowledge and agree that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution. In consideration for the convenience and other benefits afforded by such distribution and for the other consideration provided hereunder, the receipt and sufficiency of which is hereby acknowledged, each of the Lenders, the Loan Parties and the Issuing Banks hereby approve distribution of the Approved Electronic Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

The Approved Electronic Communications and the Approved Electronic Platform are provided “as is” and “as available.” None of the Agent or any of its Affiliates or any of their respective officers, directors, employees, agents, advisors or representatives (the “Agent Affiliates”) warrant the accuracy, adequacy or completeness of the Approved Electronic Communications and the Approved Electronic Platform and each expressly disclaims liability for errors or omissions in the Approved Electronic Communications and the Approved Electronic Platform. No warranty of any kind, express, implied or statutory (including, without limitation, any warranty of merchantability, fitness for a particular purpose, noninfringement of third party rights or freedom from viruses or other code defects) is made by the Agent Affiliates in connection with the approved electronic communications or the approved electronic platform.

Each of the Lenders, the Issuing Banks and the Loan Parties agrees that the Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Approved Electronic Communications on the Approved Electronic Platform in accordance with the Agent’s generally-applicable document retention procedures and policies.

Subject to the appointment and acceptance of a successor Agent as provided in this paragraph, the Agent may resign at any time by notifying the Lenders, the Issuing Banks and the U.S. Borrower. Upon any such resignation, the Required Lenders shall have the right, with the consent (not to be unreasonably withheld or delayed) of the U.S. Borrower, to appoint a successor; provided that, during the existence and continuation of an Event of Default, no consent of the U.S. Borrower shall be required. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders and the Issuing Banks appoint a successor Agent which shall be a commercial bank or an Affiliate of any such commercial bank reasonably acceptable to the U.S. Borrower. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless

otherwise agreed between the Borrowers and such successor. After the Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Agent, any Joint Lead Arranger, any Co-Documentation Agent or any other Lender or a Related Party of any of the foregoing and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent, any Joint Lead Arranger, any Co-Documentation Agent or any other Lender or a Related Party of any of the foregoing and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder.

The co-arrangers, joint bookrunners, co-syndication agents and the co-documentation agent shall not have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such.

Each Lender authorizes and directs the Agent to, upon the request of the U.S. Borrower, enter into any intercreditor agreement with any agent under any Receivables Facility of the U.S. Borrower or any of its Restricted Subsidiaries and each Lender agrees to be bound by the terms thereof that are applicable to it thereunder.

Any supplement to this agreement effecting any Subsidiary of the U.S. Borrower becoming an Additional Foreign Borrower may include "parallel debt" provisions or similar customary provisions for credit facilities of borrowers organized in the jurisdiction of organization of such Additional Foreign Borrower.

SECTION 1.01 Credit Bidding. The Secured Parties hereby irrevocably authorize the Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Agent with respect to such acquisition

vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

SECTION 1.02        Withholding Taxes. To the extent required by any applicable laws, the Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.15, each Lender shall indemnify and hold harmless the Agent against, within ten (10) days after written demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Agent) incurred by or asserted against the Agent by the IRS or any other Governmental Authority as a result of the failure of the Agent to properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Agent under this Article VIII. For the avoidance of doubt, a "Lender" shall, for purposes of this paragraph, include any Issuing Bank. The agreements in this paragraph shall survive the resignation and/or replacement of the Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

if to any other Lender, to it at its address or facsimile number set forth in its Administrative Questionnaire.

All such notices and other communications (i) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received or (ii) sent by facsimile shall be deemed to have been given when sent and when receipt has been confirmed by telephone; provided that if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient.

(b) Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by using Electronic Systems pursuant to procedures approved by the Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Agent and the applicable Lender. The Agent or the U.S. Borrower (on behalf of the Loan Parties) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available,

return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(d) Electronic Systems.

(i) Each Loan Party agrees that the Agent may, but shall not be obligated to, make Communications (as defined below) available to the Issuing Banks and the other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System.

(ii) Any Electronic System used by the Agent is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. In no event shall the Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to the Borrower or the other Loan Parties, any Lender, any Issuing Bank or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party’s or the Agent’s transmission of communications through an Electronic System. “Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Agent, any Lender or any Issuing Bank by means of electronic communications pursuant to this Section, including through an Electronic System.

#### SECTION 1.02      Waivers; Amendments.

(a) No failure or delay by the Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Agent, the Issuing Bank and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, to the extent permitted by law, the making of a Loan or issuing of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Agent, any Issuing Bank or any Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or, (ii) in the case of any other Loan Document (other than any such amendment to effectuate any modification thereto expressly contemplated by the terms of the other Loan Documents), pursuant to an agreement or agreements in writing entered into by the Agent and the Loan Party or Loan Parties that are parties thereto, with the consent of the Required Lenders; provided that no such agreement shall (A) increase the Commitment of any Lender without the written consent of such Lender; it being understood that a waiver of any condition precedent set forth in Article IV or the waiver of any Default or mandatory prepayment shall not constitute an increase of any Commitment of any Lender, (B) reduce or forgive the principal amount of any Loan or reimbursement obligation hereunder with respect to LC Disbursements or reduce the rate of interest thereon, or reduce or forgive any interest or fees payable hereunder or change the currency in which any such amount is required to be paid, without the written consent of each Lender directly affected thereby, (C) postpone any scheduled date of payment of the principal amount of any Loan, or any date for the payment of any interest, fees or other Obligations payable hereunder or the reimbursement of any LC Disbursement, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby; provided that only the consent of the Required Lenders shall be necessary to amend the provisions of Section 2.11(c) providing for the default rate of interest, or to waive any obligations of any Borrower to pay interest at such default rate, (D) change Section 2.16(a) or (b) in a manner that would alter the manner in which payments are shared, without the written consent of each Lender adversely affected thereby, (E) change any of the provisions of this Section 9.02 or the definition of “Required Lenders,” “Required Class Lenders,” “Required Financial Covenant Lenders” or “Required Revolving Lenders” or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender adversely affected thereby, (F) release all or substantially all of the Subsidiary Guarantors or the U.S. Borrower from their or its obligation under its Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender, (G) except as provided in clauses (c) and (d) of this Section 9.02 or in any Collateral Document, release all or substantially all of the Collateral, without the written consent of each Lender, (H) amend the definition of “Secured Obligations,” “Secured Hedge Obligations,” or “Secured Cash Management Obligations” without the written consent of each Lender adversely affected thereby or (I) waive any condition set forth in Section 4.02 as to any Borrowing under one or more Revolving Facilities without the written consent of the Required Revolving Lenders (and, for the avoidance of doubt, no consent of the Required Lenders shall be required); provided, further, that no such agreement shall amend, modify or otherwise (x) affect the rights or duties of the Agent or any Issuing Bank hereunder without the prior written consent of the Agent or such Issuing Bank, as applicable or (y) make any change to the documents that by its terms affects the rights of any Class of Lenders to receive payments in any manner different than any other Class of Lenders without the written consent of the Required Class Lenders of such Class; and provided, further, that no amendment, modification, waiver of or consent with respect to any of the terms and provisions (and related definitions) of Section 6.10 shall be effective without the written consent of the Required Financial Covenant Lenders and any such amendment, supplement, modification or waiver shall be effective with the written consent of only the Required Financial Covenant Lenders (or the Agent with the prior written consent thereof), on the one hand, and the Borrowers, on the other hand. Notwithstanding anything to the contrary contained herein, no amendment shall require any Revolving Lender to make Revolving Loans to a Borrower other than the applicable Borrowers under such Revolving Facility without the consent of such Revolving Lender.

(c) The Lenders hereby irrevocably agree that the Liens granted to the Agent by the Loan Parties on any Collateral shall be automatically released (i) upon the Discharge of Obligations, (ii) upon the sale or other disposition of the property constituting such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Loan Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) subject to paragraph (b) of this Section 9.02, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) to the extent the property constituting such Collateral is owned by any Loan Guarantor, upon the release of such Loan Guarantor from its obligations under its Loan Guaranty in accordance with the provisions of this Agreement, (v) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Agent and the Lenders pursuant to the Collateral Documents or (vi) with respect to any Mortgaged Property, upon such Mortgaged Property becoming an Excluded Asset (as defined in the Security Agreement); provided that the Agent may, in its discretion, release the Lien on Collateral valued in the aggregate not in excess of \$10.0 million during each fiscal year without consent of any Lender. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral to the extent required under the provisions of the Loan Documents. The Lenders irrevocably authorize the Agent to release or subordinate any Lien on any property granted to or held by the Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by paragraph (q) of the definition of Permitted Liens (solely as it relates to Indebtedness permitted to be incurred pursuant to Sections 6.01(b)(vi), (b)(xxi) or (b)(xxii)(A)) (in each case, to the extent required by the terms of the obligations secured by such Liens) pursuant to documents reasonably acceptable to the Agent).

(d) Notwithstanding anything to the contrary contained in this Section 9.02, (A) guarantees and related documents, if any, executed by Foreign Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Agent and may be amended and waived with the consent of the Agent at the request of the U.S. Borrower without the need to obtain the consent of any other Lenders if such amendment or waiver is delivered in order (i) to comply with local law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee or other document to be consistent with this Agreement and the other Loan Documents and (B) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) and is not adverse in any material respect to any other Class may be effected by an agreement or agreements in writing entered into solely by the U.S. Borrower, the Agent and the requisite percentage in interest of the affected Class of Lenders stating that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at time.

(e) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender directly affected thereby,” the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the U.S. Borrower may elect to replace a Non-Consenting Lender as a Lender party to this Agreement (or to replace such Non-Consenting Lender from the Class for which consent is being sought); provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the U.S. Borrower and the Agent, and, with respect to assignees that are Revolving Lenders, each Issuing Bank shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender

pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b)(ii) of Section 9.04, (ii) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver or consent and (iii) the applicable Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by such Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.14 and 2.15 (assuming that the Loans of such Non-Consenting Lender have been prepaid on such date rather than sold to the replacement Lender).

(f) if the Agent and the Borrower acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

#### SECTION 1.03      Expenses; Indemnity; Damage Waiver.

(a) The U.S. Borrower shall pay (and, to the extent directly attributable to the facilities provided to any Foreign Borrower hereunder, each Foreign Borrower shall severally and not jointly with the U.S. Borrower be obligated to pay) (i) all reasonable documented out-of-pocket expenses incurred by the Agent and its Affiliates, including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel llp, counsel for the Agent, and each other local non-U.S. counsel for the Agent in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein and the preparation of the Loan Documents and related documentation, (ii) all reasonable documented out-of-pocket expenses incurred by the Agent and its Affiliates, including the reasonable fees, charges and disbursements of outside legal counsel to the Agent, in connection with any amendments, modifications or waivers of the provisions of any Loan Documents (whether or not the transactions contemplated thereby shall be consummated), (iii) all reasonable documented out-of-pocket expenses incurred by the Agent, the Issuing Banks or the Lenders, including the reasonable documented fees, charges and disbursements of any counsel for the Agent and for one law firm retained by the Issuing Banks and the Lenders (and such additional counsel as the Agent or any Lender or group of Lenders determines are necessary in light of actual or potential conflicts of interest or the availability of different claims of defenses), in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans and other extensions of credit made hereunder, including all such reasonable documented out-of-pocket expenses incurred during any workout, restructuring or related negotiations in respect of such Loans, and (iv) subject to any other provisions of this Agreement, of the Loan Documents or of any separate agreement entered into by the Borrowers and the Agent with respect thereto, all reasonable documented out-of-pocket expenses incurred by the Agent in the administration of the Loan Documents. Expenses reimbursable by the U.S. Borrower under this Section include, without limiting the generality of the foregoing, subject to any other applicable provision of any Loan Document, reasonable documented out-of-pocket costs and expenses incurred in connection with:

(i) lien and title searches and title insurance; and

(ii) taxes, fees and other charges for recording the Mortgages, filing financing statements and continuations, and other actions to perfect, protect, and continue the Agent's Liens.

(b) The Borrowers shall indemnify the Agent, each Issuing Bank and each Lender, in their capacities as such, and each Related Party of any of the foregoing Persons (except for any Related Party that is an initial purchaser of the New Senior Notes acting in its capacity as such) (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Environmental Liability related in any way to the U.S. Borrower or any of its Subsidiaries or to any property owned or operated by the U.S. Borrower or any of its Subsidiaries, (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by any Borrower, any other Loan Party or any of their respective Affiliates) or (iv) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee.

(c) To the extent that the Borrowers fail to pay any amount required to be paid by it to the Agent under paragraph (a) or (b) of this Section 9.03, each Lender severally agrees to pay to the Agent such Lender’s Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, penalty, liability or related expense, as the case may be, was incurred by or asserted against the Agent in its capacity as such.

(d) To the extent permitted by applicable law, no party to this Agreement shall assert, and each hereby waives, any claim against any other party hereto or any Related Party thereof, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan, any Letter of Credit or the use of the proceeds thereof; provided that, nothing in this clause (d) shall relieve any Borrower of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) Other than to the extent required to be paid on the Closing Date, all amounts due under clauses (a) and (b) above shall be payable by the applicable Borrower within ten (10) Business Days of receipt of an invoice relating thereto and setting forth such expenses in reasonable detail. All amounts due from the Lenders under clause (c) above shall be paid promptly after written demand therefor.

#### SECTION 1.04      Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) except as permitted by Section 6.03 or the definition of “Change of Control,” no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any such Borrower

without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment, participations in Letters of Credit and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the U.S. Borrower; provided that, the U.S. Borrower shall be deemed to have consented to an assignment of Term Loans unless it shall have objected thereto by written notice to the Agent within ten (10) Business Days after having received notice thereof; provided that no consent of the U.S. Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default specified in paragraph (a), (f) or (g) of Section 7.01 has occurred and is continuing, any other assignee;

(B) the Agent; provided that no consent of the Agent shall be required for an assignment of (x) any Revolving Commitment to an assignee that is a Lender (other than a Defaulting Lender) with a Revolving Commitment immediately prior to giving effect to such assignment and (y) all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) each Issuing Bank; provided that no consent of the Issuing Banks shall be required for an assignment of all or any portion of a Term Loan.

(i) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent) shall not be less than, (u) in the case of any Revolving Commitments or Revolving Loans, \$5,000,000, (v) in the case of a U.S. Term A Loan, \$1,000,000 or an integral multiple of \$1,000,000 in excess thereof, (w) in the case of a U.S. Term B-3 Loan, U.S. Term B-4 Loan, U.S. Term B-5 Loan, or U.S. Term B-6 Loan, \$250,000 or an integral multiple of \$250,000 in excess thereof, (x) in the case of a Canadian Dollar denominated Term Loan, C\$1,000,000 or an integral multiple of C\$1,000,000 in excess thereof, (y) in the case of a Yen denominated Term Loan, ¥100,000,000 or an integral multiple in of ¥100,000,000 in excess thereof or (z) in the case of a Euro denominated Term Loan, €1,000,000 or an integral multiple in of €1,000,000 in excess thereof, in each case unless each of the Borrower and the Agent otherwise consent; provided that no such consent of the Borrower shall be required if an Event of Default specified in paragraph (a), (f), or (g) of Section 7.01 has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided

that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Agent and the parties to the Assignment and Assumption are participants), together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Agent an Administrative Questionnaire in which the assignee designates one or more Credit Contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

For the purposes of this Section 9.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means (a) a natural person, (b) a Defaulting Lender or its Lender Parent, (c) a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof or (d) a Borrower or any of its Affiliates; provided that, with respect to clause (c), such holding company, investment vehicle or trust shall not constitute an Ineligible Institution if it (x) has not been established for the primary purpose of acquiring any Loans or Commitments, (y) is managed by a professional advisor, who is not such natural person or a relative thereof, having significant experience in the business of making or purchasing commercial loans, and (z) has assets greater than \$25,000,000 and a significant part of its activities consist of making or purchasing commercial loans and similar extensions of credit in the ordinary course of its business.

(ii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.15 and 9.03 with respect to facts and circumstances occurring on or prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iii) The Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption

delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive, absent manifest error, and each Borrower, the Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Borrower, and solely with respect to their own interests, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(iv) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Agent and the parties to the Assignment and Assumption are participants), the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.02, 2.04, 2.16(b) or 9.03(c), the Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of any Borrower, the Agent or the Issuing Banks, sell participations to one or more banks or other entities (a “Participant”), other than an Ineligible Institution, in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) each Borrower, the Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (A), (B), (C), (D), (F) and (G) of the first proviso to Section 9.02(b) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14 and 2.15 (subject to the requirements and limitations of such Sections, it being understood and agreed that the documentation required under Section 2.15(g) shall be delivered solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04; provided that such Participant shall not be entitled to receive any greater payment under Section 2.14 or 2.15, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.16(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the applicable Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the applicable Loans or other obligations under the Loan Documents (the “Participant”).

Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Any reference in the Loan Documents to "Bank of America Merrill Lynch International Limited" is a reference to its successor in title Bank of America Merrill Lynch International Designated Activity Company (including, without limitation, its branches) pursuant to and with effect from the merger between Bank of America Merrill Lynch International Limited and Bank of America Merrill Lynch International Designated Activity Company that takes effect in accordance with Chapter II, Title II of Directive (EU) 2017/1132 (which repeals and codifies the Cross-Border Mergers Directive (2005/56/EC)), as implemented in the United Kingdom and Ireland. Notwithstanding anything to the contrary in the Loan Documents, a transfer of rights and obligations from Bank of America Merrill Lynch International Limited to Bank of America Merrill Lynch International Designated Activity Company pursuant to such merger shall be permitted.

SECTION 1.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.14, 2.15 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the Discharge of Obligations or the termination of this Agreement or any provision hereof.

SECTION 1.06 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and the Fee Letter, dated as of February 28, 2017, by and among the U.S. Borrower and JPMorgan Chase Bank, N.A., and any separate letter agreements with respect to fees payable

to the Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Article IV, this Agreement shall become effective when it shall have been executed by the Agent and when the Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Agent to accept electronic signatures in any form or format without its prior written consent.

SECTION 1.07 Severability. To the extent permitted by law, any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 1.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Borrower or any Loan Guarantor against any of and all the Secured Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmatured. The applicable Lender shall notify such Borrower and the Agent of such setoff or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff or application under this Section 9.08. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. NOTWITHSTANDING THE FOREGOING, AT ANY TIME THAT ANY OF THE SECURED OBLIGATIONS SHALL BE SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER SHALL EXERCISE A RIGHT OF SETOFF, LENDER'S LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT OR ANY LOAN DOCUMENT UNLESS IT IS TAKEN WITH THE CONSENT OF THE LENDERS REQUIRED BY SECTION 9.02 OF THIS AGREEMENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY, OR ENFORCEABILITY OF THE LIENS GRANTED

TO THE AGENT PURSUANT TO THE COLLATERAL DOCUMENTS OR THE ENFORCEABILITY OF THE OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OR ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE PARTIES AS REQUIRED ABOVE, SHALL BE NULL AND VOID. THIS PARAGRAPH SHALL BE SOLELY FOR THE BENEFIT OF EACH OF THE LENDERS.

SECTION 1.09      Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN ANY OTHER LOAN DOCUMENT) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

(b) Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any U.S. Federal or New York State court sitting in the Borough of Manhattan, New York, New York in any action or proceeding arising out of or relating to any Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each of the Foreign Borrowers hereby irrevocably designates, appoints and empowers Aramark Services, Inc. (the "Process Agent"), in the case of any suit, action or proceeding brought in the United States of America as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents that may be served in any action or proceeding arising out of or in connection with this Agreement or any other Loan Document. Such service may be made by mailing (by registered or certified mail, postage prepaid) or delivering a copy of such process to such Foreign Borrower in care of the Process Agent at the Process Agent's above address, and each of the Foreign Borrowers hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. As an alternative method of service, each of the Foreign Borrowers irrevocably consents to the service of any and all process in any such action or proceeding by the mailing (by registered or certified mail, postage prepaid) of copies of such process to the Process Agent or such Foreign Borrower at its address specified in Section 9.01. Aramark Services, Inc. hereby acknowledges and accepts its appointment as Process Agent for each of the Foreign Borrowers and the corresponding rights and obligations set forth in this paragraph (d).

(e) To the extent permitted by law, each party to this Agreement hereby irrevocably waives personal service of any and all process upon it and agrees that all such service of process may be made by registered mail (return receipt requested) directed to it at its address for notices as provided for in Section 9.01 or, in the case of any Foreign Borrower, as provided for in Section 9.09(d). Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(f) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in Dollars, Canadian Dollars, Euros, Sterling or Yen into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Agent could purchase Dollars, Canadian Dollars, Euros, Sterling or Yen, as the case may be, with such other currency at the spot rate of exchange quoted by the Agent at 11:00 a.m. (New York City time) on the Business Day preceding that on which final judgment is given, for the purchase of Dollars, Canadian Dollars, Euros, Sterling or Yen, as the case may be, for delivery two Business Days thereafter. The obligation of each Borrower in respect of any such sum due from it to the Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Agent of any sum adjudged to be so due in the Judgment Currency, the Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Agent in the Agreement Currency, each Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Agent or the Person to whom such obligation was owing against such loss.

**SECTION 1.10**      WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

**SECTION 1.11**      Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

**SECTION 1.12**      Confidentiality. The Agent and each Lender agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and it and its Affiliates’ directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory, governmental or administrative authority, (c) to the extent required by law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit,

action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially similar to or consistent with those of this Section 9.12, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (ii) any pledgee referred to in Section 9.04(d) or (iii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Loan Parties and their obligations, (g) with the consent of the U.S. Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 9.12 or (ii) becomes available to the Agent or any Lender on a nonconfidential basis from a source other than any Borrower. For the purposes of this Section 9.12, “Information” means all information received from any Loan Party or any Foreign Borrower relating to the Loan Parties, the Subsidiaries or their respective businesses or the Transactions other than any such information that is available to the Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any of the Subsidiaries or that becomes publicly available other than as a result of a breach by such Agent or Lender of its obligations hereunder. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised substantially the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 1.13      Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Each Lender hereby represents that (a) it is not relying on or looking to any Margin Stock for the repayment of the Borrowings and other credit extensions provided for herein and acknowledges that the Collateral shall not include any Margin Stock and (b) it is not and will not become a “creditor” as defined in Regulation T or a “foreign branch of a broker-dealer” within the meaning of Regulation X. Anything contained in this Agreement to the contrary notwithstanding, no Lender shall be obligated to extend credit to any Borrower in violation of any Requirement of Law.

SECTION 1.14      USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act or the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) hereby notifies each Loan Party that pursuant to the requirements of such Act or Acts, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with such Acts. Each Loan Party shall, promptly following a request by the Agent (on behalf of itself or any Lender), provide all reasonable documentation and other information that the Agent or such Lender reasonably requests that is a Requirement of Law in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada).

SECTION 1.15      Disclosure. Each Loan Party and each Lender hereby acknowledges and agrees that the Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates. In addition, each Loan Party and each Lender hereby acknowledges that Affiliates of the Joint Lead Arrangers, the Co-Documentation Agent, the Agent and certain of the Lenders will be initial purchasers of the New Senior Notes.

SECTION 1.16      Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law

(collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.16 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 1.17      Material Non-Public Information.

(a) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(b) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

The obligations of each Qualified ECP Guarantor under this Section 9.19 shall remain in full force and effect until the satisfaction and discharge of all Guaranteed Obligations. The U.S. Borrower and each Qualified ECP Guarantor intends that this Section 9.19 constitute, and this Section 9.19 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of the U.S. Borrower and each Qualified ECP Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

## ARTICLE X

### LOAN GUARANTY

#### SECTION 1.01 Guaranty.

(a) Each Loan Guarantor hereby agrees that it is jointly and severally liable for, and, as primary obligor and not merely as surety, and absolutely and unconditionally guarantees to the Secured Parties the prompt payment when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations (collectively the “Guaranteed Obligations”). Each Loan Guarantor further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. For the avoidance of doubt, unless required by applicable law, the parties hereto acknowledge and agree to report consistently therewith that each Loan Guarantor that is a Domestic Subsidiary of the U.S. Borrower shall be treated as a primary obligor of the U.S. Borrower Guaranteed Obligations for U.S. federal and state tax purposes.

(b) The U.S. Borrower hereby agrees that it is jointly and severally liable for, and, as primary obligor and not merely as surety, and absolutely and unconditionally guarantees to the Secured Parties the prompt payment when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations (other than Secured Obligations that are expressly the obligations of the U.S. Borrower pursuant to the terms of any Loan Document, Hedge Agreement or Cash Management Agreement, which Secured Obligations shall continue to be the primary obligations of the U.S. Borrower) (collectively the “U.S. Borrower Guaranteed Obligations”). The U.S. Borrower further agrees that the U.S.

Borrower Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. The provisions of this Article X (other than Section 10.12) shall apply equally to the U.S. Borrower as guarantor of the U.S. Borrower Guaranteed Obligations as to the Loan Guarantors as guarantors of the Guaranteed Obligations.

SECTION 1.02      Guaranty of Payment. This Loan Guaranty is a guaranty of payment and not of collection. Each Loan Guarantor waives any right to require the Agent or any Secured Party to sue any Borrower, any Loan Guarantor, any other guarantor, or any other Person obligated for all or any part of the Guaranteed Obligations (each, an “Obligated Party”), or otherwise to enforce its payment against any collateral securing all or any part of the Guaranteed Obligations.

SECTION 1.03      No Discharge or Diminishment of Loan Guaranty.

(a) Except as otherwise provided for herein, the obligations of each Loan Guarantor hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full in cash of the Guaranteed Obligations), including (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Borrower or any other guarantor or of other Person liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Obligated Party, or their assets or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other rights which any Loan Guarantor may have at any time against any Obligated Party, the Agent, any Secured Party, or any other Person, whether in connection herewith or in any unrelated transactions.

(b) The obligations of each Loan Guarantor hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Loan Guarantor hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Agent or any Secured Party to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection, or invalidity of any indirect or direct security for the obligations of any Borrower for all or any part of the Guaranteed Obligations or any obligations of any other guarantor or of other Person liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Agent or any Secured Party with respect to any collateral securing any part of the Guaranteed Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Loan Guarantor or that would otherwise operate as a discharge of any Loan Guarantor as a matter of law or equity (other than the indefeasible payment in full in cash of the Guaranteed Obligations).

SECTION 1.04      Defenses Waived. To the fullest extent permitted by applicable law, each Loan Guarantor hereby waives any defense based on or arising out of any defense of any Borrower or any Loan Guarantor or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of any Borrower or any Loan Guarantor, other than the indefeasible payment in full in cash of the

Guaranteed Obligations. Without limiting the generality of the foregoing, each Loan Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Obligated Party, or any other Person. The Agent may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any collateral securing all or a part of the Guaranteed Obligations, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Loan Guarantor under this Loan Guaranty except to the extent the Guaranteed Obligations have been fully and indefeasibly paid in cash. To the fullest extent permitted by applicable law, each Loan Guarantor waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Loan Guarantor against any Obligated Party or any security.

SECTION 1.05      Rights of Subrogation. No Loan Guarantor will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification that it has against any Obligated Party, or any collateral, until the Loan Parties and the Loan Guarantors have fully performed all their obligations to the Agent and the Secured Parties.

SECTION 1.06      Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, or reorganization of any Borrower or otherwise, each Loan Guarantor's obligations under this Loan Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Loan Guarantors forthwith on demand by the Secured Party.

SECTION 1.07      Information. Each Loan Guarantor assumes all responsibility for being and keeping itself informed of each Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Loan Guarantor assumes and incurs under this Loan Guaranty, and agrees that neither the Agent nor any Secured Party shall have any duty to advise any Loan Guarantor of information known to it regarding those circumstances or risks.

SECTION 1.08      [Reserved].

SECTION 1.09      Maximum Liability. The provisions of this Loan Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, Federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Loan Guarantor under this Loan Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Loan Guarantor's liability under this Loan Guaranty, then, notwithstanding any other provision of this Loan Guaranty to the contrary, the amount of such liability shall, without any further action by the Loan Guarantors or the Secured Parties, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Loan Guarantor's "Maximum Liability"). This Section 10.09 with respect to the Maximum Liability of each Loan Guarantor is intended solely to preserve the rights of the Secured Parties to the maximum extent

not subject to avoidance under applicable law, and no Loan Guarantor nor any other Person or entity shall have any right or claim under this Section 10.09 with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Loan Guarantor hereunder shall not be rendered voidable under applicable law. Each Loan Guarantor agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Loan Guarantor without impairing this Loan Guaranty or affecting the rights and remedies of the Secured Parties hereunder; provided that nothing in this sentence shall be construed to increase any Loan Guarantor's obligations hereunder beyond its Maximum Liability.

**SECTION 1.10**      Contribution. In the event any Loan Guarantor (a "Paying Guarantor") shall make any payment or payments under this Loan Guaranty or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Loan Guaranty, each other Loan Guarantor (each a "Non-Paying Guarantor") shall contribute to such Paying Guarantor an amount equal to such Non-Paying Guarantor's "Guarantor Percentage" of such payment or payments made, or losses suffered, by such Paying Guarantor. For purposes of this Article X, each Non-Paying Guarantor's "Guarantor Percentage" with respect to any such payment or loss by a Paying Guarantor shall be determined as of the date on which such payment or loss was made by reference to the ratio of (i) such Non-Paying Guarantor's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Guarantor's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Guarantor from any Borrower after the Closing Date (whether by loan, capital infusion or by other means) to (ii) the aggregate Maximum Liability of all Loan Guarantors hereunder (including such Paying Guarantor) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Loan Guarantor, the aggregate amount of all monies received by such Loan Guarantors from any Borrower after the Closing Date (whether by loan, capital infusion or by other means). Nothing in this provision shall affect any Loan Guarantor's several liability for the entire amount of the Guaranteed Obligations (up to such Loan Guarantor's Maximum Liability). Each of the Loan Guarantors covenants and agrees that its right to receive any contribution under this Loan Guaranty from a Non-Paying Guarantor shall be subordinate and junior in right of payment to the payment in full in cash of the Guaranteed Obligations. This provision is for the benefit of both the Agent, the Secured Parties and the Loan Guarantors and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

**SECTION 1.11**      Liability Cumulative. The liability of each Loan Party as a Loan Guarantor under this Article X is in addition to and shall be cumulative with all liabilities of each Loan Party to the Agent and the Secured Parties under this Agreement and the other Loan Documents to which such Loan Party is a party or in respect of any obligations or liabilities of the other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

**SECTION 1.12**      Release of Loan Guarantors. Notwithstanding anything in Section 9.02(b) to the contrary (i) a Subsidiary Guarantor shall automatically be released from its obligations hereunder and its Loan Guaranty shall be automatically released upon the consummation of any transaction permitted hereunder as a result of which such Subsidiary Guarantor ceases to be a Domestic Subsidiary of the U.S. Borrower and (ii) so long as no Event of Default has occurred and is continuing (A) if a Loan Guarantor is or becomes an Immaterial Subsidiary, and such release would not result in any Immaterial Subsidiary being required pursuant to Section 5.11(e) to become a Loan Party hereunder (except to the extent that on and as of the date of such release, one or more other Immaterial Subsidiaries become Loan Guarantors hereunder and the provisions of Section 5.11(e) are satisfied upon giving effect to all such additions and releases), (B) a Restricted Subsidiary is designated as an Unrestricted Subsidiary in

accordance with Section 6.07, (C) a Restricted Subsidiary is designated as a Receivables Subsidiary in connection with a Receivables Facility otherwise permitted hereunder and such Restricted Subsidiary owns no assets or engages in no activities other than such assets or activities which are the subject of such Receivables Facility or (D) a Loan Guarantor ceases to be a Wholly-Owned Subsidiary as a result of a transaction permitted by this Agreement, then in the case of each of clauses (A), (B), (C) and (D), such Subsidiary Guarantor shall be automatically released from its obligations hereunder and its Loan Guaranty shall be automatically released upon notification thereof from the U.S. Borrower to the Agent. In connection with any such release, the Agent shall execute and deliver to any Subsidiary Guarantor, at such Subsidiary Guarantor's expense, all documents that such Subsidiary Guarantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to the preceding sentence of this Section 10.12 shall be without recourse to or warranty by the Agent.

## Amended and Restated Management Incentive Bonus Plan

### I. Introduction

This Management Incentive Bonus Plan (this “Plan”) provides an annual cash bonus award to each eligible employee for the achievement of explicit performance objectives. A bonus award under this Plan must include a financial objective generally representing 90-100% of the overall award (the “Financial Objective Target Bonus”), and may include an additional objective generally representing 10% of the overall award when used (the “Additional Objective Target Bonus”), subject to potential adjustment as described herein. The Administrator shall have flexibility to alter the percentage allocations described in the preceding sentence. Certain defined terms used in the Plan are set forth in Section XI below.

### II. Eligibility

The Chief Executive Officer, all executives in career bands 1 through 3 and any other Employee designated by the Administrator are eligible to participate in this Plan. Generally, an individual is eligible for a potential award under this Plan if they were employed for at least 3 months during the relevant fiscal year.

### III. Overall Structure

- A. A Plan participant’s target bonus award will be based upon the “guideline” or percentage of base salary for each eligible participant.

Unless otherwise determined by the Administrator, bonus awards will be determined by the attainment of the financial and additional performance measures established by the Administrator.

### IV. Determination of Bonus Targets — Financial Objective

For purposes of determining Financial Objective Target Bonuses, financial measures will be based on Performance Measures as determined by the Administrator.

### V. Determination of Bonus Awards — Financial Objective

- A. For all financial measures, bonus awards under the financial objective component of this Plan (the “Financial Objective Bonus Award”) vary as financial measure targets are over or under achieved. The minimum bonus award, generally equal to 25% of the Financial Objective Target Bonus, unless otherwise determined by the Administrator, is awarded provided a minimally acceptable “threshold” level of performance of financial measures is achieved (i.e., no bonus will be awarded for performance below the threshold for that metric.). Financial Objective Bonus Awards may increase from the minimum financial objective bonus award to the Financial Objective Target Bonus amount if financial measure targets are achieved fully and may increase up to a maximum (“ceiling”) of 150% to 200% of the Financial Objective Bonus Target, as determined by the Administrator, if performance increasingly exceeds the target levels.
- B. Financial Objective Bonus Awards for performance between threshold and ceiling will be computed by interpolating between either: (1) the threshold and target awards, or (2) the target and ceiling awards, as appropriate.
- C. The levels for threshold and maximum Financial Objective Bonus Awards (referred to as the “leverage curve”), may vary among organizations as determined by the Administrator,

reflecting financial volatility resulting from the magnitude of the unit's business plan.

#### **VI. Determination of Additional Objective and Related Bonus Awards**

- A. Generally, additional measures will be established for each participant whose bonus includes an Additional Objective Target Bonus at the start of the fiscal year. Attainment of these additional measures is measured for and during the fiscal year for which they are set. Unplanned objectives that emerge during the fiscal year and which take priority over the planned objectives may be added (or substituted) as appropriate.
- B. Bonus awards under the additional objective component of this Plan (the "Additional Objective Bonus Award") will be awarded at target if performance fully meets the target additional measures defined in the additional objective. If performance differs from these target measures, the Additional Objective Bonus Award will vary proportionally with performance, from 0% to a ceiling of 150% to 200% of the Additional Objective Target Bonus, as determined by the Administrator.

#### **VII. Total Plan Bonus Award.**

The total Plan bonus award to be paid to each Plan participant (the "Final Bonus Award") will generally be equal to the sum of the Financial Objective Bonus Award and, if applicable, the Additional Objective Bonus Award. Notwithstanding the foregoing, the Administrator shall be authorized to exercise "negative discretion" to reduce the Final Bonus Award amount that would otherwise be payable to any Plan participant, taking into account such factors relating to Aramark's and the participant's performance during the relevant fiscal year as the Administrator deems appropriate in the Administrator's sole discretion.

#### **VIII. Payment of Bonus Awards**

- A. Final Bonus Awards are paid (minus appropriate tax withholdings), and after taking into account any adjustments pursuant to the Plan, as soon as practicable after receipt of the audited fiscal year-end financial reports, but in no event more than 2.5 months after the end of the calendar year in which it was earned.
- B. Except in cases of voluntary or involuntary termination, the following provisions apply:
  - 1. If a participant has worked at least 3 months in an eligible position, but less than the entire relevant fiscal year and is still employed at the end of the bonus (fiscal) year, the participant will receive a pro-rata share of the Final Bonus Award (e.g., if the participant has worked for 9 months in the relevant fiscal year, 75% of the Final Bonus Award will be payable).
  - 2. If the participant has served in two or more components or units covered by this plan, the Financial Objective Bonus Award and Additional Objective Bonus Award, if applicable, will generally, subject to the discretion of the Administrator, be calculated on full year results for the portion of the year served in each component or unit.
  - 3. If the participant was promoted during the year and his or her guideline bonus amount

changed, the Financial Objective Target Bonus and Additional Objective Target Bonus, if applicable, for such participant will be prorated.

- C. No Final Bonus Award is payable to a participant whose employment terminates, voluntarily or involuntarily, prior to completion of the bonus (fiscal) year except in the event that the participant becomes permanently disabled, retires having reached the age of 60 with at least five years of service or dies while employed. Exceptions in certain cases of involuntary termination may be granted with prior approval of the Administrator. If a participant becomes permanently disabled, retires having reached the age of 60 with at least five years of service, or dies while employed, he or she will be entitled to receive a pro-rata share of his or her Final Bonus Award at the same time as Final Bonus Awards are otherwise payable to active employees.
- D. A participant whose employment terminates after the close of the bonus year but before awards are paid will be eligible to receive the Financial Objective Bonus Award. Any Additional Objective Bonus Award in the case of such terminations may be payable at the discretion of the Administrator.
- E. In no case, however, will a Final Bonus Award be made to an individual whose employment is terminated at any time for "cause," as defined in the plan participant's Agreement Relating to Employment and Post Employment Competition or if the participant is not party to such an agreement, as defined in Aramark's Amended and Restated Stock Incentive Plan.

#### **IX. Deferral**

Payment of all or part of a Financial Objective Bonus Award may be deferred in accordance with procedures established by Aramark and amended from time to time, in accordance with the applicable deferral provisions of Section 409A of the Internal Revenue Code ("Section 409A").

#### **X. Administration**

- A. This Plan is intended to be provide for compensation that is exempt from the requirements of Section 409A. The Administrator is the sole interpreter and arbiter of the provisions of this Plan and has the right to amend, withdraw, or revoke them before the beginning of any fiscal year or to grant specific exceptions with respect to participants.
- B. In administering this Plan, the Administrator has the final authority to adjust financial performance standards or actual results for unusual non-recurring income, expense or balance sheet items (e.g., non-operating gains/losses, acquisitions, divestitures) so that comparisons between actual and planned performance are consistent.
- C. Objectives and formulas for all portions of this Plan must be approved by the Administrator. The Administrator must approve any unplanned objectives or other Performance Measures added during the year.
- D. Final Bonus Awards are reviewed and approved by the Administrator.
- E. The Administrator may grant plan bonus awards to individuals who are eligible to participate in this Plan who are foreign nationals, who are located outside the United States or who are not compensated from a payroll maintained in the United States, or who are otherwise subject to (or could cause Aramark to be subject to) legal or regulatory provisions of countries or jurisdictions outside the United States, on such terms and conditions different from those specified in this Plan as may, in the judgment of the Administrator, be necessary or desirable to foster and promote achievement of the purposes of this Plan, and, in furtherance of such purposes, the Administrator may make such modifications, amendments, procedures, or subplans as may be necessary or advisable to comply with such legal or regulatory provisions.

#### **XI Certain Defined Terms**

For purposes of the Plan, the terms listed below have the following meanings:

- A. **“Administrator”** means (i) the Compensation Committee, with respect to actions under this Plan related to the Chief Executive Officer or his direct reports, (ii) the Chief Executive Officer, with respect to actions under this Plan related to Plan participants in career bands 2 and 3, or (iii) the Chief Human Resources Officer (or any equivalent successor position) with respect to actions under this Plan related to all other Plan Participants.
- B. **“Performance Measures”** means the achievement of, one or more of the following measures or any similar or related measures approved by the Administrator (all capitalized terms not defined herein shall have the meanings contained in Aramark’s audited financial statements as such terms and definitions may be expressly modified and established by the Administrator with respect to the relevant performance period): (1) Earnings Before Interest and Taxes (**“EBIT”**), (2) Return on Net Assets (**“RONA”**), (3) Net Income, (4) After Tax Return on Investment (**“ATROI”**), (5) Sales, (6) Revenues, (7) Earnings Per Share, (8) Total Shareholder Return, (9) Return on Equity (**“ROE”**), (10) Return on Investment (**“ROI”**), (11) Total Business Return, (12) Return on Gross Investment (**“ROGI”**), (13) Operating Cash Flow, (14) Free Cash Flow, (15) Operating Income, (16) Pretax Income, (17) stock price appreciation, (18) Earnings Before Interest, Taxes, Depreciation and Amortization (**“EBITDA”**), (19) Margin based upon any of EBIT, Operating Income, Pretax Income, EBITDA or any other profit measure or (20) any other measure selected by the Administrator. The Performance Measures may be based on absolute Aramark performance, absolute performance of any member of the Aramark Group, or any combination of the members of the Aramark Group, or any of the foregoing’s performance relative to a peer group or other external measure of selected performance.
