INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents filed with the Commission by ARAMARK Holdings Corporation (the "Company" or the "Registrant") pursuant to the Securities Act of 1933, as amended (the "Securities Act") and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), are hereby incorporated by reference in this Registration Statement:

- (1) The Company's Registration Statement on Form S-1 (File No. 333-191057) filed with the Commission on September 9, 2013 and any amendment thereto;
- (2) The Company's Prospectus filed pursuant to Rule 424(b) of the Securities Act (File No. 333-191057); and

All documents that the Company subsequently files pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act after the date of this Registration Statement (except for any portions of the Company's Current Reports on Form 8-K furnished pursuant to Item 2.02 or Item 7.01 thereof and any corresponding exhibits thereto not filed with Commission), and prior to the filing of a post-effective amendment to this Registration Statement indicating that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents.

Item 4. Description of Securities.

Second Amended and Restated 2005 Deferred Compensation Plan

Under the 2005 Plan, the Company will provide eligible active employees of ARAMARK Holdings Corporation and its affiliates with the opportunity to elect to irrevocably defer all or a portion of their base salary, Management Incentive Bonus (MIB), bonus under the Senior Executive Annual Performance Bonus Plan or signing bonus, with interest deemed to accrue on those deferrals. The obligations of the Company under the 2005 Plan (the "2005 Plan Obligations") will be unsecured general obligations of the Company to pay the compensation deferred in accordance with the terms of the 2005 Plan, along with any interest deemed to accrue on the deferrals, and will rank equally with other unsecured and unsubordinated indebtedness of the Company from time to time outstanding. Because the Company conducts substantially all of its operations through its subsidiaries, the right of the Company, and hence the right of creditors of the Company (including participants in the 2005 Plan) to participate in a distribution of the assets of its subsidiary upon its liquidation or reorganization or otherwise, necessarily is subject to claims of creditors of the subsidiary, except to the extent that claims of the Company itself as a creditor may be recognized.

The amount of compensation to be deferred by each participant (the "Deferral Account") will be determined in accordance with the 2005 Plan based on elections by the participant, with a minimum deferral amount of \$5,000. Each Deferral Account will be payable based on the participant's election, in the form of a lump sum payout or installments payable annually up to 10 years. The deemed earnings on the account generally will be based on Moody's Baa Corporate Bond index for the month of October preceding the deferral year, compounded on a monthly basis. Deferrals begin earning interest as of the date they would otherwise have been paid to the executive.

The board of directors of the Company reserves the right to amend or terminate the Plan at any time.

The 2005 Plan Obligations are not convertible into another security of the Company. The 2005 Plan Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Company. No trustee has been appointed having the authority to take action with respect to the 2005 Plan Obligations, and each participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any request for consent, waivers, or amendments pertaining to the 2005 Plan Obligations, enforcing covenants, and taking action upon a default.

Second Amended and Restated Savings Incentive Retirement Plan

Under the SIRP, the Company will provide eligible employees of the Company and its affiliates with the opportunity to elect to defer up to 25% of their cash compensation, with interest deemed to accrue on those deferrals. Subject to certain conditions, in general, the Company may make discretionary matching contributions that match a participating employee's Salary Deferrals under the SIRP at a rate of between 25% and 75%. This match will apply to the first 6% of Compensation deferred from each paycheck, up to the IRS limits for 401(k) plan deferrals by employees. A participating employee will "vest" in his matching contributions account after two years of participation in the Plan or its predecessors, as applicable, or three years of service with the Company or any of its subsidiaries.

The obligations of the Company under the SIRP, including the matching contributions, (the "SIRP Obligations") will be unsecured general obligations of the Company to pay the compensation deferred in accordance with the terms of the SIRP, along with any interest deemed to accrue on the deferrals, and will rank equally with other unsecured and unsubordinated indebtedness of the Company from time to time outstanding. Because the Company conducts substantially all of its operations through its subsidiaries, the right of the Company, and hence the right of creditors of the Company (including participants in the SIRP) to participate in a distribution of the assets of a subsidiary upon its liquidation or reorganization or otherwise, necessarily is subject to claims of creditors of the subsidiary, except to the extent that claims of the Company itself as a creditor may be recognized.

The amount of compensation to be deferred by each participant (the "Deferral Account") will be determined in accordance with the SIRP based on elections by the participant, with a maximum deferral of up to 25% of such participant's pre-tax earnings. Each Deferral Account and any vested matching contributions by the Company generally will be payable upon such participant's termination of employment, unless deferred by the participant. The deemed earnings on the account and any matching contributions generally will be based on the Moody's Long Term Corporate Baa Bond Index rate for October of the previous calendar year.

The board of directors of the Company reserves the right to amend or terminate the SIRP at any time, except that, effective on a change in control of the Company, certain limits apply to the ability to amend or terminate the SIRP.

The SIRP Obligations are not convertible into another security of the Company. The SIRP Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Company. No trustee has been appointed having the authority to take action with respect to the SIRP Obligations, and each participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any request for consent, waivers, or amendments pertaining to the SIRP Obligations, enforcing covenants, and taking action upon a default.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

ARAMARK Holdings Corporation is incorporated under the laws of Delaware.

Section 145 of the Delaware General Corporation Law (the "DGCL") grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Section 102(b)(7) of the DGCL enables a corporation in its certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its stockholders of monetary damages for violations of the directors' fiduciary duty of care, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

The amended and restated certificate of incorporation and the amended and restated bylaws of the Company provide that we must indemnify our directors and officers to the fullest extent authorized by the DGCL as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Company to provide broader indemnification rights than such law permitted the Company to provide prior to such amendment). We will also pay expenses incurred in defending any such proceeding in advance of its final disposition upon delivery to us of an undertaking, by or on behalf of an indemnified person, to repay all amounts so advanced if it should be determined ultimately that such person is not entitled to be indemnified under this section or otherwise.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of our amended and restated certificate of incorporation, our amended and restated bylaws, agreement, vote of stockholders or directors or otherwise.

We maintain insurance to protect ourselves and our directors, officers and representatives against any such expense, liability or loss, whether or not we would have the power to indemnify him against such expense, liability or loss under the DGCL.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

For a list of exhibits, see the Exhibit index in this Registration Statement, which is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act.
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Philadelphia, Commonwealth of Pennsylvania, on December 11, 2013.

ARAMARK Holdings Corporation

Ladies and Gentlemen:

We have acted as counsel to ARAMARK Holdings Corporation, a Delaware corporation (the "Company"), in connection with the Registration Statement on Form S-8 (the "Registration Statement") filed by the Company with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Securities Act"), relating to the issuance by the Company of (i) \$5,000,000 of deferred compensation obligations (the "2005 Plan Deferral Obligations") of the Company pursuant to the Second Amended and Restated 2005 Deferred Compensation Plan (the "2005 Plan") and the rules and procedures relating to the 2005 Plan (the "2005 Plan Rules & Procedures") and (ii) \$176,000,000 of deferred compensation obligations (together with the 2005 Plan Deferral Obligations, the "Deferral Obligations") pursuant to the Second Amended and Restated Savings Incentive Retirement Plan (the "SIRP" and, together with the 2005 Plan, the "Plans") and the rules and procedures relating to the SIRP (together with the 2005 Plan Rules & Procedures, the "Rules & Procedures").

We have examined copies of the Plans, the Rules & Procedures, the Registration Statement filed by the Company under the Securities Act (including the exhibits thereto), and the related prospectuses. We also have examined the originals, or duplicates or certified or conformed copies, of such corporate and other records, agreements, documents and other instruments and such certificates or comparable documents of public officials and of officers and representatives of the Company and have made such other investigations, as we have deemed relevant and necessary in connection with the opinions hereinafter set forth.

In such examination, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as duplicates or certified or conformed copies and the authenticity of the originals of such latter documents. For purposes of the opinions set forth below, we have assumed that the Plans have been established and are intended to be maintained as "top-hat" plans under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), which are plans that are unfunded and maintained by an employer primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees.

Based upon the foregoing, and subject to the qualifications, assumptions and limitations stated herein, we are of the opinion that (i) the issuance of the Deferral Obligations have been duly authorized, (ii) assuming the due execution, authentication, issuance and delivery of the Deferral Obligations, when deferrals are credited on behalf of participants in accordance with the terms of the Plans and the Rules & Procedures, the Deferral Obligations will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with the terms of the Plans and the Rules & Procedures and (iii) the provisions of the plan documents of each Plan comply with the requirements of ERISA applicable to "top-hat" plans.

Our opinions set forth above are subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, (ii) general equitable principles (whether considered in a proceeding in equity or at law), and (iii) an implied covenant of good faith and fair dealing.

We do not express any opinion herein concerning any law other than the law of the State of New York, the federal law of the United States and Delaware General Corporation Law.

We hereby consent to the filing of this opinion letter as Exhibit 5.1 to the Registration Statement.

Very truly yours,

/s/ SIMPSON THACHER & BARTLETT LLP
