Explanation of Responses:

- The date of the transaction represents the date on which the financial performance criteria of a previously granted performance stock unit award were determined to have been satisfied.
- Represents the number of underlying shares of common stock determined to have been earned on a previously granted performance stock unit award based upon the satisfaction of certain fiscal 2014 financial performance criteria of such award. Also includes dividend equivalents accrued on such award since the date of grant calculated based upon the number of underlying shares of common stock earned. The performance stock unit award is now subject only to time-based vesting, and will vest in equal annual installments on each of December 20, 2014, 2015 and 2016.
- This Form 4 is being amended to report the correct number of performance stock units and related dividend equivalents earned on November 18, 2014, and to correct the resulting balance of securities beneficially owned by the Reporting Person following the transaction.
