Resales of the Exchange Notes:

- The exchange notes may be sold in the over-the-counter-market, in negotiated transactions or through a combination of such methods. We do not plan to list the exchange notes on a national market.

All untendered outstanding notes will continue to be subject to the restrictions on transfer set forth in the outstanding notes of the corresponding series and in the applicable indenture. In general, the outstanding notes may not be offered or sold, unless registered under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. Other than in connection with the exchange offers, we do not currently anticipate that we will register resales of the outstanding notes under the Securities Act.

See "Risk Factors" beginning on page 22 for a discussion of certain risks that you should consider before participating in the applicable exchange offer.

Each broker-dealer that receives exchange notes for its own account in the exchange offers must acknowledge that it will deliver a prospectus in connection with any resale of those exchange notes. The letter of transmittal states that by so acknowledging and delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for outstanding notes where such outstanding notes were acquired by such broker-dealer as a result of market-making activities or other trading activities.

We have agreed that, for a period of 90 days after the consummation of the exchange offers, we will make this prospectus available to any broker-dealer for use in connection with any such resale. See "Plan of Distribution."

Neither the Securities and Exchange Commission (the "SEC") nor any state securities commission has approved or disapproved of the exchange notes to be distributed in the exchange offers or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

PRESENTATION OF FINANCIAL AND OTHER INFORMATION

In this prospectus, we use certain measures that we refer to as "Covenant EBITDA" and "Covenant Adjusted EBITDA." Covenant EBITDA and Covenant Adjusted EBITDA are measures of Aramark Services, Inc. and its restricted subsidiaries only and do not include the results of Aramark. "Covenant EBITDA" is defined as net income (loss) of Aramark Services, Inc. and its restricted subsidiaries plus interest and other financing costs, net, provision (benefit) for income taxes, and depreciation and amortization. "Covenant Adjusted EBITDA" is defined as Covenant EBITDA, further adjusted to give effect to adjustments required in calculating covenant ratios and compliance under the senior secured credit agreement (as defined herein), the indenture governing the 2020 notes, the indenture governing the existing 2024 exchange notes, the unregistered 2024 outstanding notes and the 2024 exchange notes (collectively, the "2024 notes") and the indenture governing the 2026 outstanding notes and the 2026 exchange notes (together, the "2026 notes" and, collectively with the 2024 notes, the "notes"). See "Description of Other Indebtedness," "Description of the 2024 Notes" and "Description of the 2026 Notes." These measures are derived on the basis of methodologies other than in accordance with U.S. generally accepted accounting principles ("GAAP").

Our presentation of Covenant EBITDA and Covenant Adjusted EBITDA has limitations as an analytical tool, and should not be considered in isolation or as a substitute for analysis of our results as reported under GAAP. You should not consider these measures as alternatives to net income or operating income determined in accordance with GAAP. Covenant EBITDA and Covenant Adjusted EBITDA, as presented by us, may not be comparable to other similarly titled measures of other companies because not all companies use identical calculations.

For a reconciliation of net income attributable to Aramark Services, Inc. stockholder, which is a GAAP measure of Aramark Services, Inc.'s operating results, to Covenant EBITDA and Covenant Adjusted EBITDA, see "Summary—Summary Consolidated Financial Data" in this prospectus.

MARKET AND INDUSTRY DATA

The data included or incorporated by reference in this prospectus regarding sectors, geographies and ranking, including the size of certain sectors and geographies and our position and the position of our competitors within these sectors and geographies, are based on our management's knowledge and experience in the sectors and geographies in which we operate. We believe these estimates to be accurate as of the date of this prospectus. However, this information may prove to be inaccurate because of the method by which we obtained some of the data for the estimates or because this information cannot always be verified with complete certainty due to the limits on the availability and reliability of raw data, the voluntary nature of the data gathering process and other limitations and uncertainties. As a result, you should be aware that market, ranking and other similar industry data included or incorporated by reference in this prospectus, and estimates and beliefs based on that data, may not be reliable. While we believe internal company research is reliable, such research has not been verified by any independent source.

STATEMENTS REGARDING FORWARD LOOKING INFORMATION

This prospectus contains and incorporates by reference "forward-looking statements" within the meaning of the federal securities laws that involve risks and uncertainties, including statements found in "Item 1. Business" and "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" incorporated by reference in this prospectus from Aramark's Annual Report on Form 10-K for the fiscal year ended September 30, 2016 ("Aramark's Fiscal 2016 10-K"). These statements can be identified by the fact that they do not relate strictly to historical or current facts. They use words such as "outlook," "aim," "anticipate," "are confident," "estimate," "expect," "will be," "will continue," "will likely result," "project," "intend," "plan," "believe," "see," "look to" and other words and terms of similar meaning or the negative versions of such words.

Forward-looking statements speak only as of the date made. All statements we make relating to our estimated and projected earnings, costs, expenditures, cash flows, growth rates and financial results are forward-looking statements. In addition, we, through our senior management, from time to time make forward-looking public statements concerning our expected future operations and performance and other developments. These forward-looking statements are subject to risks and uncertainties that may change at any time, and, therefore, our actual results may differ materially from those that we expected. We derive many of our forward-looking statements from our operating budgets and forecasts, which are based upon many detailed assumptions. While we believe that our assumptions are reasonable, we caution that it is very difficult to predict the impact of known factors, and, of course, it is impossible for us to anticipate all factors that could affect our actual results. Important factors that could cause actual results to differ materially from our expectations ("cautionary statements") are disclosed under "Risk Factors" and elsewhere in or incorporated by reference in this prospectus, including, without limitation, in conjunction with the forward-looking statements included or incorporated by reference in this prospectus. All subsequent written and oral forward-looking statements attributable to us, or persons acting on our behalf, are expressly qualified in their entirety by the cautionary statements. Some of the factors that we believe could affect our results include without limitation:

- unfavorable economic conditions;
- natural disasters, global calamities, sports strikes and other adverse incidents;
- the failure to retain current clients, renew existing client contracts and obtain new client contracts;
- a determination by clients to reduce their outsourcing or use of preferred vendors;
- competition in our industries;
- increased operating costs and obstacles to cost recovery due to the pricing and cancellation terms of our food and support services contracts;
- the inability to achieve cost savings through our cost reduction efforts;
- our expansion strategy;
- the failure to maintain food safety throughout our supply chain, food-borne illness concerns and claims of illness or injury;
- governmental regulations including those relating to food and beverages, the environment, wage and hour and government contracting;
- liability associated with noncompliance with applicable law or other governmental regulations;
- new interpretations of or changes in the enforcement of the government regulatory framework;
- currency risks and other risks associated with international operations, including Foreign Corrupt Practices Act, U.K. Bribery Act and other anti-corruption law compliance;
- continued or further unionization of our workforce;
- liability resulting from our participation in multiemployer defined benefit pension plans;

- risks associated with suppliers from whom our products are sourced;
- disruptions to our relationship with, or to the business of, our primary distributor;
- the inability to hire and retain sufficient qualified personnel or increases in labor costs;
- healthcare reform legislation;
- the contract intensive nature of our business, which may lead to client disputes;
- seasonality;
- disruptions in the availability of our computer systems or privacy breaches;
- failure to maintain effective internal controls;
- our leverage;
- the inability to generate sufficient cash to service all of our indebtedness;
- debt agreements that limit our flexibility in operating our business; and
- other factors set forth under “Risk Factors” or incorporated by reference in this prospectus.

We caution you that the foregoing list of important factors may not contain all of the material factors that are important to you. In addition, in light of these risks and uncertainties, the matters referred to in the forward-looking statements contained or incorporated by reference in this prospectus may not in fact occur. We undertake no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future developments, changes in our expectations, or otherwise, except as required by law.

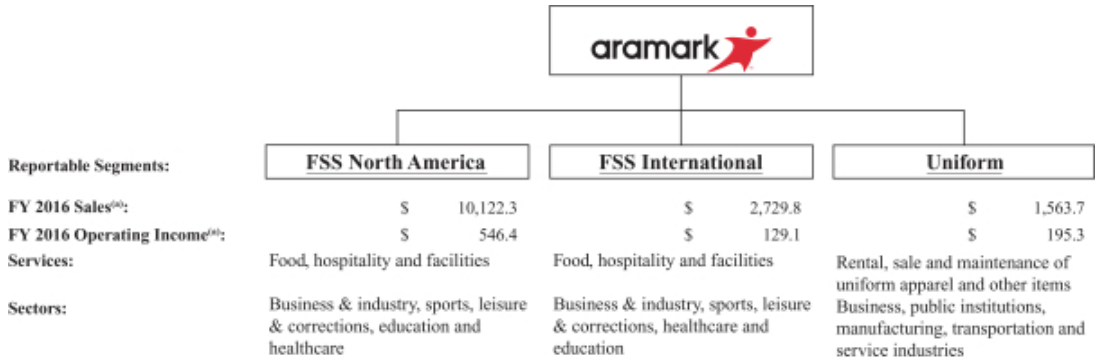
Our Company

We are a leading global provider of food, facilities and uniform services to education, healthcare, business & industry, and sports, leisure & corrections clients. Our core market is North America (composed of the United States and Canada), which is supplemented by an additional 17-country footprint. We hold the #2 position in North America in food and facilities services as well as uniform services based on total sales in fiscal 2016. Internationally, we hold a top 3 position in food and facilities services based on total sales in fiscal 2016 in most countries in which we have significant operations, and are one of only 3 food and facilities competitors with our combination of scale, scope, and global reach. Through our established brand, broad geographic presence and approximately 266,500 employees, we anchor our business in our partnerships with thousands of education, healthcare, business and sports, leisure & corrections clients. Through these partnerships we serve millions of consumers including students, patients, employees, sports fans and guests worldwide. In fiscal 2016, we generated sales of $14,415.8 million, operating income of $746.3 million and net income of $288.2 million.

We operate our business in three reportable segments that share many of the same operating characteristics: Food and Support Services North America ("FSS North America"), Food and Support Services International ("FSS International") and Uniform and Career Apparel ("Uniform"). Both FSS North America and Uniform have significant scale. The following chart shows a breakdown of our sales and operating income by our reportable segments:



(a) Dollars in millions. Operating income excludes $124.5 million related to corporate expenses.

Food and Support Services

Our Food and Support Services segments manage a number of interrelated services-including food, hospitality and facility services-for school districts, colleges & universities, healthcare facilities, businesses, sports, entertainment & recreational venues, conference & convention centers, national & state parks and correctional institutions.

We are the exclusive provider of food and beverage services at most of the locations we serve and are responsible for hiring, training and supervising the majority of the food service personnel in addition to ordering, receiving, preparing and serving food and beverage items sold at those facilities. Our facilities services capabilities are broad, and include plant operations and maintenance, custodial/housekeeping, energy management, clinical equipment maintenance, grounds keeping, and capital project management. In governmental, business, educational and healthcare facilities (for example, offices and industrial plants, schools and universities and hospitals), our clients provide us with a captive client base through their on-site employees, students and patients. At sports, entertainment and recreational facilities, our clients attract patrons to their site, usually for specific events such as sporting events and conventions.

We manage our Food and Support Services business in two geographic reportable segments split between our North America and International operations. In fiscal 2016, our FSS North America segment generated $10,122.3 million in sales, or 70% of our total sales, and our FSS International segment generated $2,729.8 million in sales, or 19% of our total sales. No individual client represents more than 1% of our total sales, other than, collectively, a number of U.S. government agencies.

Our Food and Support Services segments serve a number of client sectors across 19 countries around the world. Our Food and Support Services operations focus on serving clients in four principal sectors:

Education. Within the Education sector we serve Higher Education and K-12 clients. We deliver a wide range of food and facility services at more than 1,500 colleges, universities, school systems & districts and private schools. We offer our education clients a single source provider for managed service solutions, including dining, catering, food service management, convenience-oriented retail operations, grounds & facilities maintenance, custodial, energy management, construction management, and capital project management.

Healthcare. We provide a wide range of non-clinical support services to approximately 1,200 healthcare clients and more than 2,000 facilities across our global footprint. We offer healthcare organizations a single source provider for managed service solutions, which include food services such as patient food and nutrition services and retail food services, and facilities services such as clinical equipment maintenance, environmental services, laundry & linen distribution, plant operations, energy management, strategic/technical services, supply chain management, purchasing and central transportation.

Business & Industry. We provide a comprehensive range of business dining services, including on-site restaurants, catering, convenience stores and executive dining. We also provide beverage and vending services to business & industry clients at thousands of locations. Our service and product offerings include a full range of coffee offerings, “grab and go” food operations, convenience stores, micromarkets and a proprietary drinking water filtration system. We also offer a variety of facility management services to business & industry clients. These services include the management of housekeeping, plant operations and maintenance, energy management, laundry and linen, groundskeeping, landscaping, transportation, capital program management and commissioning services and other facility consulting services relating to building operations. We also offer remote services which include facility and business support services primarily for mining and oil operations.

Sports, Leisure & Corrections. We administer concessions, banquet and catering services, retail services and merchandise sales, recreational and lodging services and facility management services at sports,

entertainment and recreational facilities. We serve 146 professional (including minor league affiliates) and college sports teams, including 39 teams in Major League Baseball, the National Basketball Association, the National Football League and the National Hockey League. We also serve 22 convention and civic centers, 19 national and state parks and other resort operations, plus other popular tourist attractions in the United States and Canada. Additionally, we provide correctional food services, operate commissaries, laundry facilities and property rooms and provide food and facilities management services for parks.

Our FSS International segment provides a similar range of services as those provided to our FSS North America segment clients and operates in all of our sectors. We have operations in 17 countries outside the United States and Canada. Our largest international operations are in Chile, China, Germany, Ireland and the United Kingdom, and in each of these countries we are one of the leading food and/or facilities service providers. We also have a strong presence in Japan through our 50% ownership of AIM Services Co., Ltd., which is a leader in providing outsourced food services in Japan. In addition to the core Business & Industry sector, our FSS International segment serves many soccer stadiums across Europe, and numerous educational institutions, correctional institutions and convention centers globally. There are particular risks attendant with our international operations. Please see "Item 1A. Risk Factors" in Aramark's Fiscal 2016 10-K incorporated by reference in this prospectus.

Uniform

Our Uniform segment provides uniforms and other garments and work clothes and ancillary items such as mats and shop towels in the United States, Puerto Rico, Canada and through a joint venture in Japan. We operate over 2,600 routes, giving us a broad reach to service our clients' needs.

Clients use our uniforms to meet a variety of needs, including:

- establishing corporate identity and brand awareness;
- projecting a professional image;
- protecting workers—work clothes can help protect workers from difficult environments such as heavy soils, heat, flame or chemicals; and
- protecting products—uniforms can help protect products against contamination in the food, pharmaceutical, electronics, health care and automotive industries.

We provide a full service employee uniform solution, including design, sourcing and manufacturing, delivery, cleaning and maintenance. We rent uniforms, work clothing, outerwear, particulate-free garments and non-garment items and related services, including industrial towels, floor mats, mops, linen products, and paper products to businesses in a wide range of industries, including manufacturing, food services, automotive, healthcare, construction, utilities, repair and maintenance services, restaurant and hospitality. In fiscal 2016, our Uniform segment generated $1,563.7 million in sales, or 11% of our total sales.

We serve businesses of all sizes in many different industries. We have a diverse client base from over 200 service location and distribution centers across the United States and a service center in Ontario, Canada. None of our clients individually represents a material portion of our sales. We typically visit our clients' sites weekly, delivering clean, finished uniforms and, at the same time, removing the soiled uniforms or other items for cleaning, repair or replacement. We also offer products for direct sale.

Our cleanroom service offers advanced static dissipative garments, barrier apparel, sterile garments and cleanroom application accessories for clients with contamination-free operations in the technology, healthcare and pharmaceutical industries.

We conduct our direct marketing business through three primary brands—WearGuard, Crest and Aramark. We design, source or manufacture and distribute distinctive image apparel to workers in a wide variety of industries through the internet at *www.shoparamark.com*, dedicated sales representatives and telemarketing sales channels. We customize and embroider personalized uniforms and logos for clients through an extensive computer assisted design center and distribute work clothing, outerwear, business casual apparel and footwear throughout the United States, Puerto Rico and Canada.

The following summary is not intended to be a complete description of the terms of the notes. For a more detailed description of the notes, see "Description of the 2024 Notes" and "Description of the 2026 Notes".

General	In connection with the private offerings of the outstanding notes, we entered into registration rights agreements with Wells Fargo Securities, LLC, as representative of the initial purchasers of each series of outstanding notes, in which we and the guarantors agreed, among other things, to use our commercially reasonable best efforts to complete the applicable exchange offer for the outstanding notes within 270 days after the date of issuance of the applicable outstanding notes. You are entitled to exchange in the applicable exchange offer your outstanding notes for exchange notes of the corresponding series, which are identical in all material respects to such outstanding notes except: • the exchange notes have been registered under the Securities Act; • the exchange notes are not entitled to any registration rights which are applicable to the outstanding notes under the registration rights agreement; and • certain additional interest rate provisions are no longer applicable.
The exchange offers	We are offering to exchange: • up to $500,000,000 in principal amount of 5.125% Senior Notes due 2024, which have been registered under the Securities Act, for any and all unregistered 2024 outstanding notes; and • up to $500,000,000 in principal amount of 4.750% Senior Notes due 2026, which have been registered under the Securities Act, for any and all 2026 outstanding notes.

	You may only exchange outstanding notes in denominations of $2,000 and integral multiples of $1,000 in excess of $2,000. Subject to the satisfaction or waiver of specified conditions, we will exchange the exchange notes for all outstanding notes of the corresponding series that are validly tendered and not validly withdrawn prior to the expiration of the applicable exchange offer. We will cause the exchange to be effected promptly after the expiration of the applicable exchange offer. Upon completion of the exchange offers, there may be no market for the outstanding notes and you may have difficulty selling them.
Resale	Based on interpretations by the staff of the SEC set forth in no-action letters issued to third parties referred to below, we believe that you may resell or otherwise transfer exchange notes issued in the exchange offers without complying with the registration and prospectus delivery requirements of the Securities Act, if: 1. you are acquiring the exchange notes in the ordinary course of your business; 2. you do not have an arrangement or understanding with any person to participate in a distribution of the exchange notes; 3. you are not an “affiliate” of the issuer within the meaning of Rule 405 under the Securities Act; and 4. you are not engaged in, and do not intend to engage in, a distribution of the exchange notes. If you are not acquiring the exchange notes in the ordinary course of your business, or if you are engaging in, intend to engage in, or have any arrangement or understanding with any person to participate in, a distribution of the exchange notes, or if you are an affiliate of Aramark, then: 1. you cannot rely on the position of the staff of the SEC enunciated in Morgan Stanley & Co., Inc. (available June 5, 1991), Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the SEC’s letter to Shearman & Sterling, dated July 2, 1993, or similar no-action letters; and 2. in the absence of an exception from the position of the SEC stated in (1) above, you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale or other transfer of the exchange notes. If you are a broker-dealer and receive exchange notes for your own account in exchange for outstanding notes that you acquired as a result of market-making or other trading activities, you must

	acknowledge that you will deliver a prospectus, as required by law, in connection with any resale or other transfer of the exchange notes that you receive in the exchange offers. See "Plan of Distribution."
Expiration date	The exchange offers will expire at 5:00 p.m., New York City time, on , 2017, unless extended by us. We do not currently intend to extend the expiration date of the exchange offers.
Withdrawal	You may withdraw the tender of your outstanding notes at any time prior to the expiration date of the applicable exchange offer. We will return to you any of your outstanding notes that are not accepted for any reason for exchange, without expense to you, promptly after the expiration or termination of the applicable exchange offer.
Interest on the exchange notes and the outstanding notes	Each new 2024 exchange note will bear interest at the rate per annum set forth on the cover page of this prospectus from the most recent date to which interest has been paid on the unregistered 2024 outstanding notes. The interest on the new 2024 exchange notes is payable on January 15 and July 15 of each year, commencing July 15, 2016. Interest on the unregistered 2024 outstanding notes accrued from December 17, 2015. Each 2026 exchange note will bear interest at the rate per annum set forth on the cover page of this prospectus from the most recent date to which interest has been paid on the 2026 outstanding notes. The interest on the 2026 exchange notes is payable on June 1 and December 1 of each year, commencing December 1, 2016. Interest on the 2026 outstanding notes accrued from May 31, 2016. No interest will be paid on outstanding notes following their acceptance for exchange.
Conditions to the exchange offers	Each exchange offer is subject to customary conditions, which we may assert or waive. See "The Exchange Offers—Conditions to the Exchange Offers."
Procedures for tendering outstanding notes	If you wish to participate in the exchange offers, you must complete, sign and date the accompanying letter of transmittal, or a facsimile of the letter of transmittal, according to the instructions contained in this prospectus and the letter of transmittal. You must then mail or otherwise deliver the letter of transmittal, or a facsimile of the letter of transmittal, together with the outstanding notes and any other required documents, to the exchange agent at the address set forth on the cover page of the letter of transmittal. If you hold outstanding notes through The Depository Trust Company ("DTC") and wish to participate in the exchange offers, you must comply with the Automated Tender Offer Program procedures of DTC.

	By signing, or agreeing to be bound by, the letter of transmittal, you will represent to us that, among other things: 1. you are acquiring the exchange notes in the ordinary course of your business; 2. you do not have an arrangement or understanding with any person to participate in a distribution of the exchange notes; 3. you are not an "affiliate" of the issuer within the meaning of Rule 405 under the Securities Act; and 4. you are not engaged in, and do not intend to engage in, a distribution of the exchange notes. If you are a broker-dealer and receive exchange notes for your own account in exchange for outstanding notes that you acquired as a result of market-making or other trading activities, you must represent to us that you will deliver a prospectus, as required by law, in connection with any resale or other transfer of such exchange notes. If you are not acquiring the exchange notes in the ordinary course of your business, or if you are engaged in, or intend to engage in, or have an arrangement or understanding with any person to participate in, a distribution of the exchange notes, or if you are an affiliate of the issuer, then you cannot rely on the positions and interpretations of the staff of the SEC and you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale or other transfer of the exchange notes.
Special procedures for beneficial owners	If you are a beneficial owner of outstanding notes that are held in the name of a broker, dealer, commercial bank, trust company or other nominee, and you wish to tender those outstanding notes in the applicable exchange offer, you should contact such person promptly and instruct such person to tender those outstanding notes on your behalf.
Guaranteed delivery procedures	If you wish to tender your outstanding notes and your outstanding notes are not immediately available or you cannot deliver your outstanding notes, the letter of transmittal and any other documents required by the letter of transmittal or you cannot comply with the DTC procedures for book-entry transfer prior to the expiration date, then you must tender your outstanding notes according to the guaranteed delivery procedures set forth in this prospectus under "The Exchange Offers—Guaranteed Delivery Procedures."
Effect on holders of outstanding notes	In connection with the sales of the outstanding notes, we entered into registration rights agreements with the initial purchasers of each series of outstanding notes that grants the holders of the applicable outstanding notes registration rights. By making the exchange offers, we and the guarantors will have fulfilled a covenant under each

	registration rights agreement. Accordingly, we will not be obligated to pay additional interest as described in the registration rights agreements. If you do not tender your outstanding notes in the applicable exchange offer, you will continue to be entitled to all the rights and limitations applicable to the outstanding notes as set forth in the applicable indenture, except we will not have any further obligation to you to provide for the registration of the outstanding notes under the applicable registration rights agreement and we will not be obligated to pay additional interest as described in the registration rights agreements. See "Registration Rights." To the extent that outstanding notes are tendered and accepted in the exchange offers, the trading market for outstanding notes could be adversely affected.
Consequences of failure to exchange	All untendered outstanding notes will continue to be subject to the restrictions on transfer set forth in the outstanding notes and in the applicable indenture. In general, the outstanding notes may not be offered or sold, unless registered under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. Other than in connection with the exchange offers, we do not currently anticipate that we will register the outstanding notes under the Securities Act.
Material income tax considerations	The exchange of outstanding notes for exchange notes in the exchange offers will not be a taxable event for United States federal income tax purposes. See "United States Federal Income Tax Consequences of the Exchange Offers."
Use of proceeds	We will not receive any cash proceeds from the issuance of exchange notes in the exchange offers.
Exchange agent	The Bank of New York Mellon, whose address and telephone number are set forth in the section captioned "The Exchange Offers—Exchange Agent" of this prospectus, is the exchange agent for the exchange offers.

Summary of the Terms of the Exchange Notes

The terms of the exchange notes are identical in all material respects to the terms of the outstanding notes of the corresponding series, except that the exchange notes will not contain terms with respect to transfer restrictions, registration rights or additional interest upon failure to fulfill certain of our obligations under the applicable registration rights agreement. The exchange notes will evidence the same debt as the outstanding notes. The exchange notes will be governed by the same indenture under which the outstanding notes of the corresponding series were issued and, in the case of the new 2024 exchange notes, the same indenture under which the existing 2024 exchange notes were issued, and the exchange notes and the outstanding notes of the corresponding series will constitute a single class and series of notes for all purposes under the applicable indenture and, in the case of the new 2024 exchange notes, the new 2024 exchange notes will constitute a single class with both the existing 2024 exchange notes and the unregistered 2024 outstanding notes.

For purposes of this section, "we," "us," and "our" refer to Aramark Services, Inc.

The unregistered 2024 outstanding notes were issued as additional notes under the indenture pursuant to which we issued $400.0 million aggregate principal amount of 5.125% Senior Notes due 2024 on December 17, 2015 that were subsequently exchanged for substantially identical notes in the same amount in an offering registered under the Securities Act on April 6, 2016 (the "existing 2024 exchange notes"). The new 2024 exchange notes will form a single series of debt securities with the existing 2024 exchange notes under the indenture governing the 2024 notes.
Maturity	January 15, 2024.
Interest	Interest on the 2024 exchange notes is payable on January 15 and July 15 of each year, commencing on July 15, 2016. Interest will accrue from December 17, 2015. Interest on the 2024 exchange notes will accrue at the rate of 5.125% per annum.
CUSIP and ISIN Numbers; Fungibility	The CUSIP and ISIN numbers for the new 2024 exchange notes are expected to be automatically merged with the CUSIP and ISIN numbers for the existing 2024 exchange notes, at which point we expect that the new 2024 exchange notes will be fungible with the existing 2024 exchange notes.

Guarantees	The 2024 exchange notes are guaranteed on an unsecured senior basis by Aramark, the indirect parent company of the issuer, and each wholly-owned domestic subsidiary of the issuer that guarantees our senior secured credit facilities, the 2020 notes and the 2026 notes. All of the issuer's domestic subsidiaries, other than its receivables facility subsidiary and certain immaterial subsidiaries, are guarantors of the 2024 notes. Our non-guarantor subsidiaries accounted for $3,720.0 million, or approximately 25.8%, of our sales and $163.3 million, or approximately 21.9%, of our operating income, in each case for fiscal 2016, and $2,816.0 million, or approximately 26.6%, of our total assets and $1,245.6 million (excluding intercompany liabilities), or approximately 14.8%, of our total liabilities, in each case as of September 30, 2016.
Ranking	The existing 2024 exchange notes are and the new 2024 exchange notes will be our senior unsecured obligations and: • rank and will rank senior in right of payment to our future debt and other obligations that are, by their terms, expressly subordinated in right of payment to the 2024 exchange notes; • rank and will rank equal in right of payment to all of our existing and future unsecured senior debt, including our senior secured credit facilities, the 2020 notes and the 2026 notes; and • are and will be effectively subordinated to all of our existing and future secured debt (including obligations under our senior secured credit facilities), to the extent of the value of the assets securing such debt, and are structurally subordinated to all of our obligations of each of our subsidiaries that is not a guarantor of the 2024 exchange notes. Similarly, each of the subsidiary guarantees are and will be a senior unsecured obligation of the applicable guarantor and: • rank and will rank senior in right of payment to all of the applicable guarantor's existing and future debt and other obligations that are, by their terms, expressly subordinated in right of payment to the 2024 exchange notes; • rank and will rank equal in right of payment to all of the applicable guarantor's existing and future senior debt and other obligations that are not, by their terms, expressly subordinated in right of payment to the 2024 exchange notes, including their guarantees of the senior secured credit facilities, the 2020 notes and the 2026 notes; and • are and will be effectively subordinated to all of the applicable guarantor's existing and future secured debt (including such guarantor's guarantee under our senior secured credit facilities), to the extent of the value of the assets securing such debt, and are

	structurally subordinated to all obligations of any subsidiary of a guarantor if that subsidiary is not also a guarantor of the 2024 exchange notes. As of September 30, 2016, (1) the exchange notes, the existing 2024 exchange notes and related subsidiary guarantees would have ranked effectively junior to approximately $3,637.7 million (net of original issue discount and debt issuance costs) of senior secured indebtedness (including $78.6 million of payment obligations relating to capital lease obligations and $268.0 million under our receivables facility) and (2) we had $713.5 million of unutilized capacity under our revolving credit facility available to us, all of which are secured.
Optional redemption	Prior to January 15, 2019, we may redeem the 2024 exchange notes, in whole or in part, at a price equal to 100% of the principal amount thereof plus the make-whole premium described under “Description of the 2024 Notes—Optional redemption,” plus accrued and unpaid interest, if any, to but not including the redemption date. We may also redeem any of the 2024 exchange notes at any time on or after January 15, 2019, in whole or in part, at the redemption prices described under “Description of the 2024 Notes—Optional redemption,” plus accrued and unpaid interest, if any, to but not including the redemption date. In addition, prior to January 15, 2019, we may redeem up to 40% of the aggregate principal amount of the 2024 exchange notes using the proceeds of certain equity offerings at a price equal to 105.125% of the principal amount thereof plus accrued and unpaid interest, if any, to but not including the redemption date.
Change of control; asset sales	If we experience specific kinds of changes of control, we will be required to make an offer to purchase the 2024 exchange notes at a purchase price of 101% of the principal amount thereof, plus accrued and unpaid interest to, but not including, the purchase date. If we sell assets under certain circumstances, we will be required to make an offer to purchase the 2024 exchange notes at a purchase price of 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the purchase date. See “Description of the 2024 Notes—Repurchase at the option of holders.”
Covenants	The indenture governing the 2024 exchange notes restricts the issuer’s ability and the ability of its restricted subsidiaries to, among other things: • incur additional indebtedness or issue certain preferred shares; • pay dividends and make certain distributions, investments and other restricted payments; • create certain liens;

	• sell assets; • enter into transactions with affiliates; • limit the ability of restricted subsidiaries to make payments to us; • enter into sale and leaseback transactions; • merge, consolidate, sell or otherwise dispose of all or substantially all of their assets; and • designate the issuer's subsidiaries as unrestricted subsidiaries. These covenants are subject to important exceptions and qualifications described under the heading "Description of the 2024 Notes." If the 2024 exchange notes are assigned an investment grade rating by Standard & Poor's Rating Services ("S&P" and Moody's Investor Service, Inc. ("Moody's") and no default has occurred and is continuing, certain covenants relating to the 2024 exchange notes will be suspended. If either rating should subsequently decline below investment grade, such suspended covenants relating to the 2024 exchange notes will be reinstated.
Absence of public market for the notes	There is currently no established trading market for the new 2024 exchange notes and there is only a limited market for the existing 2024 exchange notes. Accordingly, there can be no assurance as to the development or liquidity of an active public market for the 2024 exchange notes. The initial purchasers in the private offerings of the outstanding notes have informed us that they currently intend to make a market in the exchange notes; however, they are not obligated to do so, and they may discontinue any such market-making activities at any time without notice. We do not intend to apply for a listing of the 2024 exchange notes on any securities exchange or automated dealer quotation system.

	circumstances, we will be required to make an offer to purchase the 2026 exchange notes at a purchase price of 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the purchase date. See "Description of the 2026 Notes—Repurchase at the Option of Holders."

These measures are derived on the basis of methodologies other than in accordance with GAAP.

Our presentation of Covenant EBITDA and Covenant Adjusted EBITDA has limitations as an analytical tool, and should not be considered in isolation or as a substitute for analysis of our results as reported under GAAP. You should not consider these measures as alternatives to net income or operating income determined in accordance with GAAP. Covenant EBITDA and Covenant Adjusted EBITDA, as presented by us, may not be comparable to other similarly titled measures of other companies because not all companies use identical calculations.

The following is a reconciliation of net income attributable to Aramark Services, Inc. stockholder, which is a GAAP measure of Aramark Services, Inc.'s operating results, to Covenant Adjusted EBITDA as defined in our debt agreements. RISK FACTORS

In addition to the other information contained in this prospectus and the information incorporated by reference herein, you should carefully consider the following factors before participating in the exchange offers. In addition to the risk factors set forth below, please read the information included or incorporated by reference under "Item 1A. Risk Factors" in Aramark's Fiscal 2016 10-K. Additional risks and uncertainties not currently known to us or those we currently view to be immaterial may also materially and adversely affect our business, financial condition or results of operations. Any of the following risks could materially and adversely affect our business, financial condition or results of operations. In such a case, you may lose all or part of your original investment.

Risks Related to Our Indebtedness

Our leverage could adversely affect our ability to raise additional capital to fund our operations, limit our ability to react to changes in the economy or our industries, expose us to interest rate risk to the extent of our variable rate debt and prevent us from meeting our obligations.

We are highly leveraged. As of September 30, 2016, our outstanding indebtedness was $5,270.0 million. We also had additional availability of $713.5 million under our revolving credit facilities as of that date.

This degree of leverage could have important consequences, including:

- exposing us to the risk of increased interest rates as certain of our borrowings, including borrowings under our senior secured credit facilities and our receivables facility, are at variable rates of interest;
- making it more difficult for us to make payments on our indebtedness;
- increasing our vulnerability to general economic and industry conditions;
- requiring a substantial portion of cash flow from operations to be dedicated to the payment of principal and interest on our indebtedness, thereby reducing our ability to use our cash flow to fund our operations, capital expenditures and future business opportunities;
- restricting us from making strategic acquisitions or causing us to make non-strategic divestitures;
- limiting our ability to obtain additional financing for working capital, capital expenditures, debt service requirements, acquisitions and general corporate or other purposes; and
- limiting our ability to adjust to changing market conditions and placing us at a competitive disadvantage compared to our competitors who are less highly leveraged.

We and our subsidiaries may be able to incur substantial additional indebtedness in the future, subject to the restrictions contained in the senior secured credit agreement and the indentures governing the 2020 notes, the 2024 notes and the 2026 notes. If new indebtedness is added to our current debt levels, the related risks that we now face could increase.

If our financial performance were to deteriorate, we may not be able to generate sufficient cash to service all of our indebtedness and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.

Our ability to make scheduled payments on or to refinance our debt obligations depends on our financial condition and operating performance, which is subject to prevailing economic and competitive conditions and to certain financial, business and other factors beyond our control. While we believe that we currently have adequate cash flows to service our indebtedness, if our financial performance were to deteriorate significantly, we might be unable to maintain a level of cash flows from operating activities sufficient to permit us to pay the principal, premium, if any, and interest on our indebtedness.

If, due to such a deterioration in our financial performance, our cash flows and capital resources were to be insufficient to fund our debt service obligations, we may be forced to reduce or delay investments and capital expenditures, or to sell assets, seek additional capital or restructure or refinance our indebtedness. These alternative measures may not be successful and may not permit us to meet our scheduled debt service obligations. In addition, if we were required to raise additional capital in the current financial markets, the terms of such financing, if available, could result in higher costs and greater restrictions on our business. In addition, although none of our long-term borrowings mature prior to 2019, if we were to need to refinance our existing indebtedness, the conditions in the financial markets at that time could make it difficult to refinance our existing indebtedness on acceptable terms or at all. If such alternative measures proved unsuccessful, we could face substantial liquidity problems and might be required to dispose of material assets or operations to meet our debt service and other obligations. The senior secured credit agreement and the indentures governing the 2020 notes, the 2024 notes and the 2026 notes restrict our ability to dispose of assets and use the proceeds from any disposition of assets and to refinance our indebtedness. We may not be able to consummate those dispositions or to obtain the proceeds that we could realize from them and these proceeds may not be adequate to meet any debt service obligations then due.

Our debt agreements contain restrictions that limit our flexibility in operating our business.

The senior secured credit agreement and the indentures governing the 2020 notes, the 2024 notes and the 2026 notes contain various covenants that limit our ability to engage in specified types of transactions. These covenants limit our and our restricted subsidiaries' ability to, among other things:

- incur additional indebtedness, refinance or restructure indebtedness or issue certain preferred shares;
- pay dividends on, repurchase or make distributions in respect of our capital stock, make unscheduled payments on our notes, repurchase or redeem our senior notes or make other restricted payments;
- make certain investments;
- sell certain assets;
- create liens;
- consolidate, merge, sell or otherwise dispose of all or substantially all of our assets; and
- enter into certain transactions with our affiliates.

In addition, our senior secured revolving credit facility requires us to satisfy and maintain specified financial ratios and other financial condition tests. Our ability to meet those financial ratios and tests can be affected by events beyond our control, and in the event of a significant deterioration of our financial performance, there can be no assurance that we will satisfy those ratios and tests. A breach of any of these covenants could result in a default under the senior secured credit agreement. Upon our failure to maintain compliance with these covenants that is not waived by the lenders under the revolving credit facility, the lenders under the senior secured credit facilities could elect to declare all amounts outstanding under the senior secured credit facilities to be immediately due and payable and terminate all commitments to extend further credit under such facilities. If we were unable to repay those amounts, the lenders under the senior secured credit facilities could proceed against the collateral granted to them to secure that indebtedness. We have pledged a significant portion of our assets as collateral under the senior secured credit agreement. If the lenders under the senior secured credit facilities accelerate the repayment of borrowings, there can be no assurance that we will have sufficient assets to repay those borrowings, as well as our unsecured indebtedness. If our senior secured indebtedness was accelerated by the lenders as a result of a default, the 2020 notes, the 2024 notes and the 2026 notes may become due and payable as well. Any such acceleration may also constitute an amortization event under our receivables facility, which could result in the amount outstanding under that facility becoming due and payable.

Risks Related to the Exchange Offers

If you choose not to exchange your outstanding notes in the exchange offers, the transfer restrictions currently applicable to your outstanding notes will remain in force and the market price of your outstanding notes could decline.

If you do not exchange your outstanding notes for exchange notes of the corresponding series in the exchange offers, you will continue to be subject to the transfer restrictions on the outstanding notes as set forth in the offering memorandum distributed in connection with the private offerings of the outstanding notes. In general, the outstanding notes may not be offered or sold unless they are registered or exempt from registration under the Securities Act and applicable state securities laws. Except as required by the registration rights agreements, we do not intend to register resales of the outstanding notes under the Securities Act. You should refer to "Summary—Summary of the Terms of the Exchange Offers," "The Exchange Offers" and "Registration Rights" for information about how to tender your outstanding notes.

The tender of outstanding notes under the exchange offers will reduce the principal amount of the outstanding notes, which may have an adverse effect upon and increase the volatility of, the market price of the outstanding notes due to reduction in liquidity.

Your ability to transfer the exchange notes may be limited by the absence of an active trading market, and there is no assurance that any active trading market will develop for the exchange notes.

The new 2024 exchange notes and the 2026 exchange notes are new issues of securities for which there is no established public market and there is only a limited market for the existing 2024 exchange notes. We do not intend to apply for a listing of the exchange notes on any securities exchange or automated dealer quotation system. Certain of the initial purchasers in the private offerings of the outstanding notes have advised us that they intend to make a market in the exchange notes as permitted by applicable laws and regulations; however, the initial purchasers are not obligated to make a market in any of the exchange notes, and they may discontinue their market-making activities at any time without notice. Therefore, an active market for any of the exchange notes may not develop or, if developed, it may not continue. Historically, the market for non-investment-grade debt has been subject to disruptions that have caused substantial volatility in the prices of securities similar to the exchange notes. The market, if any, for any of the exchange notes may not be free from similar disruptions and any such disruptions may adversely affect the prices at which you may sell your exchange notes. In addition, subsequent to their initial issuance, the exchange notes may trade at a discount from their initial offering price, depending upon prevailing interest rates, the market for similar notes, our performance and other factors.

Certain persons who participate in the exchange offers must deliver a prospectus in connection with resales of the exchange notes.

Based on interpretations of the staff of the SEC enunciated in Morgan Stanley & Co., Inc. (available June 5, 1991), Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the SEC's letter to Shearman & Sterling, dated July 2, 1993, we believe that you may offer for resale, resell or otherwise transfer the exchange notes without compliance with the registration and prospectus delivery requirements of the Securities Act. However, in some instances described in this prospectus under "Plan of Distribution," certain holders of exchange notes will remain obligated to comply with the registration and prospectus delivery requirements of the Securities Act to transfer the exchange notes. If such a holder transfers any exchange notes without delivering a prospectus meeting the requirements of the Securities Act or without an applicable exemption from registration under the Securities Act, such a holder may incur liability under the Securities Act. We do not and will not assume, or indemnify such a holder against, this liability.

Risks Related to the Notes

For purposes of this section, "Risks Related to the Notes," "we," "us," and "our" refer to Aramark Services, Inc., the issuer of the notes, and not to Aramark.

We may not be able to generate sufficient cash to service all of our indebtedness, including the notes, and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.

Our ability to make scheduled payments on or to refinance our debt obligations depends on our financial condition and operating performance, which is subject to prevailing economic and competitive conditions and to certain financial, business and other factors beyond our control. We may be unable to maintain a level of cash flows from operating activities sufficient to permit us to pay the principal, premium, if any, and interest on our indebtedness, including the notes.

If our cash flows and capital resources are insufficient to fund our debt service obligations, we may be forced to reduce or delay investments and capital expenditures, or to sell assets, seek additional capital or restructure or refinance our indebtedness, including the notes. These alternative measures may not be successful and may not permit us to meet our scheduled debt service obligations. In the absence of such operating results and resources, we could face substantial liquidity problems and might be required to dispose of material assets or operations to meet our debt service and other obligations. The senior secured credit agreement, the indentures governing the 2020 notes the 2024 notes and the 2026 notes restrict our ability to dispose of assets, use the proceeds from any disposition of assets and to refinance our indebtedness. We may not be able to consummate those dispositions or to obtain the proceeds that we could realize from them and these proceeds may not be adequate to meet any debt service obligations then due.

Repayment of our debt is dependent on cash flow generated by our subsidiaries.

Our subsidiaries own a significant portion of our assets and conduct a significant portion of our operations. Accordingly, repayment of our indebtedness is dependent, to a significant extent, on the generation of cash flow by our subsidiaries and their ability to make such cash available to us, by dividend, debt repayment or otherwise. Unless they are guarantors of the notes, our subsidiaries do not have any obligation to pay amounts due on the notes or to make funds available for that purpose. Our subsidiaries may not be able to, or may not be permitted to, make distributions to enable us to make payments in respect of our indebtedness, including each series of notes. Each subsidiary is a distinct legal entity and, under certain circumstances, legal and contractual restrictions may limit our ability to obtain cash from our subsidiaries. While the indentures governing the notes limit the ability of our subsidiaries to incur consensual restrictions on their ability to pay dividends or make other intercompany payments to us, these limitations are subject to certain qualifications and exceptions. In the event that we do not receive distributions from our subsidiaries, we may be unable to make required principal and interest payments on our indebtedness, including the notes.

Your right to receive payments on the notes is effectively junior to those lenders who have a security interest in our assets.

Our obligations under the notes and our guarantors' obligations under their guarantees of the notes are unsecured, but our obligations under our senior secured credit facilities and each guarantor's obligations under their respective guarantees of the senior secured credit facilities are secured by a security interest in substantially all of our domestic tangible and intangible assets, including the stock of most of our wholly-owned U.S. subsidiaries and the stock of certain of our non-U.S. subsidiaries. If we are declared bankrupt or insolvent, or if we default under the senior secured credit agreement, the lenders could declare all of the funds borrowed thereunder, together with accrued interest, immediately due and payable. If we were unable to repay such indebtedness, the lenders could foreclose on the pledged assets to the exclusion of holders of the notes, even if an event of default exists under the indentures governing the notes at such time. Furthermore, if the lenders foreclose and sell the pledged equity interests in any subsidiary guarantor under the notes, then that guarantor will be released from its guarantee of the notes automatically and immediately upon such sale. In any such event, because the notes are not secured by any of our assets or the equity interests in subsidiary guarantors, it is possible that there would be no assets remaining from which your claims could be satisfied or, if any assets remained, they might be insufficient to satisfy your claims fully. See "Description of Other Indebtedness."

As of September 30, 2016, our outstanding secured indebtedness was $3,637.7 million (net of original issue discount and debt issuance costs) (including $78.6 million of payment obligations relating to capital lease obligations and $268.0 million under our receivables facility) and we had unutilized capacity of $713.5 million under our revolving credit facility available. The indentures governing the notes permit us and our restricted subsidiaries to incur substantial additional indebtedness in the future, including senior secured indebtedness.

Claims of noteholders will be structurally subordinated to claims of creditors of all of our non-U.S. subsidiaries and some of our U.S. subsidiaries because they will not guarantee the notes.

The existing 2024 exchange notes and the outstanding notes are not and the exchange notes will not be guaranteed by any of our non-U.S. subsidiaries, our receivables subsidiaries or certain other U.S. subsidiaries. Accordingly, claims of holders of the notes will be structurally subordinated to the claims of creditors of these non-guarantor subsidiaries, including trade creditors. All obligations of our non-guarantor subsidiaries will have to be satisfied before any of the assets of such subsidiaries would be available for distribution, upon a liquidation or otherwise, to us or a guarantor of the notes.

Our non-guarantor subsidiaries accounted for $3,720.0 million, or approximately 25.8%, of our sales and $163.3 million, or approximately 21.9%, of our operating income, in each case for fiscal 2016, and $2,816.0 million, or approximately 26.6%, of our total assets and $1,245.6 million (excluding intercompany liabilities), or approximately 14.8%, of our total liabilities, in each case as of September 30, 2016.

The lenders under the senior secured credit facilities will have the discretion to release the guarantors under the senior secured credit agreement in a variety of circumstances, which will cause those guarantors to be released from their guarantees of the notes.

While any obligations under the senior secured credit facilities remain outstanding, any guarantee of the notes may be released without action by, or consent of, any holder of the notes or the trustee under the indentures governing the notes, at the discretion of lenders under the senior secured credit facilities, if the related guarantor is no longer a guarantor of obligations under the senior secured credit facilities or any other indebtedness. See “Description of the 2024 Notes” and “Description of the 2026 Notes.” The lenders under the senior secured credit facilities will have the discretion to release the guarantees under the senior secured credit facilities in a variety of circumstances. You will not have a claim as a creditor against any subsidiary that is no longer a guarantor of the notes, and the indebtedness and other liabilities, including trade payables, whether secured or unsecured, of those subsidiaries will effectively be senior to claims of noteholders.

We may not be able to repurchase the notes upon a change of control.

Upon the occurrence of specific kinds of change of control events, we will be required to offer to repurchase all notes then outstanding at 101% of their principal amount plus accrued and unpaid interest. The source of funds for any such purchase of the notes will be cash generated from our subsidiaries’ operations or other sources, including borrowings, sales of assets or sales of equity. We may not be able to repurchase the notes upon a change of control because we may not have sufficient financial resources to purchase all of the notes that are tendered upon a change of control. Our failure to repurchase the notes upon a change of control would cause a default under the indentures governing the notes.

Federal and state fraudulent transfer laws may permit a court to void or limit the amount payable under the notes or the guarantees, and, if that occurs, you may receive limited or no payments on the notes and guarantees affected.

Federal and state fraudulent conveyance statutes may apply to the issuance of the notes and the incurrence of the guarantees. Under federal bankruptcy law and comparable provisions of state fraudulent transfer or conveyance laws, which may vary from state to state, the notes or guarantees could be voided as a fraudulent

transfer or conveyance if (1) we or any of the guarantors, as applicable, issued the notes or incurred the guarantees with the intent of hindering, delaying or defrauding creditors or (2) we or any of the guarantors, as applicable, received less than reasonably equivalent value or fair consideration in return for either issuing the notes or incurring the guarantees and, in the case of (2) only, one of the following is also true at the time hereof:

- we or any of the guarantors, as applicable, were insolvent or rendered insolvent by reason of the issuance of the notes or the incurrence of the guarantees;
- the issuance of the notes or the incurrence of the guarantees left us or any of the guarantors, as applicable, with an unreasonably small amount of capital to carry on the business;
- we or any of the guarantors intended to, or believed that we or such guarantor would, incur debts beyond our or such guarantor's ability to pay as they mature; or
- we or any of the guarantors were a defendant in an action for money damages, or had a judgment for money damages docketed against us or such guarantor if, in either case, after final judgment, the judgment is unsatisfied.

If a court were to find that the issuance of the notes or the incurrence of the guarantees was a fraudulent transfer or conveyance, the court could void the payment obligations under the notes or such guarantee or limit the amount of payment or subordinate the notes or such guarantee to presently existing and future indebtedness of ours or of the related guarantor, or require you to repay any amounts received. In the event of a finding that fraudulent transfer or conveyance occurred, you may not receive any payment on the notes. As a general matter, value is given for a transfer or an obligation if, in exchange for the transfer or obligation, property is transferred or an antecedent debt is secured or satisfied. Under applicable law, a court may determine that a debtor has not received value in connection with a debt offering if the debtor uses the proceeds of that offering to make a dividend payment or otherwise retire or redeem equity securities issued by the debtor. We cannot be certain as to the standards a court would use to determine whether or not we or the guarantors were solvent at the relevant time or, regardless of the standard that a court uses, that the notes or the guarantees would not be voided, limited in amount or subordinated to our or any of our guarantors' other debt. Each guarantee contains a provision intended to limit the guarantor's liability to the maximum amount that it could incur without causing the incurrence of obligations under its guarantee to be a fraudulent transfer. This provision may not be effective to protect the guarantees from being voided under fraudulent transfer law, or may reduce or eliminate the guarantor's obligation to an amount that effectively makes the guarantee worthless.

In the event that we are unable to exchange the unregistered 2024 outstanding notes for notes sharing a single CUSIP and ISIN number with the existing 2024 exchange notes, the unregistered 2024 outstanding notes and/or any new 2024 exchange notes will continue to trade under a separate CUSIP and ISIN number, which may adversely affect the liquidity of the unregistered 2024 outstanding notes and/or any new 2024 exchange notes and cause the unregistered 2024 outstanding notes and/or any new 2024 exchange notes to trade at different prices than the existing 2024 exchange notes.

The unregistered 2024 outstanding notes were issued under a supplemental indenture to the indenture governing the 2024 notes. The unregistered 2024 outstanding notes have the same terms as those of the existing 2024 exchange notes, except that the unregistered 2024 outstanding notes were issued under CUSIP and ISIN numbers different from the existing 2024 exchange notes. Upon the consummation of the applicable exchange offer, we expect that the new 2024 exchange notes will share a single CUSIP and ISIN number with the existing 2024 exchange notes and we expect that the new 2024 exchange notes and the existing 2024 exchange notes will thereafter be fungible. However, in the event that we are unable to exchange the new 2024 exchange notes for notes sharing a single CUSIP and ISIN number with the existing 2024 exchange notes, the new 2024 exchange notes will continue to trade under separate CUSIP and ISIN numbers and will not be fungible with the existing 2024 exchange notes until they are registered and exchanged for exchange notes which may adversely affect the liquidity of the new 2024 exchange notes and cause the new 2024 exchange notes to trade at different prices than the existing 2024 exchange notes.

USE OF PROCEEDS

The exchange offers are intended to satisfy obligations under the registration rights agreements that we and the guarantors entered into in connection with the private offerings of the outstanding notes. We will not receive any cash proceeds from the issuance of the exchange notes in the exchange offers. As consideration for issuing the exchange notes as contemplated in this prospectus, we will receive in exchange a like principal amount of outstanding notes of the corresponding series, the terms of which are identical in all material respects to the applicable exchange notes, except that such exchange notes will not contain terms with respect to transfer restrictions, registration rights or additional interest upon a failure to fulfill certain of our obligations under the applicable registration rights agreement. The outstanding notes that are surrendered in exchange for the exchange notes of the corresponding series will be retired and cancelled and cannot be reissued. As a result, the issuance of the exchange notes will not result in any increase or decrease in our level of indebtedness.

The summaries set forth below are qualified in their entirety by the actual text of the applicable agreements and indentures, each of which has been filed with the SEC and which may be obtained on publicly available websites or at the address set forth under "Available Information and Incorporation by Reference."

Senior Secured Credit Facilities

General

Our senior secured credit facilities are provided under a credit agreement dated as of January 26, 2007, which was amended and restated on March 26, 2010, further amended and restated on February 24, 2014 and amended on March 28, 2014 (as amended, supplemented or otherwise modified from time to time, the "senior secured credit agreement"). The borrower under our senior secured credit facilities is Aramark Services, Inc. In addition, certain foreign subsidiaries of Aramark Services, Inc. are borrowers under certain tranches of the term loan facilities and/or the revolving credit facility.

Our secured credit facilities consist of the following facilities as of September 30, 2016:

The maturity date of the term loans due February 24, 2021 will be accelerated to December 13, 2019 if any of the 2020 notes and existing 2024 exchange notes remain outstanding on December 13, 2019. As of September 30, 2016, $3,315.8 million (recorded at $3,291.1 million to reflect original issue discount and debt issuance costs) aggregate principal amount of term loans were outstanding.

Our revolving credit facility consists of the following subfacilities as of September 30, 2016:

- A revolving credit facility available for loans in U.S. dollars to Aramark Services, Inc. with aggregate commitments of $680.0 million (due February 24, 2019); and
- A revolving credit facility available for loans in Canadian dollars or U.S. dollars to Aramark Services, Inc. or a Canadian subsidiary with aggregate commitments of $50.0 million (due February 24, 2019).

As of September 30, 2016, there were no outstanding revolver loans and $713.5 million available for borrowing under the revolving credit facility. In addition, our revolving credit facility includes a $250.0 million

sublimit for letters of credit and includes borrowing capacity available for short-term borrowings, referred to as "swingline loans," subject to a sublimit.

Incremental facilities

The senior secured credit facilities provide that we have the right at any time to request up to $555.0 million of incremental commitments in the aggregate under one or more incremental term loan facilities and/or synthetic letter of credit facilities and/or revolving credit facilities and/ or by increasing commitments under the revolving credit facility. The lenders under these facilities are not under any obligation to provide any such incremental facilities or commitments, and any such addition of or increase in facilities or commitments will be subject to pro forma compliance with an incurrence-based financial covenant and customary conditions precedent. Our ability to obtain extensions of credit under these incremental facilities or commitments is subject to the same conditions as extensions of credit under the existing credit facilities.

Interest rate and fees

Borrowings under the senior secured credit facilities bear interest at a rate equal to an applicable margin plus, at our option, either (a) a LIBOR rate determined by reference to the costs of funds for deposits in the currency of such borrowing for the interest period relevant to such borrowing adjusted for certain additional costs, (b) with respect to borrowings denominated in U.S. dollars a base rate determined by reference to the highest of (1) the prime rate of the administrative agent, (2) the federal funds rate plus 0.50% and (3) the LIBOR rate plus 1.00% or (c) with respect to borrowings denominated in Canadian dollars, (1) a base rate determined by reference to the prime rate of Canadian banks or (2) a bankers' acceptance rate determined by reference to the rate offered for banker's acceptances in Canadian dollars for the interest period relevant to such borrowing.

The applicable margin spread for U.S. dollar borrowings under the revolving credit facility is 2.50% for eurocurrency (LIBOR) borrowings and 1.50% for base rate borrowings. The applicable margin spread for Canadian dollar borrowings under the revolving credit facility is 2.50% for bankers' acceptance rate borrowings and 1.50% for base rate borrowings.

In addition to paying interest on outstanding principal, we are required to pay a commitment fee to the lenders under the revolving credit facility in respect of the unutilized commitments thereunder. The commitment fee rate is 0.50% per annum.

Prepayments and amortization

The senior secured credit agreement requires us to prepay outstanding term loans, subject to certain exceptions, with:

- 50% of Aramark Services, Inc.'s annual excess cash flow (as defined in the senior secured credit agreement) with stepdowns to 25% and 0% upon Aramark Services, Inc.'s reaching certain consolidated leverage ratio thresholds;
- 100% of the net cash proceeds of all nonordinary course asset sales or other dispositions of property subject to certain exceptions and customary reinvestment rights; and 100% of the net cash proceeds of any incurrence of debt, including debt incurred by any business securitization subsidiary in respect of any business securitization facility, but excluding proceeds from receivables facilities and other debt permitted under the senior secured credit agreement.

The foregoing mandatory prepayments will be applied to the term loan facilities as directed by us. We may voluntarily repay outstanding loans under the senior secured credit facilities at any time without premium or penalty, other than customary "breakage" costs with respect to LIBOR loans. Prepaid term loans may not be reborrowed.

During fiscal 2016, we made an optional prepayment of $160.0 million of outstanding U.S. dollar term loan due 2019. During fiscal 2015, we made optional prepayments of approximately $157.0 million of outstanding U.S. dollar term loans. During fiscal 2014, we prepaid approximately $35.0 million to cover required principal payments on the 2019 term loan.

If a change of control as defined in the senior secured credit agreement occurs, this will cause an event of default under the credit agreement. Upon an event of default, the senior secured credit facilities may be accelerated, in which case we would be required to repay all outstanding loans plus accrued and unpaid interest and all other amounts outstanding under our senior secured credit facilities.

We are required to repay installments on the loans under the term loan facilities in quarterly principal amounts of 1.00% per annum of their funded total principal amount. This requirement does not apply to the term loans due September 7, 2019, due to the principal prepayments we have already made.

Principal amounts outstanding under the revolving credit facility are due and payable in full on the maturity date (February 24, 2019), on which date the commitments thereunder will terminate.

Guarantee and security

All obligations under the senior secured credit agreement are unconditionally guaranteed by Aramark Intermediate HoldCo Corporation and, subject to certain exceptions, substantially all of Aramark Services, Inc.'s existing and future domestic subsidiaries (excluding certain immaterial and dormant subsidiaries, receivables facility subsidiaries, business securitization subsidiaries and certain subsidiaries designated under the senior secured credit agreement as "unrestricted subsidiaries") (collectively, "U.S. Guarantors"). All obligations of each foreign borrower under the senior secured credit facilities are unconditionally guaranteed by Aramark Services, Inc., the U.S. Guarantors and, subject to certain exceptions and qualifications, the respective other foreign borrowers. All obligations under the senior secured credit facilities, and the guarantees of those obligations, are also secured by (i) a pledge of 100% of the capital stock of Aramark Services, Inc., (ii) pledges of 100% of the capital stock held by Aramark Services, Inc., Aramark Intermediate HoldCo Corporation or any of the U.S. Guarantors and (iii) a security interest in, and mortgages on, substantially all tangible assets of Aramark Intermediate HoldCo Corporation, Aramark Services, Inc. or any of the U.S. Guarantors.

Aramark is not a guarantor under the senior secured credit facilities and is not subject to the covenants or obligations under the senior secured credit agreement.

Certain covenants and events of default

The senior secured credit agreement contains a number of covenants that, among other things, restrict, subject to certain exceptions, Aramark Services, Inc.'s ability and the ability of its restricted subsidiaries to: incur additional indebtedness, issue preferred stock or provide guarantees; create liens on assets; engage in mergers or consolidations; sell assets; pay dividends, make distributions or repurchase its capital stock; make investments, loans or advances; repay or repurchase any notes, except as scheduled or at maturity; create restrictions on the payment of dividends or other transfers to Aramark Services, Inc. from its restricted subsidiaries; make certain acquisitions; engage in certain transactions with affiliates; amend material agreements governing Aramark Services, Inc.'s outstanding notes (or any indebtedness that refinances the notes); and fundamentally change Aramark Services, Inc.'s business.

In addition, the senior secured credit agreement requires Aramark Services, Inc. to maintain a maximum senior secured leverage ratio and imposes limitations on capital expenditures. The senior secured credit agreement also contains certain customary affirmative covenants, such as financial and other reporting, and certain events of default. As of September 30, 2016, Aramark Services, Inc. was in compliance with all of these covenants.

Senior Notes due 2020

General

On March 7, 2013, Aramark Services, Inc. issued $1,000 million aggregate principal amount of 5.75% on the 2020 notes pursuant to an indenture, dated as of March 7, 2013, among Aramark, Aramark Services, Inc., the guarantors named therein and The Bank of New York Mellon, as trustee.

The 2020 notes are unsecured obligations of Aramark Services, Inc. The 2020 notes rank equal in right of payment to all of Aramark Services, Inc.'s existing and future senior debt and senior in right of payment to all of Aramark Services, Inc.'s existing and future debt that is expressly subordinated in right of payment to the 2020 notes. Each of the guarantors named in the indenture governing the 2020 notes (each an "existing guarantor") provided an unconditional guarantee of the 2020 notes, which ranks equal in right of payment to all of the senior obligations of such guarantor. The 2020 notes and the guarantees thereof are effectively subordinated to Aramark Services, Inc.'s existing and future secured debt and that of the existing guarantors to the 2020 notes, including all indebtedness under our senior secured credit facilities, to the extent of the value of the assets securing that indebtedness. The 2020 notes and guarantees thereof are structurally subordinated to all of the liabilities of any of Aramark Services, Inc.'s subsidiaries that do not guarantee the 2020 notes.

Interest on the 2020 notes is payable on March 15 and September 15 of each year. Interest on the 2020 notes is calculated on the basis of a 360-day year of twelve 30 day months. The 2020 notes mature on March 15, 2020.

We used a portion of the net proceeds received from the private offerings of the outstanding notes to redeem $771.2 million aggregate principal amount of the 2020 notes in fiscal 2016.

As of September 30, 2016, $228.8 million principal amount of the 2020 notes remained outstanding (recorded at $227.0 million to reflect debt issuance costs).

Optional redemption

Aramark Services, Inc. has the option to redeem all or a portion of 2020 notes at any time at the redemption prices set forth in the indenture governing the 2020 notes.

Change of control offer

In the event of certain types of change of control, the holders of the 2020 notes may require Aramark Services, Inc. to purchase for cash all or a portion of their 2020 notes, as applicable at a purchase price equal to 101% of the principal amount of such notes, plus accrued and unpaid interest, if any, to the date of repurchase.

Covenants

The indenture governing the 2020 notes contains covenants limiting Aramark Services, Inc.'s ability and the ability of its restricted subsidiaries to: incur additional indebtedness or issue certain preferred shares; pay dividends and make certain distributions, investments and other restricted payments; create certain liens; sell assets; enter into transactions with affiliates; limit the ability of restricted subsidiaries to make payments to Aramark Services, Inc.; enter into sale and leaseback transactions; merge, consolidate, sell or otherwise dispose of all or substantially all of Aramark Services, Inc.'s assets; and designate Aramark Services, Inc.'s subsidiaries as unrestricted subsidiaries.

The indenture governing the 2020 notes also provides for events of default which, if any of them occurs, would permit or require the principal of and accrued interest on the 2020 notes to become or to be declared due and payable.

Aramark has guaranteed the 2020 notes, but is not subject to the covenants that apply to Aramark Services, Inc. or its restricted subsidiaries under the 2020 notes.

Receivables facility

We have in place an agreement where Aramark Receivables, LLC, a wholly owned, bankruptcy-remote subsidiary of Aramark Services, Inc., sells on a continuous basis an undivided interest in eligible accounts receivable generated by certain of our operating subsidiaries and other related assets to Wells Fargo Bank, N.A., the Toronto-Dominion Bank and a commercial paper conduit (the "Commercial Paper Conduit") sponsored by Coöperatieve Rabobank U.A., New York Branch ("Rabobank"). Aramark Receivables, LLC was formed for the sole purpose of transferring receivables generated by certain of our subsidiaries. Under this receivables facility, we and certain of our subsidiaries transfer without recourse all of their accounts receivable to Aramark Receivables, LLC. As collections reduce previously transferred interests, interests in new, eligible receivables are transferred to Aramark Receivables, LLC, subject to meeting certain conditions. Our receivables facility provides for up to $350.0 million of funding, based, in part, on the amount of eligible receivables, which funding capacity increases to $400.0 million from September to March and May to June. As of September 30, 2016, $268.0 million was outstanding under the receivables facility.

Availability of funding under the receivables facility depends primarily upon the outstanding accounts receivable balance of our subsidiaries that participate in the facility. Aggregate availability is determined by using a formula that reduces the gross receivables balance by factors that take into account, among other things, historical default and dilution rates, excessive obligor concentrations, average days outstanding and the costs of the facility.

The Commercial Paper Conduit may discontinue funding the receivables facility at any time for any reason. If it does, Rabobank will be obligated to fund the Commercial Paper Conduit's proportion of the receivables facility.

The final maturity of the receivables facility is May 2, 2019. The receivables facility may be terminated for material breaches of representations and warranties or covenants, bankruptcies of any seller, the collection agent or the transferor, a change of control or certain cross defaults under our senior secured credit facilities or other material indebtedness, among other reasons.

Other indebtedness

As of September 30, 2016, we had outstanding $78.6 million of secured debt representing capital lease obligations. In addition, we had $7.3 million of other indebtedness outstanding at September 30, 2016, consisting primarily of borrowings by certain of our foreign subsidiaries.

THE EXCHANGE OFFERS

In this section, the "issuer," "we," "us," and "our" refer to Aramark Services, Inc. and not to Aramark.

General

We hereby offer to exchange a like principal amount of exchange notes for any or all outstanding notes of the corresponding series on the terms and subject to the conditions set forth in this prospectus and accompanying letter of transmittal. We refer to the offers as the "exchange offers." You may tender some or all of your outstanding notes pursuant to the exchange offers.

As of the date of this prospectus, $500,000,000 aggregate principal amount of 5.125% Senior Notes due 2024 issued on May 31, 2016 and $500,000,000 aggregate principal amount of 4.750% Senior Notes due 2026 issued on May 31, 2016 are outstanding. This prospectus, together with the letter of transmittal, is first being sent to all holders of outstanding notes known to us on or about , . The issuer's obligation to accept outstanding notes for exchange pursuant to the exchange offers is subject to certain conditions set forth under "Conditions to the Exchange Offers" below. We currently expect that each of the conditions will be satisfied and that no waivers will be necessary.

Purpose and Effect of the Exchange Offers

We and the guarantors of the outstanding notes entered into registration rights agreements with the initial purchasers of each series of outstanding notes in which we agreed, under certain circumstances, to file a registration statement relating to offers to exchange the outstanding notes for exchange notes of the corresponding series. We also agreed to use our commercially reasonable best efforts to cause this registration statement to be declared effective and to cause the applicable exchange offer to be consummated within 270 days after the issue date of the applicable outstanding notes. The exchange notes will have terms substantially identical to the terms of the outstanding notes of the corresponding series, except that the exchange notes will not contain terms with respect to transfer restrictions, registration rights or additional interest upon a failure to fulfill certain of our obligations under the applicable registration rights agreement. The unregistered 2024 outstanding notes and the 2026 outstanding notes were issued on May 31, 2016.

Under the circumstances set forth below, we will use our commercially reasonable best efforts to cause the SEC to declare effective a shelf registration statement with respect to the resale of the outstanding notes within the time periods specified in the registration rights agreements and to keep the shelf registration statement effective for two years or such shorter period ending when all outstanding notes or exchange notes covered by the statement have been sold in the manner set forth and as contemplated in the statement or to the extent that the applicable provisions of Rule 144(k) under the Securities Act are amended or revised. These circumstances include:

- if applicable law or interpretations of the staff of the SEC do not permit the issuer and the guarantors to effect an exchange offer;
- if for any other reason an exchange offer is not consummated within 270 days of the issue date of the applicable outstanding notes;
- any initial purchaser requests in writing to the issuer within 30 days after the consummation of the applicable exchange offer with respect to the outstanding notes that are not eligible to be exchanged for exchange notes in such exchange offer and held by it following the consummation of such exchange offer; or
- if any holder of the outstanding notes that participates in the applicable exchange offer does not receive exchange notes of the corresponding series that may be sold without restriction in exchange for its tendered outstanding notes (other than due solely to the status of such holder as an affiliate of the issuer) and notifies the issuer within 30 days after becoming aware of restrictions.

If we fail to comply with certain obligations under the applicable registration rights agreement, we will be required to pay additional interest to holders of the applicable outstanding notes and the exchange notes of the corresponding series required to be registered on a shelf registration statement. Please read the section “Registration Rights” for more details regarding the registration rights agreements.

Each holder of outstanding notes that wishes to exchange their outstanding notes for exchange notes in the exchange offers will be required to make the following written representations:

- any exchange notes to be received by such holder will be acquired in the ordinary course of its business;
- such holder has no arrangement or understanding with any person to participate in the distribution (within the meaning of the Securities Act) of the exchange notes in violation of the provisions of the Securities Act;
- such holder is not an affiliate of the issuer, as defined by Rule 405 of the Securities Act, or if it is an affiliate, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable; and
- if such holder is not a broker-dealer, it is not engaged in, and does not intend to engage in, a distribution of exchange notes.

Each broker-dealer that receives exchange notes for its own account in exchange for outstanding notes, where the broker-dealer acquired the outstanding notes as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. Please see “Plan of Distribution.”

Resale of Exchange Notes

Based on interpretations by the staff of the SEC as set forth in no-action letters issued to third parties referred to below, we believe that you may resell or otherwise transfer exchange notes issued in the exchange offers without complying with the registration and prospectus delivery provisions of the Securities Act, if:

- you are acquiring the exchange notes in your ordinary course of business;
- you do not have an arrangement or understanding with any person to participate in a distribution of the exchange notes;
- you are not an affiliate of the issuer as defined by Rule 405 of the Securities Act; and
- you are not engaged in, and do not intend to engage in, a distribution of the exchange notes.

If you are an affiliate of the issuer, or are engaging in, or intend to engage in, or have any arrangement or understanding with any person to participate in, a distribution of the exchange notes, or are not acquiring the exchange notes in the ordinary course of your business, then:

- you cannot rely on the position of the staff of the SEC enunciated in Morgan Stanley & Co., Inc. (available June 5, 1991), Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the SEC’s letter to Shearman & Sterling dated July 2, 1993, or similar no-action letters; and
- in the absence of an exception from the position stated immediately above, you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the exchange notes.

This prospectus may be used for an offer to resell, for the resale or for other retransfer of exchange notes only as specifically set forth in this prospectus. With regard to broker-dealers, only broker-dealers that acquired the outstanding notes as a result of market-making activities or other trading activities may participate in the

exchange offers. Each broker-dealer that receives exchange notes for its own account in exchange for outstanding notes where such outstanding notes were acquired by such broker-dealer as a result of market-making activities or other trading activities must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. Please read "Plan of Distribution" for more details regarding the transfer of exchange notes.

Terms of the Exchange Offers

On the terms and subject to the conditions set forth in this prospectus and in the accompanying letter of transmittal, we will accept for exchange in the exchange offers any outstanding notes that are validly tendered and not validly withdrawn prior to the expiration date. Outstanding notes may only be tendered in denominations of $2,000 and integral multiples of $1,000 in excess of $2,000. We will issue $2,000 principal amount or an integral multiple of $1,000 of exchange notes in exchange for a corresponding principal amount of outstanding notes of the corresponding series surrendered in the exchange offers.

The form and terms of the exchange notes will be substantially identical to the form and terms of the outstanding notes of the corresponding series, except that the exchange notes will not contain terms with respect to transfer restrictions, registration rights or additional interest upon a failure to fulfill certain of our obligations under the applicable registration rights agreement. The exchange notes will evidence the same debt as the outstanding notes of the corresponding series. The exchange notes will be issued under and entitled to the benefits of the same indenture under which the outstanding notes of the corresponding series were issued, and the exchange notes and the outstanding notes will constitute a single class for all purposes under the applicable indenture. For a description of the indentures, please see "Description of the 2024 Notes" and "Description of the 2026 Notes," respectively.

The exchange offers are not conditioned upon any minimum aggregate principal amount of outstanding notes being tendered for exchange.

As of the date of this prospectus, $500,000,000 aggregate principal amount of 5.125% Senior Notes due 2024 issued on May 31, 2016 and $500,000,000 aggregate principal amount of 4.750% Senior Notes due 2026 issued on May 31, 2016 are outstanding. This prospectus and a letter of transmittal are being sent to all registered holders of outstanding notes. There will be no fixed record date for determining registered holders of outstanding notes entitled to participate in the exchange offers.

We intend to conduct the exchange offers in accordance with the provisions of the applicable registration rights agreement, the applicable requirements of the Securities Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the SEC. Outstanding notes that are not tendered for exchange in the exchange offers will remain outstanding and continue to accrue interest and will be entitled to the rights and benefits that such holders have under the applicable indenture relating to such holders' outstanding notes, except for any rights under the applicable registration rights agreement that by their terms terminate upon the consummation of an exchange offer.

We will be deemed to have accepted for exchange properly tendered outstanding notes when we have given oral or written notice of the acceptance to the exchange agent. The exchange agent will act as agent for the tendering holders for the purposes of receiving the exchange notes from us and delivering exchange notes to holders. Subject to the terms of the applicable registration rights agreement, we expressly reserve the right to amend or terminate any or all of the exchange offers and to refuse to accept the occurrence of any of the conditions specified below under "—Conditions to the Exchange Offers." We reserve the right to extend, amend or terminate, not accept outstanding notes in, or waive a condition to any exchange offer without doing the same with respect to the other exchange offer.

Holders who tender outstanding notes in the exchange offers will not be required to pay brokerage commissions or fees or, subject to the instructions in the letter of transmittal, transfer taxes with respect to the

exchange of outstanding notes. We will pay all charges and expenses, other than certain applicable taxes described below, in connection with the exchange offers. It is important that you read "—Fees and Expenses" below for more details regarding fees and expenses incurred in the exchange offers.

Expiration Date; Extensions, Amendments

As used in this prospectus, the term "expiration date" means 5:00 p.m., New York City time, on , 2017 which is the 21st business day after the date of this prospectus. However, if we, in our sole discretion, extend the period of time for which any or all of the exchange offers is open, the term "expiration date" will mean the latest time and date to which we shall have extended the expiration of such exchange offer.

To extend the period of time during which any or all of the exchange offers is open, we will notify the exchange agent of any extension by oral or written notice, followed by notification to the registered holders of the applicable outstanding notes no later than 9:00 a.m., New York City time, on the business day after the previously scheduled expiration date.

We reserve the right, in our sole discretion:

- to delay accepting for exchange any outstanding notes (only if we amend or extend the any or all of the exchange offers);
- to extend any or all of the exchange offers or to terminate any or all of the exchange offers and to refuse to accept outstanding notes not previously accepted if any of the conditions set forth below under "—Conditions to the Exchange Offers" have not been satisfied, by giving oral or written notice of such delay, extension or termination to the exchange agent; and
- subject to the terms of the applicable registration rights agreement, to amend the terms of any or all of the exchange offers in any manner.

Any delay in acceptance, extension, termination or amendment will be followed as promptly as practicable by oral or written notice to the registered holders of the outstanding notes. If we amend an exchange offer in a manner that we determine to constitute a material change, including the waiver of a material condition, we will promptly disclose the amendment by press release or other public announcement as required by Rule 14e-1(d) of the Exchange Act and will extend the offer period if necessary so that at least five business days remain in the offer following notice of the material change.

Conditions to the Exchange Offers

Despite any other term of the exchange offers, we will not be required to accept for exchange, or to issue exchange notes in exchange for, any outstanding notes of the corresponding series, and we may terminate or amend an exchange offer as provided in this prospectus before accepting any outstanding notes for exchange, if:

- an exchange offer, or the making of any exchange by a holder of outstanding notes, violates any applicable law or interpretation of the staff of the SEC;
- any action or proceeding shall have been instituted or threatened in any court or by any governmental agency that might materially impair our ability to proceed with an exchange offer, and any material adverse development shall have occurred in any existing action or proceeding with respect to us; or
- all governmental approvals shall not have been obtained, which approvals we deem necessary for the consummation of an exchange offer.

In addition, we will not be obligated to accept for exchange the outstanding notes of any holder that has not made to us:

- the representations described under "—Purpose and Effect of the Exchange Offers" and "—Procedures for Tendering Outstanding Notes"; and

- any other representations as may be reasonably necessary under applicable SEC rules, regulations, or interpretations to make available to us an appropriate form for registration of the exchange notes under the Securities Act.

We expressly reserve the right at any time or at various times to extend the period of time during which an exchange offer is open. Consequently, we may delay acceptance of any outstanding notes by notice by press release or other public announcement as required by Rule 14e-1(d) of the Exchange Act of such extension to their holders. During any such extensions, all outstanding notes previously tendered will remain subject to the applicable exchange offer, and we may accept them for exchange. We will return any outstanding notes that we do not accept for exchange for any reason without expense to their tendering holder promptly after the expiration or termination of the applicable exchange offer.

We expressly reserve the right to amend or terminate an exchange offer and to reject for exchange any outstanding notes not previously accepted for exchange upon the occurrence of any of the conditions of the exchange offers specified above. We will give notice by press release or other public announcement as required by Rule 14e-1(d) of the Exchange Act of any extension, amendment, non-acceptance or termination to the holders of the outstanding notes promptly. In the case of any extension, such notice will be issued no later than 9:00 a.m., New York City time, on the business day after the previously scheduled expiration date.

These conditions are for our sole benefit, and we may assert them regardless of the circumstances that may give rise to them so long as such circumstances do not arise due to our action or inaction or waive them in whole or in part at any or at various times in our sole discretion. If we fail at any time to exercise any of the foregoing rights, this failure will not constitute a waiver of such right. Each such right will be deemed an ongoing right that we may assert at any time or at various times.

Procedures for Tendering Outstanding Notes

Only a holder of outstanding notes may tender their outstanding notes in the exchange offers. To tender outstanding notes in the exchange offers, a holder must comply with either of the following:

- complete, sign and date the letter of transmittal or a facsimile of the letter of transmittal, have the signature on the letter of transmittal guaranteed if required by the letter of transmittal and mail or deliver such letter of transmittal or facsimile to the exchange agent prior to the expiration date; or
- comply with DTC’s Automated Tender Offer Program procedures described below.

In addition:

- the exchange agent must receive outstanding notes along with the letter of transmittal prior to the expiration date;
- the exchange agent must receive a timely confirmation of book-entry transfer of outstanding notes into the exchange agent’s account at DTC according to the procedure for book-entry transfer described below or a properly transmitted agent’s message prior to the expiration date; or
- the holder must comply with the guaranteed delivery procedures described below.

To be tendered effectively, the exchange agent must receive any physical delivery of the letter of transmittal and other required documents at the address set forth below under “—Exchange Agent” prior to the expiration date.

A tender to us that is not withdrawn prior to the expiration date constitutes an agreement between us and the tendering holder upon the terms and subject to the conditions described in this prospectus and in the letter of transmittal.

The method of delivery of outstanding notes, letters of transmittal and all other required documents to the exchange agent is at the holder's election and risk. Rather than mail these items, we recommend that holders use an overnight or hand delivery service. In all cases, holders should allow sufficient time to assure timely delivery to the exchange agent before the expiration date. Holders should not send letters of transmittal or certificates representing outstanding notes to us. Holders may request that their respective brokers, dealers, commercial banks, trust companies or other nominees effect the above transactions for them.

If you are a beneficial owner whose outstanding notes are held in the name of a broker, dealer, commercial bank, trust company or other nominee who wishes to participate in the exchange offers, you should promptly contact such party and instruct such person to tender outstanding notes on your behalf. If you wish to tender the outstanding notes yourself, you must, prior to completing and executing the letter of transmittal and delivering your outstanding notes, either:

- make appropriate arrangements to register ownership of the outstanding notes in your name; or
- obtain a properly completed bond power from the registered holder of outstanding notes.

The transfer of registered ownership may take considerable time and may not be able to be completed prior to the expiration date.

You must make these arrangements or follow these procedures before completing and executing the letter of transmittal and delivering the outstanding notes.

Signatures on the letter of transmittal or a notice of withdrawal, as the case may be, must be guaranteed by a member firm of a registered national securities exchange or of the Financial Industry Regulatory Authority, Inc., a commercial bank or trust company having an office or correspondent in the U.S. or another "eligible guarantor institution" within the meaning of Rule 17A(d)-15 under the Exchange Act unless the outstanding notes surrendered for exchange are tendered:

- by a registered holder of the outstanding notes who has not completed the box entitled "Special Registration Instructions" or "Special Delivery Instructions" on the letter of transmittal; or
- for the account of an eligible guarantor institution.

If the letter of transmittal is signed by a person other than the registered holder of any outstanding notes listed on the outstanding notes, such outstanding notes must be endorsed or accompanied by a properly completed bond power. The bond power must be signed by the registered holder as the registered holder's name appears on the outstanding notes and an eligible guarantor institution must guarantee the signature on the bond power.

If the letter of transmittal or any certificates representing outstanding notes or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, those persons should also indicate when signing and, unless waived by us, they should also submit evidence satisfactory to us of their authority to so act.

The exchange agent and DTC have confirmed that any financial institution that is a participant in DTC's system may use DTC's Automated Tender Offer Program to tender outstanding notes. Participants in the program may, instead of physically completing and signing the letter of transmittal and delivering it to the exchange agent, electronically transmit their acceptance of the exchange by causing DTC to transfer the outstanding notes to the exchange agent in accordance with DTC's Automated Tender Offer Program procedures for transfer. DTC will then send an agent's message to the exchange agent. The term "agent's message" means a message transmitted by DTC, received by the exchange agent and forming part of the book-entry confirmation, that states that:

- DTC has received an express acknowledgment from a participant in its Automated Tender Offer Program that is tendering outstanding notes that are the subject of the book-entry confirmation;

- the participant has received and agrees to be bound by the terms of the letter of transmittal or, in the case of an agent's message relating to guaranteed delivery, such participant has received and agrees to be bound by the notice of guaranteed delivery; and
- we may enforce that agreement against such participant.

DTC is referred to herein as a "book-entry transfer facility."

Acceptance of Outstanding Notes

In all cases, we will, promptly following the expiration date, issue exchange notes for outstanding notes of the corresponding series that we have accepted for exchange under the applicable exchange offer only after the exchange agent timely receives:

- outstanding notes or a timely book-entry confirmation of such outstanding notes into the exchange agent's account at the book-entry transfer facility; and
- a properly completed and duly executed letter of transmittal and all other required documents or a properly transmitted agent's message.

By tendering outstanding notes pursuant to the exchange offers, you will represent to us that, among other things:

- you are not our affiliate or an affiliate of any guarantor within the meaning of Rule 405 under the Securities Act;
- you do not have an arrangement or understanding with any person or entity to participate in a distribution of the exchange notes; and
- you are acquiring the exchange notes in the ordinary course of your business.

In addition, each broker-dealer that is to receive exchange notes for its own account in exchange for outstanding notes must represent that such outstanding notes were acquired by that broker-dealer as a result of market-making activities or other trading activities and must acknowledge that it will deliver a prospectus that meets the requirements of the Securities Act in connection with any resale of the exchange notes. The letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act. See "Plan of Distribution."

We will interpret the terms and conditions of the exchange offers, including the letter of transmittal and the instructions to the letter of transmittal, and will resolve all questions as to the validity, form, eligibility, including time of receipt, and acceptance of outstanding notes tendered for exchange. Our determinations in this regard will be final and binding on all parties. We reserve the absolute right to reject any and all tenders of any particular outstanding notes not properly tendered or to not accept any particular outstanding notes if the acceptance might, in our or our counsel's judgment, be unlawful. We also reserve the absolute right to waive any defects or irregularities as to any particular outstanding notes prior to the expiration date.

Unless waived, any defects or irregularities in connection with tenders of outstanding notes for exchange must be cured within such reasonable period of time as we determine. Neither we, the exchange agent, nor any other person will be under any duty to give notification of any defect or irregularity with respect to any tender of outstanding notes for exchange, nor will any of them incur any liability for any failure to give notification. Any outstanding notes received by the exchange agent that are not properly tendered and as to which the irregularities have not been cured or waived will be returned by the exchange agent to the tendering holder, unless otherwise provided in the letter of transmittal, promptly after the expiration date.

Book-entry Delivery Procedures

Promptly after the date of this prospectus, the exchange agent will establish an account with respect to the outstanding notes at DTC as the book-entry transfer facility, for purposes of the exchange offers. Any financial institution that is a participant in the book-entry transfer facility's system may make book-entry delivery of the outstanding notes by causing the book-entry transfer facility to transfer those outstanding notes into the exchange agent's account at the facility in accordance with the facility's procedures for such transfer. To be timely, book-entry delivery of outstanding notes requires receipt of a confirmation of a book-entry transfer, a "book-entry confirmation," prior to the expiration date. In addition, although delivery of outstanding notes may be effected through book-entry transfer into the exchange agent's account at the book-entry transfer facility, the letter of transmittal or a manually signed facsimile thereof, together with any required signature guarantees and any other required documents, or an "agent's message," as defined below, in connection with a book-entry transfer, must, in any case, be delivered or transmitted to and received by the exchange agent at its address set forth on the cover page of the letter of transmittal prior to the expiration date to receive exchange notes for tendered outstanding notes, or the guaranteed delivery procedure described below must be complied with. Tender will not be deemed made until such documents are received by the exchange agent. Delivery of documents to the book-entry transfer facility does not constitute delivery to the exchange agent.

Guaranteed Delivery Procedures

If you wish to tender your outstanding notes but your outstanding notes are not immediately available or you cannot deliver your outstanding notes, the letter of transmittal or any other required documents to the exchange agent or comply with the procedures under DTC's Automatic Tender Offer Program prior to the expiration date, you may still tender if:

- the tender is made through an eligible guarantor institution;
- prior to the expiration date, the exchange agent receives from such eligible guarantor institution either: (i) a properly completed and duly executed notice of guaranteed delivery, by facsimile transmission, mail or hand delivery or (ii) a properly transmitted agent's message and notice of guaranteed delivery, that (a) sets forth your name and address, the certificate number(s) of such outstanding notes and the principal amount of outstanding notes tendered; (b) states that the tender is being made by that notice of guaranteed delivery; and (c) guarantees that, within three New York Stock Exchange trading days after the expiration date, the letter of transmittal, or facsimile thereof, together with the outstanding notes or a book-entry confirmation, and any other documents required by the letter of transmittal, will be deposited by the eligible guarantor institution with the exchange agent; and
- the exchange agent receives the properly completed and executed letter of transmittal or facsimile thereof, as well as certificate(s) representing all tendered outstanding notes in proper form for transfer or a book-entry confirmation of transfer of the outstanding notes into the exchange agent's account at DTC, and all other documents required by the letter of transmittal within three New York Stock Exchange trading days after the expiration date.

Upon request, the exchange agent will send to you a notice of guaranteed delivery if you wish to tender your notes according to the guaranteed delivery procedures.

Withdrawal Rights

Except as otherwise provided in this prospectus, you may withdraw your tender of outstanding notes at any time prior to 5:00 p.m., New York City time, on the expiration date. For a withdrawal to be effective:

- the exchange agent must receive a written notice, which may be by telegram, telex, facsimile or letter, of withdrawal; or
- you must comply with the appropriate procedures of DTC's Automated Tender Offer Program system;

Any notice of withdrawal must:

- specify the name of the person who tendered the outstanding notes to be withdrawn;
- identify the outstanding notes to be withdrawn, including the certificate numbers and principal amount of the outstanding notes; and
- where certificates for outstanding notes have been transmitted, specify the name in which such outstanding notes were registered, if different from that of the withdrawing holder.

If certificates for outstanding notes have been delivered or otherwise identified to the exchange agent, then, prior to the release of such certificates, you must also submit:

- the serial numbers of the particular certificates to be withdrawn; and
- a signed notice of withdrawal with signatures guaranteed by an eligible institution unless you are an eligible guarantor institution.

If outstanding notes have been tendered pursuant to the procedures for book-entry transfer described above, any notice of withdrawal must specify the name and number of the account at the book-entry transfer facility to be credited with the withdrawn outstanding notes and otherwise comply with the procedures of the facility. We will determine all questions as to the validity, form and eligibility, including time of receipt of notices of withdrawal and our determination will be final and binding on all parties. Any outstanding notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the exchange offers. Any outstanding notes that have been tendered for exchange but that are not exchanged for any reason will be returned to their holder, without cost to the holder, or, in the case of book-entry transfer, the outstanding notes will be credited to an account at the book-entry transfer facility, promptly after withdrawal, rejection of tender or termination of the applicable exchange offer. Properly withdrawn outstanding notes may be retendered by following the procedures described under "—Procedures for Tendering Outstanding Notes" above at any time on or prior to the expiration date.

Fees and Expenses

Each registration rights agreement provides that we will bear all expenses in connection with the performance of our obligations relating to the registration of the applicable exchange notes and the conduct of the applicable exchange offer. These expenses include registration and filing fees, accounting and legal fees and printing costs, among others. We will pay the exchange agent reasonable and customary fees for its services and

reasonable out-of-pocket expenses. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for customary mailing and handling expenses incurred by them in forwarding this prospectus and related documents to their clients that are holders of outstanding notes and for handling or tendering for such clients.

We have not retained any dealer-manager in connection with the exchange offers and will not pay any fee or commission to any broker, dealer, nominee or other person, other than the exchange agent, for soliciting tenders of outstanding notes pursuant to the exchange offers. We will record the expenses of the exchange offer as incurred.

Accounting Treatment

We will record the exchange notes in our accounting records at the same carrying value as the outstanding notes, which is the aggregate principal amount as reflected in our accounting records on the date of exchanges. Accordingly, we will not recognize any gain or loss for accounting purposes upon the consummation of the exchange offers.

Transfer Taxes

We will pay all transfer taxes, if any, applicable to the exchanges of outstanding notes under the exchange offers. The tendering holder, however, will be required to pay any transfer taxes, whether imposed on the registered holder or any other person, if:

- certificates representing outstanding notes for principal amounts not tendered or accepted for exchange are to be delivered to, or are to be issued in the name of, any person other than the registered holder of outstanding notes tendered;
- tendered outstanding notes are registered in the name of any person other than the person signing the letter of transmittal; or
- a transfer tax is imposed for any reason other than the exchange of outstanding notes under the exchange offers.

If satisfactory evidence of payment of such taxes is not submitted with the letter of transmittal, the amount of such transfer taxes will be billed to that tendering holder.

Holders who tender their outstanding notes for exchange will not be required to pay any transfer taxes. However, holders who instruct us to register exchange notes in the name of, or request that outstanding notes not tendered or not accepted in the exchange offers be returned to, a person other than the registered tendering holder will be required to pay any applicable transfer tax.

Consequences of Failure to Exchange

If you do not exchange your outstanding notes for exchange notes of the corresponding series under the exchange offers, your outstanding notes will remain subject to the restrictions on transfer of such outstanding notes as set forth in the legend printed on the outstanding notes as a consequence of the issuance of the outstanding notes pursuant to the exemptions from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws.

In general, you may not offer or sell your outstanding notes unless they are registered under the Securities Act or if the offer or sale is exempt from registration under the Securities Act and applicable state securities laws. Except as required by the registration rights agreements, we do not intend to register resales of the outstanding notes under the Securities Act.

Other

Participating in the exchange offers is voluntary, and you should carefully consider whether to accept. You are urged to consult your financial and tax advisors in making your own decision on what action to take.

We may in the future seek to acquire untendered outstanding notes in open market or privately negotiated transactions, through subsequent exchange offers or otherwise. We have no present plans to acquire any outstanding notes that are not tendered in the exchange offers or to file a registration statement to permit resales of any untendered outstanding notes.

DESCRIPTION OF THE 2024 NOTES

General

In this description of the Notes (as defined below) all references to "we," "us" or "our" and "the Company" are to Aramark Services, Inc. only (the "***Company***") and not to Aramark or any of its Subsidiaries. References in this "Description of the 2024 Notes" to Aramark refer only to Aramark and not to its Subsidiaries or the Company. Although Aramark guarantees the Notes, it is not subject to the covenants that apply to the Company or its Restricted Subsidiaries under the Notes and references in this "Description of the 2024 Notes" to the Guarantors do not include Aramark.

On December 17, 2015, the Company issued $400.0 million aggregate principal amount of 5.125% Senior Notes due 2024 under an indenture, dated as of December 17, 2015, among the Company, Aramark, the Guarantors and The Bank of New York Mellon, as trustee (the "***Base Indenture***"), that were subsequently exchanged on April 6, 2016 for 5.125% Senior Notes due 2024 registered under the Securities Act (the "***Existing 2024 Exchange Notes***"). On May 31, 2016, the Company issued $500.0 million in aggregate principal amount of 5.125% Senior Notes due 2024 (the "***Unregistered 2024 Outstanding Notes***") under the Base Indenture as supplemented by a supplemental indenture, dated as of the Issue Date relating to the Unregistered 2024 Outstanding Notes (the "***Supplemental Indenture***" and, together with the Base Indenture, the "***Indenture***"), in a private transaction that was not subject to the registration requirements of the Securities Act. The Company is offering to exchange any and all of the Unregistered 2024 Outstanding Notes for notes registered under the Securities Act (the "***New 2024 Exchange Notes***"). The Unregistered 2024 Outstanding Notes constitute and the New 2024 Exchange Notes will constitute "Additional Notes" under the Indenture, and have and will have terms identical to the Existing 2024 Exchange Notes, other than the issue date and offering price, and vote and will vote together as a single class with the Existing 2024 Exchange Notes, but the Unregistered 2024 Outstanding Notes are not fungible with, or have the same CUSIP or ISIN numbers as, the Existing 2024 Exchange Notes. The terms of the New 2024 Exchange Notes to be issued in this exchange offer will be substantially identical to those of the Unregistered 2024 Outstanding Notes except that the Holders of the New 2024 Exchange Notes will no longer be entitled to registration rights pursuant to the Registration Rights Agreement. We expect that upon the completion of the exchange of the New 2024 Exchange Notes for registered notes as contemplated by the Registration Rights Agreement, the New 2024 Exchange Notes will have the same CUSIP and ISIN numbers as, and will be fungible with, the Existing 2024 Exchange Notes.

The Indenture sets forth certain specific terms applicable to the Notes. This description is intended to be an overview of the material provisions of the Notes and the Indenture. This summary is not complete and is qualified in its entirety by reference to the Indenture. You should carefully read the summary below and the provisions of the Indenture that may be important to you before participating in the exchange offer for the Notes. Capitalized terms defined in the Indenture have the same meanings when used in this description unless updated herein. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the "***Trust Indenture Act***"). Copies of the Indenture are available upon request to the Company.

The Notes are guaranteed on a senior basis by each direct and indirect Restricted Subsidiary of the Company that is a Domestic Subsidiary and that guarantees obligations of the Company under the Company's Senior Credit Facilities. The Indenture provides that any direct or indirect parent company of the Company may guarantee the Notes and in such case will allow the Company to satisfy its reporting obligations under the Indenture by furnishing financial information relating to the parent. Aramark as parent guarantor guarantees the Notes for purposes of financial reporting, but is not subject to the covenants that apply to Aramark Services, Inc. or its Restricted Subsidiaries under the Notes. As Aramark is a holding company with no operations or assets other than stock of the direct parent of the Company, you should not assign any value to its guarantee.

Brief description of the notes and the guarantees

The Notes:

- are general unsecured, senior obligations of the Company;
- rank *pari passu* in right of payment with all existing and future Senior Indebtedness of the Company, including Indebtedness under the Senior Credit Facilities, the Existing Notes and the 2026 Notes;
- are effectively subordinated to all Secured Indebtedness of the Company, including Indebtedness under the Senior Credit Facilities, to the extent of the collateral securing such Indebtedness;
- are structurally subordinated to all existing and future Indebtedness and claims of holders of Preferred Stock of Subsidiaries of the Company that do not guarantee the Notes;
- rank senior in right of payment to all existing and future Subordinated Indebtedness of the Company;
- are guaranteed on a senior unsecured basis by Aramark as parent guarantor and the Guarantors that guarantee the Senior Credit Facilities; and
- are subject to registration with the SEC pursuant to the Registration Rights Agreement.

The Guarantee of each Guarantor:

- is a senior obligation of such Guarantor;
- ranks *pari passu* in right of payment with all existing and future Senior Indebtedness of such Guarantor, including its guarantee under the Senior Credit Facilities, the Existing Notes and the 2026 Notes;
- is effectively subordinated to all Secured Indebtedness of such Guarantor, including its guarantee under the Senior Credit Facilities, to the extent of the collateral securing such Indebtedness;
- is structurally subordinated to all existing and future Indebtedness and claims of holders of Preferred Stock of Subsidiaries of such Guarantor that do not guarantee the Notes;
- ranks senior in right of payment to all existing and future Subordinated Indebtedness of such Guarantor; and
- is subject to registration with the SEC pursuant to the Registration Rights Agreement

Principal, maturity and interest

The Company issued on the Issue Date $500.0 million in aggregate principal amount of Unregistered 2024 Outstanding Notes. The Company may issue additional Notes under the Indenture from time to time after this offering subject to the covenant described below under "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" (the "***Additional Notes***"). The Existing 2024 Exchange Notes, the Unregistered 2024 Outstanding Notes, the New 2024 Exchange Notes and any Additional Notes subsequently issued under the Indenture shall be treated as a single class for all purposes under the Indenture, including waivers, amendments, redemptions and offers to purchase (except in the limited circumstances set forth below under "Amendment, supplement and waiver"). Unless the context requires otherwise, references to the "***Notes***" for all purposes of the Indenture and this "Description of the 2024 Notes" include the Existing 2024 Exchange Notes, the Unregistered 2024 Outstanding Notes, the New 2024 Exchange Notes and any Additional Notes that are actually issued and do not, for the avoidance of doubt, include the 2026 Notes.

Interest on the Notes accrues at the rate of 5.125% per annum and is payable semi-annually in arrears on January 15 and July 15, commencing on July 15, 2016, to the Holders of Notes of record on the immediately preceding January 1 and July 1. Interest on the Notes will accrue from the most recent date to which interest has

been paid with respect thereto or, if no interest has been paid with respect thereto, from and including the Original Issue Date. Interest on the Notes is computed on the basis of a 360-day year comprised of twelve 30-day months.

Maturity and payments

The Notes will mature on January 15, 2024. Additional Interest may accrue on the New Notes in certain circumstances pursuant to the Registration Rights Agreement as described under "Registration Rights." All references in the Indenture and this "Description of the 2024 Notes," in any context, to any interest or other amount payable on or with respect to the Unregistered 2024 Outstanding Notes shall be deemed to include any Additional Interest pursuant to the Registration Rights Agreement.

Principal of, premium, if any, and interest on the Notes is payable at the office or agency of the Company maintained for such purpose within the State of New York or, at the option of the Company, payments of interest may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that all payments of principal, premium, if any, and interest with respect to Notes represented by one or more global notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof. The Notes will be issued in denominations of $2,000 and any integral multiples of $1,000 in excess of $2,000.

Guarantees

Each direct and indirect Restricted Subsidiary of the Company that is a Domestic Subsidiary and that guarantees the obligations of the Company under the Company's Senior Credit Facilities (which on the Issue Date was each Domestic Subsidiary other than Receivables Subsidiaries and certain immaterial subsidiaries) jointly and severally, fully and unconditionally guarantees, as primary obligors and not merely as sureties, on a senior unsecured basis, the performance and full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Company under the Indenture and the Notes, whether for payment of principal of, or interest on or Additional Interest in respect of the Notes, expenses, indemnification or otherwise, on the terms set forth in the Indenture by executing the Indenture. None of our Restricted Subsidiaries that are Foreign Subsidiaries or any Receivables Subsidiary and certain immaterial subsidiaries will guarantee the Notes. Although Aramark is providing a guarantee of the Notes for purposes of financial reporting, it is not a "Guarantor" and its guarantee is not a "Guarantee," in each case as defined in and for purposes of this "Description of the 2024 Notes."

Each Guarantee is a general unsecured senior obligation of the applicable Guarantor, ranks pari passu in right of payment with all existing and any future Senior Indebtedness of such Guarantor, is effectively subordinated to all Secured Indebtedness of such Guarantor to the extent of the collateral securing such Indebtedness, and ranks senior in right of payment to all existing and any future Subordinated Indebtedness of such Guarantor. The Notes are structurally subordinated to Indebtedness of Subsidiaries of the Company that do not guarantee the Notes. See also "Brief description of the notes and the guarantees."

Each Guarantee contains a provision intended to limit the Guarantor's liability thereunder to the maximum amount that it could incur without causing the incurrence of obligations under its Guarantee to be a fraudulent transfer. This provision may not, however, be effective to protect a Guarantee from being voided under fraudulent transfer law, or may reduce the Guarantor's obligation to an amount that effectively makes its Guarantee worthless. See "Risk Factors —Risks Related to the Notes—Federal and state fraudulent transfer laws may permit a court to void or limit the amount payable under the notes or the guarantees, and, if that occurs, you may receive limited or no payments on the notes and guarantees affected."

Each Guarantor may consolidate with or merge into or sell all or substantially all its assets to (A) the Company or another Guarantor without limitation or (B) any other Person upon the terms and conditions set forth in the Indenture. See "Certain covenants—Merger, consolidation or sale of all or substantially all assets."

The Guarantee of a Guarantor will automatically and unconditionally be released and discharged upon:

(1) (a) the sale, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock (or any sale, disposition or other transfer of Capital Stock following which such Guarantor is no longer a Restricted Subsidiary), or all or substantially all the assets, of such Guarantor (other than a sale, disposition or other transfer to a Restricted Subsidiary) if such sale, disposition or other transfer is made in compliance with the applicable provisions of the Indenture;

(b) the designation by the Company of such Guarantor as an Unrestricted Subsidiary in accordance with the provisions of the Indenture as described under "Certain covenants—Limitation on restricted payments" and the definition of "Unrestricted Subsidiary";

(c) the release or discharge of such Guarantor from its guarantee of Indebtedness under the Senior Credit Facilities or the guarantee that resulted in the obligation of such Guarantor to guarantee the Notes, in each case, if such Guarantor would not then otherwise be required to guarantee the Notes pursuant to the covenant described under "Certain covenants—Limitation on guarantees of indebtedness by restricted subsidiaries," (treating any guarantees of such Guarantor that remain outstanding as incurred at least 30 days prior to such release) except, in each case, a release or discharge by, or as a result of, payment under such guarantee or payment in full of the Indebtedness under the Senior Credit Facilities; or

(d) the exercise by the Company of its legal defeasance option or its covenant defeasance option, as described under "Legal defeasance and covenant defeasance" or if the Company's obligations under the Indenture are discharged in accordance with the terms of the Indenture;

(2) in the case of clause (1)(a) above, the release of such Guarantor from its guarantee, if any, of and all pledges and security, if any, granted in connection with, the Senior Credit Facilities and any other Indebtedness of the Company or any Restricted Subsidiary (except with respect to a Restricted Subsidiary included in a Designated Business, Indebtedness of a Designated Business permitted by clause (y) of the second paragraph of the covenant described under "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified and preferred stock"); and

(3) such Guarantor delivering to the Trustee an Officers' Certificate and an opinion of counsel, each stating that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

Ranking

The Indebtedness evidenced by the New 2024 Exchange Notes and the Guarantees will be Senior Indebtedness of the Company or the applicable Guarantor, as the case may be, and will rank equal in right of payment with all existing and future Senior Indebtedness of the Company and the Guarantors, as the case may be, including the Obligations of the Company and the Guarantors under the Senior Credit Facilities, the Existing Notes and the 2026 Notes. However, the Notes are effectively subordinated to all of the Company's and the Guarantors' existing and future Secured Indebtedness (including Indebtedness under the Senior Credit Facilities) to the extent of the value of the assets securing such Indebtedness.

As of September 30, 2016, the Company and its Subsidiaries had $5,270.0 million aggregate principal amount of Indebtedness outstanding (excluding unused commitments), including Indebtedness represented by the Unregistered 2024 Outstanding Notes and the 2026 Notes, $227.0 million of Indebtedness represented by the Existing Notes, $400.0 million of Indebtedness represented by the Existing 2024 Exchange Notes, $3,291.1 million of Indebtedness outstanding under the Senior Credit Facilities, $268.0 million of Indebtedness outstanding under the Receivables Facility and $78.6 million of Indebtedness in respect of Capitalized Lease Obligations. In addition, as of September 30, 2016, the Company and its Subsidiaries would be able to incur an additional $713.5 million of Indebtedness under the Senior Credit Facilities.

A significant portion of the operations of the Company are conducted through its Subsidiaries. Unless the Subsidiary is a Guarantor, claims of creditors of such Subsidiaries, including trade creditors, and claims of preferred stockholders (if any) of such Subsidiaries generally will have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of the Company, including the holders of the Notes. The New 2024 Exchange Notes, therefore, will be structurally subordinated to holders of Indebtedness and other creditors (including trade creditors) and preferred stockholders (if any) of Subsidiaries of the Company that are not Guarantors. Although the Indenture limits the incurrence of Indebtedness by and the issuance of Disqualified Stock and preferred stock of certain of the Company's Subsidiaries, such limitation is subject to a number of significant qualifications. See "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock."

Not all of our Subsidiaries guarantee the Notes. As of September 30, 2016, our non-guarantor Subsidiaries had $1,245.6 million of total indebtedness and other claims and liabilities, all of which were structurally senior to the Notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, the non-guarantor Subsidiaries will pay the holders of their debt and other liabilities, including their trade creditors and holders of their preferred stock, if any, before they will be able to distribute any of their assets to us. Our non-guarantor Subsidiaries accounted for $3,720.0 million, or approximately 25.8%, of our sales and $163.3 million, or approximately 21.9%, of our operating income, in each case for the year ended September 30, 2016, and $2,816.0 million, or approximately 26.6%, of our total assets and $1,245.6 million (excluding intercompany liabilities), or approximately 14.8%, of our total liabilities, in each case as of September 30, 2016.

Although the Indenture contains limitations on the amount of additional Indebtedness that the Company and the Restricted Subsidiaries may incur, under certain circumstances the amount of such Indebtedness could be substantial. Moreover, the Indenture does not impose any limitation on the incurrence of liabilities that are not considered Indebtedness under the Indenture. See "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock."

Paying agent and registrar for the notes

The Company maintains one or more paying agents for the Notes in the Borough of Manhattan, City of New York. The initial paying agent for the Notes is the Trustee.

The Company also maintains a registrar with offices in the Borough of Manhattan, City of New York. The initial registrar is the Trustee. The registrar maintains a register reflecting ownership of the Notes outstanding from time to time and makes payments on and facilitate transfers of Notes on behalf of the Company.

The Company may change the paying agents or the registrars without prior notice to the Holders. The Company or any of its Subsidiaries may act as a paying agent or registrar.

Mandatory redemption; offer to purchase; open market purchases

The Company is not required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Company may be required to offer to purchase Notes as described under "Repurchase at the option of holders." The Company may from time to time acquire Notes by means other than a redemption, whether by tender offer, in open market purchases, through negotiated transactions or otherwise, in accordance with applicable securities laws.

Optional redemption

On or after January 15, 2019, the Company may redeem the Notes, in whole or in part, upon not less than 30 nor more than 60 days' prior notice at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, and Additional Interest, if any, thereon

to but not including the applicable redemption date, subject to the right of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on January 15 of each of the years indicated below:

Year	Percentage
2019	103.844%
2020	102.563%
2021	101.281%
2022 and thereafter	100.000%

Prior to January 15, 2019, the Company may, at its option, redeem up to 40% of the sum of the aggregate principal amount of all Notes issued under the Indenture at a redemption price equal to 105.125% of the aggregate principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to but not including the redemption date, subject to the right of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings of the Company or any direct or indirect parent of the Company to the extent such net proceeds are contributed to the Company; *provided* that:

- at least 50% of the sum of the aggregate principal amount of Notes originally issued under the Indenture and any Additional Notes that are issued under the Indenture after the Original Issue Date remain outstanding immediately after the occurrence of each such redemption; and
- each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

At any time prior to January 15, 2019, the Company may redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to but not including the redemption date, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

Notice of any redemption upon any Equity Offering or in connection with a transaction (or series of related transactions) that constitutes a Change of Control may be given prior to the redemption thereof.

Any redemption may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a Change of Control, an Equity Offering, other offering or other corporate transaction or event.

The Company may acquire notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the Indenture.

Selection and notice

If the Company is redeeming less than all of the Notes at any time, the Trustee will select the Notes of such series to be redeemed (a) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which such Notes are listed or (b) if such Notes are not so listed, on a *pro rata* basis or by lot or such other method as may be required by the applicable depository. No Notes of $2,000 or less shall be redeemed in part.

Notices of redemption shall be delivered electronically or mailed by first-class mail, postage prepaid, at least 30 days but not more than 60 days before the redemption date to each Holder at such Holder's registered address, except that notices of redemption may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. If any Note is to be redeemed in part only, any notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed.

A new Note in principal amount equal to the unredeemed portion of any Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption become due and payable on the date fixed for redemption, unless such redemption is conditioned on the happening of a future event. On and after the redemption date, unless the Company defaults in the redemption payment, interest shall cease to accrue on the Note or portions thereof called for redemption.

Repurchase at the option of holders

Change of control

If a Change of Control occurs, unless the Company has previously or concurrently mailed or transmitted electronically a redemption notice with respect to all outstanding Notes as described under "Optional redemption," the Company will make an offer to purchase all of the Notes pursuant to the offer described below (the "***Change of Control Offer***") at a price in cash (the "***Change of Control Payment***") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will send notice of such Change of Control Offer electronically or by first class mail, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the security register with a copy to the Trustee or otherwise in accordance with the procedures of DTC, with the following information:

(1) a Change of Control Offer is being made pursuant to this covenant, and all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Company;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is mailed (the "***Change of Control Payment Date***");

(3) any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) Holders will be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; *provided* that the paying agent receives, not later than the close of business on the last day of the offer period, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to $2,000 or an integral multiple of $1,000 in excess thereof; and

(8) if such notice is delivered prior to the occurrence of a Change of Control, such notice shall state that the Change of Control Offer is conditional on the occurrence of such Change of Control and describe such condition, and, if applicable, state that, in the Company's discretion, the Change of Control Payment Date may be delayed until such time as any or all such conditions shall be satisfied, or that such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed.

While the Notes are in global form and the Company makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes through the facilities of DTC, subject to its rules and regulations.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

On the Change of Control Payment Date, the Company will, to the extent permitted by law,

(1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the paying agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officers' Certificate stating that such Notes or portions thereof have been tendered to and purchased by the Company.

The paying agent will promptly mail to each Holder the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a principal amount of $2,000 or an integral multiple of $1,000 in excess thereof. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The Senior Credit Facilities (subject to limited exceptions), and future credit agreements or other agreements to which the Company becomes a party may, prohibit the Company from purchasing any Notes as a result of a Change of Control. In the event a Change of Control occurs at a time when the Company is prohibited from purchasing the Notes, the Company could seek the consent of their lenders to permit the purchase of the Notes or could attempt to refinance the borrowings and notes that contain such prohibition. If the Company does not obtain such consent or repay such borrowings, the Company will remain prohibited from purchasing the Notes. In such case, the Company's failure to purchase tendered Notes would constitute an Event of Default under the Indenture.

The Senior Credit Facilities provide that the occurrence of certain change of control events with respect to the Company (including a Change of Control under the Indenture) constitute a default thereunder. If the Company experiences a change of control that triggers a default under the Senior Credit Facilities or cross-defaults under any other Indebtedness or the Receivables Facility, the Company could seek a waiver of such defaults or seek to refinance the Indebtedness outstanding under the Senior Credit Facilities and such other Indebtedness. In the event the Company does not obtain such a waiver or refinance the Indebtedness outstanding under the Senior Credit Facilities and such other Indebtedness, such defaults could result in amounts outstanding under the Senior Credit Facilities and such other Indebtedness being declared due and payable and cause the Receivables Facility to be wound down. The Company's ability to pay cash to the Holders of Notes following the occurrence of a Change of Control may be limited by its then existing financial resources. There can be no assurance that sufficient funds will be available when necessary to make any required repurchases. See "Risk Factors—Risks Related to the Notes—We may not be able to repurchase the notes upon a change of control."

The Company is not required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the time and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The Change of Control purchase feature of the Notes may in certain circumstances make more difficult or discourage a sale or takeover of the Company and, thus, the removal of incumbent management. The Change of Control purchase feature is a result of negotiations between the Company and the initial purchasers of the Existing 2024 Exchange Notes. We have no current intention to engage in a transaction involving a Change of Control, although it is possible that we could decide to do so in the future. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control under the Indenture, but that could increase the amount of indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings. Restrictions on our ability to incur additional Indebtedness are contained in the covenant described under "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock." Such restrictions can be waived with the consent of the holders of a majority in principal amount of the Notes then outstanding. Except for the limitations contained in such covenant, however, the Indenture does not contain any covenants or provisions that may afford Holders protection in the event of a highly leveraged transaction.

The definition of "Change of Control" includes a disposition of all or substantially all of the assets of the Company to any Person. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Company. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Holder may require the Company to make an offer to repurchase the Notes as described above.

The provisions under the Indenture relating to the Company's obligation to make an offer to repurchase the Notes as a result of a Change of Control, including the definition of "Change of Control," may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes.

Asset sales

The Indenture provides that the Company will not, and will not permit any Restricted Subsidiary to, cause, make or suffer to exist an Asset Sale, unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Company) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(a) any liabilities (as shown on the most recent consolidated balance sheet of the Company or in the footnotes thereto) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes, that are assumed by the transferee of any such assets (or a third party on behalf of the transferee) and for which the Company or such Restricted Subsidiary has been validly released by all creditors,

(b) any securities, notes or other obligations or assets received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, and

(c) any Designated Noncash Consideration received by the Company or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Noncash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of (x) $300.0 million and (y) 3.0% of Total Assets at the time of the receipt of

such Designated Noncash Consideration, with the fair market value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be cash for purposes of this provision and for no other purpose.

Within 450 days after any of the Company's or any Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale, the Company or such Restricted Subsidiary may, at its option, apply the Net Proceeds from such Asset Sale:

(1) to permanently reduce (a) Obligations under any Senior Indebtedness of the Company or any Guarantor (other than Obligations owed to the Company or a Restricted Subsidiary) and, in the case of Obligations under revolving credit facilities or other similar Indebtedness, to correspondingly permanently reduce commitments with respect thereto; *provided* that if the Company or any Restricted Subsidiary shall so reduce Obligations under any Senior Indebtedness that is not secured by a Lien permitted by the Indenture, the Company or such Guarantor will, equally and ratably, reduce Obligations under the Notes by, at its option, (i) redeeming Notes, (ii) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes at 100% of the principal amount thereof, plus the amount of accrued and unpaid interest and Additional Interest, if any, on the principal amount of Notes to be repurchased or (iii) purchasing Notes through open market purchases (to the extent such purchases are at a price equal to or higher than 100% of the principal amount thereof) in a manner that complies with the Indenture and applicable securities law or (b) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Company or another Restricted Subsidiary; or

(2) to make (a) an investment in any one or more businesses; *provided* that such investment in any business is in the form of the acquisition of Capital Stock and results in the Company or any Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) an investment in properties, (c) capital expenditures and (d) acquisitions of other assets, that in each of (a), (b), (c) and (d), are used or useful in the business of the Company and in Restricted Subsidiaries or replace the businesses, properties and assets that are the subject of such Asset Sale.

Any Net Proceeds from the Asset Sale that are not invested or applied in accordance with the preceding paragraph within 450 days from the date of the receipt of such Net Proceeds will be deemed to constitute "***Excess Proceeds***"; *provided* that if during such 450-day period the Company or a Restricted Subsidiary enters into a definitive binding agreement committing it to apply such Net Proceeds in accordance with the requirements of clause (2) of the immediately preceding paragraph after such 450th day, such 450-day period will be extended with respect to the amount of Net Proceeds so committed until such Net Proceeds are required to be applied in accordance with such agreement (but such extension will in no event be for a period longer than 180 days) (or, if earlier, the date of termination of such agreement). When the aggregate amount of Excess Proceeds exceeds $100.0 million, the Company shall make an offer to all Holders and, if required by the terms of any Senior Indebtedness, to the holders of such Senior Indebtedness (other than with respect to Hedging Obligations) (an "***Asset Sale Offer***"), to purchase the maximum aggregate principal amount of Notes and such Senior Indebtedness that is a minimum of $2,000 or an integral multiple of $1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. The Company will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed $100.0 million by mailing the notice required pursuant to the terms of the Indenture, with a copy to the Trustee. The Company may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Proceeds prior to the expiration of the relevant 450 days or with respect to Excess Proceeds of $100.0 million or less.

To the extent that the aggregate amount of Notes and such Senior Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for

general corporate purposes, subject to the other covenants contained in the Indenture. If the aggregate principal amount of Notes or the Senior Indebtedness surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Company shall select or cause to be selected the Notes and such Senior Indebtedness to be purchased on a pro rata basis based on the accreted value or principal amount of the Notes or such Senior Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds related to such Asset Sale Offer shall be reset at zero.

Pending the final application of any Net Proceeds pursuant to this covenant, the Company or the applicable Restricted Subsidiary may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by the Indenture.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

The Senior Credit Facilities limit (in each case, subject to limited exceptions), and future credit agreements or other agreements to which the Company or any Restricted Subsidiary becomes a party may effectively limit or prohibit, the Company or any Restricted Subsidiary from purchasing any Notes as a result of an Asset Sale Offer. In the event the Company is required to make an Asset Sale Offer at a time when the Company is actually or effectively prohibited from purchasing the Notes, the Company or the Restricted Subsidiary could seek the consent of its lenders to permit the purchase of the Notes or could attempt to refinance the borrowings that contain such prohibition. If the Company or the Restricted Subsidiary does not obtain such consent or repay such borrowings, the Company will remain actually or effectively prohibited from purchasing the Notes. In such case, the Company's failure to purchase tendered Notes would constitute an Event of Default under the Indenture.

The provisions under the Indenture relative to the Company's obligation to make an offer to repurchase the Notes as a result of an Asset Sale may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes.

Certain covenants

Set forth below are summaries of certain covenants contained in the Indenture. During any period of time that (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under the Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "***Covenant Suspension Event***") then, the covenants specifically listed under the following captions in this "Description of the 2024 Notes" section of this prospectus will not be applicable to the Notes (collectively, the "***Suspended Covenants***"):

(1) "Repurchase at the option of holders—Asset sales";

(2) "—Limitation on restricted payments";

(3) "—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock";

(4) clause (4) of the first paragraph of "—Merger, consolidation or sale of all or substantially all assets";

(5) "—Transactions with affiliates";

(6) "—Dividend and other payment restrictions affecting restricted subsidiaries"; and

(7) "—Limitation on line of business."

During any period that the foregoing covenants have been suspended, the Company may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to the second sentence of the definition of "Unrestricted Subsidiary."

If and while the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants, the Notes will be entitled to substantially less covenant protection. In the event that the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants under the Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "***Reversion Date***") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Company and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under the Indenture with respect to future events. The period of time between the Suspension Date and the Reversion Date is referred to in this description as the "***Suspension Period***." The Guarantees of the Guarantors will be suspended during the Suspension Period. Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds shall be reset to zero.

In addition, during any Suspension Period, the Company and the Restricted Subsidiaries will not be subject to the covenant described under "Repurchase at the option of holders—Change of control"; *provided* that for purposes of determining the applicability of this covenant, the Reversion Date shall be defined as the date that (a) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating and/or (b) the Company or any of its Affiliates enter into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Notes below an Investment Grade Rating. On and after the Reversion Date as defined with respect to the covenant described under "Repurchase at the option of holders—Change of control," the Company and the Restricted Subsidiaries will thereafter again be subject to the such covenant under the Indenture, including, without limitation, with respect to a proposed transaction described in clause (b) above.

Notwithstanding the foregoing, in the event of any such reinstatement, no action taken or omitted to be taken by the Company or any of its Restricted Subsidiaries prior to such reinstatement will give rise to a Default or Event of Default under the Indenture with respect to the Notes; *provided* that (1) with respect to Restricted Payments made after such reinstatement, the amount of Restricted Payments made will be calculated as though the covenant described above under the caption "Certain covenants—Limitation on restricted payments" had been in effect prior to, but not during, the Suspension Period; and (2) all Indebtedness incurred, or Disqualified Stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to clause (e) of the second paragraph of "—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock." In addition, for purposes of clause (3) of the first paragraph under the caption "—Limitation on restricted payments," all events set forth in such clause (3) occurring during a Suspension Period shall be disregarded for purposes of determining the amount of Restricted Payments the Company or any Restricted Subsidiary is permitted to make pursuant to such clause (3).

There can be no assurance that the Notes will ever achieve or maintain Investment Grade Ratings.

Limitation on restricted payments

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly:

(1) declare or pay any dividend or make any distribution on account of the Company's or any Restricted Subsidiary's Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation, other than:

(A) dividends or distributions by the Company payable in Equity Interests (other than Disqualified Stock) of the Company; or

(B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Subsidiary, the Company or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities;

(2) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Company or any direct or indirect parent of the Company, including in connection with any merger or consolidation;

(3) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value in each case, prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness, other than:

(x) Indebtedness permitted under clauses (i) and (j) of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock"; or

(y) the purchase, repurchase or other acquisition of Subordinated Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of purchase, repurchase or acquisition; or

(4) make any Restricted Investment;

(all such payments and other actions set forth in clauses (1) through (4) above (other than any exception thereto) being collectively referred to as "***Restricted Payments***"), unless, at the time of such Restricted Payment:

(a) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(b) immediately after giving effect to such transaction on a *pro forma* basis, the Company could incur $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock"; and

(c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and the Restricted Subsidiaries after March 7, 2013 pursuant to the first paragraph of this covenant or clauses (1), (2) (with respect to the payment of dividends on Refunding Capital Stock pursuant to clause (b) thereof only), (6)(C), (8) and (12) of the next succeeding paragraph (and excluding, for the avoidance of doubt, all other Restricted Payments made pursuant to the next succeeding paragraph), is less than the sum, without duplication, of:

(1) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from December 31, 2010 to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment, or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit; *plus*

(2) 100% of the aggregate net cash proceeds and the fair market value, as determined in good faith by the Company, of marketable securities or other property received by the Company after March 7, 2013 (less the amount of such net cash proceeds to the extent such amount has been relied upon to permit the incurrence of Indebtedness, or issuance of Disqualified Stock or Preferred Stock pursuant to clause (v)(ii) of the second paragraph of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock") from the issue or sale, in each case after March 7, 2013, of:

(x) (I) Equity Interests of the Company, including Retired Capital Stock (as defined below), but excluding cash proceeds and the fair market value, as determined in good faith by the Company, of marketable securities or other property received from the sale of:

(A) Equity Interests to any future, current or former employees, directors, managers or consultants of the Company, any direct or indirect parent company of the

Company or any of the Company's Subsidiaries after March 7, 2013 to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of the next succeeding paragraph; and

(B) Designated Preferred Stock; and

(II) to the extent net cash proceeds are actually contributed to the Company, Equity Interests of the Company's direct or indirect parent companies (excluding contributions of the proceeds from the sale of Designated Preferred Stock of such companies or contributions to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of the next succeeding paragraph), or

(y) debt securities of the Company that have been converted into or exchanged for such Equity Interests of the Company;

provided that this clause (2) shall not include the proceeds from (a) Refunding Capital Stock (as defined below), (b) Equity Interests of the Company or convertible debt securities of the Company sold to a Restricted Subsidiary or the Company, as the case may be, (c) Disqualified Stock or debt securities that have been converted into or exchanged for Disqualified Stock or (d) Excluded Contributions; *plus*

(3) 100% of the aggregate amount of cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property contributed to the capital of the Company after March 7, 2013 other than the amount of such net cash proceeds to the extent such amount (i) has been relied upon to permit the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock pursuant to clause (v)(ii) of the second paragraph of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" (ii) are contributed by a Restricted Subsidiary and (iii) any Excluded Contributions; *plus*

(4) to the extent not already included in Consolidated Net Income, 100% of the aggregate amount received by the Company or a Restricted Subsidiary in cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property received after March 7, 2013 by means of:

(A) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of Restricted Investments made by the Company or any Restricted Subsidiary and repurchases and redemptions of such Restricted Investments from the Company or any Restricted Subsidiary and repayments of loans or advances that constitute Restricted Investments by the Company or any Restricted Subsidiary; or

(B) the sale (other than to the Company or a Restricted Subsidiary) of the Equity Interests of an Unrestricted Subsidiary or a distribution or dividend from an Unrestricted Subsidiary (other than in each case to the extent the Investment in such Unrestricted Subsidiary was made by the Company or a Restricted Subsidiary pursuant to clause (9) of the next succeeding paragraph or to the extent such Investment constituted a Permitted Investment); *plus*

(5) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary after March 7, 2013, the fair market value of the Investment in such Unrestricted Subsidiary, as determined by the Company in good faith (or if such fair market value exceeds $150.0 million, in writing by an Independent Financial Advisor), at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary, other than to the extent the Investment in such Unrestricted Subsidiary was made by the Company or a Restricted Subsidiary pursuant to clause (9) of the next succeeding paragraph or to the extent such Investment constituted a Permitted Investment.

As of September 30, 2016, we had an estimated capacity to make Restricted Payments in the amount of approximately $1,298.8 million under this clause (c).

The foregoing provisions will not prohibit:

(1) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of the Indenture;

(2) (a) the redemption, repurchase, retirement or other acquisition of any Equity Interests ("***Retired Capital Stock***") or Subordinated Indebtedness of the Company or any Equity Interests of any direct or indirect parent company of the Company, in exchange for, or out of the proceeds of the substantially concurrent sale (other than to a Restricted Subsidiary) of, Equity Interests of the Company or any direct or indirect parent company of the Company to the extent contributed to the Company (in each case, other than any Disqualified Stock) ("***Refunding Capital Stock***") and (b) if immediately prior to the retirement of Retired Capital Stock, the declaration and payment of dividends thereon was permitted under clause (6) of this paragraph, the declaration and payment of dividends on the Refunding Capital Stock (other than Refunding Capital Stock the proceeds of which were used to redeem, repurchase, retire or otherwise acquire any Equity Interests of any direct or indirect parent company of the Company) in an aggregate amount per year no greater than the aggregate amount of dividends per annum that was declarable and payable on such Retired Capital Stock immediately prior to such retirement;

(3) the defeasance, redemption, repurchase or other acquisition or retirement of Subordinated Indebtedness of the Company or a Guarantor made in exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of such Person that is incurred in compliance with the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" so long as:

(A) the principal amount of such new Indebtedness does not exceed the principal amount (or accreted value, if applicable) of the Subordinated Indebtedness being so defeased, redeemed, repurchased, acquired or retired for value, plus the amount of any reasonable premium required to be paid under the terms of the instrument governing the Subordinated Indebtedness being so defeased, redeemed, repurchased, acquired or retired (including reasonable tender premiums), defeasance costs and any reasonable fees and expenses incurred in connection with the issuance of such new Indebtedness;

(B) such new Indebtedness is subordinated to the Notes or the applicable Guarantee at least to the same extent as such Subordinated Indebtedness so defeased, redeemed, repurchased, acquired or retired;

(C) such new Indebtedness has a final scheduled maturity date equal to or later than the final scheduled maturity date of the Subordinated Indebtedness being so defeased, redeemed, repurchased, acquired or retired; and

(D) such new Indebtedness has a Weighted Average Life to Maturity equal to or greater than the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness being so defeased, redeemed, repurchased, acquired or retired;

(4) a Restricted Payment to pay for the repurchase, retirement or other acquisition or retirement for value of Equity Interests of the Company or any of its direct or indirect parent companies held by any future, current or former employee, director, manager or consultant (or their Controlled Investment Affiliates or Immediate Family Members) of the Company, any of its Subsidiaries, any of its direct or indirect parent companies or any other entity in which the Company or a Restricted Subsidiary has an Investment and is designated in good faith as an "affiliate" by the Board of Directors of the Company (or the Compensation Committee thereof), in each case pursuant to any stockholders' agreement, management equity plan or stock incentive plan or any other management or employee benefit plan or agreement; *provided* that the aggregate Restricted Payments made under this clause (4) do not exceed $100.0 million in any fiscal year); *provided*, *further*, that such amount in any fiscal year may be increased by an amount not to exceed:

(A) the cash proceeds from the sale of Equity Interests (other than Disqualified Stock) of the Company and, to the extent contributed to the Company, Equity Interests of any of the Company's

direct or indirect parent companies, in each case to members of management, directors, managers or consultants (or their Controlled Investment Affiliates or Immediate Family Members) of the Company, any of its Subsidiaries or any of its direct or indirect parent companies that occurs after the Original Issue Date, to the extent the cash proceeds from the sale of such Equity Interests have not otherwise been applied to the payment of Restricted Payments by virtue of clause (c) of the preceding paragraph; *plus*

(B) the cash proceeds of key man life insurance policies received by the Company and the Restricted Subsidiaries after the Original Issue Date; *less*

(C) the amount of any Restricted Payments made in any prior fiscal year pursuant to clauses (A) and (B) of this clause (4); and *provided, further*, that cancellation of Indebtedness owing to the Company or any Restricted Subsidiary from members of management, directors, managers or consultants of the Company, any of its direct or indirect parent companies or any Restricted Subsidiary in connection with a repurchase of Equity Interests of the Company or any of its direct or indirect parent companies will not be deemed to constitute a Restricted Payment for purposes of this covenant or any other provision of the Indenture;

(5) the declaration and payment of dividends to holders of any class or series of Disqualified Stock of the Company or any Restricted Subsidiary issued in accordance with the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" to the extent such dividends are included in the definition of "Fixed Charges";

(6) (A) the declaration and payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued by the Company after the Original Issue Date;

(B) the declaration and payment of dividends to a direct or indirect parent company of the Company, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) of such parent company issued after the Original Issue Date; *provided* that the amount of dividends paid pursuant to this clause (B) shall not exceed the aggregate amount of cash actually contributed to the Company from the sale of such Designated Preferred Stock; or

(C) the declaration and payment of dividends on Refunding Capital Stock that is Preferred Stock in excess of the dividends declarable and payable thereon pursuant to clause (2) of this paragraph; *provided, however*, in the case of each of (A), (B) and (C) of this clause (6), that for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock or the declaration of such dividends on Refunding Capital Stock that is Preferred Stock, after giving effect to such issuance or declaration on a pro forma basis, the Company and the Restricted Subsidiaries on a consolidated basis would have had a Fixed Charge Coverage Ratio of at least 2.00 to 1.00;

(7) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants if such Equity Interests represent a portion of the exercise price of such options or warrants;

(8) the declaration and payment of dividends on the Company's common stock of up to 6% per annum of the net proceeds received by or contributed to the Company in or from any public offering of common stock of the Company or any direct or indirect parent company of the Company, other than public offerings with respect to common stock registered on Form S-4 or Form S-8 and other than any public sale constituting an Excluded Contribution;

(9) Restricted Payments that are made with Excluded Contributions;

(10) the declaration and payment of dividends by the Company to, or the making of loans to, its direct or indirect parent company in amounts required for the Company's direct or indirect parent companies to pay, in each case without duplication:

(A) franchise and similar taxes and other fees and expenses, required to maintain their corporate existence;

(B) foreign, federal, state and/or local consolidated, combined or similar income taxes, to the extent such income taxes are attributable to the income of the Company and its Restricted Subsidiaries and, to the extent of the amount actually received from its Unrestricted Subsidiaries, in amounts required to pay such taxes to the extent attributable to the income of such Unrestricted Subsidiaries; *provided* that in each case the amount of such payments in any fiscal year does not exceed the amount that the Company and its Restricted Subsidiaries (and its Unrestricted Subsidiaries, to the extent described above) would be required to pay in respect of such foreign, federal, state and/or local taxes (as applicable) for such fiscal year were the Company, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent described above) to pay such taxes separately from any such parent entity;

(C) customary salary, bonus and other benefits payable to officers and employees of any direct or indirect parent company of the Company to the extent such salaries, bonuses and other benefits are attributable to the ownership or operation of the Company and the Restricted Subsidiaries;

(D) general corporate overhead expenses of any direct or indirect parent company of the Company to the extent such expenses are attributable to the ownership or operation of the Company and the Restricted Subsidiaries; and

(E) reasonable fees and expenses incurred in connection with any unsuccessful debt or equity offering by such direct or indirect parent company of the Company;

(11) [reserved];

(12) the repurchase, redemption or other acquisition or retirement for value of any Subordinated Indebtedness pursuant to provisions similar to those described under “Repurchase at the option of holders—Change of control” and “Repurchase at the option of holders—Asset sales”; *provided* that, prior to such repurchase, redemption or other acquisition, the Company (or a third party to the extent permitted by the Indenture) shall have made a Change of Control Offer or Asset Sale Offer, as the case may be, with respect to the Notes and shall have repurchased all Notes validly tendered and not withdrawn in connection with such Change of Control Offer or Asset Sale Offer;

(13) payments made or expected to be made by the Company or any Restricted Subsidiary in respect of withholding or similar taxes payable by any future, present or former employee, director, manager or consultant (or their respective estates, investment funds, investment vehicles or Immediate Family Members) and any repurchases of Equity Interests in consideration of such payments including deemed repurchases in connection with the exercise of stock options;

(14) distributions or payments of Receivables Fees;

(15) the distribution, as a dividend or otherwise (and the declaration of such dividend), of shares of Equity Interests of, or Indebtedness owed to the Company or a Restricted Subsidiary by, any Unrestricted Subsidiary (other than Unrestricted Subsidiaries, the primary assets of which are cash and/or Cash Equivalents);

(16) other Restricted Payments in an amount which, when taken together with all other Restricted Payments made pursuant to this clause (16), does not exceed the greater of (x) $200.0 million and (y) 2.0% of Total Assets;

(17) Restricted Payments in an amount equal to any reduction in taxes actually realized by the Company and its Restricted Subsidiaries in the form of refunds or credits or from deductions when applied to offset income or gain as a direct result of (i) transaction fees and expenses or (ii) commitment and other financing fees; and

(18) Restricted Payments consisting of a dividend or other distribution or exchange (and the declaration thereof) of Equity Interests of any entity or entities constituting a Designated Business; *provided* that after giving *pro forma* effect to such Restricted Payment (including the application of the net proceeds therefrom), the Consolidated Leverage Ratio would be no greater than 6.00 to 1.00.

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (8), (15), (16), (17) and (18) no Default shall have occurred and be continuing or would occur as a consequence thereof.

As of the Issue Date, all of the Company's Subsidiaries were Restricted Subsidiaries. The Company will not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the penultimate paragraph of the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Company and the Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation will be permitted only if a Restricted Payment in such amount would be permitted at such time, whether pursuant to the first paragraph of this covenant or under clause (9) or (16), or pursuant to the definition of "Permitted Investments," and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in the Indenture.

For purposes of determining compliance with this covenant, in the event that a proposed Restricted Payment (or a portion thereof) meets the criteria of clauses (1) through (17) above or is entitled to be made pursuant to the first paragraph of this covenant, the Company will be entitled to classify or later reclassify (based on circumstances existing on the date of such reclassification) such Restricted Payment (or portion thereof) among such clauses (1) through (17) and such first paragraph in a manner that otherwise complies with this covenant.

Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, "***incur***" and collectively, an "***incurrence***") with respect to any Indebtedness (including Acquired Indebtedness), and the Company will not issue any shares of Disqualified Stock and will not permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock; *provided* that the Company may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any Restricted Subsidiary may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock or issue shares of Preferred Stock, if the Fixed Charge Coverage Ratio on a consolidated basis for the Company's and its Restricted Subsidiaries' most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of the proceeds therefrom had occurred at the beginning of such four-quarter period; *provided* that the amount of Indebtedness (excluding Acquired Indebtedness not incurred in connection with or in contemplation of the applicable merger, acquisition or other similar transaction), Disqualified Stock and Preferred Stock that may be incurred or issued, as applicable, pursuant to the foregoing and clauses (p), (s) and (v)(i) below, in each case by Restricted Subsidiaries that are not Guarantors shall not exceed $500.0 million at any one time outstanding.

(u) Indebtedness, Disqualified Stock or Preferred Stock issued by the Company or any Restricted Subsidiary to current or former officers, managers, directors and employees thereof, their respective trusts, estates or Immediate Family Members, in each case to finance the purchase or redemption of Equity Interests of the Company or any direct or indirect parent company of the Company to the extent described in clause (4) of the second paragraph under “Limitation on restricted payments”;

(i) the greater of (x) $250.0 million and (y) 2.5% of Total Assets (it being understood that any Indebtedness, Disqualified Stock and Preferred Stock incurred pursuant to this clause (v)(i) shall cease to be deemed incurred or outstanding for purposes of this clause (v)(i) but shall be deemed incurred pursuant to the first paragraph of this covenant from and after the first date on which the Company or such Restricted Subsidiary could have incurred such Indebtedness, Disqualified Stock or Preferred Stock under the first paragraph of this covenant without reliance on this clause (v)(i)); *provided* that together with amounts incurred and outstanding pursuant to the second proviso to the first paragraph of this covenant and clauses (p) and (s), no more than $500.0 million of Indebtedness (excluding Acquired Indebtedness not incurred in connection with or in contemplation of the applicable merger, acquisition or other similar transaction), Disqualified Stock or Preferred Stock at any one time outstanding and incurred by Restricted Subsidiaries that are not Guarantors pursuant to this clause (v)(i) shall be incurred and outstanding; *plus*

(ii) 200% of the net cash proceeds received by the Company since after March 7, 2013 from the issue or sale of Equity Interests of the Company or cash contributed to the capital of the Company (in each case, other than proceeds of Disqualified Stock or sales of Equity Interests to the Company or any of its Subsidiaries) as determined in accordance with clauses (c)(2) and (c)(3) of the first paragraph of the covenant described under “Limitation on restricted payments” to the extent such net cash proceeds or cash have not been applied pursuant to such clauses to make Restricted Payments or to make other Investments, payments or exchanges pursuant to the second paragraph of the covenant described under “Limitation on restricted payments” or to make Permitted Investments (other than Permitted Investments specified in clauses (a) and (c) of the definition thereof);

(w) Attributable Debt incurred by the Company or any Restricted Subsidiary pursuant to Sale and Lease Back Transactions of property (real or personal), equipment or other fixed or capital assets owned by the Company or any Restricted Subsidiary as of the Original Issue Date or acquired by the Company or any Restricted Subsidiary after the Original Issue Date in exchange for, or with the proceeds of the sale of, such assets owned by the Company or any Restricted Subsidiary as of the Original Issue Date, *provided* that the aggregate amount of Attributable Debt incurred under this clause (w) does not exceed the greater of (x) $150.0 million and (y) 1.5% of Total Assets;

(x) Indebtedness incurred by any Foreign Subsidiary of Aramark (BVI) Limited (or any successor thereto) related to the Company’s Chilean operations, including, without limitation, Central de Restaurantes Aramark Limitada not to exceed $25.0 million at any one time outstanding; and

(y) Indebtedness of a Designated Business which Indebtedness is incurred substantially concurrently with the disposition of such Designated Business pursuant to clause (18) of the second paragraph of the covenant described under "Limitation on restricted payments" and which Indebtedness is non-recourse to the Company and its Restricted Subsidiaries other than any Restricted Subsidiary included in such Designated Business.

For purposes of determining compliance with this covenant, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) at any time meets the criteria of more than one of the categories of Permitted Debt described in clauses (a) through (x) above or is entitled to be incurred pursuant to the first paragraph of this covenant, the Company, in its sole discretion, will classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one or more of the above clauses at such time; *provided* that all Indebtedness outstanding under the Senior Credit Facilities on the Original Issue Date will be deemed to have been incurred on such date in reliance on the exception in clause (a) of the definition of Permitted Debt.

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this covenant. Any Refinancing Indebtedness and any Indebtedness incurred to refinance Indebtedness incurred pursuant to clauses (a) and (v) above shall be deemed to include additional Indebtedness, Disqualified Stock or preferred stock incurred to pay premiums (including reasonable tender premiums), defeasance costs, fees and expenses in connection with such refinancing.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

The principal amount of any Indebtedness incurred to extend, replace, refund, refinance, renew or defease other Indebtedness, if incurred in a different currency from the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance.

The Indenture provides that the Company will not, and will not permit any Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Company or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Company or such Guarantor, as the case may be.

The Indenture does not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Senior Indebtedness as subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

Liens

The Company will not, and will not permit any of the Guarantors to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness on any asset or property of the Company or any Guarantor now owned or hereafter acquired, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(1) in the case of Liens securing Subordinated Indebtedness, the Notes or the applicable Guarantee of a Guarantor, as the case may be, are secured by a Lien on such property or assets that is senior in priority to such Liens; and

(2) in all other cases, the Notes or the applicable Guarantee of a Guarantor, as the case may be, are equally and ratably secured or are secured by a Lien on such assets or property that is senior in priority to such Lien; *provided* that any Lien which is granted to secure the Notes under this covenant shall be discharged at the same time as the discharge of the Lien (other than through the exercise of remedies with respect thereto) that gave rise to the obligation to so secure the Notes.

Limitation on sale and lease-back transactions

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Lease-Back Transaction with respect to any property unless:

(1) the Company or such Restricted Subsidiary would be entitled to (A) incur Indebtedness in an amount equal to the Attributable Debt with respect to such Sale and Lease-Back Transaction pursuant to the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" and (B) create a Lien on such property securing such Attributable Debt without equally and ratably securing the Notes pursuant to the covenant described under "Liens";

(2) the consideration received by the Company or any Restricted Subsidiary in connection with such Sale and Lease-Back Transaction is at least equal to the fair market value (as determined in good faith by the Company) of such property; and

(3) the Company applies the proceeds of such transaction in compliance with the terms described under "Repurchase at the option of holders—Asset sales."

Merger, consolidation or sale of all or substantially all assets

The Company may not consolidate or merge with or into or wind up into (whether or not the Company is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Subsidiaries on a consolidated basis, in one or more related transactions, to any Person unless:

(1) the Company is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation organized or existing under the laws of the United States of America, any state thereof, the District of Columbia, or any territory thereof (the Company or such Person, as the case may be, being herein called the "***Successor Company***");

(2) the Successor Company, if other than the Company, expressly assumes all the obligations of the Company under the Indenture and the Notes pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving pro forma effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four quarter period,

(A) the Successor Company would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock," or

(B) the Fixed Charge Coverage Ratio for the Successor Company, the Company and the Restricted Subsidiaries on a consolidated basis would be greater than such ratio for the Company and the Restricted Subsidiaries immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case clause (A)(2) of the second succeeding paragraph shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under the Indenture and the Notes; and

(6) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture.

Notwithstanding anything to the contrary herein, the disposition of a Designated Business pursuant to clause (18) of the covenant described under "Limitation on restricted payments" or the covenant described under "Repurchase at the option of holders—Asset sales," shall not be deemed to be a sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company and its Subsidiaries on a consolidated basis.

Subject to certain limitations described in the Indenture, the Successor Company will succeed to, and be substituted for, the Company under the Indenture and the Notes. Notwithstanding the foregoing clauses (3) and (4),

(a) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to, the Company, and

(b) the Company may merge with an Affiliate of the Company incorporated solely for the purpose of reincorporating the Company in another state of the United States of America or the District of Columbia or any territory thereof so long as the amount of Indebtedness of the Company and the Restricted Subsidiaries is not increased thereby.

Subject to certain limitations described in the Indenture governing release of a Guarantee upon the sale, disposition or transfer of a Guarantor, each Guarantor will not, and the Company will not permit any Guarantor to, consolidate or merge with or into or wind up into (whether or not such Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(a) (1) such Guarantor is the surviving entity or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the United States of America, any state thereof, the District of Columbia, or any territory thereof (such Guarantor or such Person, as the case may be, being herein called the "***Successor Person***");

(2) the Successor Person, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under the Indenture and such Guarantor's Guarantee, pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists; and

(4) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(b) the transaction is made in compliance with the covenant described under "Repurchase at the option of holders—Asset sales."

Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, such Guarantor under the Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, any Guarantor may merge into or transfer all or part of its properties and assets to another Guarantor or the Company.

For purposes of this covenant, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company and its Subsidiaries on a consolidated basis shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

Transactions with affiliates

The Company will not, and will not permit any Restricted Subsidiary to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each of the foregoing, an "***Affiliate Transaction***") involving aggregate payments or consideration in excess of $20.0 million, unless:

(a) such Affiliate Transaction is on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(b) the Company delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of $50.0 million, a Board Resolution adopted by the majority of the members of the Board of Directors of the Company approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (a) above.

The foregoing provisions will not apply to the following:

(1) transactions between or among the Company or any of the Restricted Subsidiaries;

(2) Restricted Payments permitted by the provisions of the Indenture described above under "Limitation on restricted payments" and the definition of "Permitted Investments";

(3) [reserved];

(5) [reserved];

(6) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (a) of the preceding paragraph;

(7) (A) payments and Indebtedness, Disqualified Stock and Preferred Stock (and cancellation of any thereof) of the Company and its Restricted Subsidiaries to any future, current or former employee, director, manager or consultant (or their respective trusts, estates, investment funds, investment vehicles or Immediate Family Members) of the Company, any of its subsidiaries or any of its direct or indirect parent

companies pursuant to any management equity plan or stock option plan or any other management or employee benefit, plan or agreement; and (B) any employment agreements, stock option plans and other compensatory arrangements (including, without limitation, the Company's 2001 and 2005 Stock Unit Retirement Plans (and any successor plans thereto) and any supplemental executive retirement benefit plans or arrangements with any such employees, directors, managers or consultants (or their respective trusts, estates, investment funds, investment vehicles or Immediate Family Members) that are, in each case, approved by the Company in good faith;

(8) any agreement, instrument or arrangement as in effect as of the Original Issue Date, or any amendment thereto (so long as any such amendment is not disadvantageous to the Holders when taken as a whole in any material respect as compared to the applicable agreement as in effect on the Original Issue Date as reasonably determined in good faith by the Company);

(9) the existence of, or the performance by, the Company or any of the Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement or its equivalent (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Original Issue Date and any similar agreements which it may enter into thereafter; provided, however, that the existence of, or the performance by the Company or any Restricted Subsidiary of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Original Issue Date shall only be permitted by this clause (9) to the extent that the terms of any such existing agreement together with all amendments thereto, taken as a whole, or new agreement do not require payments by the Company or any Subsidiary that are materially in excess of those required pursuant to the terms of the original agreement in effect on the Original Issue Date as reasonably determined in good faith by the Company;

(10) [reserved];

(11) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of the Indenture that are fair to the Company and the Restricted Subsidiaries, in the reasonable determination of the Board of Directors or the senior management of the Company, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(12) the issuance or transfer of Equity Interests (other than Disqualified Stock) of the Company to any Permitted Holder or to any former, current or future director, manager, officer, employee or consultant (or their respective estates, investment funds, investment vehicles, spouses or former spouses) of the Company, any of its subsidiaries or any direct or indirect parent company thereof;

(13) sales of accounts receivable, or participations therein, in connection with any Receivables Facility;

(14) investments by the Neubauer Stockholders in securities of the Company or any of its Restricted Subsidiaries so long as (i) the investment is being offered generally to other investors on the same or more favorable terms and (ii) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities;

(15) payments to or from, and transactions with, any joint ventures in the ordinary course of business; and

(16) payments by the Company (and any direct or indirect parent thereof) and its Subsidiaries pursuant to tax sharing agreements among the Company (and any such parent) and its Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Company and its Subsidiaries; *provided* that in each case the amount of such payments in any fiscal year does not exceed the amount that the Company, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent of amounts received by the Company or a Restricted Subsidiary from Unrestricted Subsidiaries) would be required to pay in respect of foreign, federal, state and/or local consolidated, combined or similar taxes for such fiscal year were the Company and its Restricted Subsidiaries (and its Unrestricted Subsidiaries, to the extent described above) to pay such taxes separately from any such parent entity.

Dividend and other payment restrictions affecting restricted subsidiaries

The Company will not, and will not permit any Restricted Subsidiary that is not a Guarantor to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(a) (1) pay dividends or make any other distributions to the Company or any Restricted Subsidiary on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits or (2) pay any Indebtedness owed to the Company or any Restricted Subsidiary;

(b) make loans or advances to the Company or any Restricted Subsidiary; or

(c) sell, lease or transfer any of its properties or assets to the Company or any Restricted Subsidiary, except (in each case) for such encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions in effect on the Original Issue Date, including pursuant to the Senior Credit Facilities and the related documentation (including security documents) and Hedging Obligations;

(2) the Indenture, the Notes and the Guarantees;

(3) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions of the nature discussed in clause (c) above on the property so acquired;

(4) applicable law or any applicable rule, regulation or order;

(5) any agreement or other instrument of a Person acquired by the Company or any Restricted Subsidiary in existence at the time of such acquisition (but not created in connection therewith or in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;

(6) contracts for the sale of assets, including customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Subsidiary;

(7) Secured Indebtedness that limits the right of the debtor to dispose of the assets securing such Indebtedness otherwise permitted to be incurred pursuant to the covenants described under “Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock” and “Liens”;

(8) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(9) other Indebtedness, Disqualified Stock or Preferred Stock of Foreign Subsidiaries permitted to be incurred after the Original Issue Date pursuant to the provisions of the covenant described under “Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock”;

(10) customary provisions in joint venture agreements and other similar agreements;

(11) customary provisions contained in leases or licenses of intellectual property and other agreements entered into in the ordinary course of business;

(12) restrictions created in connection with any Receivables Facility; *provided* that in the case of Receivables Facilities established after the Original Issue Date, such restrictions are necessary or advisable, in the good faith determination of the Company, to effect the transactions contemplated under such Receivables Facility;

(13) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase or other agreement to which the Company or any of its Restricted Subsidiaries is a

party entered into in the ordinary course of business; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are the subject of such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of any other Restricted Subsidiary;

(14) agreements governing other Indebtedness permitted to be incurred under the provisions of the covenant described above under the caption "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock"; *provided* that the restrictions therein either (i) are not materially more restrictive taken as a whole than those contained in agreements governing Indebtedness in effect on the Original Issue Date, or (ii) are not materially more disadvantageous to holders of the Notes than is customary in comparable financings (as determined by the Company in good faith) and in the case of (ii) such encumbrances or restrictions apply only during the continuance of a default in respect of payment or a financial maintenance covenant relating to such Indebtedness;

(15) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive with respect to such encumbrance and other restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing; *provided, further*, that with respect to contracts, instruments or obligations existing on the Original Issue Date, any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are not materially more restrictive with respect to such encumbrances and other restrictions than those contained in such contracts, instruments or obligations as in effect on the Original Issue Date; and

(16) any encumbrances or restrictions contained in Indebtedness permitted to be incurred pursuant to clause (y) of the second paragraph of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" that apply only to a Designated Business.

Limitation on guarantees of indebtedness by restricted subsidiaries

The Company will not permit any of its Wholly Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly Owned Subsidiaries if such non-Wholly Owned Subsidiaries guarantee other capital markets debt securities), other than a Guarantor or a Foreign Subsidiary, to guarantee the payment of any Indebtedness of the Company or any other Guarantor unless:

(1) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to the Indenture providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Company or any Guarantor, that is by its express terms subordinated in right of payment to the Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes;

(2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee; and

(3) such Restricted Subsidiary shall deliver to the Trustee an opinion of counsel to the effect that:

(a) such Guarantee has been duly executed and authorized; and

(b) such Guarantee constitutes a valid, binding and enforceable obligation of such Restricted Subsidiary, except insofar as enforcement thereof may be limited by bankruptcy, insolvency or similar laws (including all laws relating to fraudulent transfers) and except insofar as enforcement thereof is subject to general principles of equity; *provided* that this covenant shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

Limitation on line of business

The Indenture provides that the Company and its Restricted Subsidiaries, taken as a whole, will not fundamentally and substantially alter the character of their business, taken as a whole, from the business conducted by the Company and its Restricted Subsidiaries, taken as a whole, on the Original Issue Date. Notwithstanding the generality of the foregoing, none of (i) the expansion of the professional services provided by the Company and its Restricted Subsidiaries after the Original Issue Date or (ii) the disposition of a Designated Business pursuant to clause (18) of the covenant described under "Limitation on restricted payments" or the covenant described under "Repurchase at the option of holders—Asset sales" will be deemed a fundamental and substantial alteration for purposes of the immediately preceding sentence.

Reports and other information

Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Indenture requires the Company to file with the SEC (and make available to the Trustee and Holders of the Notes (without exhibits), without cost to any Holder, within 15 days after it files (or is otherwise required to file) them with the SEC) from and after the Original Issue Date,

(1) within 90 days (or any other time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-K by a non-accelerated filer) after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q containing all quarterly information that would be required to be contained in Form 10-Q, or any successor or comparable form; and

(3) promptly from time to time after the occurrence of an event required to be therein reported, such other reports on Form 8-K, or any successor or comparable form,

in each case, in a manner that complies in all material respects with the requirements specified in such form; *provided* that the Company shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Company will make available such information to prospective purchasers of Notes, in addition to providing such information to the Trustee and the Holders of the Notes, in each case within 15 days after the time the Company would be required to file such information with the SEC if it were subject to Section 15(d) of the Exchange Act. In addition, to the extent not satisfied by the foregoing, the Company agrees that, for so long as any Notes are outstanding, it will furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Notwithstanding the foregoing, the Indenture permits the Company to satisfy its obligations in this covenant with respect to financial information relating to the Company by furnishing financial information relating to Aramark (or another direct or indirect parent that guarantees the Notes); *provided* that the same is accompanied

by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand.

Aramark as parent guarantor guarantees the Notes for purposes of financial reporting. The Company will be deemed to have furnished the reports required under this covenant if Aramark (or another direct or indirect parent that guarantees the Notes) has filed such reports with the SEC via the EDGAR (or successor) filing system and such reports are publicly available.

Notwithstanding anything herein to the contrary, the Company will not be deemed to have failed to comply with any of its agreements hereunder for purposes of clause (3) under "Events of default and remedies" until 120 days after the date any report hereunder is required to be filed with the SEC pursuant to this covenant.

To the extent any information is not provided within the time periods specified in this section and such information is subsequently provided, the Company will be deemed to have satisfied its delivery obligations with respect to its delay in delivery at such time and any Default with respect thereto shall be deemed to have been cured.

Events of default and remedies

The following events constitute Events of Default under the Indenture:

(1) default in payment when due and payable, upon redemption, acceleration or otherwise, of payments of principal of, or premium, if any, on the Notes issued under the Indenture;

(2) default for 30 days or more in the payment when due of interest on or with respect to the Notes issued under the Indenture;

(3) failure by the Company or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of at least 30% in principal amount of the then outstanding Notes issued under the Indenture to comply with any of its agreements (other than a default referred to in clauses (1) and (2) above) in the Indenture or the Notes;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any Restricted Subsidiary or the payment of which is guaranteed by the Company or any Restricted Subsidiary, other than Indebtedness owed to the Company or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(A) such default either:

(i) results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods), or

(ii) relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate $100.0 million or more at any one time outstanding;

(5) failure by the Company or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments or orders for the payment of money in an aggregate amount exceeding $100.0 million (to the extent not covered by independent third-party insurance

as to which the insurer has been notified of such judgment or order and has not denied coverage, it being understood for purposes of the Indenture that the issuance of reservation of rights letter will not be considered a denial of coverage) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days;

(6) certain events of bankruptcy or insolvency with respect to the Company or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary); or

(7) the Guarantee of any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Subsidiary (or the responsible officers of any group of Subsidiaries that together would constitute a Significant Subsidiary), as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of the Indenture or the release of any such Guarantee in accordance with the Indenture.

If any Event of Default (other than of a type specified in clause (6) above) occurs and is continuing under the Indenture, the Trustee or the Holders of at least 30% in principal amount of the then outstanding Notes issued under the Indenture may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes issued under the Indenture to be due and payable immediately.

Upon the effectiveness of such declaration, such principal of and premium, if any, and interest on the Notes will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) of the first paragraph of this section, all outstanding Notes will become due and payable without further action or notice. The Indenture provides that the Trustee may withhold from Holders notice of any continuing Default, except a Default relating to the payment of principal of and premium, if any, and interest on the Notes if it determines that withholding notice is in their interest. In addition, the Trustee will have no obligation to accelerate the Notes if in the best judgment of the Trustee acceleration is not in the best interests of the Holders of such Notes.

The Indenture provides that the Holders of a majority in aggregate principal amount of the then outstanding Notes issued thereunder by notice to the Trustee may, on behalf of the Holders of all of such Notes, waive any existing Default and its consequences under the Indenture, except a continuing Default in the payment of principal of and premium, if any, or interest on any such Notes held by a non-consenting Holder. In the event of any Event of Default specified in clause (4) above, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded automatically and without any action by the Trustee or the Holders if, within 20 days after such Event of Default arose,

(x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged,

(y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default, or

(z) the default that is the basis for such Event of Default has been cured.

Except to enforce the right to receive payments of principal of and premium, if any, and interest on the Notes when due, no Holder may pursue any remedy with respect to the Indenture or the Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 30% in principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(5) Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

The Indenture provides that the Company will be required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company will be required, within five Business Days, upon becoming aware of any Default, to deliver to the Trustee a statement specifying such Default.

No personal liability of directors, officers, employees and stockholders

No director, officer, employee, incorporator or stockholder of the Company or any Guarantor (other than in the case of stockholders of any Guarantor, the Company or another Guarantor) or any of their parent companies shall have any liability for any obligations of the Company or the Guarantors under the Notes, the Guarantees and the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Legal defeasance and covenant defeasance

The Company may, at its option and at any time, elect to have all of its obligations discharged with respect to the Notes issued under the Indenture and have each Guarantor's obligation discharged with respect to its Guarantee ("***Legal Defeasance***") and cure all then existing Events of Default except for:

(1) the rights of Holders of Notes issued under the Indenture to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due solely out of the trust created pursuant to the Indenture;

(2) the Company's obligations with respect to Notes issued under the Indenture concerning issuing temporary notes, registration of such Notes, mutilated, destroyed, lost or stolen notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith; and

(4) the Legal Defeasance provisions of the Indenture.

In addition, the Company may, at its option and at any time, elect to have its obligations and those of each Guarantor released with respect to certain covenants that are described in the Indenture ("***Covenant Defeasance***") and thereafter any omission to comply with such obligations shall not constitute a Default with respect to the Notes. In the event Covenant Defeasance occurs, certain events (not including bankruptcy, receivership, rehabilitation and insolvency events pertaining to the Company) described under "Events of default and remedies" will no longer constitute an Event of Default with respect to the Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes issued under the Indenture:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest due on the Notes issued under the Indenture on the stated maturity date or on the redemption date, as the case may be, of such principal, premium, if any, or interest on the Notes, and the Company must specify whether such Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States of America reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(A) the Company has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(B) since the original issuance of the Notes, there has been a change in the applicable U.S. Federal income tax law,

in either case to the effect that, and based thereon such opinion of counsel in the United States of America shall confirm that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States of America reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any of the Senior Credit Facilities or any other material agreement or instrument (other than the Indenture) to which, the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(6) the Company shall have delivered to the Trustee an opinion of counsel in the United States of America and reasonably acceptable to the Trustee to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions, following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally under any applicable U.S. Federal or state law, and that the Trustee has a perfected security interest in such trust funds for the ratable benefit of the Holders;

(7) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company, or any Guarantor or others; and

(8) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel in the United States of America and reasonably acceptable to the Trustee (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Satisfaction and discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when either:

(a) all such Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) (1) all such Notes not theretofore delivered to such Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company and the Company or any Guarantor has irrevocably deposited or caused to be deposited with such Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption, as the case may be;

(2) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) with respect to the Indenture or the Notes issued thereunder shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, the Senior Credit Facilities or any other agreement or instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(3) the Company has paid or caused to be paid all sums payable by it under the Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of such Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Transfer and exchange

A Holder may transfer or exchange Notes in accordance with the Indenture. The registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company is not required to transfer or exchange any Note selected for redemption. Also, the Company is not required to transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

The registered Holder of a Note may be treated as the owner of the Note for all purposes.

Amendment, supplement and waiver

Except as provided in the next two succeeding paragraphs, the Indenture, any related Guarantee and the Notes issued thereunder may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding and issued under the Indenture, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes, and any existing Default or compliance with any provision of the Indenture or the Notes issued thereunder may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes issued under the Indenture, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes, in each case other than Notes beneficially owned by the Company or its Affiliates.

The Indenture provides that, without the consent of each Holder affected, an amendment or waiver may not, with respect to any Notes issued under the Indenture and held by a non-consenting Holder:

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed final maturity of any such Note or alter or waive the provisions with respect to the redemption of the Notes (other than provisions relating to the covenants described above under "Repurchase at the option of holders");

(3) reduce the rate of or change the time for payment of interest on any Note;

(4) waive a Default in the payment of principal of or premium, if any, or interest on the Notes issued under the Indenture, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in the Indenture or any Guarantee that cannot be amended or modified without the consent of all Holders;

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;

(7) make any change in the ranking of the Indenture or the Notes that would adversely affect the Holders;

(8) except as expressly permitted by the Indenture, modify the Guarantee of any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) in any manner adverse to the Holders;

(9) make any change in these amendment and waiver provisions; or

(10) impair the right of any Holder to receive payment of principal of, or interest on, such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes.

Notwithstanding the foregoing, without the consent of any Holder, the Company, any Guarantor (with respect to a Guarantee or the Indenture) and the Trustee may amend or supplement the Indenture, any Guarantee or the Notes:

(1) to cure any ambiguity, omission, mistake, defect or inconsistency;

(2) to provide for uncertificated notes in addition to or in place of certificated notes;

(3) to comply with the covenant relating to mergers, consolidations and sales of assets and to provide for the assumption of the Company's, or any Guarantor's obligations to Holders in connection therewith;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder;

(5) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Company or a Guarantor;

(6) to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act;

(7) to evidence and provide for the acceptance and appointment under the Indenture of a successor Trustee pursuant to the requirements thereof;

(8) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;

"***Fixed Charge Coverage Ratio***" means, with respect to any Person for any period, the ratio of EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the event that the Company or any Restricted Subsidiary incurs, assumes, guarantees, redeems, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit facility that has been permanently repaid and has not been replaced) or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the "***Calculation Date***"), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement or extinguishing of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period (the "***reference period***"); *provided* that, for purposes of the foregoing calculation, in the event that the Company shall classify Indebtedness Incurred on the date of determination as incurred in part pursuant to the first paragraph of the covenant described under "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" and/or clause (p) of such covenant (other than by reason of subclause (1)(B) of the proviso to such clause (p)) and in part pursuant to one or more other clauses of the second paragraph of such covenant (as provided in the third paragraph of such covenant), "Fixed Charges" shall exclude any Fixed Charges attributable to any such Indebtedness incurred pursuant to one or more such other clauses of such second paragraph, and shall not give effect to any repayment, repurchase, redemption, defeasance or other acquisition, retirement or discharge of Indebtedness from the proceeds thereof.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, consolidations and disposed operations (as determined in accordance with GAAP) that have been made by the Company or any Restricted Subsidiary during the four quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Calculation Date shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations and disposed operations (and the change in any associated fixed charges and the change in EBITDA resulting therefrom) had occurred on

the first day of the reference period. If since the beginning of such period any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such period) shall have made any Investment, acquisition, disposition, merger, consolidation or disposed operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation or disposed operation had occurred at the beginning of the reference period.

For purposes of this definition, whenever pro forma effect is to be given to a transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Company. If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Company may designate.

DESCRIPTION OF THE 2026 NOTES

General

In this description of the 2026 Notes (as defined below), all references to "we," "us" or "our" and "the Company" are to Aramark Services, Inc. only (the "***Company***") and not to Aramark or any of its Subsidiaries. References in this "Description of the 2026 Notes" to Aramark refer only to Aramark and not to its Subsidiaries or the Company. Although Aramark guarantees the 2026 Notes, it is not subject to the covenants that apply to the Company or its Restricted Subsidiaries under the 2026 Notes and references in this "Description of the 2026 Notes" to the Guarantors do not include Aramark.

On May 31, 2016, the Company issued $500.0 million in aggregate principal amount of 4.750% Notes due 2026 (the "***2026 Outstanding Notes***") under an indenture, dated as of the Issue Date (the "***Indenture***"), among the Company, Aramark, the Guarantors and The Bank of New York Mellon, as trustee, in a private transaction that was not subject to the registration requirements of the Securities Act. The Company is offering to exchange any and all of the 2026 Outstanding Notes for notes registered under the Securities Act (the "***2026 Exchange Notes***"). The terms of the 2026 Exchange Notes to be issued in this exchange offer will be substantially identical to those of the 2026 Outstanding Notes except that the Holders of the 2026 Exchange Notes will no longer be entitled to registration rights pursuant to the Registration Rights Agreement.

The Indenture sets forth certain specific terms applicable to the 2026 Notes. This description is intended to be an overview of the material provisions of the 2026 Notes and the Indenture. This summary is not complete and is qualified in its entirety by reference to the Indenture. You should carefully read the summary below and the provisions of the Indenture that may be important to you before participating in the exchange offer for the 2026 Notes. Capitalized terms defined in the Indenture have the same meanings when used in this description unless updated herein. The terms of the 2026 Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the "***Trust Indenture Act***"). Copies of the Indenture are available upon request to the Company.

The 2026 Notes are guaranteed on a senior basis by each direct and indirect Restricted Subsidiary of the Company that is a Domestic Subsidiary and that guarantees obligations of the Company under the Company's Senior Credit Facilities. The Indenture provides that any direct or indirect parent company of the Company may guarantee the 2026 Notes and in such case will allow the Company to satisfy its reporting obligations under the Indenture by furnishing financial information relating to the parent. Aramark as parent guarantor guarantees the 2026 Notes for purposes of financial reporting, but is not subject to the covenants that apply to Aramark Services, Inc. or its Restricted Subsidiaries under the 2026 Notes. As Aramark is a holding company with no operations or assets other than stock of the direct parent of the Company, you should not assign any value to its guarantee.

Brief description of the notes and the guarantees

The 2026 Notes:

- are general unsecured, senior obligations of the Company;
- rank *pari passu* in right of payment with all existing and future Senior Indebtedness of the Company, including Indebtedness under the Senior Credit Facilities, the Existing Notes and the 2024 Notes;

- rank senior in right of payment to all existing and future Subordinated Indebtedness of the Company;

- are guaranteed on a senior unsecured basis by Aramark as parent guarantor and the Guarantors that guarantee the Senior Credit Facilities; and
- are subject to registration with the SEC pursuant to the Registration Rights Agreement.

The Guarantee of each Guarantor:

- is a senior obligation of such Guarantor;
- ranks *pari passu* in right of payment with all existing and future Senior Indebtedness of such Guarantor, including its guarantee under the Senior Credit Facilities, the Existing Notes and the 2024 Notes;
- is effectively subordinated to all Secured Indebtedness of such Guarantor, including its guarantee under the Senior Credit Facilities, to the extent of the collateral securing such Indebtedness;

Principal, maturity and interest

The Company issued on the Issue Date $500.0 million in aggregate principal amount of 2026 Outstanding Notes. The Company may issue additional 2026 Notes under the Indenture from time to time after this offering subject to the covenant described below under "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" (the "***Additional Notes***"). The 2026 Outstanding Notes, the 2026 Exchange Notes and any Additional Notes subsequently issued under the Indenture shall be treated as a single class for all purposes under the Indenture, including waivers, amendments, redemptions and offers to purchase (except in the limited circumstances set forth below under "Amendment, supplement and waiver"). Unless the context requires otherwise, references to the "***2026 Notes***" for all purposes of the Indenture and this "Description of the 2026 Notes" include the 2026 Outstanding Notes, the 2026 Exchange Notes and any Additional Notes that are actually issued and do not, for the avoidance of doubt, include the 2024 Notes.

Interest on the 2026 Notes accrues at the rate of 4.750% per annum and is payable semi-annually in arrears on June 1 and December 1, commencing on December 1, 2016, to the Holders of 2026 Notes of record on the immediately preceding May 15 and November 15. Interest on the 2026 Notes will accrue from the most recent date to which interest has been paid with respect thereto or, if no interest has been paid with respect thereto, from and including the Issue Date. Interest on the 2026 Notes is computed on the basis of a 360-day year comprised of twelve 30-day months.

Maturity and payments

The 2026 Notes will mature on June 1, 2026. Additional Interest may accrue on the 2026 Notes in certain circumstances pursuant to the Registration Rights Agreement as described under "Registration Rights." All references in the Indenture and this "Description of the 2026 Notes," in any context, to any interest or other amount payable on or with respect to the 2026 Outstanding Notes shall be deemed to include any Additional Interest pursuant to the Registration Rights Agreement.

Principal of, premium, if any, and interest on the 2026 Notes is payable at the office or agency of the Company maintained for such purpose within the State of New York or, at the option of the Company, payments of interest may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that all payments of principal, premium, if any, and interest with respect to 2026 Notes

represented by one or more global notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof. The 2026 Notes will be issued in denominations of $2,000 and any integral multiples of $1,000 in excess of $2,000.

Guarantees

Each direct and indirect Restricted Subsidiary of the Company that is a Domestic Subsidiary and that guarantees the obligations of the Company under the Company's Senior Credit Facilities (which on the Issue Date was each Domestic Subsidiary other than Receivables Subsidiaries and certain immaterial subsidiaries) jointly and severally, fully and unconditionally guarantees, as primary obligors and not merely as sureties, on a senior unsecured basis, the performance and full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Company under the Indenture and the 2026 Notes, whether for payment of principal of, or interest on or Additional Interest in respect of the 2026 Notes, expenses, indemnification or otherwise, on the terms set forth in the Indenture by executing the Indenture. None of our Restricted Subsidiaries that are Foreign Subsidiaries or any Receivables Subsidiary and certain immaterial subsidiaries will guarantee the 2026 Notes. Although Aramark is providing a guarantee of the 2026 Notes for purposes of financial reporting, it is not a "Guarantor" and its guarantee is not a "Guarantee," in each case as defined in and for purposes of this "Description of the 2026 Notes."

Each Guarantee is a general unsecured senior obligation of the applicable Guarantor, ranks *pari passu* in right of payment with all existing and any future Senior Indebtedness of such Guarantor, is effectively subordinated to all Secured Indebtedness of such Guarantor to the extent of the collateral securing such Indebtedness, and ranks senior in right of payment to all existing and any future Subordinated Indebtedness of such Guarantor. The 2026 Notes are structurally subordinated to Indebtedness of Subsidiaries of the Company that do not guarantee the 2026 Notes. See also "Brief description of the notes and the guarantees."

Each Guarantee contains a provision intended to limit the Guarantor's liability thereunder to the maximum amount that it could incur without causing the incurrence of obligations under its Guarantee to be a fraudulent transfer. This provision may not, however, be effective to protect a Guarantee from being voided under fraudulent transfer law, or may reduce the Guarantor's obligation to an amount that effectively makes its Guarantee worthless. See "Risk Factors—Risks related to the notes—Federal and state fraudulent transfer laws may permit a court to void or limit the amount payable under the notes or the guarantees, and, if that occurs, you may receive limited or no payments on the notes and guarantees affected."

Each Guarantor may consolidate with or merge into or sell all or substantially all its assets to (A) the Company or another Guarantor without limitation or (B) any other Person upon the terms and conditions set forth in the Indenture. See "Certain covenants—Merger, consolidation or sale of all or substantially all assets."

The Guarantee of a Guarantor will automatically and unconditionally be released and discharged upon:

(1) (a) the sale, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock (or any sale, disposition or other transfer of Capital Stock following which such Guarantor is no longer a Restricted Subsidiary), or all or substantially all the assets, of such Guarantor (other than a sale, disposition or other transfer to a Restricted Subsidiary) if such sale, disposition or other transfer is made in compliance with the applicable provisions of the Indenture;

(b) the designation by the Company of such Guarantor as an Unrestricted Subsidiary in accordance with the provisions of the Indenture as described under "Certain covenants—Limitation on restricted payments" and the definition of "Unrestricted Subsidiary";

(c) the release or discharge of such Guarantor from its guarantee of Indebtedness under the Senior Credit Facilities or the guarantee that resulted in the obligation of such Guarantor to guarantee the 2026 Notes, in each case, if such Guarantor would not then otherwise be required to guarantee the 2026

Notes pursuant to the covenant described under "Certain covenants—Limitation on guarantees of indebtedness by restricted subsidiaries," (treating any guarantees of such Guarantor that remain outstanding as incurred at least 30 days prior to such release) except, in each case, a release or discharge by, or as a result of, payment under such guarantee or payment in full of the Indebtedness under the Senior Credit Facilities; or

(d) the exercise by the Company of its legal defeasance option or its covenant defeasance option, as described under "Legal defeasance and covenant defeasance" or if the Company's obligations under the Indenture are discharged in accordance with the terms of the Indenture;

(2) in the case of clause (1)(a) above, the release of such Guarantor from its guarantee, if any, of and all pledges and security, if any, granted in connection with, the Senior Credit Facilities and any other Indebtedness of the Company or any Restricted Subsidiary (except with respect to a Restricted Subsidiary included in a Designated Business, Indebtedness of a Designated Business permitted by clause (y) of the second paragraph of the covenant described under "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified and preferred stock"); and

(3) such Guarantor delivering to the Trustee an Officers' Certificate and an opinion of counsel, each stating that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

Ranking

The Indebtedness evidenced by the 2026 Exchange Notes and the Guarantees will be Senior Indebtedness of the Company or the applicable Guarantor, as the case may be, and will rank equal in right of payment with all existing and future Senior Indebtedness of the Company and the Guarantors, as the case may be, including the Obligations of the Company and the Guarantors under the Senior Credit Facilities, the Existing Notes and the 2024 Notes. However, the 2026 Notes are effectively subordinated to all of the Company's and the Guarantors' existing and future Secured Indebtedness (including Indebtedness under the Senior Credit Facilities) to the extent of the value of the assets securing such Indebtedness.

As of September 30, 2016, the Company and its Subsidiaries had $5,270.0 million aggregate principal amount of Indebtedness outstanding (excluding unused commitments), including Indebtedness represented by the 2026 Notes and the 2024 Notes, $227.0 million of Indebtedness represented by the Existing Notes, $3,291.1 million of Indebtedness outstanding under the Senior Credit Facilities, $268.0 million of Indebtedness outstanding under the Receivables Facility and $78.6 million of Indebtedness in respect of Capitalized Lease Obligations. In addition, as of September 30, 2016, the Company and its Subsidiaries were able to incur an additional $713.5 million of Indebtedness under the Senior Credit Facilities.

A significant portion of the operations of the Company are conducted through its Subsidiaries. Unless the Subsidiary is a Guarantor, claims of creditors of such Subsidiaries, including trade creditors, and claims of preferred stockholders (if any) of such Subsidiaries generally will have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of the Company, including the holders of the 2026 Notes. The 2026 Notes, therefore, will be structurally subordinated to holders of Indebtedness and other creditors (including trade creditors) and preferred stockholders (if any) of Subsidiaries of the Company that are not Guarantors. Although the Indenture limits the incurrence of Indebtedness by and the issuance of Disqualified Stock and preferred stock of certain of the Company's Subsidiaries, such limitation is subject to a number of significant qualifications. See "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock."

Not all of our Subsidiaries guarantee the 2026 Notes. As of September 30, 2016, our non-guarantor Subsidiaries had $1,245.6 million of total indebtedness and other claims and liabilities, all of which were structurally senior to the 2026 Notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, the non-guarantor Subsidiaries will pay the holders of their debt and other liabilities,

including their trade creditors and holders of their preferred stock, if any, before they will be able to distribute any of their assets to us. Our non-guarantor Subsidiaries accounted for $3,720.0 million, or approximately 25.8%, of our sales and $163.3 million, or approximately 21.9%, of our operating income, in each case for the year ended September 30, 2016, and $2,816.0 million, or approximately 26.6%, of our total assets and $1,245.6 million (excluding intercompany liabilities), or approximately 14.8%, of our total liabilities, in each case as of September 30, 2016.

Although the Indenture contains limitations on the amount of additional Indebtedness that the Company and the Restricted Subsidiaries may incur, under certain circumstances the amount of such Indebtedness could be substantial. Moreover, the Indenture does not impose any limitation on the incurrence of liabilities that are not considered Indebtedness under the Indenture. See “Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock.”

Paying agent and registrar for the notes

The Company maintains one or more paying agents for the 2026 Notes in the Borough of Manhattan, City of New York. The initial paying agent for the 2026 Notes is the Trustee.

The Company also maintains a registrar with offices in the Borough of Manhattan, City of New York. The initial registrar is the Trustee. The registrar maintains a register reflecting ownership of the 2026 Notes outstanding from time to time and makes payments on and facilitate transfers of 2026 Notes on behalf of the Company.

The Company may change the paying agents or the registrars without prior notice to the Holders. The Company or any of its Subsidiaries may act as a paying agent or registrar.

Mandatory redemption; offer to purchase; open market purchases

The Company is not required to make any mandatory redemption or sinking fund payments with respect to the 2026 Notes. However, under certain circumstances, the Company may be required to offer to purchase 2026 Notes as described under “Repurchase at the option of holders.” The Company may from time to time acquire 2026 Notes by means other than a redemption, whether by tender offer, in open market purchases, through negotiated transactions or otherwise, in accordance with applicable securities laws.

Optional redemption

On or after June 1, 2021, the Company may redeem the 2026 Notes, in whole or in part, upon not less than 30 nor more than 60 days’ prior notice at the redemption prices (expressed as percentages of principal amount of the 2026 Notes to be redeemed) set forth below, plus accrued and unpaid interest and Additional Interest, if any, thereon to but not including the applicable redemption date, subject to the right of Holders of 2026 Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on June 1 of each of the years indicated below:

Year	Percentage
2021	102.375%
2022	101.583%
2023	100.792%
2024 and thereafter	100.000%

Prior to June 1, 2019, the Company may, at its option, redeem up to 40% of the sum of the aggregate principal amount of all 2026 Notes issued under the Indenture at a redemption price equal to 104.750% of the aggregate principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to but not including the redemption date, subject to the right of Holders of 2026 Notes on the relevant record date to receive

interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings of the Company or any direct or indirect parent of the Company to the extent such net proceeds are contributed to the Company; *provided* that:

- at least 50% of the sum of the aggregate principal amount of 2026 Notes originally issued under the Indenture and any Additional Notes that are issued under the Indenture after the Issue Date remain outstanding immediately after the occurrence of each such redemption; and
- each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

At any time prior to June 1, 2021, the Company may redeem all or a part of the 2026 Notes, upon not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of the 2026 Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to but not including the redemption date, subject to the rights of Holders of 2026 Notes on the relevant record date to receive interest due on the relevant interest payment date.

Notice of any redemption upon any Equity Offering or in connection with a transaction (or series of related transactions) that constitutes a Change of Control may be given prior to the redemption thereof.

Any redemption may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a Change of Control, an Equity Offering, other offering or other corporate transaction or event.

The Company may acquire notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the Indenture.

Selection and notice

If the Company is redeeming less than all of the 2026 Notes at any time, the Trustee will select the 2026 Notes of such series to be redeemed (a) if the 2026 Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which such 2026 Notes are listed or (b) if such 2026 Notes are not so listed, on a pro rata basis or by lot or such other method as may be required by the applicable depository. No 2026 Notes of $2,000 or less shall be redeemed in part.

Notices of redemption shall be delivered electronically or mailed by first-class mail, postage prepaid, at least 30 days but not more than 60 days before the redemption date to each Holder at such Holder's registered address, except that notices of redemption may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the 2026 Notes or a satisfaction and discharge of the Indenture. If any Note is to be redeemed in part only, any notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed.

A new 2026 Note in principal amount equal to the unredeemed portion of any 2026 Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original 2026 Note. 2026 Notes called for redemption become due and payable on the date fixed for redemption, unless such redemption is conditioned on the happening of a future event. On and after the redemption date, unless the Company defaults in the redemption payment, interest shall cease to accrue on the 2026 Note or portions thereof called for redemption.

Repurchase at the option of holders

Change of control

If a Change of Control occurs, unless the Company has previously or concurrently mailed or transmitted electronically a redemption notice with respect to all outstanding 2026 Notes as described under "Optional redemption," the Company will make an offer to purchase all of the 2026 Notes pursuant to the offer described

below (the "***Change of Control Offer***") at a price in cash (the "***Change of Control Payment***") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will send notice of such Change of Control Offer electronically or by first class mail, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the security register with a copy to the Trustee or otherwise in accordance with the procedures of DTC, with the following information:

(1) a Change of Control Offer is being made pursuant to this covenant, and all 2026 Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Company;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is mailed (the "***Change of Control Payment Date***");

(3) any 2026 Note not properly tendered will remain outstanding and continue to accrue interest;

(4) unless the Company defaults in the payment of the Change of Control Payment, all 2026 Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) Holders electing to have any 2026 Notes purchased pursuant to a Change of Control Offer will be required to surrender such 2026 Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such 2026 Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) Holders will be entitled to withdraw their tendered 2026 Notes and their election to require the Company to purchase such 2026 Notes; *provided* that the paying agent receives, not later than the close of business on the last day of the offer period, facsimile transmission or letter setting forth the name of the Holder, the principal amount of 2026 Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such 2026 Notes purchased;

(7) Holders whose 2026 Notes are being purchased only in part will be issued new 2026 Notes equal in principal amount to the unpurchased portion of the 2026 Notes surrendered, which unpurchased portion must be equal to $2,000 or an integral multiple of $1,000 in excess thereof; and

(8) if such notice is delivered prior to the occurrence of a Change of Control, such notice shall state that the Change of Control Offer is conditional on the occurrence of such Change of Control and describe such condition, and, if applicable, state that, in the Company's discretion, the Change of Control Payment Date may be delayed until such time as any or all such conditions shall be satisfied, or that such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed.

While the 2026 Notes are in global form and the Company makes an offer to purchase all of the 2026 Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the 2026 Notes through the facilities of DTC, subject to its rules and regulations.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the 2026 Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

On the Change of Control Payment Date, the Company will, to the extent permitted by law,

(1) accept for payment all 2026 Notes or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the paying agent an amount equal to the aggregate Change of Control Payment in respect of all 2026 Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the 2026 Notes so accepted together with an Officers' Certificate stating that such 2026 Notes or portions thereof have been tendered to and purchased by the Company.

The paying agent will promptly mail to each Holder the Change of Control Payment for such 2026 Notes, and the Trustee will promptly authenticate and mail to each Holder a new 2026 Note equal in principal amount to any unpurchased portion of the 2026 Notes surrendered, if any; *provided* that each such new 2026 Note will be in a principal amount of $2,000 or an integral multiple of $1,000 in excess thereof. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The Senior Credit Facilities (subject to limited exceptions), and future credit agreements or other agreements to which the Company becomes a party may, prohibit the Company from purchasing any 2026 Notes as a result of a Change of Control. In the event a Change of Control occurs at a time when the Company is prohibited from purchasing the 2026 Notes, the Company could seek the consent of their lenders to permit the purchase of the 2026 Notes or could attempt to refinance the borrowings and notes that contain such prohibition. If the Company does not obtain such consent or repay such borrowings, the Company will remain prohibited from purchasing the 2026 Notes. In such case, the Company's failure to purchase tendered 2026 Notes would constitute an Event of Default under the Indenture.

The Senior Credit Facilities provide that the occurrence of certain change of control events with respect to the Company (including a Change of Control under the Indenture) constitute a default thereunder. If the Company experiences a change of control that triggers a default under the Senior Credit Facilities or cross-defaults under any other Indebtedness or the Receivables Facility, the Company could seek a waiver of such defaults or seek to refinance the Indebtedness outstanding under the Senior Credit Facilities and such other Indebtedness. In the event the Company does not obtain such a waiver or refinance the Indebtedness outstanding under the Senior Credit Facilities and such other Indebtedness, such defaults could result in amounts outstanding under the Senior Credit Facilities and such other Indebtedness being declared due and payable and cause the Receivables Facility to be wound down. The Company's ability to pay cash to the Holders of 2026 Notes following the occurrence of a Change of Control may be limited by its then existing financial resources. There can be no assurance that sufficient funds will be available when necessary to make any required repurchases. See "Risk Factors—Risks related to the notes—We may not be able to repurchase the notes upon a change of control."

The Company is not required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the time and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all 2026 Notes validly tendered and not withdrawn under such Change of Control Offer. A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The Change of Control purchase feature of the 2026 Notes may in certain circumstances make more difficult or discourage a sale or takeover of the Company and, thus, the removal of incumbent management. The Change of Control purchase feature is a result of negotiations between the Company and the Initial Purchasers of the 2026 Outstanding Notes. We have no current intention to engage in a transaction involving a Change of Control, although it is possible that we could decide to do so in the future. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control under the Indenture, but that could increase the amount of indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings.

Restrictions on our ability to incur additional Indebtedness are contained in the covenant described under "Certain covenants—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock." Such restrictions can be waived with the consent of the holders of a majority in principal amount of the 2026 Notes then outstanding. Except for the limitations contained in such covenant, however, the Indenture does not contain any covenants or provisions that may afford Holders protection in the event of a highly leveraged transaction.

The definition of "Change of Control" includes a disposition of all or substantially all of the assets of the Company to any Person. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Company. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Holder may require the Company to make an offer to repurchase the 2026 Notes as described above.

The provisions under the Indenture relating to the Company's obligation to make an offer to repurchase the 2026 Notes as a result of a Change of Control, including the definition of "Change of Control," may be waived or modified with the written consent of the Holders of a majority in principal amount of the 2026 Notes.

Asset sales

The Indenture provides that the Company will not, and will not permit any Restricted Subsidiary to, cause, make or suffer to exist an Asset Sale, unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Company) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(a) any liabilities (as shown on the most recent consolidated balance sheet of the Company or in the footnotes thereto) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the 2026 Notes, that are assumed by the transferee of any such assets (or a third party on behalf of the transferee) and for which the Company or such Restricted Subsidiary has been validly released by all creditors,

(b) any securities, notes or other obligations or assets received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, and

(c) any Designated Noncash Consideration received by the Company or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Noncash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of (x) $300.0 million and (y) 3.0% of Total Assets at the time of the receipt of such Designated Noncash Consideration, with the fair market value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be cash for purposes of this provision and for no other purpose.

Within 450 days after any of the Company's or any Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale, the Company or such Restricted Subsidiary may, at its option, apply the Net Proceeds from such Asset Sale:

(1) to permanently reduce (a) Obligations under any Senior Indebtedness of the Company or any Guarantor (other than Obligations owed to the Company or a Restricted Subsidiary) and, in the case of

Obligations under revolving credit facilities or other similar Indebtedness, to correspondingly permanently reduce commitments with respect thereto; *provided* that if the Company or any Restricted Subsidiary shall so reduce Obligations under any Senior Indebtedness that is not secured by a Lien permitted by the Indenture, the Company or such Guarantor will, equally and ratably, reduce Obligations under the 2026 Notes by, at its option, (i) redeeming 2026 Notes, (ii) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their 2026 Notes at 100% of the principal amount thereof, plus the amount of accrued and unpaid interest and Additional Interest, if any, on the principal amount of 2026 Notes to be repurchased or (iii) purchasing 2026 Notes through open market purchases (to the extent such purchases are at a price equal to or higher than 100% of the principal amount thereof) in a manner that complies with the Indenture and applicable securities law or (b) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Company or another Restricted Subsidiary; or

(2) to make (a) an investment in any one or more businesses; *provided* that such investment in any business is in the form of the acquisition of Capital Stock and results in the Company or any Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) an investment in properties, (c) capital expenditures and (d) acquisitions of other assets, that in each of (a), (b), (c) and (d), are used or useful in the business of the Company and in Restricted Subsidiaries or replace the businesses, properties and assets that are the subject of such Asset Sale.

Any Net Proceeds from the Asset Sale that are not invested or applied in accordance with the preceding paragraph within 450 days from the date of the receipt of such Net Proceeds will be deemed to constitute "***Excess Proceeds***"; *provided* that if during such 450-day period the Company or a Restricted Subsidiary enters into a definitive binding agreement committing it to apply such Net Proceeds in accordance with the requirements of clause (2) of the immediately preceding paragraph after such 450th day, such 450-day period will be extended with respect to the amount of Net Proceeds so committed until such Net Proceeds are required to be applied in accordance with such agreement (but such extension will in no event be for a period longer than 180 days) (or, if earlier, the date of termination of such agreement). When the aggregate amount of Excess Proceeds exceeds $100.0 million, the Company shall make an offer to all Holders and, if required by the terms of any Senior Indebtedness, to the holders of such Senior Indebtedness (other than with respect to Hedging Obligations) (an "***Asset Sale Offer***"), to purchase the maximum aggregate principal amount of 2026 Notes and such Senior Indebtedness that is a minimum of $2,000 or an integral multiple of $1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. The Company will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed $100.0 million by mailing the notice required pursuant to the terms of the Indenture, with a copy to the Trustee. The Company may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Proceeds prior to the expiration of the relevant 450 days or with respect to Excess Proceeds of $100.0 million or less.

To the extent that the aggregate amount of 2026 Notes and such Senior Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes, subject to the other covenants contained in the Indenture. If the aggregate principal amount of 2026 Notes or the Senior Indebtedness surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Company shall select or cause to be selected the 2026 Notes and such Senior Indebtedness to be purchased on a pro rata basis based on the accreted value or principal amount of the 2026 Notes or such Senior Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds related to such Asset Sale Offer shall be reset at zero.

Pending the final application of any Net Proceeds pursuant to this covenant, the Company or the applicable Restricted Subsidiary may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by the Indenture.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of 2026 Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

The Senior Credit Facilities limit (in each case, subject to limited exceptions), and future credit agreements or other agreements to which the Company or any Restricted Subsidiary becomes a party may effectively limit or prohibit, the Company or any Restricted Subsidiary from purchasing any 2026 Notes as a result of an Asset Sale Offer. In the event the Company is required to make an Asset Sale Offer at a time when the Company is actually or effectively prohibited from purchasing the 2026 Notes, the Company or the Restricted Subsidiary could seek the consent of its lenders to permit the purchase of the 2026 Notes or could attempt to refinance the borrowings that contain such prohibition. If the Company or the Restricted Subsidiary does not obtain such consent or repay such borrowings, the Company will remain actually or effectively prohibited from purchasing the 2026 Notes. In such case, the Company's failure to purchase tendered 2026 Notes would constitute an Event of Default under the Indenture.

The provisions under the Indenture relative to the Company's obligation to make an offer to repurchase the 2026 Notes as a result of an Asset Sale may be waived or modified with the written consent of the Holders of a majority in principal amount of the 2026 Notes.

Certain covenants

Set forth below are summaries of certain covenants contained in the Indenture. During any period of time that (i) the 2026 Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under the Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "***Covenant Suspension Event***") then, the covenants specifically listed under the following captions in this "Description of the 2026 Notes" section of this prospectus will not be applicable to the 2026 Notes (collectively, the "***Suspended Covenants***"):

(1) "Repurchase at the option of holders—Asset sales";

(2) "—Limitation on restricted payments";

(3) "—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock";

(4) clause (4) of the first paragraph of "—Merger, consolidation or sale of all or substantially all assets";

(5) "—Transactions with affiliates";

(6) "—Dividend and other payment restrictions affecting restricted subsidiaries"; and

(7) "—Limitation on line of business."

During any period that the foregoing covenants have been suspended, the Company may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to the second sentence of the definition of "Unrestricted Subsidiary."

If and while the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants, the 2026 Notes will be entitled to substantially less covenant protection. In the event that the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants under the Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "***Reversion Date***") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the 2026 Notes below an Investment Grade Rating, then the Company and its Restricted Subsidiaries will thereafter again be subject to the

Suspended Covenants under the Indenture with respect to future events. The period of time between the Suspension Date and the Reversion Date is referred to in this description as the "***Suspension Period***." The Guarantees of the Guarantors will be suspended during the Suspension Period. Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds shall be reset to zero.

In addition, during any Suspension Period, the Company and the Restricted Subsidiaries will not be subject to the covenant described under "Repurchase at the option of holders—Change of control"; *provided* that for purposes of determining the applicability of this covenant, the Reversion Date shall be defined as the date that (a) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the 2026 Notes below an Investment Grade Rating and/or (b) the Company or any of its Affiliates enter into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the 2026 Notes below an Investment Grade Rating. On and after the Reversion Date as defined with respect to the covenant described under "Repurchase at the option of holders—Change of control," the Company and the Restricted Subsidiaries will thereafter again be subject to the such covenant under the Indenture, including, without limitation, with respect to a proposed transaction described in clause (b) above.

Notwithstanding the foregoing, in the event of any such reinstatement, no action taken or omitted to be taken by the Company or any of its Restricted Subsidiaries prior to such reinstatement will give rise to a Default or Event of Default under the Indenture with respect to the 2026 Notes; *provided* that (1) with respect to Restricted Payments made after such reinstatement, the amount of Restricted Payments made will be calculated as though the covenant described above under the caption "Certain covenants—Limitation on restricted payments" had been in effect prior to, but not during, the Suspension Period; and (2) all Indebtedness incurred, or Disqualified Stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to clause (e) of the second paragraph of "—Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock." In addition, for purposes of clause (3) of the first paragraph under the caption "—Limitation on restricted payments," all events set forth in such clause (3) occurring during a Suspension Period shall be disregarded for purposes of determining the amount of Restricted Payments the Company or any Restricted Subsidiary is permitted to make pursuant to such clause (3).

There can be no assurance that the 2026 Notes will ever achieve or maintain Investment Grade Ratings.

Limitation on restricted payments

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly:

(1) declare or pay any dividend or make any distribution on account of the Company's or any Restricted Subsidiary's Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation, other than:

(A) dividends or distributions by the Company payable in Equity Interests (other than Disqualified Stock) of the Company; or

(B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Subsidiary, the Company or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities;

(2) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Company or any direct or indirect parent of the Company, including in connection with any merger or consolidation;

(3) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value in each case, prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness, other than:

(x) Indebtedness permitted under clauses (i) and (j) of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock"; or

(y) the purchase, repurchase or other acquisition of Subordinated Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of purchase, repurchase or acquisition; or

(4) make any Restricted Investment;

(all such payments and other actions set forth in clauses (1) through (4) above (other than any exception thereto) being collectively referred to as "***Restricted Payments***"), unless, at the time of such Restricted Payment:

(a) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(b) immediately after giving effect to such transaction on a *pro forma* basis, the Company could incur $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock"; and

(c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and the Restricted Subsidiaries after March 7, 2013 pursuant to the first paragraph of this covenant or clauses (1), (2) (with respect to the payment of dividends on Refunding Capital Stock pursuant to clause (b) thereof only), (6)(C), (8) and (12) of the next succeeding paragraph (and excluding, for the avoidance of doubt, all other Restricted Payments made pursuant to the next succeeding paragraph), is less than the sum, without duplication, of:

(1) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from December 31, 2010 to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment, or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit; *plus*

(2) 100% of the aggregate net cash proceeds and the fair market value, as determined in good faith by the Company, of marketable securities or other property received by the Company after March 7, 2013 (less the amount of such net cash proceeds to the extent such amount has been relied upon to permit the incurrence of Indebtedness, or issuance of Disqualified Stock or Preferred Stock pursuant to clause (v)(ii) of the second paragraph of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock") from the issue or sale, in each case after March 7, 2013, of:

(x) (I) Equity Interests of the Company, including Retired Capital Stock (as defined below), but excluding cash proceeds and the fair market value, as determined in good faith by the Company, of marketable securities or other property received from the sale of:

(A) Equity Interests to any future, current or former employees, directors, managers or consultants of the Company, any direct or indirect parent company of the Company or any of the Company's Subsidiaries after March 7, 2013 to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of the next succeeding paragraph; and

(B) Designated Preferred Stock; and

(II) to the extent net cash proceeds are actually contributed to the Company, Equity Interests of the Company's direct or indirect parent companies (excluding contributions of

the proceeds from the sale of Designated Preferred Stock of such companies or contributions to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of the next succeeding paragraph), or

(y) debt securities of the Company that have been converted into or exchanged for such Equity Interests of the Company;

provided that this clause (2) shall not include the proceeds from (a) Refunding Capital Stock (as defined below), (b) Equity Interests of the Company or convertible debt securities of the Company sold to a Restricted Subsidiary or the Company, as the case may be, (c) Disqualified Stock or debt securities that have been converted into or exchanged for Disqualified Stock or (d) Excluded Contributions; *plus*

(3) 100% of the aggregate amount of cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property contributed to the capital of the Company after March 7, 2013 other than the amount of such net cash proceeds to the extent such amount (i) has been relied upon to permit the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock pursuant to clause (v)(ii) of the second paragraph of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" (ii) are contributed by a Restricted Subsidiary and (iii) any Excluded Contributions; *plus*

(4) to the extent not already included in Consolidated Net Income, 100% of the aggregate amount received by the Company or a Restricted Subsidiary in cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property received after March 7, 2013 by means of:

(A) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of Restricted Investments made by the Company or any Restricted Subsidiary and repurchases and redemptions of such Restricted Investments from the Company or any Restricted Subsidiary and repayments of loans or advances that constitute Restricted Investments by the Company or any Restricted Subsidiary; or

(B) the sale (other than to the Company or a Restricted Subsidiary) of the Equity Interests of an Unrestricted Subsidiary or a distribution or dividend from an Unrestricted Subsidiary (other than in each case to the extent the Investment in such Unrestricted Subsidiary was made by the Company or a Restricted Subsidiary pursuant to clause (9) of the next succeeding paragraph or to the extent such Investment constituted a Permitted Investment); *plus*

(5) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary after March 7, 2013, the fair market value of the Investment in such Unrestricted Subsidiary, as determined by the Company in good faith (or if such fair market value exceeds $150.0 million, in writing by an Independent Financial Advisor), at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary, other than to the extent the Investment in such Unrestricted Subsidiary was made by the Company or a Restricted Subsidiary pursuant to clause (9) of the next succeeding paragraph or to the extent such Investment constituted a Permitted Investment.

As of September 30, 2016, we had an estimated capacity to make Restricted Payments in the amount of approximately $1,298.8 million under this clause (c).

The foregoing provisions will not prohibit:

(1) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of the Indenture;

As of the Issue Date, all of the Company's Subsidiaries were Restricted Subsidiaries. The Company will not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the penultimate

paragraph of the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Company and the Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation will be permitted only if a Restricted Payment in such amount would be permitted at such time, whether pursuant to the first paragraph of this covenant or under clause (9) or (16), or pursuant to the definition of "Permitted Investments," and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in the Indenture.

For purposes of determining compliance with this covenant, in the event that a proposed Restricted Payment (or a portion thereof) meets the criteria of clauses (1) through (17) above or is entitled to be made pursuant to the first paragraph of this covenant, the Company will be entitled to classify or later reclassify (based on circumstances existing on the date of such reclassification) such Restricted Payment (or portion thereof) among such clauses (1) through (17) and such first paragraph in a manner that otherwise complies with this covenant.

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this covenant. Any Refinancing Indebtedness and any Indebtedness incurred to refinance Indebtedness incurred pursuant to clauses (a) and (v) above shall be deemed to include additional Indebtedness, Disqualified Stock or preferred stock incurred to pay premiums (including reasonable tender premiums), defeasance costs, fees and expenses in connection with such refinancing.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

The principal amount of any Indebtedness incurred to extend, replace, refund, refinance, renew or defease other Indebtedness, if incurred in a different currency from the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance.

The Indenture provides that the Company will not, and will not permit any Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Company or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the 2026 Notes or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Company or such Guarantor, as the case may be.

The Indenture does not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Senior Indebtedness as subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

Liens

The Company will not, and will not permit any of the Guarantors to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness on any asset or property of the Company or any Guarantor now owned or hereafter acquired, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(1) in the case of Liens securing Subordinated Indebtedness, the 2026 Notes or the applicable Guarantee of a Guarantor, as the case may be, are secured by a Lien on such property or assets that is senior in priority to such Liens; and

(2) in all other cases, the 2026 Notes or the applicable Guarantee of a Guarantor, as the case may be, are equally and ratably secured or are secured by a Lien on such assets or property that is senior in priority to such Lien; *provided* that any Lien which is granted to secure the 2026 Notes under this covenant shall be discharged at the same time as the discharge of the Lien (other than through the exercise of remedies with respect thereto) that gave rise to the obligation to so secure the 2026 Notes.

Limitation on sale and lease-back transactions

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Lease-Back Transaction with respect to any property unless:

(1) the Company or such Restricted Subsidiary would be entitled to (A) incur Indebtedness in an amount equal to the Attributable Debt with respect to such Sale and Lease-Back Transaction pursuant to the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" and (B) create a Lien on such property securing such Attributable Debt without equally and ratably securing the 2026 Notes pursuant to the covenant described under "Liens";

(2) the consideration received by the Company or any Restricted Subsidiary in connection with such Sale and Lease-Back Transaction is at least equal to the fair market value (as determined in good faith by the Company) of such property; and

(3) the Company applies the proceeds of such transaction in compliance with the terms described under "Repurchase at the option of holders—Asset sales."

Merger, consolidation or sale of all or substantially all assets

The Company may not consolidate or merge with or into or wind up into (whether or not the Company is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Subsidiaries on a consolidated basis, in one or more related transactions, to any Person unless:

(1) the Company is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation organized or existing under the laws of the United States of America, any state thereof, the District of Columbia, or any territory thereof (the Company or such Person, as the case may be, being herein called the "***Successor Company***");

(2) the Successor Company, if other than the Company, expressly assumes all the obligations of the Company under the Indenture and the 2026 Notes pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving pro forma effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four quarter period,

(A) the Successor Company would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock," or

(B) the Fixed Charge Coverage Ratio for the Successor Company, the Company and the Restricted Subsidiaries on a consolidated basis would be greater than such ratio for the Company and the Restricted Subsidiaries immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case clause (A)(2) of the second succeeding paragraph shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under the Indenture and the 2026 Notes; and

(6) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture.

Notwithstanding anything to the contrary herein, the disposition of a Designated Business pursuant to clause (18) of the covenant described under "Limitation on restricted payments" or the covenant described under "Repurchase at the option of holders—Asset sales," shall not be deemed to be a sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company and its Subsidiaries on a consolidated basis.

Subject to certain limitations described in the Indenture, the Successor Company will succeed to, and be substituted for, the Company under the Indenture and the 2026 Notes. Notwithstanding the foregoing clauses (3) and (4),

(a) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to, the Company, and

(b) the Company may merge with an Affiliate of the Company incorporated solely for the purpose of reincorporating the Company in another state of the United States of America or the District of Columbia or any territory thereof so long as the amount of Indebtedness of the Company and the Restricted Subsidiaries is not increased thereby.

Subject to certain limitations described in the Indenture governing release of a Guarantee upon the sale, disposition or transfer of a Guarantor, each Guarantor will not, and the Company will not permit any Guarantor to, consolidate or merge with or into or wind up into (whether or not such Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(a) (1) such Guarantor is the surviving entity or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the United States of America, any state thereof, the District of Columbia, or any territory thereof (such Guarantor or such Person, as the case may be, being herein called the "***Successor Person***");

(2) the Successor Person, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under the Indenture and such Guarantor's Guarantee, pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists; and

(4) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(b) the transaction is made in compliance with the covenant described under "Repurchase at the option of holders—Asset sales."

Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, such Guarantor under the Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, any Guarantor may merge into or transfer all or part of its properties and assets to another Guarantor or the Company.

For purposes of this covenant, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company and its Subsidiaries on a consolidated basis shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

Transactions with affiliates

The Company will not, and will not permit any Restricted Subsidiary to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each of the foregoing, an "***Affiliate Transaction***") involving aggregate payments or consideration in excess of $20.0 million, unless:

(a) such Affiliate Transaction is on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(b) the Company delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of $50.0 million, a Board Resolution adopted by the majority of the members of the Board of Directors of the Company approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (a) above.

The foregoing provisions will not apply to the following:

(1) transactions between or among the Company or any of the Restricted Subsidiaries;

(2) Restricted Payments permitted by the provisions of the Indenture described above under "Limitation on restricted payments" and the definition of "Permitted Investments";

(3) [reserved];

(4) the payment of reasonable and customary fees paid to, and indemnities provided for the benefit of, officers, directors, managers, employees or consultants of the Company, any of its direct or indirect parent companies or any Restricted Subsidiary;

(5) [reserved];

(6) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (a) of the preceding paragraph;

(7) (A) payments and Indebtedness, Disqualified Stock and Preferred Stock (and cancellation of any thereof) of the Company and its Restricted Subsidiaries to any future, current or former employee, director, manager or consultant (or their respective trusts, estates, investment funds, investment vehicles or Immediate Family Members) of the Company, any of its subsidiaries or any of its direct or indirect parent companies pursuant to any management equity plan or stock option plan or any other management or employee benefit, plan or agreement; and (B) any employment agreements, stock option plans and other compensatory arrangements (including, without limitation, the Company's 2001 and 2005 Stock Unit

Retirement Plans (and any successor plans thereto) and any supplemental executive retirement benefit plans or arrangements with any such employees, directors, managers or consultants (or their respective trusts, estates, investment funds, investment vehicles or Immediate Family Members) that are, in each case, approved by the Company in good faith;

(8) any agreement, instrument or arrangement as in effect as of the Issue Date, or any amendment thereto (so long as any such amendment is not disadvantageous to the Holders when taken as a whole in any material respect as compared to the applicable agreement as in effect on the Issue Date as reasonably determined in good faith by the Company);

(9) the existence of, or the performance by, the Company or any of the Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement or its equivalent (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; *provided*, *however*, that the existence of, or the performance by the Company or any Restricted Subsidiary of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (9) to the extent that the terms of any such existing agreement together with all amendments thereto, taken as a whole, or new agreement do not require payments by the Company or any Subsidiary that are materially in excess of those required pursuant to the terms of the original agreement in effect on the Issue Date as reasonably determined in good faith by the Company;

(10) [reserved];

(11) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of the Indenture that are fair to the Company and the Restricted Subsidiaries, in the reasonable determination of the Board of Directors or the senior management of the Company, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(12) the issuance or transfer of Equity Interests (other than Disqualified Stock) of the Company to any Permitted Holder or to any former, current or future director, manager, officer, employee or consultant (or their respective estates, investment funds, investment vehicles, spouses or former spouses) of the Company, any of its subsidiaries or any direct or indirect parent company thereof;

(13) sales of accounts receivable, or participations therein, in connection with any Receivables Facility;

(14) investments by the Neubauer Stockholders in securities of the Company or any of its Restricted Subsidiaries so long as (i) the investment is being offered generally to other investors on the same or more favorable terms and (ii) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities;

(15) payments to or from, and transactions with, any joint ventures in the ordinary course of business; and

(16) payments by the Company (and any direct or indirect parent thereof) and its Subsidiaries pursuant to tax sharing agreements among the Company (and any such parent) and its Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Company and its Subsidiaries; *provided* that in each case the amount of such payments in any fiscal year does not exceed the amount that the Company, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent of amounts received by the Company or a Restricted Subsidiary from Unrestricted Subsidiaries) would be required to pay in respect of foreign, federal, state and/or local consolidated, combined or similar taxes for such fiscal year were the Company and its Restricted Subsidiaries (and its Unrestricted Subsidiaries, to the extent described above) to pay such taxes separately from any such parent entity.

Dividend and other payment restrictions affecting restricted subsidiaries

The Company will not, and will not permit any Restricted Subsidiary that is not a Guarantor to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(a) (1) pay dividends or make any other distributions to the Company or any Restricted Subsidiary on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits or (2) pay any Indebtedness owed to the Company or any Restricted Subsidiary;

(b) make loans or advances to the Company or any Restricted Subsidiary; or

(c) sell, lease or transfer any of its properties or assets to the Company or any Restricted Subsidiary, except (in each case) for such encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions in effect on the Issue Date, including pursuant to the Senior Credit Facilities and the related documentation (including security documents) and Hedging Obligations;

(2) the Indenture, the 2026 Notes and the Guarantees;

(3) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions of the nature discussed in clause (c) above on the property so acquired;

(4) applicable law or any applicable rule, regulation or order;

(5) any agreement or other instrument of a Person acquired by the Company or any Restricted Subsidiary in existence at the time of such acquisition (but not created in connection therewith or in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;

(6) contracts for the sale of assets, including customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Subsidiary;

(7) Secured Indebtedness that limits the right of the debtor to dispose of the assets securing such Indebtedness otherwise permitted to be incurred pursuant to the covenants described under “Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock” and “Liens”;

(8) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(9) other Indebtedness, Disqualified Stock or Preferred Stock of Foreign Subsidiaries permitted to be incurred after the Issue Date pursuant to the provisions of the covenant described under “Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock”;

(10) customary provisions in joint venture agreements and other similar agreements;

(11) customary provisions contained in leases or licenses of intellectual property and other agreements entered into in the ordinary course of business;

(12) restrictions created in connection with any Receivables Facility; *provided* that in the case of Receivables Facilities established after the Issue Date, such restrictions are necessary or advisable, in the good faith determination of the Company, to effect the transactions contemplated under such Receivables Facility;

(13) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase or other agreement to which the Company or any of its Restricted Subsidiaries is a

party entered into in the ordinary course of business; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are the subject of such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of any other Restricted Subsidiary;

(14) agreements governing other Indebtedness permitted to be incurred under the provisions of the covenant described above under the caption "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock"; *provided* that the restrictions therein either (i) are not materially more restrictive taken as a whole than those contained in agreements governing Indebtedness in effect on the Issue Date, or (ii) are not materially more disadvantageous to holders of the 2026 Notes than is customary in comparable financings (as determined by the Company in good faith) and in the case of (ii) such encumbrances or restrictions apply only during the continuance of a default in respect of payment or a financial maintenance covenant relating to such Indebtedness;

(15) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive with respect to such encumbrance and other restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing; *provided, further*, that with respect to contracts, instruments or obligations existing on the Issue Date, any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are not materially more restrictive with respect to such encumbrances and other restrictions than those contained in such contracts, instruments or obligations as in effect on the Issue Date; and

(16) any encumbrances or restrictions contained in Indebtedness permitted to be incurred pursuant to clause (y) of the second paragraph of the covenant described under "Limitation on incurrence of indebtedness and issuance of disqualified stock and preferred stock" that apply only to a Designated Business.

Limitation on guarantees of indebtedness by restricted subsidiaries

The Company will not permit any of its Wholly Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly Owned Subsidiaries if such non-Wholly Owned Subsidiaries guarantee other capital markets debt securities), other than a Guarantor or a Foreign Subsidiary, to guarantee the payment of any Indebtedness of the Company or any other Guarantor unless:

(1) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to the Indenture providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Company or any Guarantor, that is by its express terms subordinated in right of payment to the 2026 Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the 2026 Notes;

(2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee; and

(3) such Restricted Subsidiary shall deliver to the Trustee an opinion of counsel to the effect that:

(a) such Guarantee has been duly executed and authorized; and

(b) such Guarantee constitutes a valid, binding and enforceable obligation of such Restricted Subsidiary, except insofar as enforcement thereof may be limited by bankruptcy, insolvency or similar laws (including all laws relating to fraudulent transfers) and except insofar as enforcement thereof is subject to general principles of equity;

provided that this covenant shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

Limitation on line of business

The Indenture provides that the Company and its Restricted Subsidiaries, taken as a whole, will not fundamentally and substantially alter the character of their business, taken as a whole, from the business conducted by the Company and its Restricted Subsidiaries, taken as a whole, on the Issue Date. Notwithstanding the generality of the foregoing, none of (i) the expansion of the professional services provided by the Company and its Restricted Subsidiaries after the Issue Date or (ii) the disposition of a Designated Business pursuant to clause (18) of the covenant described under "Limitation on restricted payments" or the covenant described under "Repurchase at the option of holders—Asset sales" will be deemed a fundamental and substantial alteration for purposes of the immediately preceding sentence.

Reports and other information

Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Indenture requires the Company to file with the SEC (and make available to the Trustee and Holders of the 2026 Notes (without exhibits), without cost to any Holder, within 15 days after it files (or is otherwise required to file) them with the SEC) from and after the Issue Date,

(1) within 90 days (or any other time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-K by a non-accelerated filer) after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q containing all quarterly information that would be required to be contained in Form 10-Q, or any successor or comparable form; and

(3) promptly from time to time after the occurrence of an event required to be therein reported, such other reports on Form 8-K, or any successor or comparable form,

in each case, in a manner that complies in all material respects with the requirements specified in such form; *provided* that the Company shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Company will make available such information to prospective purchasers of 2026 Notes, in addition to providing such information to the Trustee and the Holders of the 2026 Notes, in each case within 15 days after the time the Company would be required to file such information with the SEC if it were subject to Section 15(d) of the Exchange Act. In addition, to the extent not satisfied by the foregoing, the Company agrees that, for so long as any 2026 Notes are outstanding, it will furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Notwithstanding the foregoing, the Indenture permits the Company to satisfy its obligations in this covenant with respect to financial information relating to the Company by furnishing financial information relating to

Aramark (or another direct or indirect parent that guarantees the 2026 Notes); *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand.

Aramark as parent guarantor will guarantee the 2026 Notes for purposes of financial reporting. The Company will be deemed to have furnished the reports required under this covenant if Aramark (or another direct or indirect parent that guarantees the 2026 Notes) has filed such reports with the SEC via the EDGAR (or successor) filing system and such reports are publicly available.

Notwithstanding anything herein to the contrary, the Company will not be deemed to have failed to comply with any of its agreements hereunder for purposes of clause (3) under "Events of default and remedies" until 120 days after the date any report hereunder is required to be filed with the SEC pursuant to this covenant.

To the extent any information is not provided within the time periods specified in this section and such information is subsequently provided, the Company will be deemed to have satisfied its delivery obligations with respect to its delay in delivery at such time and any Default with respect thereto shall be deemed to have been cured.

Events of default and remedies

The following events constitute Events of Default under the Indenture:

(1) default in payment when due and payable, upon redemption, acceleration or otherwise, of payments of principal of, or premium, if any, on the 2026 Notes issued under the Indenture;

(2) default for 30 days or more in the payment when due of interest on or with respect to the 2026 Notes issued under the Indenture;

(3) failure by the Company or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of at least 30% in principal amount of the then outstanding 2026 Notes issued under the Indenture to comply with any of its agreements (other than a default referred to in clauses (1) and (2) above) in the Indenture or the 2026 Notes;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any Restricted Subsidiary or the payment of which is guaranteed by the Company or any Restricted Subsidiary, other than Indebtedness owed to the Company or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the 2026 Notes, if both:

(A) such default either:

(i) results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods), or

(ii) relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate $100.0 million or more at any one time outstanding;

(5) failure by the Company or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments or orders for the payment of money in an

aggregate amount exceeding $100.0 million (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage, it being understood for purposes of the Indenture that the issuance of reservation of rights letter will not be considered a denial of coverage) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days;

(6) certain events of bankruptcy or insolvency with respect to the Company or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary); or

(7) the Guarantee of any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Subsidiary (or the responsible officers of any group of Subsidiaries that together would constitute a Significant Subsidiary), as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of the Indenture or the release of any such Guarantee in accordance with the Indenture.

If any Event of Default (other than of a type specified in clause (6) above) occurs and is continuing under the Indenture, the Trustee or the Holders of at least 30% in principal amount of the then outstanding 2026 Notes issued under the Indenture may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding 2026 Notes issued under the Indenture to be due and payable immediately.

Upon the effectiveness of such declaration, such principal of and premium, if any, and interest on the 2026 Notes will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) of the first paragraph of this section, all outstanding 2026 Notes will become due and payable without further action or notice. The Indenture provides that the Trustee may withhold from Holders notice of any continuing Default, except a Default relating to the payment of principal of and premium, if any, and interest on the 2026 Notes if it determines that withholding notice is in their interest. In addition, the Trustee will have no obligation to accelerate the 2026 Notes if in the best judgment of the Trustee acceleration is not in the best interests of the Holders of such 2026 Notes.

The Indenture provides that the Holders of a majority in aggregate principal amount of the then outstanding 2026 Notes issued thereunder by notice to the Trustee may, on behalf of the Holders of all of such 2026 Notes, waive any existing Default and its consequences under the Indenture, except a continuing Default in the payment of principal of and premium, if any, or interest on any such 2026 Notes held by a non-consenting Holder. In the event of any Event of Default specified in clause (4) above, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the 2026 Notes) shall be annulled, waived and rescinded automatically and without any action by the Trustee or the Holders if, within 20 days after such Event of Default arose,

(x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged,

(y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default, or

(z) the default that is the basis for such Event of Default has been cured.

Except to enforce the right to receive payments of principal of and premium, if any, and interest on the 2026 Notes when due, no Holder may pursue any remedy with respect to the Indenture or the 2026 Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 30% in principal amount of the then outstanding 2026 Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(5) Holders of a majority in principal amount of the outstanding 2026 Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

The Indenture provides that the Company will be required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company will be required, within five Business Days, upon becoming aware of any Default, to deliver to the Trustee a statement specifying such Default.

No personal liability of directors, officers, employees and stockholders

No director, officer, employee, incorporator or stockholder of the Company or any Guarantor (other than in the case of stockholders of any Guarantor, the Company or another Guarantor) or any of their parent companies shall have any liability for any obligations of the Company or the Guarantors under the 2026 Notes, the Guarantees and the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a 2026 Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the 2026 Notes.

Legal defeasance and covenant defeasance

The Company may, at its option and at any time, elect to have all of its obligations discharged with respect to the 2026 Notes issued under the Indenture and have each Guarantor's obligation discharged with respect to its Guarantee ("***Legal Defeasance***") and cure all then existing Events of Default except for:

(1) the rights of Holders of 2026 Notes issued under the Indenture to receive payments in respect of the principal of, premium, if any, and interest on such 2026 Notes when such payments are due solely out of the trust created pursuant to the Indenture;

(2) the Company's obligations with respect to 2026 Notes issued under the Indenture concerning issuing temporary notes, registration of such 2026 Notes, mutilated, destroyed, lost or stolen notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith; and

(4) the Legal Defeasance provisions of the Indenture.

In addition, the Company may, at its option and at any time, elect to have its obligations and those of each Guarantor released with respect to certain covenants that are described in the Indenture ("***Covenant Defeasance***") and thereafter any omission to comply with such obligations shall not constitute a Default with respect to the 2026 Notes. In the event Covenant Defeasance occurs, certain events (not including bankruptcy, receivership, rehabilitation and insolvency events pertaining to the Company) described under "Events of default and remedies" will no longer constitute an Event of Default with respect to the 2026 Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the 2026 Notes issued under the Indenture:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest due on the 2026 Notes issued under the Indenture on the stated maturity date or on the redemption date, as the case may be, of such principal, premium, if any, or interest on the 2026 Notes, and the Company must specify whether such 2026 Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States of America reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(A) the Company has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(B) since the original issuance of the 2026 Notes, there has been a change in the applicable U.S. Federal income tax law,

in either case to the effect that, and based thereon such opinion of counsel in the United States of America shall confirm that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States of America reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any of the Senior Credit Facilities or any other material agreement or instrument (other than the Indenture) to which, the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(6) the Company shall have delivered to the Trustee an opinion of counsel in the United States of America and reasonably acceptable to the Trustee to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions, following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally under any applicable U.S. Federal or state law, and that the Trustee has a perfected security interest in such trust funds for the ratable benefit of the Holders;

(7) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company, or any Guarantor or others; and

(8) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel in the United States of America and reasonably acceptable to the Trustee (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Satisfaction and discharge

The Indenture will be discharged and will cease to be of further effect as to all 2026 Notes issued thereunder, when either:

(a) all such 2026 Notes theretofore authenticated and delivered, except lost, stolen or destroyed 2026 Notes which have been replaced or paid and 2026 Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) (1) all such 2026 Notes not theretofore delivered to such Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company and the Company or any Guarantor has irrevocably deposited or caused to be deposited with such Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on such 2026 Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption, as the case may be;

(2) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) with respect to the Indenture or the 2026 Notes issued thereunder shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, the Senior Credit Facilities or any other agreement or instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(3) the Company has paid or caused to be paid all sums payable by it under the Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of such 2026 Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Transfer and exchange

A Holder may transfer or exchange 2026 Notes in accordance with the Indenture. The registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company is not required to transfer or exchange any 2026 Note selected for redemption. Also, the Company is not required to transfer or exchange any 2026 Note for a period of 15 days before a selection of 2026 Notes to be redeemed.

The registered Holder of a 2026 Note may be treated as the owner of the 2026 Note for all purposes.

Amendment, supplement and waiver

Except as provided in the next two succeeding paragraphs, the Indenture, any related Guarantee and the 2026 Notes issued thereunder may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the 2026 Notes then outstanding and issued under the Indenture, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, 2026 Notes, and any existing Default or compliance with any provision of the Indenture or the 2026 Notes issued thereunder may be waived with the consent of the Holders of a majority in principal amount of the then outstanding 2026 Notes issued under the Indenture, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, 2026 Notes, in each case other than 2026 Notes beneficially owned by the Company or its Affiliates.

The Indenture provides that, without the consent of each Holder affected, an amendment or waiver may not, with respect to any 2026 Notes issued under the Indenture and held by a non-consenting Holder:

(1) reduce the principal amount of 2026 Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed final maturity of any such 2026 Note or alter or waive the provisions with respect to the redemption of the 2026 Notes (other than provisions relating to the covenants described above under "Repurchase at the option of holders");

(3) reduce the rate of or change the time for payment of interest on any 2026 Note;

(4) waive a Default in the payment of principal of or premium, if any, or interest on the 2026 Notes issued under the Indenture, except a rescission of acceleration of the 2026 Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding 2026 Notes and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in the Indenture or any Guarantee that cannot be amended or modified without the consent of all Holders;

(5) make any 2026 Note payable in money other than that stated in the 2026 Notes;

(6) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the 2026 Notes;

(7) make any change in the ranking of the Indenture or the 2026 Notes that would adversely affect the Holders;

(8) except as expressly permitted by the Indenture, modify the Guarantee of any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) in any manner adverse to the Holders;

(9) make any change in these amendment and waiver provisions; or

(10) impair the right of any Holder to receive payment of principal of, or interest on, such Holder's 2026 Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's 2026 Notes.

Notwithstanding the foregoing, without the consent of any Holder, the Company, any Guarantor (with respect to a Guarantee or the Indenture) and the Trustee may amend or supplement the Indenture, any Guarantee or the 2026 Notes:

(1) to cure any ambiguity, omission, mistake, defect or inconsistency;

(2) to provide for uncertificated notes in addition to or in place of certificated notes;

(3) to comply with the covenant relating to mergers, consolidations and sales of assets and to provide for the assumption of the Company's, or any Guarantor's obligations to Holders in connection therewith;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder;

(5) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Company or a Guarantor;

(6) to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act;

(7) to evidence and provide for the acceptance and appointment under the Indenture of a successor Trustee pursuant to the requirements thereof;

(8) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;

(9) to add a Guarantor or other guarantor under the Indenture;

(10) to conform the text of the Indenture, the Guarantees or the 2026 Notes to any provision of this "Description of the 2026 Notes" to the extent that such provision in this "Description of the 2026 Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Guarantees or the 2026 Notes; or

(11) to make any amendment to the provisions of the Indenture relating to the transfer and legending of 2026 Notes; *provided*, *however*, that (a) compliance with the Indenture as so amended would not result in 2026 Notes being transferred in violation of the Securities Act or any applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer 2026 Notes.

The consent of the Holders will not be necessary under the Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

Notices given by publication will be deemed given on the first date on which publication is made and notices given by first-class mail, postage prepaid, will be deemed given five calendar days after mailing.

Concerning the trustee

The Indenture contains certain limitations on the rights of the Trustee, should it become a creditor of the Company, to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue or resign.

The Indenture provides that the Holders of a majority in principal amount of the outstanding 2026 Notes issued thereunder will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. The Indenture provides that in case an Event of Default shall occur (which shall not be cured), the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent person in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holder, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

REGISTRATION RIGHTS

We have entered into a registration rights agreement for each series of notes with the initial purchasers obligating us to use commercially reasonable efforts to file with the SEC and cause to become effective a registration statement relating to an offer to exchange the outstanding notes of each series for new notes of such series (we refer to the new notes of each series collectively as the "exchange notes") evidencing the same continuing indebtedness and with substantially identical terms except that the exchange notes will not be subject to registration on transfer, registration rights or interest rate increases as described herein.

When the exchange offer registration statement becomes effective, we will offer the exchange notes in exchange for the outstanding notes of the corresponding series. The exchange offer for each series will remain open for at least 20 business days after the date we mail notice of the exchange offers to Holders. For each note surrendered to us under the exchange offers, the Holders will receive an exchange note of the corresponding series having a principal amount at maturity equal to that of the surrendered note. Interest on each exchange note will accrue from the last interest payment date on which interest was paid on the outstanding note surrendered in exchange therefor or, if no interest has been paid on such outstanding note, from the original issue date of the outstanding notes of such series, which, for the avoidance of doubt, is December 17, 2015 in the case of the 2024 Notes and May 31, 2016 in the case of the 2026 Notes. References to the "issue date" in this "Registration Rights" section refer to May 31, 2016, the date on which the unregistered 2024 outstanding notes and the 2026 outstanding notes were issued.

Under existing interpretations of the Securities Act by the SEC contained in several no action letters to third parties, and subject to the immediately following sentence, we believe that the exchange notes would generally be freely transferable by Holders thereof after the exchange offers without further registration under the Securities Act (subject to certain representations required to be made by each Holder, as set forth below). However, any purchaser of notes of a series who is an "affiliate" of us or any guarantor and any purchaser of notes of a series who intends to participate in the exchange offers for the purpose of distributing the exchange notes (i) will not be able to rely on the interpretation of the staff of the SEC, (ii) will not be able to tender its notes in the exchange offers and (iii) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any sale or transfer of the notes unless such sale or transfer is made pursuant to an exemption from such requirements.

In addition, in connection with any resales of exchange notes, any broker dealer, which we refer to as a participating broker dealer (a "Participating Broker Dealer"), which acquired the notes for its own account as a result of market making or other trading activities must deliver a prospectus meeting the requirements of the Securities Act. The SEC has taken the position that Participating Broker Dealers may fulfill their prospectus delivery requirements with respect to the exchange notes (other than a resale of an unsold allotment from this offering) with the prospectus contained in the exchange offer registration statement. We have agreed to make available for a period of up to 90 days after consummation of the exchange offers a prospectus meeting the requirements of the Securities Act to any Participating Broker Dealer and any other persons with similar prospectus delivery requirements for use in connection with any resale of exchange notes. A Participating Broker Dealer or any other person that delivers such a prospectus to purchasers in connection with such resales will be subject to certain of the civil liability provisions under the Securities Act and will be bound by the provisions of the applicable registration rights agreement (including certain indemnification rights and obligations thereunder).

Each Holder (other than certain specified Holders) who wishes to exchange the outstanding notes for exchange notes of the corresponding series in the applicable exchange offer will be required to make certain representations, including representations that (i) any exchange notes to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement or understanding with any person to participate in the distribution (within the meaning of the Securities Act) of the exchange notes, (iii) it is not an "affiliate" (as defined in Rule 405 under the Securities Act) of us or any guarantor, and (iv) if such Holder is a broker dealer that will receive exchange notes for its own account in exchange for notes that were acquired as a result of

market making or other trading activities, then such Holder will comply with the prospectus delivery requirements of the Securities Act, to the extent applicable, in connection with any resale of the exchange notes.

In the event that (i) any changes in law or the applicable interpretations of the staff of the SEC do not permit us to effect an exchange offer, (ii) for any other reason an exchange offer is not consummated within the time period required by the last paragraph of this "Registration Rights" section, (iii) under certain circumstances, the initial purchasers shall so request or (iv) any Holder (other than the initial purchasers) is not eligible to participate in an exchange offer, we will, at our expense, (a) as promptly as practicable, file with the SEC a shelf registration statement covering resales of the outstanding notes and use commercially reasonable efforts to cause the shelf registration statement to be declared effective and (b) use commercially reasonable efforts to keep the shelf registration statement effective until the earlier of the second anniversary of the issue date of the outstanding notes and the date all outstanding notes covered by the shelf registration statement have been sold as contemplated in the shelf registration statement. We will, in the event of the filing of the shelf registration statement, provide to each Holder copies of the prospectus which is a part of the shelf registration statement, notify each such Holder when the shelf registration statement has become effective and take certain other actions as are required to permit unrestricted resales of the outstanding notes. A Holder that sells its outstanding notes pursuant to the shelf registration statement generally (1) will be required to be named as a selling security Holder in the related prospectus and to deliver a prospectus to purchasers, (2) will be subject to certain of the civil liability provisions under the Securities Act in connection with such sales and (3) will be bound by the provisions of the registration rights agreement that are applicable to such a Holder (including certain indemnification rights and obligations thereunder). In addition, each Holder will be required to deliver information to be used in connection with the shelf registration statement and to provide comments on the shelf registration statement within the time periods set forth in the registration rights agreement to have their outstanding notes included in the shelf registration statement and to benefit from the provisions regarding liquidated damages described in the following paragraph.

If (i) the exchange offer in respect of a series of notes is not completed within 270 calendar days after the issue date of the outstanding notes, (ii) an effective shelf registration statement is not made available by the 270th calendar day after the date on which the requirement to make such shelf registration statement available arises, but in no event earlier than the 270th calendar day after the issue date of the outstanding notes, or (iii) following effectiveness of the shelf registration statement, subject to limited exceptions, it ceases to remain effective or otherwise available for more than 90 calendar days in any 12-month period, the annual interest rate borne by the outstanding notes of such series will be increased by 0.25% per annum (the "Additional Interest") with respect to each 90-day period that passes, up to a maximum of 1% per annum, in each case, until the applicable exchange offer is filed or completed, an effective shelf registration statement becomes available or again becomes available, as applicable. In the event that any registration default described in the preceding sentence take place, we will pay Additional Interest on the outstanding notes of such series.

BOOK-ENTRY; DELIVERY AND FORM

The exchange notes issued in exchange for outstanding notes of the corresponding series will be represented by a global note in definitive, fully registered form without interest coupons (collectively, the "Global Notes"). The Global Notes will be deposited with the Trustee as custodian for The Depository Trust Company ("DTC") and registered in the name of a nominee of DTC.

Except in the limited circumstances described below, owners of beneficial interests in Global Notes will not be entitled to receive physical delivery of certificated notes. Transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC, Euroclear and Clearstream, Luxembourg and their respective direct or indirect participants, which rules and procedures may change from time to time.

Global Notes

The following description of DTC, Euroclear and Clearstream, Luxembourg is based on our understanding of their current operations and procedures. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them from time to time. We take no responsibility for these operations and procedures and urge investors to contact the systems or their participants directly to discuss these matters.

Upon the issuance of the exchange notes, DTC will credit, on its internal system, the respective principal amount of the individual beneficial interests represented by such Global Notes to the accounts of persons who have accounts with such depositary. Ownership of beneficial interests in a Global Note will be limited to DTC's participants or persons who hold interests through its participants. Ownership of beneficial interests in the Global Notes will be shown on, and the transfer of that ownership will be effected only through, records maintained by DTC or its nominee (with respect to interests of participants) and the records of participants (with respect to interests of persons other than participants).

As long as DTC, or its nominee, is the registered holder of a Global Note, DTC or such nominee, as the case may be, will be considered the sole owner and holder of the notes represented by such Global Note for all purposes under the applicable indenture and the notes. Unless DTC notifies us that it is unwilling or unable to continue as depositary for such Global Note or ceases to be a "clearing agency" registered under the Exchange Act or (2) an event of default has occurred and is continuing with respect to such note, owners of beneficial interests in such Global Note will not be entitled to have any portions of such Global Note registered in their names, will not receive or be entitled to receive physical delivery of notes in certificated form and will not be considered the owners or holders of such Global Note (or any notes represented thereby) under the applicable indenture or the notes. In addition, no beneficial owners of an interest in a Global Note will be able to transfer that interest except in accordance with DTC's applicable procedures (in addition to those provided for under the applicable indenture).

Investors may hold their interests in the Global Notes directly through DTC, if they are participants in such system, or indirectly through organizations (including Euroclear and Clearstream, Luxembourg) which are participants in such system. All interests in a Global Note may be subject to the procedures and requirements of DTC and/or Euroclear and Clearstream, Luxembourg.

Payments of the principal of and interest on Global Notes will be made to DTC or its nominee as the registered owner thereof. Neither we, the Trustee, DTC nor any of their respective agents will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

We expect that DTC or its nominee, upon receipt of any payment of principal or interest in respect of a Global Note representing any notes held by it or its nominee, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global

Note for such notes as shown on the records of DTC or its nominee. We also expect that payments by participants to owners of beneficial interests in such Global Note held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in “street name”. Such payments will be the responsibility of such participants.

Because DTC can only act on behalf of its participants, who in turn act on behalf of indirect participants and certain banks, the ability of a holder of a beneficial interest in Global Notes to pledge such interest to persons or entities that do not participate in the DTC system, or otherwise take actions in respect of such interest, may be limited by the lack of a definitive certificate for such interest. The laws of some countries and some U.S. states require that certain persons take physical delivery of securities in certificated form. Consequently, the ability to transfer beneficial interests in a Global Note to such persons may be limited. Because DTC can act only on behalf of participants, which in turn, act on behalf of indirect participants and certain banks, the ability of a person having a beneficial interest in a Global Note to pledge such interest to persons or entities that do not participate in the DTC system, or otherwise take actions in respect of such interest, may be affected by the lack of a physical certificate evidencing such interest.

Except for trades involving only Euroclear and Clearstream, Luxembourg participants, interests in the Global Notes will trade in DTC’s Same-Day Funds Settlement System and secondary market trading activity in such interests will therefore settle in immediately available funds, subject in all cases to the rules and procedures of DTC and its participants. Transfers of interests in Global Notes between participants in DTC will be effected in accordance with DTC’s procedures, and will be settled in same-day funds.

Subject to compliance with the transfer restrictions applicable to the notes described above, cross-market transfers of beneficial interests in Global Notes between DTC participants, on the one hand, and Euroclear or Clearstream, Luxembourg participants, on the other hand, will be effected through DTC in accordance with DTC’s rules on behalf of Euroclear or Clearstream, Luxembourg, as the case may be, by its respective depositary; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, Luxembourg, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, Luxembourg, as the case may be, will, if the transaction meets its settlement requirements deliver instructions to its respective depositary to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant Global Note in DTC and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream, Luxembourg participants may not deliver instructions directly to the depositories for Euroclear or Clearstream, Luxembourg.

Because of time zone differences, the securities account of a Euroclear or Clearstream, Luxembourg participant purchasing an interest in a Global Note from a DTC participant will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream, Luxembourg participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream, Luxembourg immediately following the DTC settlement date). Cash received in Euroclear or Clearstream, Luxembourg as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream, Luxembourg participant to a DTC participant will be received with value on the DTC settlement date but will be available in the relevant Euroclear or Clearstream, Luxembourg cash account only as of the business day for Euroclear or Clearstream, Luxembourg following the DTC settlement date.

DTC, Euroclear and Clearstream, Luxembourg have advised us that they will take any action permitted to be taken by a holder of notes (including the presentation of notes for exchange as described below) only at the direction of one or more participants to whose account with DTC or Euroclear or Clearstream, Luxembourg, as the case may be, interests in the Global Notes are credited and only in respect of such portion of the aggregate principal amount of the notes as to which such participant or participants has or have given such direction. However, if there is an event of default under the notes, DTC, Euroclear and Clearstream, Luxembourg reserve the right to exchange the Global Notes for legended notes in certificated form, and to distribute such notes to their respective participants.

DTC has advised us as follows: DTC is a limited purpose trust company organized under the laws of the State of New York, a "banking organization" within the meaning of the New York banking law, a member of the Federal Reserve system, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between participants through electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical transfer and delivery of certificates. Participants include securities brokers and dealers, banks, trust companies and clearing corporations and may include certain other organizations. Indirect access to the DTC system is available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly ("indirect participants").

Euroclear and Clearstream, Luxembourg have advised us as follows: Euroclear and Clearstream, Luxembourg each hold securities for their account holders and facilitate the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders, thereby eliminating the need for physical movements of certificates and any risk from lack of simultaneous transfers of securities.

Euroclear and Clearstream, Luxembourg each provide various services, including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg each also deal with domestic securities markets in several countries through established depository and custodial relationships. The respective systems of Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective account holders may settle trades with each other.

Account holders in both Euroclear and Clearstream, Luxembourg are worldwide financial institutions including underwriters, securities brokers and dealers, trust companies and clearing corporations. Indirect access to both Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

An account holder's overall contractual relations with either Euroclear or Clearstream, Luxembourg are governed by the respective rules and operating procedures of Euroclear or Clearstream, Luxembourg and any applicable laws. Both Euroclear and Clearstream, Luxembourg act under such rules and operating procedures only on behalf of their respective account holders, and have no record of or relationship with persons holding through their respective account holders.

Although DTC, Euroclear and Clearstream, Luxembourg currently follow the foregoing procedures to facilitate transfers of interests in global notes among participants of DTC, Euroclear and Clearstream, Luxembourg, they are under no obligation to do so, and such procedures may be discontinued or modified at any time. Neither we nor the Trustee will have any responsibility for the performance by DTC, Euroclear or Clearstream, Luxembourg or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Certificated Notes

If any depositary is at any time unwilling or unable to continue as a depositary for notes for the reasons set forth above under "—Global Notes," the Company will issue certificates for such notes in definitive, fully registered, non-global form without interest coupons in exchange for the applicable Global Notes. Certificates for notes delivered in exchange for any Global Note or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by DTC, Euroclear, Clearstream, Luxembourg or the Common Depositary (in accordance with their customary procedures).

The holder of a non-global note may transfer such note, subject to compliance with the provisions of the applicable legend, by surrendering it at the office or agency maintained by us for such purpose in The City and

State of New York, which initially will be the office of the Trustee. Upon the transfer, change or replacement of any note bearing a legend, or upon specific request for removal of a legend on a note, we will deliver only notes that bear such legend, or will refuse to remove such legend, as the case may be, unless there is delivered to us such satisfactory evidence, which may include an opinion of counsel, as may reasonably be required by us that neither such legend nor any restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act. Before any note in non-global form may be transferred to a person who takes delivery in the form of an interest in any Global Note, the transferor will be required to provide the Trustee with a Restricted Global Note Certificate or a Regulation S Global Note Certificate, as the case may be. Upon transfer or partial redemption of any note, new certificates may be obtained from the Trustee.

Notwithstanding any statement herein, we and the Trustee reserve the right to impose such transfer, certification, exchange or other requirements, and to require such restrictive legends on certificates evidencing notes, as they may determine are necessary to ensure compliance with the securities laws of the United States and any State therein and any other applicable laws or as DTC, Euroclear or Clearstream, Luxembourg may require.

UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE EXCHANGE OFFERS

The exchange of outstanding notes for exchange notes of the corresponding series in the applicable exchange offer will not constitute a taxable event to holders for United States federal income tax purposes. Consequently, no gain or loss will be recognized by a holder upon receipt of an exchange note, the holding period of the exchange note will include the holding period of the outstanding note exchanged therefor and the basis of the exchange note will be the same as the basis of the outstanding note immediately before the exchange.

In any event, persons considering the exchange of outstanding notes for exchange notes should consult their own tax advisors concerning the United States federal income tax consequences in light of their particular situations as well as any consequences arising under the laws of any other taxing jurisdiction.

CERTAIN ERISA CONSIDERATIONS

The following is a summary of certain considerations associated with the purchase and holding of the exchange notes (and the exchanges of outstanding notes for exchange notes) by employee benefit plans that are subject to Title I of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), plans, individual retirement accounts and other arrangements that are subject to Section 4975 of the Internal Revenue Code of 1986, as amended (the "Code"), or provisions under any other federal, state, local, non-U.S. or other laws, rules or regulations that are similar to such provisions of ERISA or the Code (collectively, "Similar Laws"), and entities whose underlying assets are considered to include "plan assets" of such plans, accounts and arrangements (each, a "Plan").

General Fiduciary Matters

ERISA and the Code impose certain duties on persons who are fiduciaries of a Plan subject to Part 4 of Title I of ERISA or Section 4975 of the Code (an "ERISA Plan") and prohibit certain transactions involving the assets of an ERISA Plan and its fiduciaries or other interested parties. Under ERISA and the Code, any person who exercises any discretionary authority or control over the administration of such an ERISA Plan or the management or disposition of the assets of such an ERISA Plan, or who renders investment advice for a fee or other compensation to such an ERISA Plan, is generally considered to be a fiduciary of the ERISA Plan.

In considering an investment in the exchange notes (or the exchange of outstanding notes for exchange notes) of a portion of the assets of any Plan, a fiduciary should determine whether the investment is in accordance with the documents and instruments governing the Plan and the applicable provisions of ERISA, the Code or any Similar Law relating to a fiduciary's duties to the Plan including, without limitation, the prudence, diversification, delegation of control and prohibited transaction provisions of ERISA, the Code and any other applicable Similar Laws.

Prohibited Transaction Issues

Section 406 of ERISA and Section 4975 of the Code prohibit ERISA Plans from engaging in e within the meaning of ERISA, or "disqualified persons," within the meaning of Section 4975 of the Code, unless an exemption is available. A party in interest or disqualified person who engages in such a non-exempt prohibited transaction may be subject to penalties and liabilities under ERISA and the Code. The acquisition and/or holding of the exchange notes (and the exchange of outstanding notes for exchange notes)e or the initial purchasers are considered a party in interest or disqualified person may constitute or result in a direct or indirect prohibited transaction under Section 406 of ERISA and/or Section 4975 of the Code, unless the investment is acquired and is held in accordance with an applicable statutory, class or individual prohibited transaction exemption. In this regard, the United States Department of Labor has issued prohibited transaction class exemptions ("PTCEs") that may apply to the acquisition and holding of the exchange notes (or the exchange of outstanding notes for exchange notes). These class exemptions include, without limitation, PTCE 84-14 respecting transactions determined by independent qualified professional asset managers, PTCE 90-1, respecting insurance company pooled separate accounts, PTCE 91- 38, respecting bank collective investment funds, PTCE 95-60, respecting life insurance company general accounts and PTCE 96-23, respecting transactions determined by in-house asset managers. In addition, Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code provide relief from the prohibited transaction provisions of ERISA and Section 4975 of the Code for certain transactions, provided that neither the issuer of the securities nor any of its affiliates (directly or indirectly) have or exercise any discretionary authority or control or render any investment advice with respect to the assets of any ERISA Plan involved in the transaction and provided further that e with the transaction. There can be no assurance that all of the conditions of any of the foregoing exemptions will be satisfied.

Representation

Accordingly, by acceptance of an exchange note or any interest therein, each purchaser and subsequent transferee of an exchange note will be deemed to have represented and warranted that either (i) no portion of the

assets used by such purchaser or transferee to purchase or hold the exchange notes (or any interest therein) (including the exchange of outstanding notes for exchange notes) constitutes the assets of any Plan or (ii) the purchase and holding of the exchange notes (or any interest therein) (including the exchange of outstanding notes for exchange notes) by such purchaser or transferee will not constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or similar violation under any applicable Similar Laws.

The foregoing discussion is general in nature and is not intended to be all-inclusive. Due to the complexity of these rules and the penalties that may be imposed upon persons involved in nonexempt prohibited transactions, it is particularly important that fiduciaries or other persons considering purchasing or holding the exchange notes (or the exchange of outstanding notes for exchange notes) on behalf of, or with the assets of, any Plan, consult with their counsel regarding the potential applicability of ERISA, Section 4975 of the Code and any Similar Laws to such transactions and whether an exemption would be applicable to the purchase and holding of the exchange notes.

PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to an exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for outstanding notes where such outstanding notes are acquired as a result of market-making activities or other trading activities. To the extent any such broker-dealer participates in an exchange offer, we have agreed that for a period of up to 90 days, we will use our reasonable best efforts to make this prospectus, as amended or supplemented, available to such broker-dealer for use in connection with any such resale, and will deliver as many additional copies of this prospectus and each amendment or supplement to this prospectus and any documents incorporated by reference in this prospectus as such broker-dealer may reasonably request.

We will not receive any proceeds from any exchange of outstanding notes for exchange notes or from any sale of exchange notes by broker-dealers. Exchange notes received by broker-dealers for their own accounts pursuant to an exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of these methods of resale, at market prices prevailing at the time of resale, at prices related to the prevailing market prices or at negotiated prices. Any resale may be made directly to purchasers or through brokers or dealers who may receive compensation in the form of commissions or concessions from any broker-dealer or the purchasers of any exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to an exchange offer and any broker or dealer that participates in a distribution of the exchange notes may be deemed to be an “underwriter” within the meaning of the Securities Act and any profit on any resale of exchange notes and any commissions or concessions received by these persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an “underwriter” within the meaning of the Securities Act.

We have agreed to pay all expenses incident to the exchange offers and will indemnify the holders of outstanding notes, including any broker-dealers, against certain liabilities, including liabilities under the Securities Act.

LEGAL MATTERS

The validity of the exchange notes and the related guarantees will be passed upon for us by Simpson Thacher & Bartlett LLP, New York, New York and Stephen R. Reynolds, Executive Vice President, General Counsel and Secretary of Aramark.

Maren II, Inc. are incorporated under the laws of Delaware.

Section 145 of the Delaware General Corporation Law (the "DGCL") grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if the person acted in good faith in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful.

Section 102(b)(7) of the DGCL enables a corporation in its certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its stockholders of monetary damages for violations of the directors' fiduciary duty of care, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

We will also pay expenses incurred in defending any such proceeding in advance of its final disposition upon delivery to us of an undertaking, by or on behalf of an indemnified person, to repay all amounts so advanced if it should be determined ultimately that such person is not entitled to be indemnified.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of Aramark Services, Inc.'s certificate of incorporation and amended and restated by-laws, and Aramark's amended and restated certificate of incorporation and amended and restated by-laws, agreement, vote of stockholders or directors or otherwise.

Sections 55-8-50 through 55-8-58 of the North Carolina Business Corporation Act permit a corporation to indemnify its directors, officers, employees or agents under either or both a statutory or nonstatutory scheme of indemnification. Under the statutory scheme, a corporation may, with certain exceptions, indemnify a director, officer, employee or agent of the corporation who was, is, or is threatened to be made, a party to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative or investigative, because such person is or was a director, officer, agent or employee of the corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. This indemnity may include the obligation to pay any judgment, settlement, penalty, fine (including an excise tax assessed with respect to an employee benefit plan) and reasonable expenses incurred in connection with a proceeding (including counsel fees), but no such indemnification may be granted unless such director, officer, agent or employee conducted himself in good faith, reasonably believed that his conduct in his official capacity with the corporation was in the best interests of the corporation or that in all other cases his conduct at least was not opposed to the corporation's best interests, and in the case of any criminal proceeding, had no reasonable cause to believe his conduct was unlawful.

Finally, Section 558-57 of the North Carolina Business Corporation Act provides that a corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee or agent of the corporation against liability asserted against or incurred by such persons, whether or not the corporation is otherwise authorized by the North Carolina Business Corporation Act to indemnify such party.

Item 22. Undertakings.

(A) Each of the undersigned registrants hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) that, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if the registrants are subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use; and

(B) that, for the purpose of determining liability of the registrants under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, each of the undersigned registrants undertakes that in a primary offering of securities of the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered

or sold to such purchaser by means of any of the following communications, the undersigned registrants will be sellers to the purchaser and will be considered to offer or sell such securities to such purchaser:

(1) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(2) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(3) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(4) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(C) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of each of the registrants pursuant to the foregoing provisions, or otherwise, each of the registrants has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by them is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(D) Each of the undersigned registrants hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of such registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(E) Each of the undersigned registrants hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this S-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(F) Each of the undersigned registrants hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Section 1. Offices: In addition to its principal or registered office in this state, the corporation may have offices at such other places within or without this state as the Board of Directors shall from time to time determine.

Section 2. Stockholders Meetings: Meetings of the stockholders may be held at such place or places within or without this state as may be determined by the Board of Directors, unless otherwise specifically required by law. The annual meeting of the stockholders for the election of directors shall be held on such date and at such time as designated by duly adopted resolution of the Board of Directors or stockholders. Subject to specific requirements of law, special meetings of the stockholders may be held upon call of the President, any Vice President, or the Board of Directors. Such call shall state the time, place and purpose of the meeting. Notice of the time and place of every meeting of stockholders shall be mailed by the Secretary or the officer performing his duties, at least ten days before the meeting, to each stockholder of record having voting power and entitled to such notice at his last known post office address; provided, however, that if a stockholder be present at a meeting, or in writing waive notice thereof before or after the meeting, notice of the meeting to such stockholder shall be unnecessary. The holders of a majority of the shares of stock having voting power present in person or by proxy shall constitute a quorum. Each holder of stock shall be entitled at every meeting of the stockholders to one vote for each share of such stock registered in his name on the books of the corporation. At all meetings of stockholders, except as otherwise required by law, by the Certificate of Incorporation, or by other provisions of these by-laws, all matters shall be decided by the vote of the holders of a majority of all the stock present or represented at the meeting and entitled to vote thereat. If required by statute, at least ten days before each election of directors a complete list of the stockholders entitled to vote at the election shall be prepared and shall be open at a place within the city where the election is to be held and shall, during the usual hours of business, for said ten days, and during the election, be open to the examination of any stockholder.

Section 3. Stockholders Consent Action: Any action required or permitted to be taken by the stockholders at a meeting thereof (including limitation at the annual meeting) may be taken without a meeting if all the stockholders consent thereto in writing, and if such written consent action is filed with the minutes of proceedings of the stockholders. Requirements of law, of the Certificate of Incorporation, or of these by-laws with respect to notices of meetings, waivers of such notices, availability of stockholders lists, and similar requirements, shall be deemed to have been waived by the stockholders with respect to any such written consent action, as evidenced by execution of same by each such stockholder.

Section 4. Board of Directors: The affairs of the corporation shall be managed by a board consisting of one or more directors, who shall be elected annually by the stockholders entitled to vote and shall hold office until their successors are elected and qualified. The authorized number of directors shall be set from time to time by resolution of the Board of Directors. Any director may be removed by a majority of the directors at any meeting of the Board of Directors, for malfeasance, misfeasance, nonfeasance or incapacity or inability to act. Vacancies in the Board of Directors and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors remaining in office, even though less than a quorum, subject to the applicable provisions of laws. Vacancies may also be filled at any time through election of directors at a special meeting of stockholders. Meetings of the Board of Directors shall be held at the times fixed by resolutions of the Board or upon call of the President or any two directors and may be held outside of this state. The Secretary or officer performing his duties shall give reasonable notice (which need not in any event exceed two days) of all meetings of directors, provided that a meeting may be held without notice immediately after the annual election, and notice need not be given of regular meetings held at times fixed by resolutions of the Board. Meetings may be held at any time without notice if all the directors are present or if those not present waive notice either before or after the meeting. Notice by mail or telegraph to the usual business or residence address of the directors not less than the time above specified before the meeting shall be sufficient. A majority of the directors shall constitute a quorum.

Section 5. Directors Consent Action: Any action required or permitted to be taken by the directors at a meeting thereof may be taken without a meeting if all directors consent thereto in writing, and if such written consent action is filed with the minutes of proceedings of the directors. Requirements of law, of the Certificate of Incorporation, of these by-laws with respect to notices of meetings and waivers thereof shall be deemed to have been complied with upon the execution of any such written consent action.

Section 6. Stock: Certificates of stock shall be of such form and device as the Board of Directors may determine and shall be signed by the President or any Vice President and the Treasurer or any Assistant Treasurer or the Secretary or any Assistant Secretary. The stock shall be transferable or assignable only on the books of the corporation by the holders in person or by attorney on the surrender of the certificates therefor.

Section 7. Officers: The Board of Directors shall appoint a President, one or more Vice Presidents, a Secretary and a Treasurer, and shall from time to time appoint such other officers as they may deem proper. The term of office of all officers shall be until their respective successors are chosen and qualified, but any officer may be removed from office at any time by the Board of Directors without cause assigned. The officers shall have such duties as usually pertain to their offices except as modified by the Board of Directors, and shall also have such powers and duties as may from time to time be conferred upon them by the Board of Directors.

Section 8. Fiscal Year: The fiscal year of the corporation shall end on the Friday nearest September 30.

Section 9. Corporate Seal: The corporate seal of the corporation shall be in such form as the Board of Directors shall prescribe.

Section 10. Amendments: Except as otherwise provided by law either the Board of Directors or the stockholders may alter or amend these by-laws at any meeting duly held as above provided.

The Company shall indemnify, defend, and hold harmless the Member and any director, officer, partner, stockholder, controlling Person or employee of the Member, each member of the Board of Managers and any Person serving at the request of the Company as a director, officer, employee, partner, trustee or independent contractor of another corporation, partnership, limited liability company, joint venture, trust or other enterprise (all of the foregoing Persons being referred to collectively as "Indemnified Parties" and individually as an "Indemnified Party") from any liability, loss or damage incurred by the Indemnified Party by reason of any act performed or omitted to be performed by the Indemnified Party in connection with the business of the Company and from liabilities or obligations of the Company imposed on such Party by virtue of such Party's position with the Company, including reasonable attorneys' fees and costs and any amounts expended in the settlement of any such claims of liability, loss or damage; provided, however, that if the liability, loss, damage or claim arises out of any action or inaction of an Indemnified Party, indemnification under this Section 10 shall be available only if (a) either (i) the Indemnified Party, at the time of such action or inaction, determined in good faith that its, his or her course of conduct was in, or not opposed to, the best interests of the Company or (ii) in the case of inaction by the Indemnified Party, the Indemnified Party did not intend its, his or her inaction to be harmful or opposed to the best interests of the Company and (b) the action or inaction did not constitute fraud, gross negligence or willful misconduct by the Indemnified Party; provided, further, however, that the indemnification under this Section 10.1 shall be recoverable only from the assets of the Company and not from any assets of the Member. Unless the Board of Managers determines in good faith that the Indemnified Party is unlikely to be entitled to indemnification under this Section 10 the Company shall pay or reimburse reasonable attorneys' fees of an Indemnified Party as incurred, provided that such Indemnified Party executes an undertaking, with appropriate security if requested by the Board of Managers, to repay the amount so paid or reimbursed in the event that a final non-appealable determination by a court of competent jurisdiction that such Indemnified Party is not entitled to indemnification under this Section 10. No Indemnified Party shall be liable, in damages or otherwise, to the Company or to the Member for any loss that arises out of any act performed or omitted to be performed by it, him or her pursuant to the authority granted by this Agreement if (a) either (i) the Indemnified Party, at the time of such action or inaction, determined in good faith that such Indemnified Party's course of conduct was in, or not opposed to, the best interests of the Company or (ii) in the case of inaction by the Indemnified Party, the Indemnified Party did not intend such Indemnified Party's inaction to be harmful or opposed to the best interests of the Company and (b) the conduct of the Indemnified Party did not constitute fraud, gross negligence or willful misconduct by such Indemnified Party.

Any Person who is within the definition of "Indemnified Party" at the time of any action or inaction in connection with the business of the Company shall be entitled to the benefits of this Section 10 as an "Indemnified Party" with respect thereto, regardless whether such Person continues to be within the definition of "Indemnified Party" at the time of such Indemnified Party's claim for indemnification or exculpation hereunder.

10.4. Procedure Agreements. The Company may enter into an agreement with any of its officers, employees, consultants, counsel and agents, any member of the Board of Managers or the Member, setting forth procedures consistent with applicable law for implementing the indemnities provided in this Section 10.

11. MISCELLANEOUS

11.1. General. This Agreement: (a) shall be binding upon the legal successors of the Member, (b) shall be governed by and construed in accordance with the laws of the State of Delaware and (c) contains the entire agreement as to the subject matter hereof. The waiver of any of the provisions, terms, or conditions contained in this Agreement shall not be considered as a waiver of any of the other provisions, terms, or conditions hereof.

11.2. Notices, Etc. All notices and other communications required or permitted hereunder shall be in writing and shall be deemed effectively given upon personal delivery or receipt (which may be evidenced by a return receipt if sent by registered mail or by signature if delivered by courier or delivery service), addressed to the Member at its address in the records of the Company or otherwise specified by the Member.

11.3. Gender and Number. Whenever required by the context, as used in this Agreement the singular number shall include the plural, the plural shall include the singular, and all words herein in any gender shall be deemed to include the masculine, feminine, and neuter genders.

That invalidity or unenforceability shall not affect any valid and enforceable application thereof, and each said provision shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

11.5. Headings. The headings used in this Agreement are used for administrative convenience only and do not constitute substantive matter to be considered in construing the terms of this Agreement.

THIRD SUPPLEMENTAL INDENTURE

THIS THIRD SUPPLEMENTAL INDENTURE (this "Supplemental Indenture"), dated as of September 21, 2016, among Aramark Global, Inc. (the "Guaranteeing Subsidiary"), a subsidiary of ARAMARK Corporation, a Delaware corporation (the "Issuer"), and The Bank of New York Mellon, as trustee (the "Trustee").

W I T N E S S E T H

WHEREAS, the Issuer has heretofore executed and delivered to the Trustee an indenture (the "Indenture"), dated as of March 7, 2013, providing for the issuance of an unlimited aggregate principal amount of 5.75% Senior Notes due 2020 (the "Notes");

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer's Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the "Guarantee"); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

(2) Agreement to Guarantee. The Guaranteeing Subsidiary hereby agrees as follows:

(a) Along with all other Guarantors, to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(i) the principal of, interest and premium and Additional Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and the Guaranteeing Subsidiary shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The following is hereby waived: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever.

(d) This Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, the Indenture and this Supplemental Indenture, and the Guaranteeing Subsidiary accepts all obligations of a Guarantor under the Indenture.

(e) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors (including the Guaranteeing Subsidiary), or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) The Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranteeing Subsidiary, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranteeing Subsidiary for the purpose of this Guarantee.

(h) The Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

(i) Pursuant to Section 10.02 of the Indenture, after giving effect to all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy or fraudulent conveyance laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article 10 of the Indenture, this new Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guaranteeing Subsidiary under this Guarantee will not constitute a fraudulent transfer or conveyance.

(j) This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer’s assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any

time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes and Guarantee, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Note shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(k) In case any provision of this Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(l) This Guarantee shall be a general unsecured senior obligation of such Guaranteeing Subsidiary, ranking *pari passu* with any other future Senior Indebtedness of the Guaranteeing Subsidiary, if any.

(m) Each payment to be made by the Guaranteeing Subsidiary in respect of this Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

(3) Execution and Delivery. The Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(4) Merger, Consolidation or Sale of All or Substantially All Assets.

(a) Except as otherwise provided in Section 5.01(c) of the Indenture, the Guaranteeing Subsidiary may not consolidate or merge with or into or wind up into (whether or not the Issuer or Guaranteeing Subsidiary is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(i) (A) the Guaranteeing Subsidiary is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Guaranteeing Subsidiary) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of the Guaranteeing Subsidiary, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (the Guaranteeing Subsidiary or such Person, as the case may be, being herein called the "Successor Person");

(B) the Successor Person, if other than the Guaranteeing Subsidiary, expressly assumes all the obligations of the Guaranteeing Subsidiary under the Indenture and the Guaranteeing Subsidiary's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(ii) the transaction is made in compliance with Section 4.10 of the Indenture;

(b) Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, the Guaranteeing Subsidiary under the Indenture and the Guaranteeing Subsidiary's Guarantee. Notwithstanding the foregoing, the Guaranteeing Subsidiary may merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer.

(5) Releases. The Guarantee of the Guaranteeing Subsidiary shall be automatically and unconditionally released and discharged, and no further action by the Guaranteeing Subsidiary, the Issuer or the Trustee is required for the release of the Guaranteeing Subsidiary's Guarantee, upon:

(1) (A) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of the Guaranteeing Subsidiary (including any sale, exchange or transfer), after which the Guaranteeing Subsidiary is no longer a Restricted Subsidiary or all or substantially all the assets of the Guaranteeing Subsidiary which sale, exchange or transfer is made in compliance with the applicable provisions of the Indenture;

(B) the release or discharge of the guarantee by the Guaranteeing Subsidiary of the guarantee which resulted in the creation of the Guarantee, except a discharge or release by or as a result of payment under such guarantee;

(C) the proper designation of the Guaranteeing Subsidiary as an Unrestricted Subsidiary; or

(D) the Issuer exercising its Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 of the Indenture or the Issuer's obligations under the Indenture being discharged in accordance with the terms of the Indenture; and

(2) the Guaranteeing Subsidiary delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

(6) No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Guaranteeing Subsidiary shall have any liability for any obligations of the Issuer or the Guarantors (including the Guaranteeing Subsidiary) under the Notes, any Guarantees, the Indenture or this Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(7) Governing Law. THIS SUPPLEMENTAL INDENTURE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(8) Counterparts. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

(9) Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

(10) The Trustee. The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by the Guaranteeing Subsidiary.

(11) Subrogation. The Guaranteeing Subsidiary shall be subrogated to all rights of Holders of Notes against the Issuer in respect of any amounts paid by the Guaranteeing Subsidiary pursuant to the provisions of Section 2 hereof and Section 10.01 of the Indenture; provided that, if an Event of Default has occurred and is continuing, the Guaranteeing Subsidiary shall not be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under the Indenture or the Notes shall have been paid in full.

(12) Benefits Acknowledged. The Guaranteeing Subsidiary's Guarantee is subject to the terms and conditions set forth in the Indenture. The Guaranteeing Subsidiary acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Indenture and this Supplemental Indenture and that the guarantee and waivers made by it pursuant to this Guarantee are knowingly made in contemplation of such benefits.

(13) Successors. All agreements of the Guaranteeing Subsidiary in this Supplemental Indenture shall bind its Successors, except as otherwise provided in Section 2(k) hereof or elsewhere in this Supplemental Indenture. All agreements of the Trustee in this Supplemental Indenture shall bind its successors.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed, all as of the date first above written.

THIS FOURTH SUPPLEMENTAL INDENTURE (this "Supplemental Indenture"), dated as of December 7, 2016, among the entities listed in Schedule I hereto (each a "Guaranteeing Subsidiary" and together, the "Guaranteeing Subsidiaries"), each a subsidiary of Aramark Services, Inc., a Delaware corporation (the "Issuer"), and The Bank of New York Mellon, as trustee (the "Trustee").

W I T N E S S E T H

WHEREAS, the Issuer has heretofore executed and delivered to the Trustee an indenture (the "Indenture"), dated as of March 7, 2013, providing for the issuance of an unlimited aggregate principal amount of 5.75% Senior Notes due 2020 (the "Notes");

WHEREAS, the Indenture provides that under certain circumstances each Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which such Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer's Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the "Guarantee"); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

(2) Agreement to Guarantee. Each Guaranteeing Subsidiary hereby agrees as follows:

(a) Along with all other Guarantors, to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(i) the principal of, interest and premium and Additional Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or of any such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and the Guaranteeing Subsidiaries shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The following is hereby waived: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever.

(d) This Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, the Indenture and this Supplemental Indenture, and each Guaranteeing Subsidiary accepts all obligations of a Guarantor under the Indenture.

(e) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors (including the Guaranteeing Subsidiaries), or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) Each Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranteeing Subsidiaries, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranteeing Subsidiaries for the purpose of this Guarantee.

(h) Each Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

(i) Pursuant to Section 10.02 of the Indenture, after giving effect to all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy or fraudulent conveyance laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article 10 of the Indenture, this new Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guaranteeing Subsidiary under this Guarantee will not constitute a fraudulent transfer or conveyance.

(j) This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer’s assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any

Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

THIS SECOND SUPPLEMENTAL INDENTURE (this "Supplemental Indenture"), dated as of September 21, 2016, among Aramark Global, Inc. (the "Guaranteeing Subsidiary"), a subsidiary of Aramark Services, Inc., a Delaware corporation (the "Issuer"), and The Bank of New York Mellon, as trustee (the "Trustee").

W I T N E S S E T H

WHEREAS, the Issuer has heretofore executed and delivered to the Trustee an indenture (the "Indenture"), dated as of December 17, 2015, providing for the issuance of an unlimited aggregate principal amount of 5.125% Senior Notes due 2024 (the "Notes");

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer's Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the "Guarantee"); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

(2) Agreement to Guarantee. The Guaranteeing Subsidiary hereby agrees as follows:

(a) Along with all other Guarantors, to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(i) the principal of, interest and premium and Additional Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and the Guaranteeing Subsidiary shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The following is hereby waived: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever.

(d) This Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, the Indenture and this Supplemental Indenture, and the Guaranteeing Subsidiary accepts all obligations of a Guarantor under the Indenture.

(e) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors (including the Guaranteeing Subsidiary), or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) The Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranteeing Subsidiary, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranteeing Subsidiary for the purpose of this Guarantee.

(h) The Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

(i) Pursuant to Section 10.02 of the Indenture, after giving effect to all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy or fraudulent conveyance laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article 10 of the Indenture, this new Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guaranteeing Subsidiary under this Guarantee will not constitute a fraudulent transfer or conveyance.

(j) This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer’s assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any

time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes and Guarantee, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Note shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(k) In case any provision of this Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(l) This Guarantee shall be a general unsecured senior obligation of such Guaranteeing Subsidiary, ranking *pari passu* with any other future Senior Indebtedness of the Guaranteeing Subsidiary, if any.

(m) Each payment to be made by the Guaranteeing Subsidiary in respect of this Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

(3) Execution and Delivery. The Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(4) Merger, Consolidation or Sale of All or Substantially All Assets.

(a) Except as otherwise provided in Section 5.01(c) of the Indenture, the Guaranteeing Subsidiary may not consolidate or merge with or into or wind up into (whether or not the Issuer or Guaranteeing Subsidiary is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(i) (A) the Guaranteeing Subsidiary is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Guaranteeing Subsidiary) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of the Guaranteeing Subsidiary, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (the Guaranteeing Subsidiary or such Person, as the case may be, being herein called the "Successor Person");

(B) the Successor Person, if other than the Guaranteeing Subsidiary, expressly assumes all the obligations of the Guaranteeing Subsidiary under the Indenture and the Guaranteeing Subsidiary's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(ii) the transaction is made in compliance with Section 4.10 of the Indenture;

(b) Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, the Guaranteeing Subsidiary under the Indenture and the Guaranteeing Subsidiary's Guarantee. Notwithstanding the foregoing, the Guaranteeing Subsidiary may merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer.

(5) Releases. The Guarantee of the Guaranteeing Subsidiary shall be automatically and unconditionally released and discharged, and no further action by the Guaranteeing Subsidiary, the Issuer or the Trustee is required for the release of the Guaranteeing Subsidiary's Guarantee, upon:

(1) (A) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of the Guaranteeing Subsidiary (including any sale, exchange or transfer), after which the Guaranteeing Subsidiary is no longer a Restricted Subsidiary or all or substantially all the assets of the Guaranteeing Subsidiary which sale, exchange or transfer is made in compliance with the applicable provisions of the Indenture;

(B) the release or discharge of the guarantee by the Guaranteeing Subsidiary of the guarantee which resulted in the creation of the Guarantee, except a discharge or release by or as a result of payment under such guarantee;

(C) the proper designation of the Guaranteeing Subsidiary as an Unrestricted Subsidiary; or

(D) the Issuer exercising its Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 of the Indenture or the Issuer's obligations under the Indenture being discharged in accordance with the terms of the Indenture; and

(2) the Guaranteeing Subsidiary delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

(6) No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Guaranteeing Subsidiary shall have any liability for any obligations of the Issuer or the Guarantors (including the Guaranteeing Subsidiary) under the Notes, any Guarantees, the Indenture or this Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(7) Governing Law. THIS SUPPLEMENTAL INDENTURE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(8) Counterparts. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

(9) Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

(10) The Trustee. The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by the Guaranteeing Subsidiary.

(11) Subrogation. The Guaranteeing Subsidiary shall be subrogated to all rights of Holders of Notes against the Issuer in respect of any amounts paid by the Guaranteeing Subsidiary pursuant to the provisions of Section 2 hereof and Section 10.01 of the Indenture; provided that, if an Event of Default has occurred and is continuing, the Guaranteeing Subsidiary shall not be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under the Indenture or the Notes shall have been paid in full.

(12) Benefits Acknowledged. The Guaranteeing Subsidiary's Guarantee is subject to the terms and conditions set forth in the Indenture. The Guaranteeing Subsidiary acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Indenture and this Supplemental Indenture and that the guarantee and waivers made by it pursuant to this Guarantee are knowingly made in contemplation of such benefits.

(13) Successors. All agreements of the Guaranteeing Subsidiary in this Supplemental Indenture shall bind its Successors, except as otherwise provided in Section 2(k) hereof or elsewhere in this Supplemental Indenture. All agreements of the Trustee in this Supplemental Indenture shall bind its successors.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed, all as of the date first above written.

WHEREAS, the Indenture provides that under certain circumstances each Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which such Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer's Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the "Guarantee"); and

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

(2) Agreement to Guarantee. Each Guaranteeing Subsidiary hereby agrees as follows:

(a) Along with all other Guarantors, to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(i) the principal of, interest and premium and Additional Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or of any such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and the Guaranteeing Subsidiaries shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The following is hereby waived: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever.

(f) Each Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranteeing Subsidiaries, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranteeing Subsidiaries for the purpose of this Guarantee.

(h) Each Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

SUPPLEMENTAL INDENTURE

THIS SUPPLEMENTAL INDENTURE (this "Supplemental Indenture"), dated as of September 21, 2016, among Aramark Global, Inc. (the "Guaranteeing Subsidiary"), a subsidiary of Aramark Services, Inc., a Delaware corporation (the "Issuer"), and The Bank of New York Mellon, as trustee (the "Trustee").

W I T N E S S E T H

WHEREAS, the Issuer has heretofore executed and delivered to the Trustee an indenture (the "Indenture"), dated as of May 31, 2016, providing for the issuance of an unlimited aggregate principal amount of 4.750% Senior Notes due 2026 (the "Notes");

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer's Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the "Guarantee"); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

(2) Agreement to Guarantee. The Guaranteeing Subsidiary hereby agrees as follows:

(a) Along with all other Guarantors, to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(i) the principal of, interest and premium and Additional Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and the Guaranteeing Subsidiary shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The following is hereby waived: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever.

(d) This Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, the Indenture and this Supplemental Indenture, and the Guaranteeing Subsidiary accepts all obligations of a Guarantor under the Indenture.

(e) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors (including the Guaranteeing Subsidiary), or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) The Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranteeing Subsidiary, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranteeing Subsidiary for the purpose of this Guarantee.

(h) The Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

(i) Pursuant to Section 10.02 of the Indenture, after giving effect to all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy or fraudulent conveyance laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article 10 of the Indenture, this new Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guaranteeing Subsidiary under this Guarantee will not constitute a fraudulent transfer or conveyance.

(j) This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer’s assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any

time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes and Guarantee, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Note shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(k) In case any provision of this Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(l) This Guarantee shall be a general unsecured senior obligation of such Guaranteeing Subsidiary, ranking *pari passu* with any other future Senior Indebtedness of the Guaranteeing Subsidiary, if any.

(m) Each payment to be made by the Guaranteeing Subsidiary in respect of this Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

(3) Execution and Delivery. The Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(4) Merger, Consolidation or Sale of All or Substantially All Assets.

(a) Except as otherwise provided in Section 5.01(c) of the Indenture, the Guaranteeing Subsidiary may not consolidate or merge with or into or wind up into (whether or not the Issuer or Guaranteeing Subsidiary is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(i) (A) the Guaranteeing Subsidiary is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Guaranteeing Subsidiary) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of the Guaranteeing Subsidiary, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (the Guaranteeing Subsidiary or such Person, as the case may be, being herein called the "Successor Person");

(B) the Successor Person, if other than the Guaranteeing Subsidiary, expressly assumes all the obligations of the Guaranteeing Subsidiary under the Indenture and the Guaranteeing Subsidiary's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(ii) the transaction is made in compliance with Section 4.10 of the Indenture;

(b) Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, the Guaranteeing Subsidiary under the Indenture and the Guaranteeing Subsidiary's Guarantee. Notwithstanding the foregoing, the Guaranteeing Subsidiary may merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer.

(5) Releases. The Guarantee of the Guaranteeing Subsidiary shall be automatically and unconditionally released and discharged, and no further action by the Guaranteeing Subsidiary, the Issuer or the Trustee is required for the release of the Guaranteeing Subsidiary's Guarantee, upon:

(1) (A) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of the Guaranteeing Subsidiary (including any sale, exchange or transfer), after which the Guaranteeing Subsidiary is no longer a Restricted Subsidiary or all or substantially all the assets of the Guaranteeing Subsidiary which sale, exchange or transfer is made in compliance with the applicable provisions of the Indenture;

(B) the release or discharge of the guarantee by the Guaranteeing Subsidiary of the guarantee which resulted in the creation of the Guarantee, except a discharge or release by or as a result of payment under such guarantee;

(C) the proper designation of the Guaranteeing Subsidiary as an Unrestricted Subsidiary; or

(D) the Issuer exercising its Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 of the Indenture or the Issuer's obligations under the Indenture being discharged in accordance with the terms of the Indenture; and

(2) the Guaranteeing Subsidiary delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

(6) No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Guaranteeing Subsidiary shall have any liability for any obligations of the Issuer or the Guarantors (including the Guaranteeing Subsidiary) under the Notes, any Guarantees, the Indenture or this Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(7) Governing Law. THIS SUPPLEMENTAL INDENTURE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(8) Counterparts. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

(9) Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

(10) The Trustee. The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by the Guaranteeing Subsidiary.

(11) Subrogation. The Guaranteeing Subsidiary shall be subrogated to all rights of Holders of Notes against the Issuer in respect of any amounts paid by the Guaranteeing Subsidiary pursuant to the provisions of Section 2 hereof and Section 10.01 of the Indenture; provided that, if an Event of Default has occurred and is continuing, the Guaranteeing Subsidiary shall not be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under the Indenture or the Notes shall have been paid in full.

(12) Benefits Acknowledged. The Guaranteeing Subsidiary's Guarantee is subject to the terms and conditions set forth in the Indenture. The Guaranteeing Subsidiary acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Indenture and this Supplemental Indenture and that the guarantee and waivers made by it pursuant to this Guarantee are knowingly made in contemplation of such benefits.

(13) Successors. All agreements of the Guaranteeing Subsidiary in this Supplemental Indenture shall bind its Successors, except as otherwise provided in Section 2(k) hereof or elsewhere in this Supplemental Indenture. All agreements of the Trustee in this Supplemental Indenture shall bind its successors.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed, all as of the date first above written.

Exhibit 4.13

SECOND SUPPLEMENTAL INDENTURE

THIS SECOND SUPPLEMENTAL INDENTURE (this "Supplemental Indenture"), dated as of December 7, 2016, among the entities listed in Schedule I hereto (each a "Guaranteeing Subsidiary" and together, the "Guaranteeing Subsidiaries"), each a subsidiary of Aramark Services, Inc., a Delaware corporation (the "Issuer"), and The Bank of New York Mellon, as trustee (the "Trustee").

W I T N E S S E T H

WHEREAS, the Issuer has heretofore executed and delivered to the Trustee an indenture (the "Indenture"), dated as of May 31, 2016, providing for the issuance of an unlimited aggregate principal amount of 4.750% Senior Notes due 2026 (the "Notes");

WHEREAS, the Indenture provides that under certain circumstances each Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which such Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer's Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the "Guarantee"); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

(2) Agreement to Guarantee. Each Guaranteeing Subsidiary hereby agrees as follows:

(a) Along with all other Guarantors, to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(i) the principal of, interest and premium and Additional Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or of any such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and the Guaranteeing Subsidiaries shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The following is hereby waived: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever.

(d) This Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, the Indenture and this Supplemental Indenture, and each Guaranteeing Subsidiary accepts all obligations of a Guarantor under the Indenture.

(e) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors (including the Guaranteeing Subsidiaries), or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) Each Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranteeing Subsidiaries, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranteeing Subsidiaries for the purpose of this Guarantee.

(h) Each Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

(i) Pursuant to Section 10.02 of the Indenture, after giving effect to all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy or fraudulent conveyance laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article 10 of the Indenture, this new Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guaranteeing Subsidiary under this Guarantee will not constitute a fraudulent transfer or conveyance.

(j) This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer’s assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any

time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes and Guarantee, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Note shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(k) In case any provision of this Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(l) This Guarantee shall be a general unsecured senior obligation of such Guaranteeing Subsidiary, ranking *pari passu* with any other future Senior Indebtedness of such Guaranteeing Subsidiary, if any.

(m) Each payment to be made by the Guaranteeing Subsidiaries in respect of this Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

(3) Execution and Delivery. Each Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(4) Merger, Consolidation or Sale of All or Substantially All Assets.

(a) Except as otherwise provided in Section 5.01(c) of the Indenture, each Guaranteeing Subsidiary may not consolidate or merge with or into or wind up into (whether or not the Issuer or such Guaranteeing Subsidiary is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(i) (A) such Guaranteeing Subsidiary is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Guaranteeing Subsidiary) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guaranteeing Subsidiary, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Guaranteeing Subsidiary or such Person, as the case may be, being herein called the "Successor Person");

(B) the Successor Person, if other than such Guaranteeing Subsidiary, expressly assumes all the obligations of such Guaranteeing Subsidiary under the Indenture and such Guaranteeing Subsidiary's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(ii) the transaction is made in compliance with Section 4.10 of the Indenture;

(b) Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, such Guaranteeing Subsidiary under the Indenture and such Guaranteeing Subsidiary's Guarantee. Notwithstanding the foregoing, such Guaranteeing Subsidiary may merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer.

(5) Releases. The Guarantee of each Guaranteeing Subsidiary shall be automatically and unconditionally released and discharged, and no further action by such Guaranteeing Subsidiary, the Issuer or the Trustee is required for the release of such Guaranteeing Subsidiary's Guarantee, upon:

(1) (A) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of such Guaranteeing Subsidiary (including any sale, exchange or transfer), after which such Guaranteeing Subsidiary is no longer a Restricted Subsidiary or all or substantially all the assets of such Guaranteeing Subsidiary which sale, exchange or transfer is made in compliance with the applicable provisions of the Indenture;

(B) the release or discharge of the guarantee by such Guaranteeing Subsidiary of the guarantee which resulted in the creation of the Guarantee, except a discharge or release by or as a result of payment under such guarantee;

(C) the proper designation of such Guaranteeing Subsidiary as an Unrestricted Subsidiary; or

(D) the Issuer exercising its Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 of the Indenture or the Issuer's obligations under the Indenture being discharged in accordance with the terms of the Indenture; and

(2) such Guaranteeing Subsidiary delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

(6) No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Guaranteeing Subsidiaries shall have any liability for any obligations of the Issuer or the Guarantors (including the Guaranteeing Subsidiaries) under the Notes, any Guarantees, the Indenture or this Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(7) Governing Law. THIS SUPPLEMENTAL INDENTURE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(8) Counterparts. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

(9) Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

(10) The Trustee. The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by each Guaranteeing Subsidiary.

(11) Subrogation. Each Guaranteeing Subsidiary shall be subrogated to all rights of Holders of Notes against the Issuer in respect of any amounts paid by such Guaranteeing Subsidiary pursuant to the provisions of Section 2 hereof and Section 10.01 of the Indenture; provided that, if an Event of Default has occurred and is continuing, such Guaranteeing Subsidiary shall not be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under the Indenture or the Notes shall have been paid in full.

(12) Benefits Acknowledged. Each Guaranteeing Subsidiary's Guarantee is subject to the terms and conditions set forth in the Indenture. Each Guaranteeing Subsidiary acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Indenture and this Supplemental Indenture and that the guarantee and waivers made by it pursuant to this Guarantee are knowingly made in contemplation of such benefits.

(13) Successors. All agreements of the Guaranteeing Subsidiaries in this Supplemental Indenture shall bind their Successors, except as otherwise provided in Section 2(k) hereof or elsewhere in this Supplemental Indenture. All agreements of the Trustee in this Supplemental Indenture shall bind its successors.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed, all as of the date first above written.

Ladies and Gentlemen:

We have acted as counsel to Aramark, a Delaware corporation (the "Company"), Aramark Services, Inc., a Delaware corporation (the "Issuer"), and the subsidiaries of the Company listed on Schedule I hereto (the "Schedule I Guarantors") and Schedule II hereto (the "Schedule II Guarantors" and, collectively with the Company and the Schedule I Guarantors, the "Guarantors") in connection with the Registration Statement on Form S-4 (the "Registration Statement") filed by the Issuer and the Guarantors with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended, relating to (i) the issuance by the Issuer of $500,000,000 aggregate principal amount of 5.125% Senior Notes due 2024 (the "2024 Exchange Notes") and the issuance by the Guarantors of guarantees (the "2024 Exchange Notes Guarantees") with respect to the 2024 Exchange Notes and (ii) the issuance by the Issuer of $500,000,000 aggregate principal amount of 4.750% Senior Notes due 2026 (the "2026 Exchange Notes" and, together with the 2024 Exchange Notes, the "Exchange Notes") and the issuance by the Guarantors of guarantees (the "2026 Exchange Notes Guarantees" and, together with the 2024 Exchange Notes Guarantees, the "Guarantees") with respect to the 2026 Exchange Notes. The 2024 Exchange Notes and the 2024 Exchange Notes Guarantees will be issued under the

indenture, dated as of December 17, 2015 (the "Base Indenture"), among the Issuer, the Guarantors and The Bank of New York Mellon, as trustee (the "Trustee"), as supplemented by the supplemental indenture, dated as of May 31, 2016 (together with the Base Indenture, as amended through the date hereof, the "2024 Notes Indenture"). The 2026 Exchange Notes and the 2026 Exchange Notes Guarantees will be issued under the indenture, dated as of May 31, 2016 (as amended through the date hereof, the "2026 Notes Indenture" and, together with the 2024 Notes Indenture, the "Indentures"), among the Issuer, the Guarantors and the Trustee. The Issuer will offer the 2024 Exchange Notes in exchange for $500,000,000 aggregate principal amount of its outstanding 5.125% Senior Notes due 2024 (the "Outstanding 2024 Notes") that were issued on May 31, 2016 and the 2026 Exchange Notes in exchange for $500,000,000 aggregate principal amount of its outstanding 4.750% Senior Notes due 2026 (together with the Outstanding 2024 Notes, the "Outstanding Notes") that were issued on May 31, 2016.

We have examined the Registration Statement and the Indentures (including the form of 5.125% Senior Notes due 2024 and the form of 4.750% Senior Notes due 2026), which have been filed with the Commission as exhibits to the Registration Statement. We also have examined the originals, or duplicates or certified or conformed copies, of such records, agreements, documents and other instruments and have made such other investigations as we have deemed relevant and necessary in connection with the opinions hereinafter set forth. As to questions of fact material to this opinion, we have relied upon certificates or comparable documents of public officials and of officers and representatives of the Issuer and the Guarantors.

In rendering the opinions set forth below, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as duplicates or certified or conformed copies and the authenticity of the originals of such latter documents. We also have assumed that each Indenture is the valid and legally binding obligation of the Trustee.

We have assumed further that (1) the Schedule II Guarantors are duly organized and existing entities that have duly authorized, executed, delivered and issued, as applicable, each Indenture and their Guarantees in accordance with the law of the respective jurisdictions in which each of them is organized, and (2) execution, delivery, issuance and performance, as applicable, by the Schedule II Guarantors of each Indenture and their Guarantees do not and will not violate the law of the respective jurisdictions in which each of them is organized or any other applicable law (except that no such exception is made with respect to the law of the State of New York and the federal law of the United States) or their constituting documents.

Based upon the foregoing, and subject to the qualifications, assumptions and limitations stated herein, we are of the opinion that:

1. When the Exchange Notes have been duly executed, authenticated, issued and delivered in accordance with the provisions of the applicable Indenture upon the exchange for the applicable Outstanding Notes, the Exchange Notes will constitute valid and legally binding obligations of the Issuer enforceable against the Issuer in accordance with their terms.

2. When (a) the Exchange Notes have been duly executed, authenticated, issued and delivered in accordance with the provisions of the applicable Indenture upon the exchange for the applicable Outstanding Notes and (b) the Guarantees have been duly issued, the Guarantees will constitute valid and legally binding obligations of the Guarantors enforceable against the Guarantors in accordance with their terms.

Our opinions set forth above are subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, (ii) general equitable principles (whether considered in a proceeding in equity or at law), and (iii) an implied covenant of good faith and fair dealing.

We do not express any opinion herein concerning any law other than the law of the State of New York, the federal law of the United States, the Delaware General Corporation Law, the Delaware Limited Liability Company Act and the Delaware Revised Uniform Limited Partnership Act.

We hereby consent to the filing of this opinion letter as Exhibit 5.1 to the Registration Statement and to the use of our name under the caption “Legal Matters” in the Prospectus included in the Registration Statement.

Very truly yours,

/s/ SIMPSON THACHER & BARTLETT LLP

Ladies and Gentlemen:

I am the Executive Vice President, General Counsel and Secretary of Aramark, a Delaware corporation (the "Company"). The Company and Aramark Services, Inc., a Delaware corporation (the "Issuer"), have filed a Registration Statement on Form S-4 (the "Registration Statement") together with the subsidiary guarantors listed therein (such subsidiary guarantors, together with the Company, the "Guarantors") with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended, relating to (i) the issuance by the Issuer of $500,000,000 aggregate principal amount of 5.125% Senior Notes due 2024 (the "2024 Exchange Notes") and the issuance by the Guarantors of guarantees (the "2024 Exchange Notes Guarantees") with respect to the 2024 Exchange Notes and (ii) the issuance by the Issuer of $500,000,000 aggregate principal amount of 4.750% Senior Notes due 2026 (the "2026 Exchange Notes" and, together with the 2024 Exchange Notes, the "Exchange Notes") and the issuance by the Guarantors of guarantees (the "2026 Exchange Notes Guarantees" and, together with the 2024 Exchange Notes Guarantees, the "Guarantees") with respect to the 2026 Exchange Notes. The 2024 Exchange Notes and the 2024 Exchange Notes Guarantees will be issued under the indenture, dated as of December 17, 2015 (the "Base Indenture"), among the Issuer, the Guarantors and The Bank of New York Mellon, as trustee (the "Trustee"), as supplemented by the supplemental indenture, dated as of May 31, 2016 (together with the Base Indenture, as amended through the date hereof, the "2024 Notes Indenture"). The 2026 Exchange Notes and the 2026 Exchange Notes Guarantees will be issued under the indenture, dated as of May 31, 2016 (as amended through the date hereof, the "2026 Notes Indenture" and, together with the 2024 Notes Indenture, the "Indentures"), among the Issuer, the Guarantors and the Trustee. The Issuer will offer the 2024 Exchange Notes in exchange for $500,000,000 aggregate principal amount of its outstanding 5.125% Senior Notes due 2024 that were issued on May 31, 2016 and the 2026 Exchange Notes in exchange for $500,000,000 aggregate principal amount of its outstanding 4.750% Senior Notes due 2026 that were issued on May 31, 2016.

I have examined the Registration Statement and the Indentures (including the form of 5.125% Senior Notes due 2024 and the form of 4.750% Senior Notes due 2026), which have been filed with the Commission as exhibits to the Registration Statement.

In rendering the opinions contained herein, I have relied upon my examination or the examination by members of our legal staff or outside counsel (in the ordinary course of business) of the original or copies, certified or otherwise identified to our satisfaction, of the charter, bylaws or other governing documents of the subsidiaries named in Schedule I hereto (the "Schedule I Subsidiaries"), resolutions and written consents of their respective boards of directors, general partners, managers and managing members, as the case may be, statements and certificates from officers of the Schedule I Subsidiaries and such other documents and records relating to the Schedule I Subsidiaries as we have deemed appropriate. I, or a member of my staff, have also examined the originals, or duplicates or certified or conformed copies, of such records, agreements, documents and other instruments of all the registrants and have made such other investigations as I have deemed relevant and necessary in connection with the opinions hereinafter set forth. As to questions of fact material to this opinion letter, I have relied upon certificates or comparable documents or statements of public officials and of officers and representatives of the Company, the Issuer, and the Schedule I Subsidiaries.

In rendering the opinions set forth below, I have also assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as duplicates or certified or conformed copies and the authenticity of the originals of such latter documents.

Based upon the foregoing, and subject to the qualifications, assumptions and limitations stated herein, I am of the opinion that the Guarantees have been duly authorized, executed and delivered by each of the Schedule I Subsidiaries.

This opinion letter is given as of the date hereof and I assume no obligation to update or supplement this opinion letter to reflect any facts or circumstances that may hereafter come to my attention or any change in laws that may hereafter occur.

I hereby consent to the filing of this opinion letter as Exhibit 5.2 to the Registration Statement and to the use of my name under the caption "Legal Matters" in the Prospectus included in the Registration Statement.

Very truly yours,

/s/ Stephen R. Reynolds

Upon the terms and subject to the conditions set forth in the Prospectus and this Letter of Transmittal, the Guarantors offer to issue the New Guarantees with respect to all related Exchange Notes issued in the Exchange Offers in exchange for the Old Guarantees of the Outstanding Notes for which such Exchange Notes are issued in the applicable Exchange Offer. The undersigned hereby irrevocably constitutes and appoints the Exchange Agent as its true and lawful agent and attorney-in-fact of the undersigned (with full knowledge that the Exchange Agent also acts as the agent of the Company, in connection with the Exchange Offers) with respect to the tendered Outstanding Notes, with full power of substitution and resubstitution (such power of attorney being deemed an irrevocable power coupled with an interest) to (1) deliver certificates representing such Outstanding Notes, or transfer ownership of such Outstanding Notes on the account books maintained by the book-entry transfer facility specified by the holder(s) of the Outstanding Notes, together, in each such case, with all accompanying evidences of transfer and authenticity to, or upon the order of, the Company, (2) present and deliver such Outstanding Notes for transfer on the books of the Company and (3) receive all benefits or otherwise exercise all rights and incidents of beneficial ownership of such Outstanding Notes, all in accordance with the terms of the applicable Exchange Offer.

The undersigned hereby represents and warrants that (a) the undersigned has full power and authority to tender, exchange, assign and transfer the Outstanding Notes tendered hereby, (b) when such tendered Outstanding Notes are accepted for exchange, the Company will acquire good and unencumbered title thereto, free and clear of all liens, restrictions, charges and encumbrances and (c) the Outstanding Notes tendered for exchange are not subject to any adverse claims or proxies when accepted by the Company. The undersigned hereby further represents that (i) any Exchange Notes acquired in exchange for Outstanding Notes tendered hereby will have been acquired in the ordinary course of business of the person receiving such Exchange Notes, whether or not such person is the undersigned, (ii) neither the holder of such Outstanding Notes nor any such other person has an arrangement or understanding with any person to participate in the distribution of such Exchange Notes, (iii) neither the holder of such Outstanding Notes nor any such other person is an “affiliate,” as such term is defined in Rule 405 under the Securities Act, of the Company or any Guarantor, (iv) if such holder is not a broker-dealer, neither such holder nor, to the actual knowledge of such holder, any other person receiving such Exchange Notes from such holder is engaging in or intends to engage in a distribution of the Exchange Notes, and (v) if such holder is a broker-dealer that will receive the Exchange Notes for its own account in exchange for such Outstanding Notes that were acquired as a result of market-making activities or other trading activities, it will comply with the applicable provisions of the Securities Act (including, but not limited to, the prospectus delivery requirements thereunder) in connection with any resale of such Exchange Notes. If the undersigned is a person in the United Kingdom, the undersigned represents that its ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business.

The undersigned also acknowledges that the Exchange Offers are being made based on the Company’s understanding of an interpretation by the staff of the Securities and Exchange Commission (the “SEC”) as set forth in no-action letters issued to third parties, including *Morgan Stanley & Co. Incorporated* (available June 5, 1991), *Exxon Capital Holdings Corporation* (available May 13, 1988), as interpreted in the SEC’s letter to *Shearman & Sterling* (available July 2, 1993) or similar no-action letters, that the Exchange Notes issued in exchange for the Outstanding Notes pursuant to the applicable Exchange Offer may be offered for resale, resold and otherwise transferred by each holder thereof (other than a broker-dealer who acquires such Exchange Notes directly from the Company for resale pursuant to Rule 144A under the Securities Act or any other available

exemption under the Securities Act or any such holder that is an "affiliate" of the Company or the Guarantors within the meaning of Rule 405 under the Securities Act), without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that such Exchange Notes are acquired in the ordinary course of such holder's business and such holder is not engaged in, and does not intend to engage in, a distribution of such Exchange Notes and has no arrangement or understanding with any person to participate in the distribution of such Exchange Notes. If a holder of the Outstanding Notes is an affiliate of the Company or the Guarantors, is not acquiring the Exchange Notes in the ordinary course of its business, is engaged in or intends to engage in a distribution of the Exchange Notes or has any arrangement or understanding with respect to the distribution of the Exchange Notes to be acquired pursuant to the applicable Exchange Offer, such holder (x) may not rely on the applicable interpretations of the staff of the SEC and (y) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any secondary resale transaction. If the undersigned is a broker-dealer that will receive the Exchange Notes for its own account in exchange for the Outstanding Notes, it represents that the Outstanding Notes to be exchanged for the Exchange Notes were acquired by it as a result of market-making activities or other trading activities and acknowledges that it will deliver a prospectus in connection with any resale or transfer of such Exchange Notes; however, by so acknowledging and by delivering a prospectus, the undersigned will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

The undersigned will, upon request, execute and deliver any additional documents deemed by the Company or the Exchange Agent to be necessary or desirable to complete the exchange, assignment and transfer of the tendered Outstanding Notes or transfer ownership of such Outstanding Notes on the account books maintained by the book-entry transfer facility. The undersigned further agrees that acceptance of any and all validly tendered Outstanding Notes by the Company and the issuance of Exchange Notes in exchange therefor shall constitute performance in full by the Company of its obligations under the Registration Rights Agreements relating to each series of the Outstanding Notes, each dated as of May 31, 2016, among Aramark Services, Inc., the guarantors party thereto and the initial purchasers named therein (each a "Registration Rights Agreement"), and that the Company shall have no further obligations or liabilities thereunder except as provided in Section 8 (Indemnification and Contribution) of such agreement. The undersigned will comply with its obligations under the applicable Registration Rights Agreement.

Each Exchange Offer is subject to certain conditions as set forth in the Prospectus under the caption "The Exchange Offers—Conditions to the Exchange Offers." The undersigned recognizes that as a result of these conditions (which may be waived, in whole or in part, by the Company), as more particularly set forth in the Prospectus, the Company may not be required to exchange any of the Outstanding Notes tendered hereby and, in such event, the Outstanding Notes not exchanged will be returned to the undersigned at the address shown above, promptly following the expiration or termination of the applicable Exchange Offer. In addition, the Company may amend or terminate an Exchange Offer at any time prior to the Expiration Date of such Exchange Offer if any of the conditions of the Exchange Offers set forth under "The Exchange Offers—Conditions to the Exchange Offers" occur.

All authority herein conferred or agreed to be conferred in this Letter of Transmittal shall survive the death or incapacity of the undersigned and every obligation of the undersigned hereunder shall be binding upon the successors, assigns, heirs, administrators, trustees in bankruptcy and legal representatives of the undersigned. Tendered Outstanding Notes may be withdrawn at any time prior to 5:00 p.m., New York City time, on the last business day on which the applicable Exchange Offer remains open in accordance with the procedures set forth in the terms of this Letter of Transmittal.

Unless otherwise indicated herein in the box entitled "Special Registration Instructions" below, please deliver the Exchange Notes (and, if applicable, substitute certificates representing the Outstanding Notes for any Outstanding Notes not exchanged) in the name of the undersigned or, in the case of a book-entry delivery of the Outstanding Notes, please credit the account indicated above. Similarly, unless otherwise indicated under the box entitled "Special Delivery Instructions" below, please send the Exchange Notes (and, if applicable, substitute

certificates representing the Outstanding Notes for any Outstanding Notes not exchanged) to the undersigned at the address shown above in the box entitled "Description of Outstanding Notes Tendered Herewith."

INSTRUCTIONS
FORMING PART OF THE TERMS AND CONDITIONS OF THE EXCHANGE OFFERS

General

Please do not send certificates for Outstanding Notes directly to the Company. Your certificates for Outstanding Notes, together with your signed and completed Letter of Transmittal and any required supporting documents, should be mailed or otherwise delivered to the Exchange Agent at the address set forth on the first page hereof. The method of delivery of Outstanding Notes, this Letter of Transmittal and all other required documents is at your sole option and risk and the delivery will be deemed made only when actually received by the Exchange Agent. If delivery is by mail, registered mail with return receipt requested, properly insured, or overnight or hand delivery service is recommended. In all cases, sufficient time should be allowed to ensure timely delivery.

1. Delivery of this Letter of Transmittal and Certificates; Guaranteed Delivery Procedures. A holder of Outstanding Notes (which term, for the purposes described herein, shall include a person whose name appears on a security listing of the book-entry transfer facility as the owner of the Outstanding Notes) may tender the same by (i) properly completing and signing this Letter of Transmittal or a facsimile hereof (all references in the Prospectus to the Letter of Transmittal shall be deemed to include a facsimile thereof) and delivering the same, together with the certificate or certificates, if applicable, representing the Outstanding Notes being tendered and any required signature guarantees and any other documents required by this Letter of Transmittal, to the Exchange Agent at its address set forth above on or prior to the Expiration Date, (ii) complying with the procedure for book-entry transfer described below or (iii) complying with the guaranteed delivery procedures described below.

Holders who wish to tender their Outstanding Notes and (i) whose Outstanding Notes are not immediately available or (ii) who cannot deliver their Outstanding Notes, this Letter of Transmittal or any other required documents to the Exchange Agent on or prior to the Expiration Date or (iii) who cannot comply with the book-entry transfer procedures on a timely basis, must tender their Outstanding Notes pursuant to the guaranteed delivery procedure set forth in “The Exchange Offers—Guaranteed Delivery Procedures” in the Prospectus and by completing Box 3. Holders may tender their Outstanding Notes pursuant to the guaranteed delivery procedures if: (i) the tender is made by or through an Eligible Guarantor Institution (as defined below); (ii) the Exchange Agent receives from such Eligible Guarantor Institution, on or prior to the Expiration Date, either a properly completed and duly executed Notice of Guaranteed Delivery in the form provided with this Letter of Transmittal (by facsimile transmission, mail or hand delivery) or a properly transmitted Agent’s Message and Notice of Guaranteed Delivery that (a) sets forth the name and address of the holder of Outstanding Notes, if applicable, the certificate number(s) of the Outstanding Notes to be tendered and the principal amount of Outstanding Notes tendered; (b) states that the tender is being made thereby; and (c) guarantees that, within three New York Stock Exchange trading days after the Expiration Date, the Letter of Transmittal, or a facsimile thereof, together with the Outstanding Notes or a book-entry confirmation and related Agent’s Message, and any other documents required by the Letter of Transmittal, will be deposited by the Eligible Guarantor Institution with the Exchange Agent; and (iii) the Exchange Agent receives a properly completed and executed Letter of Transmittal, or facsimile thereof, together with the certificate(s) representing all tendered Outstanding Notes in proper form or a confirmation of book-entry transfer of the Outstanding Notes into the Exchange Agent’s account at DTC and related Agent’s Message, and all other documents required by this Letter of Transmittal within three New York Stock Exchange trading days after the Expiration Date of the applicable Exchange Offer.

Any Holder who wishes to tender Outstanding Notes pursuant to the guaranteed delivery procedures described above must ensure that the Exchange Agent receives the Notice of Guaranteed Delivery relating to such Outstanding Notes prior to the Expiration Date. Failure to complete the guaranteed delivery procedures outlined above will not, of itself, affect the validity or effect a revocation of any Letter of Transmittal form properly completed and executed by a holder who attempted to use the guaranteed delivery procedures.

No alternative, conditional, irregular or contingent tenders will be accepted. Each tendering holder, by execution of this Letter of Transmittal (or facsimile thereof), shall waive any right to receive notice of the acceptance of the Outstanding Notes for exchange.

2. Partial Tenders; Withdrawals. Tenders of Outstanding Notes will be accepted only in the principal amount of $2,000 and integral multiples of $1,000 in excess thereof. If less than the entire principal amount of Outstanding Notes evidenced by a submitted certificate is tendered, the tendering holderf(s) must fill in the aggregate principal amount of Outstanding Notes tendered in the appropriate column in Box 1 "Description of Outstanding Notes Tendered Herewith" above. A newly issued certificate for the Outstanding Notes submitted but not tendered will be sent to such holder promptly after the Expiration Date of the applicable Exchange Offer, unless otherwise provided in the appropriate box on this Letter of Transmittal. All Outstanding Notes delivered to the Exchange Agent will be deemed to have been tendered in full unless otherwise clearly indicated. Outstanding Notes tendered pursuant to the Exchange Offers may be withdrawn at any time prior to 5:00 p.m., New York City time, on the last business day on which the applicable Exchange Offer remains open, after which tenders of Outstanding Notes are irrevocable.

To be effective with respect to the tender of Outstanding Notes, a written notice of withdrawal (which may be by telegram, telex, facsimile or letter) must: (i) be received by the Exchange Agent at the address for the Exchange Agent set forth above before the Company notifies the Exchange Agent that it has accepted the tender of Outstanding Notes pursuant to the Exchange Offers; (ii) specify the name of the person who tendered the Outstanding Notes to be withdrawn; (iii) identify the Outstanding Notes to be withdrawn (including the principal amount of such Outstanding Notes, or, if applicable, the certificate numbers shown on the particular certificates evidencing such Outstanding Notes and the principal amount of Outstanding Notes represented by such certificates); (iv) include a statement that such holder is withdrawing its election to have such Outstanding Notes exchanged; (v) specify the name in which any such Outstanding Notes are to be registered, if different from that of the withdrawing holder; and (vi) be signed by the holder in the same manner as the original signature on this Letter of Transmittal (including any required signature guarantee). If certificates for Outstanding Notes have been delivered or otherwise identified to the Exchange Agent, then, prior to the release of such certificates, the holder must also submit (a) the serial numbers of the particular certificates to be withdrawn and (b) a signed notice of withdrawal with signatures guaranteed by an Eligible Guarantor Institution unless the holder is an Eligible Guarantor Institution. The Exchange Agent will return the properly withdrawn Outstanding Notes promptly following receipt of notice of withdrawal. If Outstanding Notes have been tendered pursuant to the procedure for book-entry transfer, any notice of withdrawal must specify the name and number of the account at the book-entry transfer facility to be credited with the withdrawn Outstanding Notes or otherwise comply with the book-entry transfer facility's procedures. All questions as to the validity, form and eligibility of notices of withdrawals, including time of receipt, will be determined by the Company, and such determination will be final and binding on all parties.

Any Outstanding Notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the Exchange Offers. Any Outstanding Notes which have been tendered for exchange but which are not accepted for exchange for any reason will be returned to the holder thereof without cost to such holder (or, in the case of Outstanding Notes tendered by book-entry transfer into the Exchange Agent's account at the book-entry transfer facility pursuant to the book-entry transfer procedures described above, such Outstanding Notes will be credited to an account with such book-entry transfer facility specified by the holder) promptly after withdrawal, rejection of tender or termination of the applicable Exchange Offer. Properly withdrawn Outstanding Notes may be retendered by following one of the procedures described under the caption "The Exchange Offers—Procedures for Tendering Outstanding Notes" in the Prospectus at any time prior to the Expiration Date.

None of the Company, any affiliate or assigns of the Company, the Exchange Agent nor any other person will be under any duty to give any notification of any irregularities in any notice of withdrawal or incur any liability for failure to give such notification (even if such notice is given to other persons).

3. Beneficial Owner Instructions. Only a holder of Outstanding Notes (i.e., a person in whose name Outstanding Notes are registered on the books of the registrar, or, in the case of Outstanding Notes held through book-entry, a person named on the security listing of such book-entry transfer facility as an owner of Outstanding Notes), or the legal representative or attorney-in-fact of a holder, may execute and deliver this Letter of Transmittal. Any beneficial owner of Outstanding Notes who wishes to accept an Exchange Offer must arrange promptly for the appropriate holder to execute and deliver this Letter of Transmittal on his or her behalf through the execution and delivery to the appropriate holder of the "Instructions to Registered Holder from Beneficial Owner" form accompanying this Letter of Transmittal.

4. Signature on this Letter of Transmittal; Written Instruments and Endorsements; Guarantee of Signatures. If this Letter of Transmittal is signed by the registered holder(s) (which term, for the purposes described herein, shall include a person whose name appears on a security listing of the book-entry transfer facility as the owner of the Outstanding Notes) of the Outstanding Notes tendered hereby, the signature must correspond exactly with the name(s) as written on the face of the certificates (or on such security listing) without alteration, addition, enlargement or any change whatsoever.

If any of the Outstanding Notes tendered hereby are owned of record by two or more joint owners, all such owners must sign this Letter of Transmittal.

If a number of Outstanding Notes registered in different names are tendered, it will be necessary to complete, sign and submit as many separate copies of this Letter of Transmittal (or facsimiles thereof) as there are different registrations of Outstanding Notes.

When this Letter of Transmittal is signed by the registered holder(s) of Outstanding Notes (which term, for the purposes described herein, shall include a person whose name appears on a security listing of the book-entry transfer facility as the owner of the Outstanding Notes) listed and tendered hereby, no endorsements of certificates or separate written instruments of transfer or exchange are required. If, however, this Letter of Transmittal is signed by a person other than the registered holder(s) of the Outstanding Notes listed or the Exchange Notes are to be issued, or any untendered Outstanding Notes are to be reissued, to a person other than the registered holder(s) of the Outstanding Notes, such Outstanding Notes must be endorsed or accompanied by separate written instruments of transfer or exchange in form satisfactory to the Company and duly executed by the registered holder, in each case signed exactly as the name or names of the registered holder(s) appear(s) on the Outstanding Notes and the signatures on such instruments must be guaranteed by an Eligible Guarantor Institution. If this Letter of Transmittal, any certificates or separate written instruments of transfer or exchange are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and, unless waived by the Company, submit proper evidence satisfactory to the Company, in its sole discretion, of such persons' authority to so act.

Endorsements on certificates for the Outstanding Notes or signatures on bond powers required by this Instruction 4 must be guaranteed by a member firm of a registered national securities exchange or of the Financial Industry Regulatory Authority, Inc., a commercial bank or trust company having an office or correspondent in the United States or another "eligible guarantor institution" within the meaning of Rule 17Ad-15 under the Securities Exchange Act of 1934, as amended (an "Eligible Guarantor Institution").

Signatures on this Letter of Transmittal must be guaranteed by an Eligible Guarantor Institution, unless Outstanding Notes are tendered: (i) by a registered holder (which term, for the purposes described herein, shall include a person whose name appears on a security listing of the book-entry transfer facility as the owner of the Outstanding Notes) who has not completed the box entitled "Special Registration Instructions" or "Special Delivery Instructions" on this Letter of Transmittal; or (ii) for the account of an Eligible Guarantor Institution.

5. Special Registration and Delivery Instructions. Tendering holders should indicate, in the applicable Box 6 or Box 7, the name and address in/to which the Exchange Notes and/or certificates for Outstanding Notes not exchanged are to be issued or sent, if different from the name(s) and address(es) of the person signing this Letter of Transmittal. In the case of issuance in or delivery to a different name, the taxpayer identification number (social security number or employer identification number) of the person named must also be indicated. A holder tendering the Outstanding Notes by book-entry transfer may request that the Outstanding Notes not exchanged be credited to such account maintained at the book-entry transfer facility as such holder may designate. See Box 4.

If no such instructions are given, the Exchange Notes (and any Outstanding Notes not tendered or not accepted) will be issued in the name of and sent to the holder signing this Letter of Transmittal or deposited into such holder's account at the applicable book-entry transfer facility.

6. Transfer Taxes. The Company shall pay all transfer taxes, if any, applicable to the transfer and exchange of the Outstanding Notes to it or its order pursuant to the Exchange Offers. If, however, the Exchange Notes are delivered to or issued in the name of a person other than the registered holder, or if a transfer tax is imposed for any reason other than the transfer and exchange of Outstanding Notes to the Company or its order pursuant to the Exchange Offers, the amount of any such transfer taxes (whether imposed on the registered holder or any other person) will be payable by the tendering holder. If satisfactory evidence of payment of such taxes or exemption therefrom is not submitted herewith, the amount of such transfer taxes will be billed directly to such tendering holder.

Except as provided in this Instruction 6, it will not be necessary for transfer tax stamps to be affixed to the Outstanding Notes listed in this Letter of Transmittal.

7. Waiver of Conditions. The Company reserves the absolute right to waive, in whole or in part, any of the conditions to the Exchange Offers set forth in the Prospectus.

8. Mutilated, Lost, Stolen or Destroyed Securities. Any holder whose Outstanding Notes have been mutilated, lost, stolen or destroyed, should promptly contact the Exchange Agent at the address set forth on the first page hereof for further instructions. The holder will then be instructed as to the steps that must be taken in order to replace the certificate(s). This Letter of Transmittal and related documents cannot be processed until the procedures for replacing lost, destroyed or stolen certificate(s) have been completed.

9. No Conditional Tenders; No Notice of Irregularities. No alternative, conditional, irregular or contingent tenders will be accepted. All tendering holders, by execution of this Letter of Transmittal, shall waive any right to receive notice of the acceptance of their Outstanding Notes for exchange. The Company reserves the right, in its reasonable judgment, to waive any defects, irregularities or conditions of tender as to particular Outstanding Notes. The Company's interpretation of the terms and conditions of the Exchange Offers (including the instructions in this Letter of Transmittal) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Outstanding Notes must be cured within such time as the Company shall determine. Although the Company intends to notify holders of defects or irregularities with respect to tenders of Outstanding Notes, none of the Company, the Exchange Agent nor any other person is under any obligation to give such notice nor shall they incur any liability for failure to give such notification. Tenders of Outstanding Notes will not be deemed to have been made until such defects or irregularities have been cured or waived. Any Outstanding Notes received by the Exchange Agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned by the Exchange Agent to the tendering holder promptly following the Expiration Date.

10. Requests for Assistance or Additional Copies. Questions relating to the procedure for tendering, as well as requests for additional copies of the Prospectus and this Letter of Transmittal, may be directed to the Exchange Agent at the address and telephone number set forth on the first page hereof.

IMPORTANT: THIS LETTER OF TRANSMITTAL OR A FACSIMILE OR COPY THEREOF (TOGETHER WITH CERTIFICATES OF OUTSTANDING NOTES OR CONFIRMATION OF BOOK-ENTRY TRANSFER AND ALL OTHER REQUIRED DOCUMENTS) OR A NOTICE OF GUARANTEED DELIVERY MUST BE RECEIVED BY THE EXCHANGE AGENT ON OR PRIOR TO THE EXPIRATION DATE.

IMPORTANT TAX INFORMATION

Under U.S. federal income tax law, a tendering holder whose Outstanding Notes are accepted for exchange may be subject to backup withholding unless the holder provides the Exchange Agent with either (i) such holder's correct taxpayer identification number ("TIN") on the IRS Form W-9 attached hereto, certifying (A) that the TIN provided on the IRS Form W-9 is correct (or such holder is awaiting a TIN), (B) that the holder of Outstanding Notes is not subject to backup withholding because (x) such holder of Outstanding Notes is exempt from backup withholding, (y) such holder of Outstanding Notes has not been notified by the IRS that he or she is subject to backup withholding as a result of a failure to report all interest or dividends or (z) the IRS has notified the holder of Outstanding Notes that he or she is no longer subject to backup withholding and (C) that the holder of Outstanding Notes is a U.S. person (including a U.S. resident alien); or (ii) an adequate basis for exemption from backup withholding. If such holder of Outstanding Notes is an individual, the TIN is such holder's social security number. If the Exchange Agent is not provided with the correct TIN, the holder of Outstanding Notes may also be subject to certain penalties imposed by the IRS and any reportable payments that are made to such holder may be subject to backup withholding (see below).

Certain holders of Outstanding Notes (including, among others, generally all corporations and certain foreign holders) are not subject to these backup withholding and reporting requirements. However, to avoid erroneous backup withholding, exempt U.S. holders of Outstanding Notes should complete the IRS Form W-9. In order for a foreign holder to qualify as an exempt recipient, the holder must submit an applicable IRS Form W-8, signed under penalties of perjury, attesting to that holder's exempt status. An applicable IRS Form W-8 can be obtained from the Exchange Agent or at the IRS website at www.irs.gov. Holders are encouraged to consult their own tax advisors to determine whether they are exempt from these backup withholding and reporting requirements. See the instructions to IRS Form W-9 for additional information.

If backup withholding applies, the Exchange Agent is required to withhold 28% of any reportable payments made to the holder of Outstanding Notes or other payee. Backup withholding is not an additional tax. Rather, the tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained from the IRS, provided the required information is furnished. The Exchange Agent cannot refund amounts withheld by reason of backup withholding.

If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,

2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules* for partnerships above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA reporting code on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner *(*see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at *www.ssa.gov.* You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov.* You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: *spam@uce.gov* or contact them at *www.ftc.gov/idtheft* or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Re: Aramark, Aramark Services, Inc. and other Guarantors
Registration Statement on Form S-4

Securities and Exchange Commission
100 F Street, N.E.
Washington, D.C. 20549

Ladies and Gentlemen:

We hereby submit for filing by direct electronic transmission under the Securities Act of 1933, as amended (the "Securities Act"), the registration statement on Form S-4 (the "S-4 Registration Statement"), together with certain exhibits thereto, of Aramark Services, Inc., a Delaware corporation (the "Issuer"), Aramark, a Delaware corporation (the "Parent Guarantor"), and the additional registrants listed therein (collectively, the "Subsidiary Guarantors"; together with the Parent Guarantor, the "Guarantors"; and together with the Parent Guarantor and the Issuer, the "Registrants"), relating to the Issuer's offer to exchange (i) all outstanding unregistered 5.125% Senior Notes due 2024 ($500,000,000 principal amount outstanding) (the "Unregistered 2024 Outstanding Notes"), which were offered and sold on May 31, 2016 in reliance upon Rule 144A and Regulation S under the Securities Act, for an equal principal amount of 5.125% Senior Notes due 2024 (the "New 2024 Exchange Notes") and (ii) all outstanding 4.750% Senior Notes due 2026 ($500,000,000 principal amount outstanding) (the "2026 Outstanding Notes" and, together with the Unregistered 2024 Outstanding Notes, the "Outstanding Notes"), which were offered and sold on May 31, 2016 in reliance upon Rule 144A and Regulation S under the Securities Act, for an equal principal amount of 4.750% Senior Notes due 2026 (the "2026 Exchange Notes", and together with the New 2024 Exchange Notes, the "Exchange Notes"). The Outstanding Notes are, and the Exchange Notes will be, guaranteed by the Guarantors, who are also registrants under the S-4 Registration Statement.

The Registrants are registering the Exchange Notes on the S-4 Registration Statement in reliance on the position of the Securities and Exchange Commission (the "Commission") enunciated in *Exxon Capital Holdings Corporation*, available May 13, 1988 ("Exxon Capital"), *Morgan Stanley & Co., Incorporated*, available June 5, 1991 (regarding

resales) and *Shearman & Sterling*, available July 2, 1993 (with respect to the participation of broker-dealers). The Registrants hereby make the following representations to the Staff of the Commission:

1. The Registrants have not entered into any arrangement or understanding with any person to distribute the Exchange Notes and, to the best of each of the Registrants' information and belief without independent investigation, each person participating in the exchange offers is acquiring the Exchange Notes in its ordinary course of business and is not engaged in, does not intend to engage in, and has no arrangement or understanding with any person to participate in the distribution of the Exchange Notes. In this regard, the Registrants will disclose to each person participating in the exchange offers that if such person is participating in the exchange offers for the purpose of distributing the Exchange Notes, such person (i) could not rely on the Staff position enunciated in Exxon Capital or interpretive letters to similar effect and (ii) must comply with registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction. Each Registrant acknowledges that such a secondary resale transaction by such person participating in the exchange offers for the purpose of distributing the Exchange Notes should be covered by an effective registration statement containing the selling securityholder information required by Item 507 of Regulation S-K.

2. No broker-dealer has entered into any arrangement or understanding with the Registrants or an affiliate of the Registrants to distribute the Exchange Notes. The Registrants will disclose to each person participating in the exchange offers (through the exchange offer prospectus) that any broker-dealer who receives the Exchange Notes for its own account pursuant to the exchange offers may be a statutory underwriter and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of those Exchange Notes. The Registrants will also include in the letter of transmittal to be executed by each holder participating in the exchange offers that each broker-dealer that receives the Exchange Notes for its own account pursuant to the exchange offers must acknowledge that it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of those Exchange Notes and that by so acknowledging and delivering a prospectus, the broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

The filing fee for the S-4 Registration Statement in the amount of $115,900 has previously been deposited by wire transfer of same day funds to the Commission's account at U.S. Bank of St. Louis, Missouri.

Please acknowledge receipt of the filing via electronic mail.

If you have any questions on the above-referenced S-4 Registration Statement, please contact Joseph Kaufman at (212) 455-2948 of Simpson Thacher & Bartlett LLP, counsel to the Registrants.

Very truly yours,

/s/ Stephen R. Reynolds
