Item 8.01. Other Events.

On March 9, 2017, Aramark announced that its indirect wholly owned subsidiary, Aramark Services, Inc. (the “Issuer”), priced a private offering of \$600,000,000 aggregate principal amount of 5.000% Senior Notes due 2025 (the “Notes”). The Notes are expected to be issued on or around March 22, 2017.

The Issuer intends to use the proceeds from the offering of the Notes, together with other financing sources, to redeem the entire outstanding aggregate principal amount of its 5.75% Senior Notes due 2020, to refinance the term loans under its senior secured credit facilities and to pay premium, fees and expenses.

The Notes will be sold in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), in the United States only to investors who are reasonably believed to be qualified institutional buyers in accordance with Rule 144A under the Securities Act, or outside the United States in accordance with Regulation S under the Securities Act.

This report does not constitute an offer to sell or the solicitation of an offer to buy the notes. The notes have not been registered under the Securities Act, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act.
